## PREFACE

Another year comes to a close, and another class goes into the world leaving behind it many happy memories of the acquaintances made, and the experiences passed through. It is to keep alive these fond memories that we, the Senior Class of Nineteen Hundred and Thirty-Four, leave this year book.

SENIOR CLASS

*Josephine M. Allen*

JOSEPHINE ALLEN

"Jo"

"Maroon and White" staff (4) Senior Dramatics (4); Junior Prom Committee (3); Chairman Senior Card Party (4).

"JO" is one of the tallest members of our class and is noted for her Boston accent. As Mrs. Willoughby in the Senior Play she proved herself to be a talented actress. "JO" is liked by everyone in the class but her attentions seem to be centered in another direction. Need we say more?

WILBUR BAHRMAN

"UNCLE WILBUR"

WILBUR is a very tall and lanky person. To judge by his behavior in English Class he is a tease and when reprimanded by his teacher "UNCLE WILBUR" just puts on a sheepish grin and goes merrily on his way. We might add that he is the highlight of Mr. Moreland's History C Class — meriting more than his share of disgusted glances!

*Wilbur N. Bahrman*

*Florence Abrams*

FLORENCE ABRAMS

"Flo"

Cercle Français (4).

"FLO" is a very tiny miss who believes that "Silence is Golden". She is a good student and is a source of constant delight to her teachers. She is very dependable and reliable, and has a quiet sense of humor which twinkles mischievously from her eyes. In her own quiet way "FLO" is sure to achieve success.

*Dorothy Bain*

DOROTHY BAIN

"Dot"

Slim and blonde . . . that's "DOT". This little Miss seems to be fond of walking on Sunday afternoons. Although "DOT" is absent very frequently her marks never seem to be affected. She is quiet and efficient and we are sure she will succeed in anything she undertakes.

*George Baker*

GEORGE BAKER

"SONNY"

G. O. Board of Control (4); Debate (4);  
Football (4); Le Cercle Français (4);  
Editor-in-Chief, "Maroon and White" (4);  
Senior Play; Senior Play Committee (4);  
Arts Guild, Critic (4); Tennis (4).

"SONNY" is a newcomer and has taken our school by storm. In the few months he has been here he has proved himself a very able person. As the hero in the Senior Play he set many a feminine heart a-flutter. George is also Editor-in-Chief of our year-book — a hard job, but not too hard for him!

DORA BARABINO

"DOKIE"

Commercial Club (3) (4).

"DOKIE" is one of the cheeriest girls in our class. She always has something bright to say and we know that her good nature will carry her a long way. Dora never hesitates a minute if there is something she can do to help.

*Frank Badura*

FRANK BADURA

"MOUSE"

Wrestling (4).

FRANK, though he won't admit it, is one of our better students. We are eternally grateful to him for his willingness to accommodate the unfortunate Senior who has inadvertently (?) come to class with his homework yet to be done. In school he is quiet and unobtrusive; however, you would be surprised to know that "Mousie" was one of the foremost members of the notorious "Chick-feed" gang — though we won't hold that against him.

WILHELMINA BAYLIS

"WILLIE"

Commercial Club (3) (4).

"Petite" just describes "WILLIE". This lassie is always so calm and collected. While the rest of the Seniors dash around looking for some thing or some one, "WILLIE" just glides smoothly along. She is always willing to lend a helping hand wherever one is needed.

*"Willie" Baylis*

*Lloyd C. Brown*

LLOYD CLIFTON BROWN

"BROWNIE"

G. O. Representative, (2); Radio Club, (2).

WHY is it that all these quiet people are so smart? Here's another one of that type in the form of "Brownie". He pals around mostly with Juniors, and plays good basketball. No teacher could wish for a more well-behaved pupil. When he is out of school, the class wishes him as much luck as he needs, and lots of success with everything he undertakes.

*George Clark*

### GEORGE CLARK

"BUD"

Omega Gamma Delta (1) (2) (3) (4);  
Prinsep; G. O. Board of Control (3);  
Football (1) (2) (3) (4); Hockey (1)  
(2) (3); Baseball (1) (2) (3), Captain  
(4); Senior Play Scenery Manager.

"BUD" is no mean athlete, for each year in High School he has earned his letters. This young man drives Miss Franchi almost to distraction because of his ability at making noise. He is noted for his "Green Car," which roars around town — when it is not out of gas. Oh yes — did you ever hear "BUD" sing? or see him draw? You can see for yourself that he is a very accomplished lad.

*Jennie Bemnowski*

### JENNIE BEMNOWSKI

"BEM"

Commercial Club.

If you see a girl with a wide smile and a roguish glint in her eye — that's Jennie! Her brilliant repartee with Mr. Moreland in History class and her astonishing glibness give proof of a versatile wittiness. Her abashed expression of disgust is another outstanding characteristic.

### GERALD COCKERILL

"JERRY"

Class President, (1); Class Vice-President,  
(2), (3); Fraternity, (2), (3), (4); Ass't  
Treasurer G. O., (4); Football, (1), (2),  
(3), (4); Track, (2), (3), (4); Wrestling,  
(3); Treasurer Commercial Club, (4);  
"Maroon and White" (4).

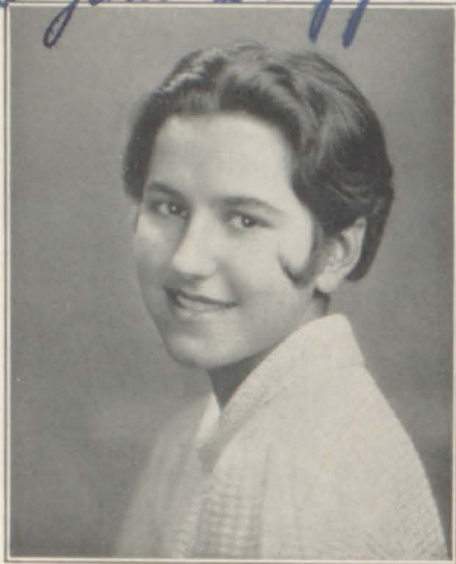

JERRY is the football hero you've got to be like if you want to get along with a beautiful girl like Sy. . . , well that's Jerry's business. He seems to be the only possible treasurer for you too—two treasury positions in one year! Maybe if the world had a few more blonds like Jerry, more girls would be happy—maybe.

*Jerry Cockerill*

*Margaret Cacioppo*

MARGARET CACIOPPO

"MIDGIE"

"Maroon Echo" (4); Commercial Club (3),  
(4) "Maroon and White" (4); Senior Play  
(4); Tennis (4).

MARGARET is a very versatile senior whose activities speak for themselves. She was seen in the Senior play as a gypsy for which her pretty dark type was well suited. An art which she has mastered is that of playing "Bunko". We are sure that her fine cooperation and interest will be the keynotes of her success.

*Tommy Coen*

THOMAS COEN

"TOMMY"

Student Council (2); Football (4); Hoc-  
key (2) (3); Wrestling (4).

"TOMMY'S" good old Irish grin is the light of Mr. Moreland's life and, lest we forget, the light of another's life. He is well known as the boy who has that blissful companion — we don't know how he'll manage without her. Tommy is another Senior who is known for his witty retorts to each and every question, though, behind it all, there is concealed a good deal of "grey matter".

*Betty Crossman*

ELIZABETH CROSSMAN

"BETTY"

Vice-President of the Dutch Detectives (3)  
(4); Feature Editor of the "Maroon Echo"  
(4); Commercial Club (3) (4); Dutch De-  
tectives (2) (3) (4).

You have undoubtedly taken note of "Betty's" curly hair and classic profile. In History C class she causes many laughs and in her quiet way manages to make a great deal of noise. Her work on the Maroon Echo staff is worthy of special mention.

ETTA DE MOTT

Secretary, Senior Class; "Maroon and White" (1) (4); Student Council (2); "Maroon Echo" (4); House Chairman, Senior Play.

BEHIND Etta's decorous manner is hidden a wealth of efficiency. Her co-operation as Secretary of the Senior Class has been of the utmost value and her poetry has greatly embellished the school publication. It is girls like Etta who are the successful women of today. She may be quiet, but her ability shouts to the skies.

*Stanley J. Corsa, Jr.*

STANLEY CORSA, JR.

"Tod"

"Maroon Echo" (4); Hockey (2) (3); Rifle Club (1) (2).

STANLEY is that tall, handsome Senior with such a grand blush. His activities are coupled with a keen interest in anything he does. He accepts responsibilities more than willingly and seems to enjoy doing them. He is the boy who sallies forth calmly when all the other Seniors are dashing to and fro.

*Ruth Doig*

RUTH DOIG

"RUTHIE"

Business Manager, "Maroon and White" (4); Senior Play (4); Commercial Club (3), (4).

RUTH is a tall girl with red hair and a charming smile. Her business ability and her calculating brain have helped to make this book a success. Ruth has a habit of waving her hands and spinning around in circles, but it's just her bubbling vitality exhibiting itself.

*Duncan Albert Dobie '34*

DUNCAN ALBERT DOBIE

"DUNC" "WILLIE"

Vice President (1); "Maroon Echo" (4); "Maroon and White" (4); Debate (4); Student Council (1), (2); Cheerleader (1), (2), (3), (4); Rifle Team (1), (2); Stamp Club (3); Senior Play (4).

Good things come in small packages, and Duncan is no exception to the rule. As cheer leader he could even rouse cheers from a cemetery. As "Willie" in the Senior Play, "Dunc" was a good actor and his mother (in the play) was very proud of him. Who can ever forget Duncan's cheery smile?

BERTHA DURYEA

"BERT" "PERKEY"

Dramatics (4); Cheerleader (4); Captain (4); Basketball (2); Soccer (1); Commercial Club (3), (4); President, Commercial Club (4).

"BERT", the singing lady of the Senior Class (or any other class) is probably the happiest lass in the world. She keeps everybody in high spirits and her laugh (have you heard it?) is contagious. As Miss Perkins in the Senior Play she was excellent. "Bert", because of her personality and capability will, we hope, always see the world through rose-colored glasses.

ZIGMOND DOLNY

"ZIC" "GRUCK"

Golf (4); Le Cercle Francais (4).

"ZIC" is that tall lanky individual you always see loitering around. Zig isn't in many activities but is well known for his pleasant personality and his willingness to help at all times. We know that "Zig," besides being quite capable in school work, is a very good golfer. He also has a quiet sense of humor as we Seniors have noticed time after time again. Whatever his ambition in life is, we are sure he will succeed.

## ARTHUR DOMINY

"ART"

G. O. Board of Control (3); Track (3)  
(4); Senior Play — Properties.

THE mere fact that "Art" has been with us for only two years hasn't prevented him from making a name for himself in our little "family circle". Art is over six feet in height, yet some say that his greatest size of body is attained below the ankle. His specialties are making peculiar sounds ("Z'at so" being his best) and making disturbing interruptions in all classes, to our great enjoyment and to the teachers' utter dismay — though it has been rumored that the teachers derive as much fun from his antics as we do.

*Art. Dominy*

*Gladys D. Eccleston*

## GLADYS ECCLESTON

"Ecc" "ECCIE"

GLADYS is a very ambitious girl. She is one girl who is always rushing about performing her many tasks. No task is too difficult for this Miss. Gladys is one of the commercial students whose desire it is to become an efficient secretary. We know she will be a success in everything she undertakes.

*"Eccie"*

## LYNN FAKE

Treasurer of the Senior Class (4); Literary Club; "Maroon Echo" Staff (4); Dramatics (4); Arts Guild (4), Treasurer.

LYNN is responsible for the balanced budget of the Senior Class. As "Hasty Jones" in the Senior Play he caused a sensation; his colored dialect was splendid. Lynn is noted for his booming voice which is quite remarkable coming from one so small. He has nearly frightened us out of our wits, many times, by his "announcing voice", but he certainly gets and holds attention. More power to you, Lynn.

*Lynn Fake*

*Caroline Fake*

CAROLINE FAKE

"CAROL"

Le Cercle Francais (4).

"CAROL" is a quiet little lady who is a great help to everybody. She is always there to lend a hand. She may be seen going home every night with a large number of books under her arm, which might indicate that she studies a great deal. She is noted for her handwriting and for her fountain pens. "Carol's" pleasing personality and quiet ways are sure to bring her success.

HERBERT FELD

"MOE"

Treasurer Freshman Class (1); Athletic Ass'n (2); Mgr. Baseball (1), (3); Basketball (3), (4); Tennis (3), (4); Wrestling (2); Cheerleader (1), (3).

"MOE", otherwise known as "Herbie", is quite a lad. He is the bane of every teacher. He has his own ideas of how a class should be conducted—result—he is often asked to leave. At basketball and tennis Herbie does himself credit. He is a fast moving little player and difficult to keep track of.

*M. Herbert Feld.*

*Mae Erickson*

MAE ERICKSON

"ERIC" "MAZIE"

"MAZIE" may be quiet and serious, but she's immensely alive at that. She has been a member of that very domesticated domestic class and we all know that she has been a perfect student. Those who really know "Mazie" have the utmost liking for this quiet, demure senior. We wish her luck in all of her undertakings.

*June Gardner*

JUNE GARDNER

"JUNIE" "JENNIE"

Hockey (3); Le Cercle Francais (4); Secretary (4); "Maroon and White" (4); "Maroon Echo" staff (4); Dramatics (4).

"JUNIE", or "Jennie", whichever you prefer, is quite a lass. In the Senior play she caused a sensation as a curious, mischievous little girl. Don't ever be surprised if you are talking with June and she suddenly bursts into French, as she often does, much to the dismay of any one who may be present. With such a sunny disposition we can see only great happiness in store for June.

*Ira Flamberg*

IRA FLAMBERG

"ELVERSON"

Rifle Team (2); Tennis (3), (4); Wrestling (4); Le Cercle Francais (3), (4); Treasurer (4); Debate Team (4); "Maroon Echo" staff (4); "Maroon and White" (4); Dramatics (4); The Arts Guild (4).

As "Elverson" in the Senior play, Ira proved his ability to stammer and stutter. Ira is a quiet lad who accomplishes a great deal. You would hardly know that he is in class till he is called upon to recite; then you realize that he is present. In mathematics and in Latin Ira stars. We all feel sure that he will go far.

*Kay Gelina*

KATHERINA GELINA

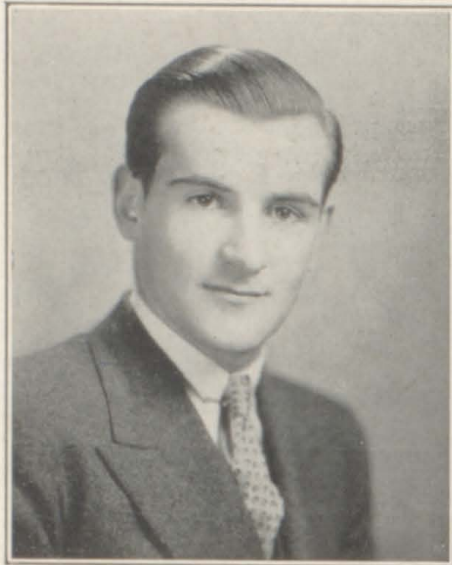

"KAY"

Art Editor, "Maroon and White" (4).

THE artistic ability of "Kay," seconded only by that of Estelle Willrich, may be proved just by a mere glance through this Yearbook. Though it has not been displayed to any great extent, Kay has athletic ability, too. Kay resembles the inimitable Joan Blondell not only facially, but also in her snappy "come-backs" (for further reference, see Mr. La Platney). Here is a girl who has just plenty of what it takes to get along.

### JAMES FLYNN

"LIGHTNING"

Basketball (1), (2), (3), (4), Captain, (4).

"LIGHTNING", so named because of his exceedingly slow movements, and unruffled attitude at all times, is our star basketball player, and as captain of our team this year he deserves a great deal of praise. In spite of his lack of ability to make noise, his model "T" (when he had it) made all within its radius realize both his and its presence.

### ANNA GIRATZ

"ANNE"

Commercial Club (2), (3), (4); G. O.  
Board of Control (4).

"ANNE" is that quiet girl in Room 14 who is always willing to help a classmate in distress. We know a secret about "Anne", too. She writes poetry—yes—and short stories also. Not only does she enjoy writing them but we enjoy reading them. Her great ambition is to become famous in the field of literature and she has the heartiest wishes of the Senior Class as an inspiration to aid her in achieving this goal.

*Anne Giratz*

*Dick Hall*

### RICHARD HALL

"DICK"

Le Cercle Français (4).

Although "DICK" does not participate a great deal in school affairs, he is a worthy member of our Senior Class. He doesn't say much but, when he does, it usually means something. Dick is rather averse to English, but aren't we all? His quiet way of going about his own business is sure to make him a success in this cruel world. Good luck to you, Dick!

*John Havelka Jr.*

JOHN HAVELKA

"DEAK" "POLE"

Football (2) (4); Wrestling (2) (3) (4);  
Track (2); Manager (3) (4); Rifle (1);  
School Band (1); "Maroon and White"  
(4); "Maroon Echo" (3); Vaudeville Show  
Senior Play (4).

JOHN tends to be subdued in school; but, he certainly has his torrid moments in that newly decorated roadster. He has managed to enter into a number of extra-curricular activities, among which is a commendable job as track manager for the past two years. We never knew that John possessed any histrionic ability; however, since his fine portrayal of Deacon Strong in the Senior Play, we know better.

*Faith Goodwin*

FAITH GOODWIN

Soccer (4)

ARE you looking for someone who is willing and dependable—someone upon whom you can call at the last minute and know she won't desert you? Well, here she is. You can always have faith in Faith. She can usually be found with a certain girl friend deep in the discussion of the "Horrors of History C". There are many of us who would readily verify her statements on this subject. The Class of '34 wish you the best of luck in all your future aspirations, Faith.

CHARLES G. HUBBARD

"CHARLIE" "C. G."

President, Senior Class (4); President Sophomore Class (2); A. A. Rep. (2); Chairman Junior Prom (3); Board of Control, G. O. (4); Omega Gamma Delta (2), (3), (4); "Maroon Echo" Staff (4); M'gr Wrestling Team (2), (3), (4), Ass't M'gr Football Team (2), M'gr (3), (4); M'gr Baseball (4); Com'l Club (3), (4).

"CHARLIE", our august President, is always, as you can well see, a very busy man. One wonders where he finds the time to attend to all his duties but he does it very successfully. Charlie accomplishes everything he sets out to do and we predict much success for him. Good Luck, President!

*Charles G. Hubbard*

HELENE GRAMPP

"MANDY"

Student Council (1); G. O. Board of Control (4); Junior Prom Committee (3); Dutch Detectives (4); Senior Play (4); Track (1); Field Hockey (2), (3), (4); Soccer (2), (3), (4); Basketball (2), (3), (4), Manager (3), (4); "Maroon Echo" (4); "Maroon and White" (4).

A good student and a good sport—that's Helene. Her list of activities speaks for itself. It would be inexcusable, however, not to mention her wonderful portrayal of "Mandy" in the Senior play. Her performance won for her not only the acclaim of all those who were present, but also a nickname. Helene's sense of humor coupled with a spirit of sincere cooperation will carry her far along the road to success.

HERMAN JEPPESEN

"JEP"

Football (2), (3), (4); Wrestling (2), (3), (4); Track (2), (3).

"JEP" is a tall, athletic sort of chap. He has been a very conscientious football player for the past three years, and he deserves much credit for the many games that he has played. He is, also, an excellent wrestler, having fought in the heavyweight class. "Jep" is very fond of getting into arguments, especially with teachers. "Jep" thoroughly enjoys teasing the little girls of B. S. H. S. but he doesn't go so far as to make a nuisance of himself. "Jep's" athletic ability will be missed by his Alma Mater.

*Elma Hilander*

ELMA HILANDER

"EL" "Hi" "BABE"

Commercial Club (2), (3); G. O. Board of Control (4).

WE have to hand it to Elma—she has the loveliest hands in the Senior Class. They are useful as well as ornamental for she has made many of the chic hats worn by her feminine classmates. Although "El" has no definite intentions as to her future career, we are sure she will be successful whether she becomes "somebody's stenog" or just another housewife. Our best wishes to you, "El".

ELEANOR LANE

"ELLIE"

Literary Appreciation Club (4).

WE have the information, on good authority, that "Ellie" is the "Floyd Gibbons" of the American History class. She is so quiet and studious that her presence is many times unnoticed. Very little is known about her for she is the mystery girl of the Senior Class. We are sure, however, that she will be successful in everything she may attempt in the future, and the entire class joins in wishing her good luck and great happiness.

*Eleanor Lane*

*James Jonathan*

JAMES JONATHAN

"JIMMIE"

Student Council (2); G. O. Board of Control (4); Wrestling (2), (3), (4).

ALTHOUGH Jimmie is only a little fellow, he has been on the wrestling team for three years, as you can see, and has, consequently, won his letters in this sport. We know that he would rather wrestle with the bone-crushers than with those difficult principles of Commercial Law. Well—we can't blame him much for that! Good luck, Jimmie, in whatever you undertake to accomplish in the great adventure called life.

PAULINE MAYNARD

"KEN"

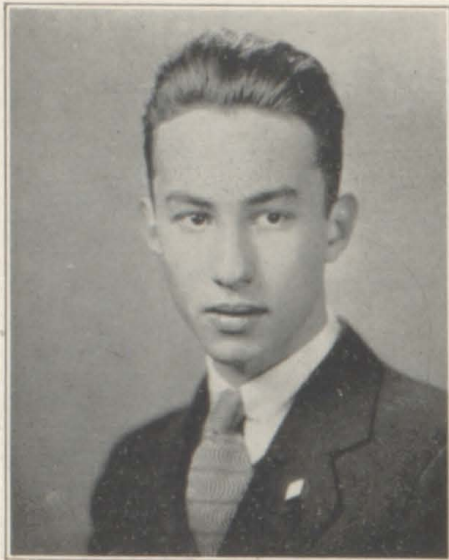

G. O. Board of Control (4); Basketball (3), (4); "Maroon and White" (4); Editor-in-Chief of the "Maroon Echo" (4); Senior Play (4); Le Cercle Francais (4); The Arts Guild (4); President.

"KEN" gets more breaks than any other girl in the school—as a result of indulging in her favorite hobby, horseback riding. She gave the rest of us a break, however, when she became Editor-in-Chief of the "Maroon Echo," for she puts out the best paper we have ever had the pleasure of reading. "Ken" is always willing to help—as could be seen by her sincere efforts as Costume Manager of the Senior Play. May good luck ride with you, "Ken", along the trail to success.

*Pauline Maynard*

*Stanley Kronheim*

STANLEY KRONHEIM

"STAN"

Member of G. O. Board of Control (4);  
Band (1), (2), (3), (4); Music Chairman  
Senior Play (4); Le Cercle Francais (4).

"STAN" one of the members of the band, will certainly be missed next year. He has played in the band for four years and has aided greatly to its success. Besides, Stan is popular and well liked, as we all know. Who knows but that some day we might hear of Stan's being a famous saxophone player.

AUDREY MITCHELL

"AUDIE"

Senior Class Executive Board (4); "Maroon and White" (4); Senior Card Party Committee (4); Junior Prom Committee (3); Senior Play Stage Manager (4).

AUDREY, who portrays so well what the well-dressed girl should wear, besides possessing this ability, has been decidedly conscientious and efficient in every activity she has undertaken. An actual debutante, we understand. It is no wonder that she presided so expertly at the Senior Card-Party. And by the way, a little birdie whispered that "Audie" has dramatic possibilities, too.

*Henry Lindquist*

HENRY LINDQUIST

"HANK"

"HANK" is another of Bay Shore's strong, silent men. He doesn't take life too seriously; and, while most of his fellow classmates (or should we say "inmates"?) are going about with solemn looks, he just smiles to himself and goes right on taking life as one big joke. So far we haven't noticed Hank taking any undue interest in the "fairer" sex, but we probably don't know the half of it — eh, what, Hank?

WILLIAM MALY

"BILL"

"BILL" is usually so quiet that, like Santa Claus, we are sometimes tempted to doubt his existence; but don't let that mislead you. It has been rumored that Bill intends to take up forestry after leaving the dear old Alma Mater. We know he'd be a great success, for just leave him alone for a few minutes with his petunias and geraniums (or whatever they're called) and even the sudden dismissal of classes would cut little ice with him.

*William Maly*

SYLVIA MORRIS

"SYL"

Senior Flower Committee, (4); "Maroon and White" Staff, (4); "Maroon Echo" Staff, (4); Le Cercle Francais, (4); (Vice-President); Senior Play, (4); Literary Club, (4); Arts Guild, (4).

"SYL" is known for her black-beauty locks, her Latin ability, and her short high-school career of only three years. If a teacher asks a question that Syl cannot answer, it is a question that even the teacher can't answer. Most of the noise in the back of Room 16, during the term has been due to Sylvia and her second and pal, June. As Elaine in the Senior Play, "Syl" was truly a beauty spot.

*Sylvia Morris*

*John Louis "Jack" Matthewman*

JOHN LOUIS MATTHEWMAN

"JACK"

"SCATTER"

Student Council (2); G. O. Board of Control (3); Rifle Club (1), (2); Football (3), (4); Senior Play (4).

BLONDE hair above a mischievous grin above a red necktie and we have—Jack—one of the football heroes of our high school. His success on the athletic field could not possibly exceed his excellent characterization of "Big Jim" in the Senior play. You'd like to know more about him? Then, there are those tete-a-tetes in the hall—ah, well—all we can say is that "Jack" has his moments too. May the smiling face of "Lady Luck" brighten the path of life for you, "Jack".

*Elaine Nelson*

ELAINE NELSON

Field Hockey (2), (3), (4).

THERE is a pretty, demure golden-haired girl in our Senior Class who has managed to keep herself quite well-hidden, but not so completely as to keep undiscovered a very sweet smile and manner which might well be the envy of many girls and the hope and despair of many gentlemen. Elaine seldom permits herself to shine in the limelight, but when it comes to co-operating, she's always right where she's needed!

EDWARD J. MELTON

"EDDIE"

Student Council (2); G. O. Board of Control (4); Basketball (2), (3); Manager (4); Omega Gamma Delta (3), (4); Circulation Manager of Maroon Echo (4); Commercial Club (1), (3) (4); Business Manager of Senior Play (4).

"EDDIE" is one of the business Seniors of this year's class. It seems to be an old Melton trait. He is always seen with an armful of papers, rushing from one room to the other, wearing that keen smile of his. It hit B. S. H. S. pretty hard when news got around about the operation he underwent, which prevented his playing on this year's basketball team. He is well liked by all his fellow students and we will certainly miss "Eddie" when he is gone.

*Eddie Melton*

*Dorothy Pfeiffer*

DOROTHY PFEIFFER

"DOTTIE"

"Maroon and White" (4); Junior Prom Committee (3); Senior Play Property Manager.

"DOTTIE" is the one girl in the class whom we can say is forever cheerful. What a marvelous world we would be living in if every one of us could cultivate the even-tempered disposition with which she is so fortunately blessed. Although she may not be an outstanding Latin student (who is?) and once in a while succeeds in calling down upon herself the wrath of Professor "Cliff," her cheerful attitude and joviality make up for any deficiencies.

*Mary Perfetto*

MARY PERFETTO

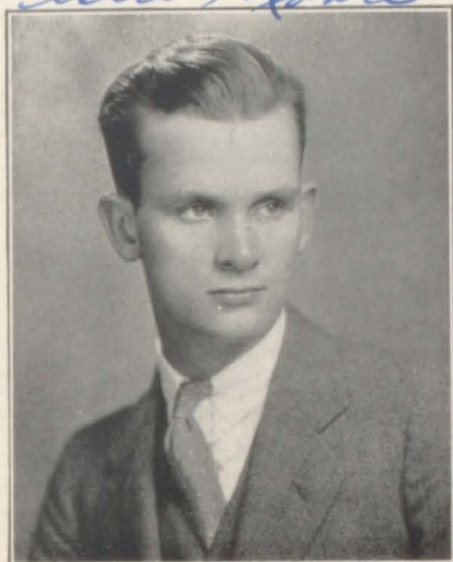

"TINY"

Commercial Club (2), (3), (4).

"TINY" is the tiniest girl in the senior class. This nickname well suits her. Don't let her serious expressions fool you; "Tiny" is really a mischievous girl. The only way we can really comprehend her true nature is to see her in entirely different surroundings from those of school. The class of '34 wishes you loads of luck in your future hopes and aspirations.

*Leslie Moore*

LESLIE MOORE, JR.

"LES"

Track (2), (3), (4); Football (3), (4).

"LES" is very quiet boy, except when there is a good point to argue. He enjoys the History period very much, because it is in this class that there is usually some topic open for argumentation. It is only this last year that "Les" has taken any interest in girls. Now, he is often seen with a tall brunette from Room 6. "Les" gets very good marks and also takes part in the school athletics. He is a worthy trackman and plays a good game of football. He seems to spend a great deal of his spare time in reading books, which is an excellent way of spending leisure time. We predict a happy future for him.

ANGELA PIGEON

"ANGIE" "PIDGIE" "POLLY"

Commercial Club (2), (3), (4); Senior Play (4).

ANGELA, as Polly in the Senior Play, gave a performance which was stupendous. She is one of the sweetest girls in high school and of the senior class. "Polly" is the living image of what every boy considers the ideal girl; sweet, petite and demure. We are expecting great things from this talented girl and some day we hope to see her name blazing in electric lights.

*Angie Pigeon*

Howard  
Klatthaar

HOWARD KLATTHAAR

"CLATTER" "NOISY" "BARON"  
Track (3), (4).

THE "Baron" is a tall, lanky fellow. He is always full of fun. For the past two years, "Clatter" has proved his ability to run for the track team. Just to look at him in a class, you would never think that he had the ambition to run, but he has a good reason for doing this. That innocent, tired look that he has is a mark of brilliance, for this boy takes six subjects and manages to pass all of them. The "Baron" is a very good natured, fun-loving individual. It is said that he is often seen walking home with a little blonde girl from B. S. H. S. Maybe it's a rumor, who can tell?

AGNES PLASCHY

"AGGIE"

Quiet, sweet, demure are the words which seem to describe "Aggie". She always has her homework done, a characteristic which has helped many a senior in time of need. "Aggie" has a pleasing personality which has procured for her many a pal, and many life-long friends. Her charming personality will help her to succeed.

Agnes Plaschy

WILLIAM NESSENGER, JR.

"RED"

A. A. Rep. (1) (2); Omega Gamma Delta (1); Baseball (2) (3) (4); Hockey (2); Basketball (3).

"RED" is one of the quietest boys in the Senior Class, but as we all know, quiet water raises no disturbance, but penetrates deeply into the earth.

We know that "Red" hasn't taken a back seat in school activities. Let's hope he succeeds in the business world as well as he has in Bay Shore High School.

William Nessenger

"Red"

## RAYMOND PASCUAL

"RAY"

"RAY" may sit in the darkest corner but that inescapable laugh, smirk, grin or "what-have-you" of his always finds its way to all parts of the room. Yet he has his more serious moments. In the two years that we have been favored with Ray's company, it has been seldom indeed that he has come to class with anything but a well-prepared lesson. Great things are expected of you, Ray.

*Raymond Pascual*

*Isabel Reeve*  
ISABEL REEVE

"Issy"

Dutch Detectives (3) (4).

YOU all know "Issy" of the large eyes and honest-to-goodness platinum hair. An ambitious D.D., she has also become one of the most popular girls about school. She has not been very active in Senior activities, but in dancing — well, that is an entirely different story. "Issy" is extremely agile on her toes.

P. S.—Gosh! We almost forgot, "Issy" was one of the clever people who entertained at the D. D. Bowery Dance.

## WILLIAM SCHECKENBACH

"SCHECKY"

Debate Team (2), (3), (4); Manager (4);  
Commercial Club (2), (3), (4); Senior  
Play (4).

"SCHECKY" certainly can make plenty of noise for a boy of his size. He is very good-natured and is always ready to lend a helping hand. Anyone who has been to any of the basketball games, and has heard "Schecky's Royal Vagabonds" play music for the dances afterward, will have to admit that he deserves much credit for bringing forth such a good orchestra. "Schecky" gained fame in the annual Senior play as Mr. Barker. He has been a very capable Debate Team Manager also.

*Helen Reutiman*

HELEN REUTIMAN

"RUDY"

Soccer (1); Track (1); Field Hockey (1); Secretary of Freshman Class; Dutch Detectives (2) (3) (4); Secretary of Dutch Detectives (3) President (4).

"RUDY," another one of these D. D. girls, has striven untiringly in furthering the progress of the Sorority. She is President this year, and what a President! Helen has not limited her activities to the club alone, however, but has shown vital interest in those of the Senior Class as well. More power to you, Helen! May you succeed as well in your post-high school interests as in those of your days at Bay Shore High.

LOUIS SCHIENKE

"Loui"

Omega Gamma Delta (4); Track (3), (4). "LOUI" is the sheik of the "Class of '34". He is the envy of all the Senior boys, with that permanent wave of his and that strange power of attracting girls that he possesses. "Loui" has proven himself no mean trackman. He is gifted with the winged feet of the Greek god, "Mercury". "Loui" never says very much, but that doesn't prove anything. His recitations in History C class prove that what he does say is every bit of the truth. When "Loui" graduates, the track team of B. S. H. S. will grieve the loss of such a good man.

*Louis Schienke*

*Betty Ruland*

Oct 17, 1937

BETTY RULAND

"BET" "BLONDIE"

BETTY is a very quiet girl as we all know. Her quietness does not take from her unusual pleasing personality. During her four years Betty has made many valuable friends, particularly with a certain senior with whom she is always seen. Betty is one of our commercial students whose ambition is to succeed in the business world and climb the ladder of success.

*Stasia Rycharski*

STASIA RYCHARSKI

"STAR"

Commercial Club (2) (3) (4); Dutch  
Detectives (2) (3) (4).

"STAR" is one of the real reasons why the class of '34 is so carefree. Her happy-go-lucky disposition will head her straight to a successful career. "Star's" outstanding characteristics are her friendly helpfulness, good nature, and efficiency — all qualities which will win for her popularity in any undertaking.

*Bill Schneider*

*Oct 17, 1937*

WILLIAM SCHNEIDER

"BILL"

Band (1), (2); Football (2), (3), (4);  
Basketball (3).

As a rule, "Bill" is a very quiet fellow, but we all have our moments. He plays a very good game of football and is also an excellent basketball player. It has been said that he plays an estimable game of baseball with his own team outside of school, so you can see that he keeps well up in the sporting world. Besides sports, "Bill" is taken up with a pretty little blonde girl, as you will notice, if you happen to be in the first period study hall. All in all, "Bill" is a good all-around fellow, and B. S. H. S. will be sorry to see him go.

GERTRUDE SCHUNK

"GERT"

Vice-Pres. G. O. (4); Track (1); Field  
Hockey (2), (3), (4); Soccer (1), (2),  
(3), (4); Basketball (1), (2), (3), (4);  
Captain (4); Dutch Detectives.

THIS dynamic athlete, though the struggle be hard, has starred in all sports in which she has taken part. Her amazing ability in basketball was one of the reasons for the Bay Shore girls winning the County title in 1933. "Gert" has earned for herself the appropriate appellation of the "Mexican Jumping Bean".

*Gert Schunk*

*"Schunk"*

*Ray Smith*

RAY SMITH

"SMITTY" "BUGLE" "RADIO"

Class President (1), (2), (3); Class Vice President (4); Student Council (1), (2); A. A. (1); Treas. A. A. (2); G. O. Representative (4); Fraternity (1), (2), (3), (4); Football (1), (2), (3), (4); Basketball (1), (2), (3), (4); Track (1), (2), (3), (4); Captain (3).

RAY is not short for Raymond, nor is Ray short of anything. "He's got everything", and gives his all for his classmates, teams, and the school as a whole. "Busy man Smitty" never leaves his good humor at home, even though in English 4 Milton and Burns got him—shall we say a little provoked?

EVANGELINE SCHWARTZBERG

"VANGIE"

"VANGIE" is a lively looking girl who always seems to be busy. She hasn't been in any extra curricular activities, but she is well known and well liked about school. Her ambition shouldn't be very difficult to attain for a young lady with such a charming personality. We feel sure that Vangie's ambition will be realized some day.

*"Vangie" Schwartzberg*

*Vic Suttmier*

VICTOR SUTTMIER

"Vic"

Rifle Team (1), (2).

REGARDLESS of the fact that "Vic" is not included in dozens of school affairs, he is popular with everyone. He has been blessed with a pleasant smile and a delightful personality which win the hearts of all. "Vic", although not in the scholarship class, keeps his report card in the blue without much over-exertion or worry.

*Douglas Thurber*

DOUGLAS THURBER

"DOUG"

Band (1) (2) (3) (4); Drum and Bugle Corps (2); "Maroon Echo" (4); Wrestling (2) (3); Tennis (3); Rifle Club (2); Senior Play (4); Arts Guild (4).

"DOUG" is one of our really bright boys, having obtained the second highest rating of the entire class. Ah! to be as brilliant! Well, as we were saying — Doug (perhaps because it is the name so often associated in our minds with that of the great Douglas Fairbanks) portrayed his role of the doctor in the Senior Play very efficiently. A glance at the above listing of his school activities will assure any student unfamiliar with the name of Thurber that Doug has certainly done his bit in every way possible.

ELLA SWEET

"ELI"

ELLA hasn't been in many activities in school life due to the fact that she is very active outside of school. Nevertheless, she is always ready to help as shown by her willingness to sell candy at the Senior play and any other place if she is asked. "Eli" is one of those commercial students who will probably enter the business world when the seemingly unattainable is attained.

*"Eli" Sweet*

HAROLD TUSHENSKI

"HABBY"

"HABBY" is the kind of a fellow one likes to have around. He doesn't take much part in the activities of the school but his marks show that he keeps well up in his school work. He is always seen with a broad, cheery smile, which seems to brighten up the people around him. Although he doesn't participate in the athletics in the school, it is said that he plays an excellent game of baseball outside with his own team. We feel that "Habby" will be a big success in the world. Good luck, "Habby"!

*Harold Tushenski*

*Good Luck  
Kay Thomas*

## KATHERINE THOMAS

"KAY"

Sec'y of G. O. (4); Soccer (2), (3), (4);  
Hockey (3), (4); Basketball (3), (4);  
Dutch Detectives (3), (4); Sports Editor,  
"Maroon Echo" (4); Sports Editor,  
"Maroon and White" (4).

KAY is one of a group of very active members of the Senior Class. She seems to be included in everything. Kay, her candy, and her candy salesgirls are always present at any activity the school conducts, whether it be the Senior Play or the boys' basketball game, for Kay is Commander-in-Chief of "Candy-Selling" in good old Bay Shore High.

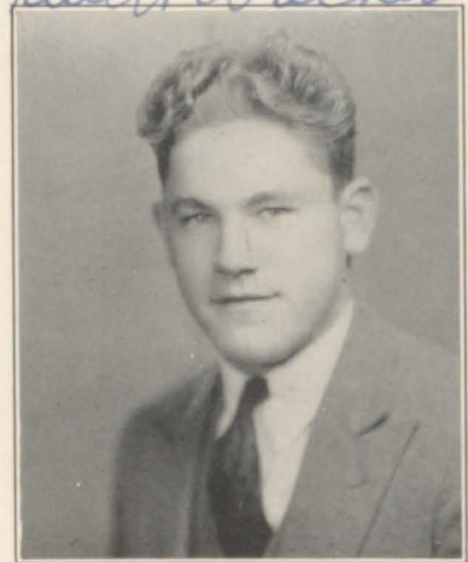

## PAUL WALKER

"BEEF"

Junior Class Treasurer (3); Track (1),  
(2), (3), (4); Wrestling (2), (3); Football  
(1), (2), (3), (4); Omega Gamma Delta  
(2), (3), (4).

"BEEF" is another one of those big, husky athletic sort of fellows. In school, he is as quiet as a little mouse, but when he is seen on the football team it is just too bad for the opposing team. He crashes his way in, like a human battering ram. Although he is rather heavy, he certainly is light on his feet for he has often brought victory for the track team of B. S. H. S. "Beef" has gained many fast friends in B. S. H. S. and it is certain that many of the students will miss him when he is gone.

*Paul Walker*

*Adelaide Van Hoesen*

## ADELAIDE VAN HOESEN

"ADDIE"

Commercial Club (4).

DID you ever hear Adelaide sing? Well, she does, and so well that it is truly a pleasure to hear her. She is a rather shy person with a pleasant, friendly smile. You never find Addie idle for she likes to work and does her's conscientiously. You can always be sure of a kind word and plenty of sympathy from Addie when you are so unfortunate as to have forgotten (?) "that" part of the homework.

*"Andy" Volmer*

ANDREA VOLMER

"ANDY"

Commercial Club (3).

"ANDY," as she is known to all, is a ray of sunshine. This fun-loving girl has made many friends during her high school career; particularly that of a certain senior, who many believe to be her sister (but sisters don't get along so well as these two young ladies). "Andy" is bound to succeed in whatever profession she chooses.

*Bob Wyatt*

ROBERT WYATT

"BOB"

G. O. Representative (4); Debate (4); "Maroon Echo" (3), (4); Business Manager (4); Track (3); Senior Play (4); Mgr. Tennis (4); Arts Guild (4).

"DON'T forget your G. O. dues tomorrow!" Introducing Sir Bob Wyatt, Senior Class bill collector, "Maroon Echo" bill collector, and Senior Play clown, all in one. The Senior Class began to know Bob when he began to make requests for money and began to like him when they realized that he could make excellent speeches.

MARJORIE WEEKS

"MARGY" "MIDGE"

Feature Editor, "Maroon Echo" (4); Commercial Club, (3), (4); Dutch Detectives, (3), (4); Senior Play Make-up Chairman, (4).

HERE she is, fellows, little Margy. Ever met her? No? You've missed something you shouldn't miss. She types a quick typewriter, and knows her features (stories). Girls, learn to look like Midge and you'll have learned to look your best. It might help all of you if you learned your history as well as this all-American girl.

*Margy Weeks*

*Arts Guild - July 1936*

*Young  
Estelle Willrich*

## ESTELLE WILLRICH

"BABE"

Soccer (1) (2); "Maroon and White" (4);  
Senior Play Property Committee (4).

THERE is such a great deal to say for and about "Babe" that we seem to be finding it rather difficult to do it just as it should be done. She happens to be one of these fortunate individuals who is extremely well-liked by every one of her wide range of acquaintances (page Gilbert). Her abilities further extend to soccer, and being able to draw very good Yearbook plates. "Babe" is as straightforward and loyal as she can be, and is one person who will find no trouble in accomplishing whatever her heart is set on.

## WILLIAM YATES

"YATES" "BILL"

UNFORTUNATELY, Bill has no yen for Bay Shore girls, but some Oak Beach belle is lucky. "Bill's" pal is his harmonica. His favorite pastime, aside from playing it, is wandering about, (not mentally) and whistling. Cheerful members of the class of '34 are numerous, and "Bill" is at the head of the list. It is questionable whether or not the teachers appreciate his gayety in class, but his marks make up for any lack in classroom quietness.

*Bill Yates*

*Elizabeth B. Young*

## ELIZABETH YOUNG

"LIZ"

Field Hockey (3), (4); Soccer (3), (4);  
Basketball (3), (4); Dutch Detectives (4);  
Le Cercle Francais (4); Ass't Stage Mgr.,  
Senior Play (4).

ALTHOUGH a comparative newcomer, "Liz" quickly rose to a place of fame for her prowess on the court and field. She has certainly given her wholehearted support to her activities, and it is with sorrow that we learn that her interests are elsewhere.

*"Liz"*

Rose Zappulla

## ROSE ZAPPULA

"ROE"

Le Cercle Francais, (4); Literary Club, (4); "Maroon and White" Staff, (4); Arts Guild, (4); Science Club, (4).

ALL through her school days, Rose has held one of the highest averages and standards of any of the students in her class. History might have been mere events of yesterday, as far as Rose is concerned, because every question Mr. Moreland asks her she can answer with little hesitancy and great facility. "Roe" is quiet, but so are all people who know a lot that is worth knowing.

## CLASS HISTORY

June 16, 2434

The following is an excerpt from that recently published book "Strange Practices of the Ancients" (written by that eminent historian, 14U2); this particular passage deals with the obsolete practice of education:

"It is extremely difficult for members of our enlightened civilization to comprehend that peculiar phase in the life of most men and women five centuries ago termed, for no apparent reason, education. The average youth had little desire to undergo the hardships of this practice; moreover, he did so only after the utmost persuasion—and even compulsion—on the part of his elders. To get a clearer conception of education let us suppose ourselves in the year 1930 as we approach a so-called High School in the prosperous village of Bay Shore."

As we draw near the red brick building, we are mildly shocked at its strange appearance—not unlike that of a penitentiary or an asylum for the insane. We enter this forbidding place and at once our nostrils are assailed by strange odors emanating from a room labeled 'Home Economics'; carefully we glance in, only to discover a group of young ladies industriously engaged in preparing what they believe to be edible food. Hastily we ascend several flights of well-worn steps to the top floor where an inquiry at the office of the 'Supreme Director of the School's Destiny' (or better known as 'The King') informs us of the location of the Freshman Room, home of the Class of '34.

Expectantly, then, we enter the designated room where we are at once met by a pleasant, rosy-cheeked gentleman, who informs us that we are now having the honor of witnessing the activities of the most talented class in all the school's history! We gaze at these, the geniuses of the future—tall, short, thin, and not so thin—and silently look on as they either diligently try to work up an interest in such intricate (or so they think) studies as elementary algebra, civics, and general science or gather in small groups to comment upon the all-importance of their elder brethren of the Sophomore, Junior and Senior Classes.

Slowly the illusion fades and now, one year later, we see this same class in their Sophomore year. All traces of their former bewilderment of expression are replaced by a kind of provoking frivolity which, to the teacher's utter dismay, is given more expression than merely in the face. It is also noted that many of the class are developing, slowly but surely, in either the scholastic, athletic, or social fields.

Again the scene changes as now we gaze upon the arrogant Juniors. With a tinge of regret we note that several of the familiar faces are no longer with us, though they are replaced by equally likeable new ones. Quite a few of these young men and women are sporting the coveted B.S. or some club insignia on sweaters of dazzling hues. An inquiry in one of the Junior rooms nets us the information that the super-social event in the life of every Junior, the one and only Junior Prom, has just been successfully completed.

Another swift flight of the imagination, and lo! we now see the worldly, though slightly tired, Seniors. These young people are so industriously engaged in such activities as athletics, clubs, dramatics, and publications that one wonders where they find the time to do mere homework. The Senior activities are one series of marvelous successes among which are the Senior Card Party; the Senior Play, "Polly of the Circus"; a Popularity Contest; and last but not least, the Year Book. At last the Seniors come to the dread Regents which are the final test for all their four years of diligent training, and once more they come through with flying colors.

"All too soon these Seniors, for whom we have developed a deep affection, come finally to the Commencement Exercises and, after the rapid succession of Class Day, Baccalaureate Service, and formal Graduation—they take sad leave of their friends as, diplomas in hand, they proudly pass forth to their various callings.—IRA FLAMBERG.

## THE VOYAGE

*It is dawn! The ship lies waiting  
In the Harbor of our Youth,  
Ready to begin her voyage,  
Manned by Faith and Hope and Truth;  
Soon through unaccustomed waters  
Her eager keel will plough,  
As she breaks each wave of challenge  
That shall leap to greet her bow.*

*Now those friendly shores have vanished,  
Unknown perils must be faced,  
While aloft, the Flag of Knowledge  
Floats above unchartered wastes;  
Symbol of our Alma Mater,  
Source of courage; source of fame,  
We shall seek, beneath this emblem,  
Lands to conquer in her name.*

*Never yielding to or drifting  
With the ocean's mighty tide,  
Nor turning with the Winds of Chance  
To thrust true aims aside;  
Always hoping for the future  
For 'tis there our lives are cast,  
Victory lies in looking forward  
Not in grieving for the past.*

*When the sky shall be illumined  
By the rays of setting sun,  
Then our journey shall be finished,  
Then our laurels shall be won;  
And once more we'll drop our anchor  
In the Port of Age, and see  
The cargo that each one has brought  
From his voyage on Life's Sea.*

ETTA DE MOTT.

✠

## WE ENTER LIFE

*The years have flown so swiftly past  
And on Life's Threshold now at last  
We stand to greet the Dawn,  
The Dawn that is the Birth of Day  
And when that daylight fades away  
We with it shall have gone.*

*We shall have closed the door upon  
Those happy schooldays past and gone  
That nevermore shall be;  
And though our feet are free to try  
The paths that now before us lie  
We leave reluctantly.*

*In our life work the ideals of  
The Alma Mater that we love  
We ever shall proclaim;  
The Torch of Knowledge carry high  
That it may flash across the sky  
The Honors of her name.*

*And when at last we shall have done  
Those things that are not yet begun  
We shall return once more,  
And with the Key of Memory  
Unlock the now closed Door — and see  
Our friends of '34.*

ETTA DE MOTT.

## LAST WILL AND TESTAMENT

We, the Senior Class of 1934 of Bay Shore High School, the town of Islip, County of Suffolk, and State of New York, being of sound mind, memory and understanding, do make, publish, and declare the following for our Last Will and Testament, that is to say:

- I, Florence Abrams, leave my quiet attitude to Josephine Malchuski.
- I, Josephine Allen, bestow my Bostonian accent upon Elsie Bogen.
- I, Frank Badura, leave my ability to coach people in Physics class to anyone who may be so inclined.
- I, Wilbur Bahrman, leave my faculty for being late to my co-partner in crime, Ellsworth.
- I, Dorothy Bain, leave my love for strolling on Sunday afternoons to Frances Freedman who never walks if she can help it.
- I, George Baker, leave my heroics to the next hero of the Senior Play.

# CLASS PROPHECY

Local Column—June 8, 1938

At last we've succeeded in attaining our lifetime ambition, that of becoming the local column editors of this great newspaper, the "Bay Shore Weekly Blah-Blah". We thought perhaps you might be interested in knowing what the various members of the most outstanding graduating class of the local high school—THE CLASS OF '34—are doing at the present time. We hope you'll like it.

Ira Flamberg is home visiting his parents for the summer vacation after completing his pre-medical course at Cornell with unusually high honors. If we remember correctly, this is nothing to write home about, Ira will be Ira!

"My life ambition," as was once stated by Jerry "Sugar" Cockerill, "is to become the proud possessor of a beautiful wife and a dozen children" (expression slightly modified). Jerry has succeeded thus far in becoming a very prosperous real estate agent.

Stanley Kronheim will conduct his famous band in the "palatial" Bay Shore Theatre sometime in the very near future. Also appearing on the bill will be the rhythmic team of "Addie" Van Hoesen and Richard Hall.

The Pigeon (Angela to you) now a permanent resident of Hollywood, California, is being primed for stardom under the capable management of Stasia Rycharski, and publicity agent, Bill Scheckenbach. Naturally with such help she'll be the most popular actress ever.

June Gardner is teaching history and civics at our recently completed magnificent model, super-equipped high school.

Etta De Mott will act as "poisonal" secretary to Doug Thurber, the brilliant young attorney one hears orating about the countryside so frequently.

Intimate friends of little 'ol Ray Smith surprised him with a most sumptuous bachelor dinner last night, which precedes his marriage next Sunday to "Jo" Blydenburg of a former graduating class. The Reverend George Baker will officiate at the ceremony.

Florence Abrams who has recently completed a course in beauty culture will open her salon here soon. Come on "keeds," fall in line.

John Havelka is assisting (if that's what you want to call it) his father at their tailoring establishment on Main Street. His strenuous hours of labor range from about 5 to 7 a week.

Kay Thomas and Helen Reutiman returned home yesterday for their summer vacation after completing their fourth year at Syracuse University. How Syracuse has developed!

Herbie Feld is now employed as office boy in the local offices of the Yates and Bahrman Ammunition Factory. (Page Miss Magee! Maybe she can tell you about the spitballs, their first interest in ammunition).

For several months now, Dottie Pfeiffer has conducted the Tiny-Tot Day Nursery situated in Brightwaters. Among her infant charges is the daughter of the former Margery Weeks and also the twin sons of the former Betty Crossman. Evangeline Schwartzberg is acting in the capacity of a most efficient dietitian.

Pauline Maynard has been honored with the editorship of the new "Woman's Rights Magazine". On her staff the names of Katherina Gelina and Estelle Willrich, art editors, stand out so prominently, they practically hit you between the eyes.

Faith Goodwin and Elma Hilander have just returned from college to visit their parents. Miss Hilander is to be an instructor in the Business College Training School next year, and Miss Goodwin will be in charge of the X-Ray Laboratory in New York.

Bertha Duryea, that popular gal about town, sailed last week on the "Moratania" to the South Seas to teach those Honolulu ladies all the things they've yet got to learn.

You are probably acquainted with the recent rocket to fame of Anna Giratz in the literary world. Her latest contribution is being featured this week at the "Eleanor Lane Book Shoppe."

Audrey Mitchell was tendered a very marvel-i-ous sort of shower last Saturday afternoon by the very charming "Jo" Allen. "Audie" and "Metaphor" George Clark will take the fatal step shortly, we hear.

One of the celebrated passengers to arrive last night in New York harbor on the "S. S. Poof-Poof" is that famous archeologist, Duncan Dobie, returning from his studies in Egypt. Also Eddie Melton, the famous lion-hunter, returned from the very darkest of dark African jungles.

Jimmy Flynn is the basketball instructor at the new Suffolk Public Gymnasium. Other instructors are Paul Walker, he who is just filled with what it takes, Herman Jeppesen, that "gusty" chap, and the intellectual looking Leslie Moore.

Are you looking for a position? If so, go to the "Wait Awile" Employment Agency, which is operated by Ella Sweet, Andrea Volmer and Agnes Plaschy.

Jennie Bembnowski will represent the local firm of "Corsa, Inc., Women's Apparel," as a model in the International Fashion Show soon to be held in New York under the management of Charles G. Hubbard. Elaine Nelson and Wilhelmina Baylis are employed on Stanley's sales staff. Louis Schienke of blonde hair fame seems to be attracting business very extensively. Can you blame the fair sex?

We, "in the know", have heard rumors to the effect that a chain of bakeries is soon to be organized throughout Suffolk County by Dora Barabino.

Elizabeth Young and Gertrude Schunk, famous in the work of professional basketball, will honor (ahem!) the Girls' Basketball Team by their attendance at a dinner party. The event celebrates the wonderful record the girls have made this year. The dinner will be held at Art Dominy's Casino a la Ritz. "Art" employs Gladys Eccleston and Mae Erickson on his business staff, and Jack Matthewman as a sing (k)ing head waiter.

The new "Collection Agency" located on West Main Street, Bay Shore, which is a branch of Professor Lynn Fake's "Infallible Collection Agency" of New York City, will be operated by his sister, Caroline Fake. In the same building is the T. Coen Automobile Agency now under the management of Frank Badura. With every car goes a free picture of Tommie's curly, dimpled self and—"whew"—are those cars selling fast.

Two enterprising gentlemen are employed on the "Weekly Blah-Blah"—Bob Wyatt as business manager is raising the paper clear out of the "red" where it was until Bob came along; and James Jonathan as the head photographer is no mean help himself.

Betty Ruland and William Schneider have been spotted by our untiring reporter, Harold Tushenski, dancing away the nights at many of our fashionable night haunts.

The captain of the local police force, Lloyd Brown, was presented with a medal for his excellent work this year in rescuing Helene Grampp's dissecting implements from the neighborhood rats (real ones, not the human kind). Howard Klatthaar, a member of the town board did the presenting. Ruth Doig, also of this paper (society editor, to be exact) gave the introductory address.

Our inquiring reporter has also seen William Nessenger, Vice-president of the Long Island Express Company, dining with an old classmate, Raymond Pascual, a promising young engineer, electrical and otherwise.

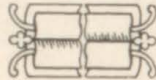

Other members of that 1934 class who have entered the business world are Isabel Reeves, who poses for beauty cream ads; Dorothy Bain, who is now in charge of her father's pharmacy; and Margaret Cacioppo and Mary Perfetto who have opened the "Gypsy Tea Room" on Main Street. (Fortunes told if you have any).

Try to imagine (if it's possible) Vic Suttmeir, Zig Dolny, and William Maly attending the same institution of learning under conditions such as those existing at West Point. Suffice it to say many of the academy's handsome young colonels and so forth, have undergone a great change of physical appearance during the sojourn of our young friends at that particular school.

And so ends this week's local column. We, the undersigned, were included in this most excellent class. Perhaps that is the reason for our holding the important (?) positions of local column editors of this widely-read, unusually fine, and inspirational newspaper.

Just wait and see if twelve years from now, half of the people included in today's column won't be listed in "Who's Who". We can tell you they are all deserving of the best.

#### FRIENDS AND TEACHERS

Yes, first our friends,  
Our teachers afterward,  
Who, by their friendships  
Helped when'ere they could  
To bear our little burdens,  
Pave the way,  
And open to our eyes  
A greater day,  
When we might stand  
Upon the highest peak  
Of fame—because they taught  
Our mouths to speak  
True words of wisdom,  
And our minds to be  
Alert and keen,  
Our eyes to see  
Beyond the tiny world in which we moved.  
Our friends, yet worthy

Of another name,  
That of our teachers,  
That of One who came  
To be a friend—and yet  
Was turned away,  
To be a Teacher  
But found few to stay  
And hear Him speak.  
Then teaching is, it seems,  
An empty task—ah, no,  
We'll not forget who fostered dreams,  
Who drove ambitions  
To their greatest height;  
We'll not forget  
But, shall, Commencement Night,  
Offer our lives as tributes to their work.

**P**OLLY OF THE CIRCUS," by Margaret Mayo, was presented by the class of '34 on December 14, 1933, under the expert coaching of Miss Magee.

Nothing quite symbolizes a graduating class as much as the play it presents, as it represents such a large majority of the class. The greatest share of the credit, however, goes to Miss Magee for her untiring efforts and her discerning eye in selecting characters to portray the parts.

The histrionic ability of Miss Angela Pigeon was given full sway in her portrayal of "Polly", in fact it is said that the climax saw a few of that appreciative audience furtively shedding tears.

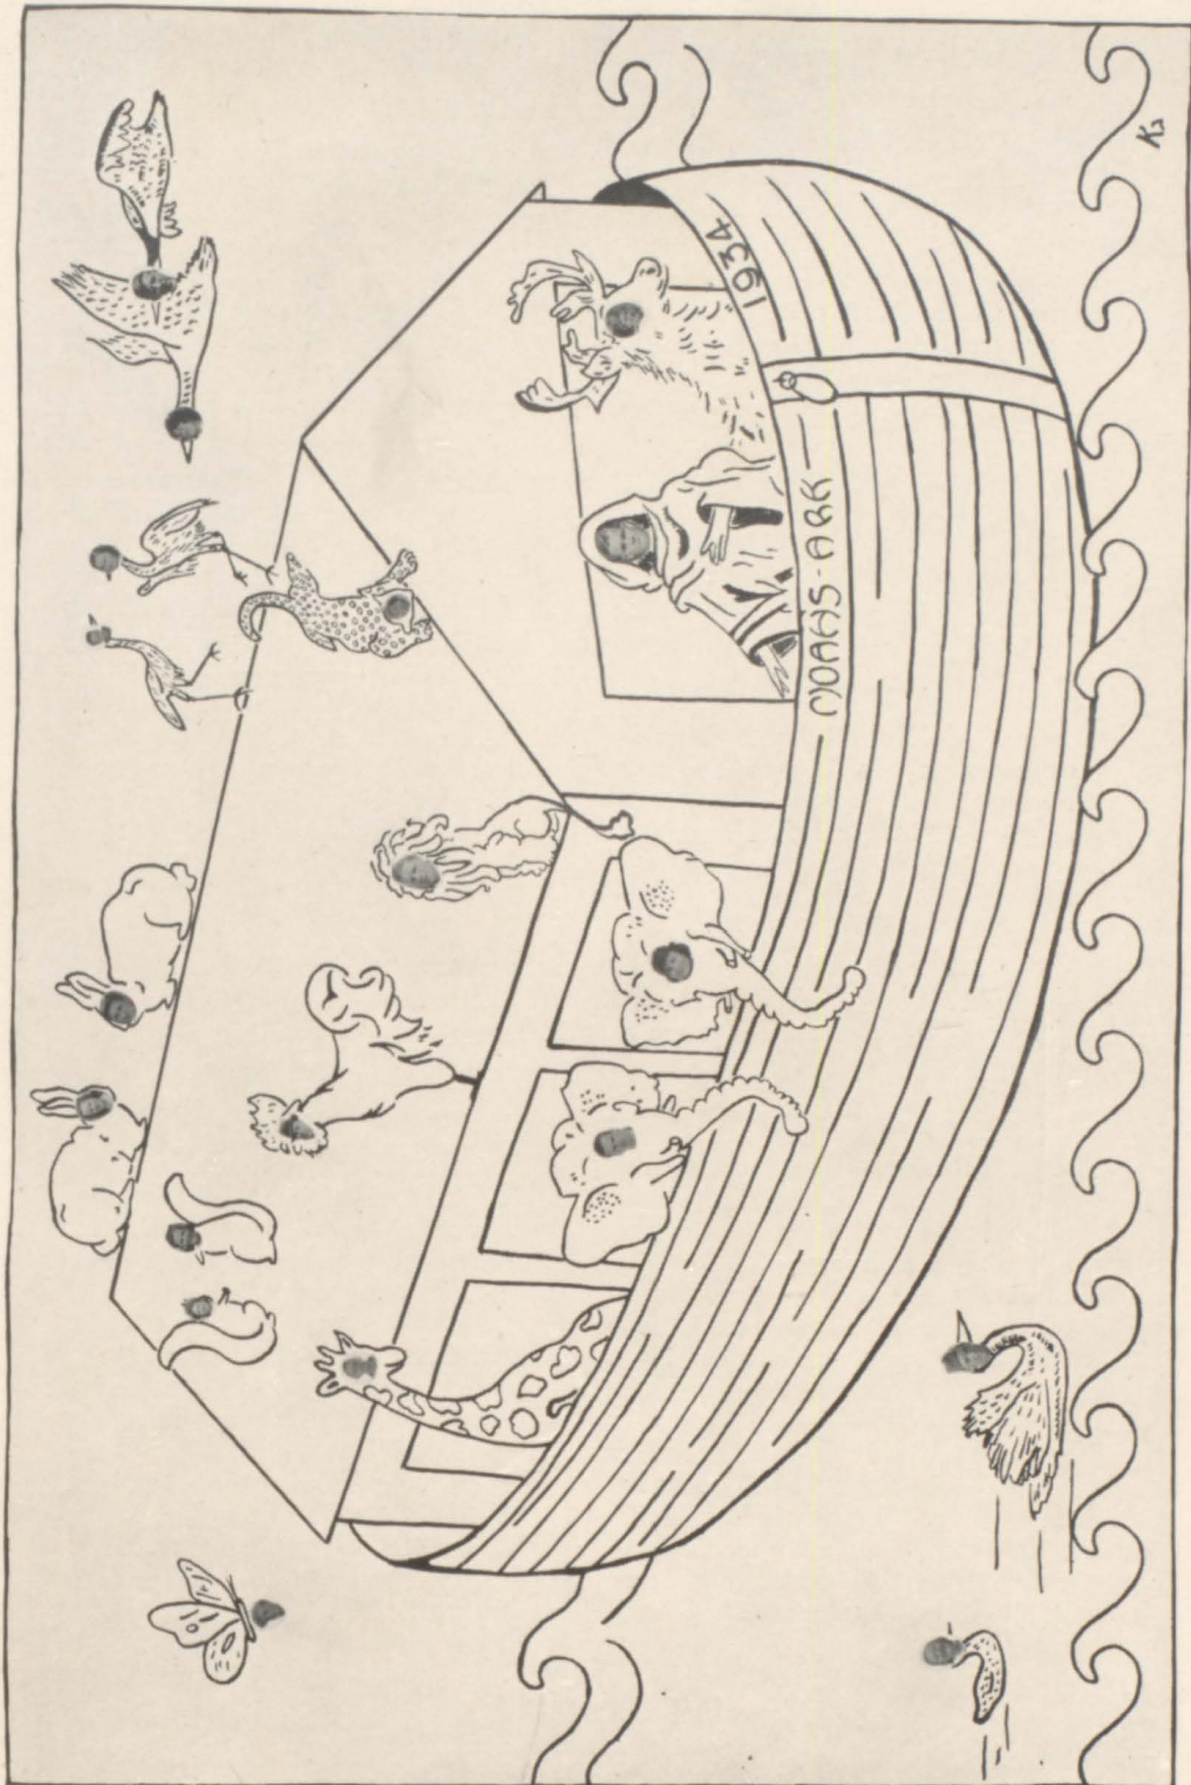

Equal mention is due the splendid portrayal of John Douglas, the minister, by George Baker.

The story is set in a small town of biased, narrow-minded, churchgoers. The minister welcomes "Polly" to his parsonage when she falls from her horse. Much to the intense disapproval of "Miss Perkins", a dowdy spinster, played humorously by Bertha Duryea, and of Mrs. Willoughby, a fluffy widow, played to perfection by Josephine Allen, Polly is obliged to remain at the parsonage for a year, in the course of which she and the minister fall in love. Complications arise in the persons of Deacon Strong, played convincingly by John Havelka, and Brother Elverson, a fussy little man whose chief lines are "quite so, quite so", portrayed amusingly by Ira Flamberg. They force "Polly" to return to the circus with "Muvver Jim", a circus hand played capably by Jack Matthewman. When the circus returns to the town, Mr. Douglas arrives just in time to rescue "Polly" from another fall and to declare his love.

Sylvia Morris, another circus rider, and Margaret Cacioppo, a gypsy, lent atmosphere to the circus scene and Helene Grampp as "Mandy Jones", and her husband, "Hasty", taken by Lynn Fake, provided some good laughs. Special mention should be given to the dramatic ability of Robert Wyatt who took the part of an old clown. Lastly June Gardner and Duncan Dobie made excellent children, Jennie and Willie respectively.

Settings and properties gave evidence of efficient management on the part of the various committees. The backdrop, depicting the circus scene was artistically painted by Miss Simpson with the aid of some of her art students, and with the generous help of Miss Kraemer the various circus costumes were made. The play was very ably managed by the committees under Miss Franchi. In fact as you may rightly conclude from this account, the play was a feather in the cap of the Senior Class.

Eugene Koelle: "That hippopotamus is too big to do any tricks."  
Jack Coen: "Yes, that's about the size of it."

---

Tom Coen (arrested for speeding): "But officer, I'm a high school student!"  
Cop: "Ignorance is no excuse."

---

Miss Magee: "What do the poems of 'Il Penseroso' and 'L' Allegro' represent?"  
Howard Klatthaar (sotto voice): "Gloomy Gus and Happy Hooligan."

---

Man (excitedly into a crowded police station): "I want to report the murder of a saxophone player."  
Police Captain: "Well, get in line."

We always welcome assemblies,  
And we love the speakers, too;  
For the more we have assemblies  
The less we have to do.

---

Zigmond Dolny: "Did you really put some wild Arabs to rout in the middle of the desert, simply by using a golf club?"  
Dan Healy: "Yes, I took a couple of practice swings and they thought a sand storm was blowing up."

---

Mayme (in a crowded street car): "Watchagotinapackage, Sadie?"  
Sadie: "Wunathemportableradios."  
Mayme: "Chee! Seeifyoucantune-inon 'The Star Spangled Banner!' Chancetagetaseat."

"The thing for you to do," said the doctor to the man with frazzled nerves, "is to stop thinking about yourself and bury yourself in your work."  
"Gosh!" returned the patient, "and me a concrete mixer."

---

Freshman: "Mama, may I go out to-night?"  
Sophomore: "Going out to-night, Mother. Home at ten."  
Junior: "Going out to-night, Dad."  
Senior: "G'night Dad. I'll bring the milk in".

Mary had a little lamb,  
She put it on the shelf,  
And every time it turned around  
It spanked its little self.

"What were you put in jail for, Adolph?"

"Taking a picture, Launcelot."

"What?"

"Yeah, a cop caught me just as I was getting it down from the wall."

A balky mule has four-wheeled brakes,

A billy goat has bumpers,

A firefly has a bright spotlight,

Rabbits are puddle-jumpers,

Camels have balloon-tired feet,

And carry spares of what they eat,

But still I think that nothing beats

The kangaroos with rumble seats.

Dad: "How was archery practice the other day, son?"

Son: "Couldn't hit a thing."

Dad: "Hope you hit something today."

Son: "Whoa Dad! Today I'm going motoring."

Charlie Dunham: "What happened after you were thrown out of the side exit on your face?"

Emmett Drake: "I told the usher I belonged to a very important family."

Charlie Dunham: "So what?"

Emmett Drake: "He begged my pardon, asked me in again, and threw me out the front door."

### BONERS

Mr. Moreland: "Who did the most for the Civil Service Reform?"

Lynn Fake: "Cleveland, but there were others who pretended to aid the reform."

Mr. Moreland: "Yes, there were a lot of fakes."

Funny, isn't it, that a fellow who works like "60" usually gets "90".

Jack Matthewman (in History C class): All the followers of Theodore Roosevelt who had died went to the Republican cause.

Charlie Cronin: "I'm afraid I can't afford a new hat this year."

Mr. Elliott: "No?"

Charlie Cronin: "No, I guess I'll have to talk through the old one for another season."

Miss Magee (at Senior Play rehearsal): "In this scene you're to make love like a caveman. Can you do it?"

George Baker: "Well, I'll give the beast that's in me."

Miss Barnett: "What is a metaphor?"

John Frieman: "To keep cows in."

Miss Owen: "What is the Hague Tribunal?"

Jim Flynn: "The Hague tribunal ar--"

Miss Owen: "Don't say 'are' say 'is'."

Jim Flynn: "The Hague Tribunal 'isbitrates' international controversies."

Often when you see a girl powdering her nose, it's simply from force of "dabit".

There was a fellow so deadly afraid of sunstroke he hired a detective to shadow him.

"Johnny, that essay you intend handing to your teacher this morning is the poorest in a long time."

"Aw, don't be too disappointed, Ma-- Dad had a hard day at the office yesterday."

They laughed when I sat down at the piano—some dim brain had removed the stool.

The hay fever victim's toast:  
"Here's looking . . . achoo!"

# FOOTBALL

At the beginning of the season the Bay Shore High School football team had all the prospects of being one of the best ever produced by Coach Clifton LaPlatney. The fact that most of the linemen from the year before were back, helped to offset the disadvantage of a complete new backfield. The backfield soon proved that they were no detriment to the team.

Just as the team was looking forward to a successful season the breaks turned against them. Hafele, Walker and Schneider, first team players, were lost due to injuries. Captain Cantella was removed from his All-Suffolk position to fill Hafele's position.

The team opened the season against Stony Brook Academy, on the latter's gridiron. The game was played a week earlier than expected, due to a mistake in the schedule. With another week of practice the team would have perhaps avoided a 7-0 defeat.

The following Friday the team met a strong Alumni team. The High School showed by holding the Alumni to a scoreless tie that they were not going to be over-run.

The game with Amityville proved to be a kicking duel with Dud Rogers doing some splendid work for Bay Shore. In the final quarter Amityville took the ball on the three-yard line, where Dud had kicked it out of bounds. They tried a play through center, but Johnny Modderno broke through and made the tackle behind the goal line which resulted in two points, the only score of the game.

Next came the powerful team from Riverhead who proved they were just that by defeating Bay Shore 12-0.

The following Saturday came a much favored team from Floral Park. The Bay Shore boys played good football, holding their opponents to one touchdown.

The last home game of the season was played against a fighting team from Smithtown. In this game the first touchdown of the year was scored by Rex Walker. The Bay Shore team overran their opponents 20-0.

Next the team journeyed to Southampton. Outplaying their opponents except for one play, Bay Shore went down to defeat. Zelenski broke away for a 70-yard run and a touchdown.

The team invaded Huntington with all expectations of victory. The gridiron's being very muddy prevented either team from threatening the goal lines.

With Thanksgiving Day came the big game of the season, with our rivals down at Patchogue. Along with this game goes the monster pep rally staged by the student body the week before the game. The rally certainly put a different team on the field from any that had been seen before. The Bay Shore warriors outplayed their rivals in all stages of the game, but Patchogue made the winning two points.

In the Coach's opinion the team of 1933 was a good team, but one without the real scoring punch of a more experienced group of players.

# BOYS' BASKETBALL

The Bay Shore High School quintet launched its season's campaign with a defeat administered by Stony Brook Prep School in a non-league tilt. The team had not been practicing together because many regulars were on the football eleven. The game, however, was close up to the last few minutes when Stony Brook stepped into a five-point lead.

In the second game Bay Shore defeated Islip. This game was exciting because of the many fouls called against Bay Shore. This did not hinder our team since they held Islip to three field goals.

The Alumni of Bay Shore came forth with one of the best teams coached at Bay Shore High, defeating the school boys 32-11.

A week later, Freeport with a strong quintet was completely outplayed by the superior team work of Bay Shore.

On January 9, Bay Shore traveled to Stony Brook to seek revenge, but were hindered by the low ceiling and small court. The Prep School team defeated us after a hard fought game.

Amityville played host to Bay Shore the following week. At half time neither team had the advantage. The last half Bay Shore took the lead, defeating her opponents to the tune of 22-12.

Bay Shore, being checked very closely by Huntington throughout a spectacular game, managed to triumph with a five-point advantage.

The following week Bay Shore traveled to Babylon. This game was more or less of a foul-shooting contest, both teams doing the shooting. Bay Shore won.

Much to our disgrace when we played host to Sayville we were caught on an off night. The local boys were outplayed throughout the game. Sayville overran Bay Shore to the score of 14-4.

In the next game at Patchogue the team was much improved but received many unlucky breaks which perhaps was the cause of suffering another defeat in two extra periods.

Bay Shore, realizing that her chances for the championship were at stake, defeated Amityville, Huntington, and Babylon.

Having taken a severe trimming in their previous game with Sayville, Bay Shore was out for revenge and to keep a hold on the county title. The Bay Shore boys played the best game of the season. Healy, Flynn, and Rogers were the high scorers in the 18-13 triumph.

Bay Shore still had to defeat Patchogue to remain in the running for the championship. In their last scheduled game of the season with Patchogue, Bay Shore played a fast game, fighting to create a triple tie for first place in the league. With such spirit the Bay Shore boys defeated Patchogue, 29-25.

Bay Shore and Sayville played the semi-finals at Islip, Patchogue having drawn the buy. The local boys played a fine game but could not break the opponents' strong defense, which was functioning perfectly. With the loss of this game the hope of a championship was lost also.

First team squad: Captain James Flynn, Ray Smith, Dudley Rogers, Daniel Healy, Ned Hildreth, Herbert Feld, Edward Baldwin, William Sinnott and Emmett Drake.

Coach: Mr. Ralph Elliott; Captain, James Flynn; Manager, Edward Melton.

Those selected for the Suffolk County first team were Captain James Flynn and Dudley Rogers. Ray Smith was selected center on the second team.

# WRESTLING

Coach Clifton La Platney was very fortunate in having many veterans among the candidates who responded to his announcement that the wrestling season had started. The coach hoped to turn out a winning team with the Cantellas, J. Johnathan, J. DeLizio, J. Madderno, and F. Estler on the mat for Bay Shore.

The Bay Shore matmen opened the season with Stony Brook. The academy wrestlers proved too strong for the local boys by winning four matches. T. Cantella, A. Cantella and J. Johnathan won their bouts by pinning their opponents.

The New York State College of Agriculture met with an overwhelming defeat at the hands of the High School wrestlers. All the matches were won by falls.

The Oceanside wrestlers proved to be an easy mark for the Bay Shore wrestlers. J. Johnathan and the Cantella brothers took the honors, winning by falls.

Amityville invaded Bay Shore with a strong team determined to win. Amityville held the upper hand until F. Estler and the Cantellas clinched the meet, winning the heavy classes.

The meet with Poly Prep was a disastrous one for Bay Shore, with J. Madderno and J. DeLizio the only victors for the High School.

Seeking to wipe out the defeat administered by Poly Prep, the local team defeated a strong Great Neck team, winning six bouts.

Bay Shore easily defeated Westhampton Beach, winning six out of eight bouts. J. Fanelli, J. DeLizio, F. Lewandowski and S. Feld won on time decisions. J. Johnathan and A. Cantella won their bouts by falls.

Journeying to Oceanside the local matmen again won a decisive victory. J. Johnathan and J. DeLizio won their bouts by pinning their opponents.

Continuing their winning streak the High School wrestlers defeated Patchogue by a narrow margin. The intense rivalry between the two schools was ever present in the matches. The bout between Captain Broski and Captain Cantella created much interest. Tommy defeated Broski by a time decision.

The Bay Shore team won third place in the County Meet held at Patchogue. Captain Cantella and J. Johnathan won the County Championship in the heavyweight and 105-pound classes respectively. J. DeLizio won second place in the 145-pound class and F. Estler won third place in the 155-pound class.

Journeying to Westhampton Beach, the Bay Shore team easily won the meet, making their fifth consecutive victory. The High School matmen won six out of eight bouts by pinning their opponents.

At Amityville, Bay Shore was defeated by six points. In this meet neither team scored by pinning the opponent. Amityville won five bouts by time decisions and Bay Shore won three the same way.

A. Cantella made himself famous by winning first place in the Long Island meet at Great Neck. J. DeLizio won second place and J. Madderno third place.

This meet brought to a close a very successful season for the wrestling team.

## BASEBALL

With the baseball season which is just getting under way, we find it quite impossible to make any definite predictions as to the success of the team. Coach R. V. Chester is striving to produce another of his many championship teams. With the following veterans: H. Hafele, D. Rogers, G. Clark, T. Cantella, W. Leyrer and A. Cantella there are possibilities of a strong team. The team, however, lost its first game to Amityville. B. Sylvester pitched a steady game but lacked the proper support to win the game.

Bay Shore played Huntington even until the extra inning with a score of 4-4. In the last inning, Huntington scored two runs, winning 6-4.

Members of the first team squad: Catchers—D. Rogers and F. Lewandowski; Pitchers—Captain H. Hafele and B. Sylvester; Infielders—J. Flynn, G. Nessenger, J. Modderno, H. Feld and A. Cantella; Outfielders—G. Clark, W. Leyrer, E. Drake and T. Cantella.

Second row—Edward Mowbray, Richard Hall, Robert Koelle, Howard Klatthaar, Frederick Jayne, Edward Hildreth, Elliot Adams, Douglas Thurber.

## TRACK

The track season began on April 9th when Coach Clifton A. La Platney had forty candidates go through preliminary exercise and training. The squad with many regulars among them was adequate in material although it had to be rounded out.

The team which was suffering from the loss of many veterans was supplemented with newcomers who aided Bay Shore in scoring 54½ points in the meet against Riverhead which Bay Shore lost. Captain Schienke, a veteran short distance star won the 100 and 220 yards events, Art Dominy, the giant with the performing legs, won the broad jump event and split the honor in the high jump event with Ray Smith, a reliable and consistent scorer. Doc Hildreth came through for Bay Shore by winning the pole vault and by placing in the shot put and discus.

With the determination to win Bay Shore traveled to Sayville and turned their table by defeating them with a margin of two points. The meet was close throughout because of the keep competition offered in the field events. Bay Shore withstood all these difficulties and being a few points behind naturally put all they had in the relay race which ended in a victory and won the meet for Bay Shore. At this writing Bay Shore is preparing for a meet with Stony Brook on May 5th and for the County track meet on May 26th at Patchogue.

## GOLF

Bay Shore High School's excavation squad, better known as the golf team, began practice a week before Easter for what was considered a tough campaign. The consideration became a stern reality when on Tuesday, April 17, they journeyed to far off Brentwood to oppose the Central Islip linksmen and met with defeat by a 3 to 2 score. Dan Healy and Stan Maas were the two winners for Bay Shore, both playing good golf.

The following Monday, the local team opened their home season at the Southward Ho Club opposing the Babylon High golfers. The result was the same as the previous match, Bay Shore losing by a 3 to 2 score. Dan Healy won his second victory to score one of the Bay Shore points and Zig Dolny came through with flying colors to score his first win. The match was close throughout with Babylon tallying two close victories to earn their victory. Stan Maas extended his opponent to 21 holes before finally succumbing and Joe Fanelli carried his opponent to the eighteenth green before meeting defeat.

The team this year was very fortunate in securing the Southward Ho! for their home stamping grounds. This came about through the courtesy and generosity of Mr. Robert Nichols and the members of the Club. Through the medium of the Maroon and White, the General Organization wishes to thank those men responsible. The team this year was again coached by Mr. Lloyd Moreland and had as its manager, Howard Swanson, whose efficiency is unquestionable.

The remainder of the schedule follows: April 27—Bay Shore at Sayville; May 2, Bay Shore at Amityville; 4, East Islip at Bay Shore; 7, Central Islip at Bay Shore; 11, Amityville at Bay Shore; 14, Southampton at Bay Shore; 21, Bay Shore at Babylon; June 2, Bay Shore at Southampton; 7, Bay Shore at East Islip; 11, Sayville at Bay Shore.

Front row, left to right—Frances Freedman, Helen Reutiman, Josephine Fortunato, Rae Sherman, Gertrude Schunk, Dorrace Gardner, Louis Battle, Mabel Lycke, Julie Gilbert, Betty Hammer.

Second row—Donald Pinder, Lloyd Brown, Estelle Willrich, Howard Waldman, Helen Selva, Nils Falk, Agnes Lycke, Charles Gibbs, Mary Perfetto, Douglas Ross, Robert Wyatt, manager.

Third row—Lucius Carr, Jacob Schwartz, George Baker, Ira Flamberg, Gordon Brewster, John Wiley, Theodore Wulf.

Fourth row—Duncan Dobie, Coach Richard Corbin, Jack Wills.

## TENNIS

In the last few years, tennis has been rapidly gaining a strong foothold in Bay Shore High School and early this Spring, when the call was issued for candidates, about thirty-five boys announced their intentions to try out for the team.

Bay Shore was doubly assured of having a good team when the coaching staff was doubled by the addition of Mr. Richard Corbin along with last year's coach, Mr. Kenneth Sprague. A process of elimination was devised and everything was all set for a big season. But lo and behold, it was discovered that Bay Shore was without any courts!

Such a minor matter could easily be passed over it seems, but the authorities of the team could not devise any means whereby the team could hold an orderly practice. Therefore, it was entirely up to the individuals themselves to get what practice they could.

Through some method unknown, the best players on the team were selected to meet the Kew Forest team at Kew Gardens on April 17. Several close matches were played but Bay Shore finally succumbed 3 to 2. Herbert Feld was the individual star for Bay Shore accounting for a point and a half. Feld won his singles match and teamed up with Craig Rosemond to win the number one doubles match. The other contestants for Bay Shore were Flamberg and Waldman in the singles and Wiley and Wulf in the doubles. The team played twelve matches.

Front row, left to right—Josephine Malchuski, Dolores Anderson, Gertrude Schunk, Kay Thomas, Helen Melton.

Second row—Eleanor Anderson, Iva MacArthur, Ina MacArthur, Helene Grampp, Elizabeth Young.

Third row—Coach Anne Zeller, Loretta Doxsee, Lillian Rettmer, Ruth Kenson.

## GIRLS' SOCCER

Despite the fact that Bay Shore High lost a number of players through graduation, prospects for a good season looked very bright when Coach Zeller called practices in September.

On September 29, the team held a strong Patchogue eleven to a 0-0 tie, the game being a contest between the rival backfields.

October 6, the girls traveled to Smithtown and again had to be satisfied with a 0-0 tie.

On October 13, the Bay Shore eleven was defeated by a heavy Islip team in a very fast game, resulting in a 4-2 score.

Bent on avenging the beating the team took from Islip the week before, the girls went to Islip but all they could manage was a 0-0 tie.

Realizing they hadn't yet won a game, the girls made short work of Smithtown, gathering 5 points to Smithtown's none, when they played hostesses to Smithtown on October 27.

The last game of the season proved a bit disastrous to Bay Shore because Patchogue took the count and the Bay Shore girls found themselves on the short end of a 2-0 score.

Credit is due to Gertrude Schunk for her fine work as Captain of the Soccer team and her excellent playing at all times.

All in all, the team had a fairly successful season considering the teams played and the opposition they afforded.

Front row, left to right—Dorrace Gardner, Lillian Rettmer, Gertrude Schunk, Elizabeth Young, Helen Melton.  
 Second row—Coach Anne Zeller, Helen Selva, Loretta Doxsee, Helene Grampp.

## GIRLS' BASKETBALL

The defending champions of Suffolk were faced with the problem of maintaining the excellent reputation earned last year. Considering the circumstances, they did very well in clinching the Section 1 title and defeating Southampton in the semi-finals, only to lose to Lindenhurst in the finals.

During the season, Bay Shore won eight games out of thirteen, losing two to Lindenhurst, one to Sayville, one to Amityville, and the other to the Alumnae. Those games which the girls won were decisive victories with almost no exception. There were only two league games this year because Amityville, Sayville and Babylon dropped out of the League, leaving only Patchogue and Bay Shore in the Section 1 League.

Bay Shore reached the finals of Suffolk County basketball by beating Southampton 15-14. The girls lost the hard-fought game to Lindenhurst by the forever-changing hand of fate.

Captain Gertrude Schunk and Elizabeth Young have played their last game for Bay Shore and the team will be losing two valuable players upon their graduation in June.

## GIRLS' FIELD HOCKEY

Field Hockey embarked on its third year of existence in Bay Shore High School with about ten veterans and many other promising candidates.

Coach Zeller had a veteran backfield to work with, which was made up of Freedman, Rycharski, and Grampp. The offense was composed of Schunk, Nichols, and Rettmer. Among the halfbacks there were Melton, Doxsee, Wehn, and Thomas.

The girls played according to the following schedule:

Lindenhurst	May 18	Bay Shore
Port Jefferson	May 25	Port Jefferson
Lindenhurst	June 8	Bay Shore

### OFFICERS OF GENERAL ORGANIZATION

Front row, left to right—Mr. Lloyd Moreland, (advisor), Gertrude Schunk, Grahaeme Jamison, Katherine Thomas.

Back row—Gerald Cockerill, Mr. George H. Gatje.

## GENERAL ORGANIZATION

The year 1933-34 started the second year of the General Organization. The first important event of the year was the election of:

President .....	Grahaeme Jamison
Vice-President .....	Gertrude Schunk
Treasurer .....	Mr. George H. Gatje
Assistant Treasurer .....	Gerald Cockerill
Secretary .....	Katharine Thomas
Faculty Advisor .....	Mr. Lloyd Moreland

During the school year several organizations have been admitted into the General Organization. The names of these together with their faculty advisors follow:

The Commercial Club .....	Mr. Bittner
Phi Delta Sigma .....	Miss M. E. Owen
The Arts Guild .....	Miss Magee & Mr. Corbin
The Science Club .....	Mr. La Platney
The Flying Aces .....	Mr. Bittner & Mr. Elliott

### BOARD OF CONTROL

Front row, left to right—Mr. Lloyd Moreland, (advisor), Katherine Thomas, Gertrude Schunk, Grahaeme Jamison, Gerald Cockerill, Helene Grampp, Mr. George H. Gatje.

Second row—Harrison Watts, Katherine Kelly, Jack Williams, Virginia Helfgott, Stanley Kronheim, Norma Gladd, John Grauer, Anne Grauer.

Third row—Robert Wyatt, Lillian Rettmer, Harry Moore, Alice Jones, Lois Carlin, Thomas Cantella, Pauline Maynard.

Fourth row—Charles G. Hubbard, George Baker, Rex Walker, Ray Smith, Edward Melton, Dudley Rogers, Craig Rosemond, Joseph Fanelli.

Having successfully weathered its experimental year, and strengthened by these new members, the General Organization started off on the right foot in September and has never gotten "out of step". The members of the Board of Control took more interest, attended more meetings and accomplished some really worth while deeds.

Perhaps the major accomplishment was the adoption of a plan which provides for the awarding of emblems to deserving students. This plan seeks to encourage work in fields of extra-curricular activity other than athletics, although athletic participation, especially the captaincy of a team, is credited toward the emblem award. Dramatics, membership in clubs, newspaper and year book work, leadership in any field—these are a few of the items considered in an emblem award.

Sound finances are, of course, a requisite to any organized group. The General Organization has been very fortunate this past year. The Boys' basketball season was a great financial success even though the boys lost out. The other main source of revenue was the vaudeville show.

The General Organization has proved itself a great step in the advancement of student self-government at Bay Shore High School. Continued interest of the student body, the wise selection of officers and the cooperation of the faculty will insure the permanency of the G. O. in Bay Shore High School.

### MAROON ECHO STAFF

## THE MAROON ECHO

“The Maroon Echo” may proudly look back on a very successful year. Under the able guidance of Mr. Moreland it has come to be essentially a newspaper, which strives to bring news and items of personal interest to the student body. It is not a small factor in the success of many school entertainments through the publicity and advertising these events receive.

Because of business conditions advertisements alone could not finance the publication. In March, therefore, the paper sponsored two basketball games which despite heavy snows proved not only successful but very enjoyable.

“The Maroon Echo” also joined the National Scholastic Press Association which adds to the prestige of the paper. This membership includes a subscription to the “Scholastic Editor,” a monthly journal.

Although it has not expanded in size during this year, the Maroon Echo has shown an improvement over last year’s paper and leaves an enviable record for next year’s staff to beat.

## DEBATE TEAM

The Bay Shore Debate Team, in its fourth year as an active school organization, has this year completed its season with as enviable record as can be shown by any of the school's teams or clubs. The schedule, though abbreviated due to a late start, contained all excellent opponents; despite which, the net result was three victories, one defeat, and one draw.

A successful season was the more highly prized since each member of the varsity team, which included Robert Wyatt, George Baker, Ira Flamberg, Joseph Fanelli, and Joseph Allen, was experiencing his first year as an exponent of the art of flowing oratory. The season was both opened and closed by an all-girl Lindenhurst team whom the local Ciceros found difficult to out-argue.

The team wish to express its gratitude to Coach Corbin for his indispensable aid and advice which led the team to victory.

## LE CERCLE FRANCAIS

President .....	John Grauer
Vice-President .....	Sylvia Morris
Treasurer .....	Ira Flamberg
Secretary .....	June Gardner
Faculty Advisor .....	Julie Franchi

Although the French Club consists mainly of French III members, eight French II pupils were admitted because of their excellent standing; namely, Anne Grauer, Alden Boyd and Margaret Hora, admitted at the beginning of the year, and Pauline Maynard, Lucia Redington, Blanche Freeman, Agnes and Rosemary McElligott, who were invited to the club in March and were identified by the red carnations they wore.

At the first meeting, which was held November 6, the members sang French songs, played French games, and enjoyed a Guignol, entitled "Mon Cousin Moutardier", after which refreshments were served.

The Christmas meeting tried to produce, so far as possible, the atmosphere of a French Christmas. A miniature "creche", or manger, was on display and its significance explained. The singing of French Christmas carols and the presenting of gifts out of a large wooden shoe did much to get everyone into the Christmas spirit; especially so, when the Refreshment Committee came forth with delicious refreshments.

The last meeting, so far this year, was held March 19, at which a one-act play was presented—"L'Anglais Tel Qu'on Le Parle"—translated—"English Such As It Is Spoken".

The final meeting of the year will be a dinner, to which event the club members are looking forward.

## THE SCIENCE CLUB

President.....	Lynn Fake
Vice President.....	Edward Hildreth
Secretary.....	Rose Zappulla
Treasurer.....	Ira Flamberg
G. O. Representative.....	Morris Rothenberg

The Science Club of Bay Shore was organized on March 9, 1934 by Mr. Clifton La Platney.

The aim of this club is to keep the members informed, by their own efforts, of new scientific discoveries. Each member must contribute at each meeting information about a new scientific discovery or about the research going on in the world of science. Experiments are performed at the meetings. An experiment performed at one meeting was the dissecting of a poor little dead mouse in order to study its innermost parts. At another meeting an experiment on electroplating was performed. Then some of the members were given unknown compounds whose names they were to discover by chemical tests.

It is necessary for each member to be a student in Physics or Chemistry, to maintain an average of eighty-five per cent, to attend all meetings, and to take an active interest in the work of the club in order to continue as a member of this organization.

Keeping informed of all scientific discoveries should prove of great interest now and of even more interest and of value in later years.

## ALPHA IOTA CHAPTER

George Clark.....	Princelys
Ned Hildreth.....	Vice-Princelys
Frank Flynn.....	Secretary
Thomas Cantella.....	Treasurer
Harry Hafele.....	Master of Ceremonies

The Alpha Iota Chapter of Omega Gamma Delta has just terminated its eighth year at Bay Shore High School. Under the leadership of Princelys George Clark, Alpha Iota proved itself to be one of the most successful organizations in Bay Shore High School during the past year.

Alpha Iota now has twenty-five active brothers and a number of passive brothers, with Mr. C. A. La Platney, Mr. Raymond V. Chester, and Mr. E. Lloyd Moreland acting as honorary members. During the past year the following brothers have joined the ranks of the fraternity: Emmett Drake, John Matthewman, John Modderno, John Coen, George Furey, Nils Falk, Edward Baldwin, Harrison Watts, Louis Schienke, Rex Walker, Lynn Fake, and William Sinnott.

Alpha Iota held its annual fall dance in the Fifth Avenue School on December first. Practically the entire Chapter attended the Annual Convention and Banquet held at the Park Central Hotel in New York City on April 9, where all the brothers enjoyed themselves for the week-end.

Another episode in the history of Alpha Iota has just been completed and it is hoped that the coming year will bring as much enjoyment and prosperity as the former one.

## DUTCH DETECTIVES

President .....	Helen Melton
Vice-President .....	Gertrude Schunk
Secretary .....	Katherine Hospel
Treasurer .....	Stasia Rycharski
G. O. Representative .....	Katherine Kelly
Faculty Advisor .....	Cora Van Derburgh

The first living semblance of the ever active Dutch Detectives was the initiation of four new members, namely: Elizabeth Young, Isabel Reeve, Katherine Hospel and Helene Grampp.

Several successful fudge sales followed and then, the time being considered ripe, the Dutch Detectives sponsored a very novel and original Bowery Dance which was very successful.

The D. D.'s then settled down, giving only an occasional candy sale or a rummage sale, which, as usual served its purpose very well.

Again the Dutch Detectives invited new members, these being: Marie Harris, Lena Rycharski, Wilhelmina Baylis, Helen Young, Mildred Tetor, Betty Wyatt and Doris Courtney.

During the whole year, these girls have enjoyed many social meetings as only Dutch Detectives can enjoy them.

Front row, left to right—Dorothy Stevens, Patricia Furey, Miss Mizpah Owen, (Faculty Advisor), Alice Jones, Julie Gilbert.

Second row—Anne Grauer, Dorothy Harris, Doris Barringer, Betty Hammer, Daisey Page, Jeanne Hermann.

## PHI DELTA SIGMA

Ten girls of Bay Shore High School met in September, 1933, and with the able guidance of their faculty adviser, Miss M. E. Owen, organized the Phi Delta Sigma.

The club as yet has been devoted to thorough organization. Consequently its activities have been limited to a few candy sales and the distribution of baskets at Christmas. The new members initiated in April were: Barbara Osbourne, Dorrace Gardner, Norma Gladd, and Catherine McCormick.

The charter members are: Patricia Furey; President; Julie Gilbert, Vice President; Anne Grauer, Secretary; Dorothy Stevens, Treasurer; Alice Jones, G. O. Representative; Jeanne Herrmann, Daisey Page, Dorothy Harris, Betty Hammer and Doris Barringer.

Although a new organization the club hopes to maintain a high scholastic standing and to give more girls an opportunity to take part in school activities.

Front row, left to right—Faculty Advisor, Richard Corbin, Donald Pinder, George Baker, Ira Flamberg, Pauline Maynard, John Wiley, Lynn Fake, Dorrace Gardner, Dorothy Harris, Faculty Advisor, Doris Magee.

## ARTS GUILD

Bay Shore High School has long lacked the fine influence of an organization created for a more extensive study of dramatization, public speaking, music, drawing, and other forms of art than is offered in the school's curriculum. Under the direction of Mr. Richard Corbin and Miss Doris Magee the "Arts Guild" was formed with these objectives in mind. After the usual steps of organization the club sponsored a Spring Carnival featuring dancing and other forms of entertainment.

After business meetings which are held every two weeks, speakers, book reviews, and other interesting and helpful entertainments were presented to the club. The social meetings which are held every two months also add to the enjoyment of everyone concerned. The club now numbers thirty-six active members and several honorary members. The officers of the club are as follows: President, Pauline Maynard; Vice President, Ira Flamberg; Secretary, John Wiley; Treasurer, Lynn Fake; Parliamentarian-critic, George Baker; G. O. Representative, Donald Pinder.

The Arts Guild hopes for a more extensive program during the next school year as it has become well established and can look forward to receiving support as interest grows.

Front row, left to right—George Kellerman, Betty Wyatt, Bertha Duryea, Regina St. George, John Mulcahy.  
 Second row—Jack Coen, Duncan Dobie, Oscar Petty, Charles Melton, Jack Williams, Eugene Koelle.

## CHEER LEADERS

This year's cheering squad was bigger and better than any other cheering squad Bay Shore High School has had. Two veterans came back—Bertha Duryea and Duncan Dobie. All the rest were new recruits, who under the capable supervision of Mr. Moreland proved very satisfactory. The new cheerleaders were: Regina St. George, Betty Wyatt, Jack Coen, Eugene Koelle, George Kellerman, Jack Williams, Oscar Petty, Charlie Melton, and John Mulcahy. All of these cheerleaders did their part at the various basketball and football games.

John Mulcahy, who is the smallest boy in high school, made a fine showing and gained renown as being one of the best cheerleaders of this year's squad. He may not be able to shout very loudly, but he has that certain swing that every good cheerleader ought to have.

Regina St. George and Betty Wyatt made a fine team, dressed in their white shirts, maroon pants and little caps. Their specialty seemed to be the "Siren."

That great team consisting of Jack Coen, George Kellerman, and Eugene Koelle was effective in every way.

Jack Williams and Oscar Petty, acting as single cheerleaders did very well in pulling the Bay Shore teams on to victory.

Charlie Melton, that rosy-faced, good-natured fellow, with his deep sonorous voice, was another of Bay Shore High School's outstanding cheerleaders.

This year, Bay Shore High School has shown more genuine school spirit than ever before in its history. Several "Pep Meetings" were held, at which the cheerleaders contributed much in stirring up good lusty cheers. The arousing of so much school spirit was due to the "Pep Talks", given by Coach Elliott, Mr. Moreland, and Mr. LaPlatney. If the cheering section continues its good work next year, Bay Shore High School can be certain of winning many championships, for there is a certain something in a cheer which urges the athletes on to do their best.

Front row, left to right—Harry Moore, Bennie Biangardi, Fred Komoroski, Harry Chapman, (Director), Benjamin Spivak, Ray Pike, Nils Falk.  
 Second row—Grahaeme Jamison, Joseph Kolinsky, Charles Adams, Frank Kluge, Phillip Sacks, Alfred Brown, Stanley Kronheim, George Pelton, Leon Komoroski.  
 Third row—Anthony Lewandowski, John Wiley, Douglas Ross, Rex Walker.  
 Top—Frank Reeve.

## THE BAND

This year the High School Band has enjoyed one of its most active and successful seasons. At the beginning of the year, the Band was accepted in the General Organization, and elected the following officers:

	President .....	Frank Reeve
Vice-President .....	Fred Komoroski	Secretary .....
		Frank Kluge
G. O. Representative .....	Stanley Kronheim	Librarian .....
		Peter Odend'hall
Stage Manager .....	John Wiley	Publicity Agent .....
		Douglas Thurber

The student body has enjoyed several assembly programs sponsored by the Band and at many of the football games the Band joined in the merry-making.

At the memorable rally before the famous Patchogue-Bay Shore game, the Band contributed its services and did much to enhance the enthusiasm which was shown by everyone.

Later in the year the Band played at several of the basketball games and did a great deal to spur the team on to a successful season.

The Band helped to alleviate the tenseness of those few minutes before, and during the intermission of the Senior Play.

However, its activities were not confined solely to the High School. It played at the Music Teachers' Convention on February 7 and at the Boy Scout Rally, February 10, and gave a very successful concert in the Community Building on April 15.

The popularity of the Band may be attested for by the enthusiasm with which it was received everywhere and by the fact that it won the Popularity Contest in the Fellowcraft Contest, held in the Community Building.

The Band brought its season to a successful close by playing at the Class Day exercises and at Commencement.

We close by extending our sincere thanks and appreciation to Mr. Harry Chapman for all he has done to make our Band the great success that it is.

# COMMERCIAL CLUB

Bertha Duryea.....	President
Genevieve Gardner.....	Vice-President
Gerald Cockerill.....	Treasurer
Stasia Rycharski.....	Secretary
Mr. Harold Bittner.....	Faculty Advisor

The Commercial Club has made considerable progress this year in that it has done much to further the interest of the business students.

Under the leadership of its able President, Bertha Duryea, the club has engaged in many successful programs; such as dances, fudge sales, and social meetings. The dance held in April was one of the most successful that has been given during the year, even though it had to be postponed because of the blizzard.

The topics that the club discussed this year were ones that were all directly or indirectly connected with the commercial world. Among these were such notable topics as "The War Debts," "Recognition of Russia" and "The Gold Standard." These topics were first debated by several of the members and then thrown open for general discussion. These discussions proved most enlightening and enjoyable to all concerned.

Although the club contains the largest membership of any in the school, it is extremely well organized and efficient due to the cooperation of its officers and members.

Much credit must be given to Mr. Bittner for the way he has organized and conducted the club, through the two years of its existence.
