The members of the class of '56 dedicate their yearbook to you

MIZPAH E. OWEN

for your continuous kindness and patience manifested to us as a group and as individuals. For twenty-eight years, history students have benefited from your ability to give them a solid foundation of facts and ideas presented in the most interesting manner possible. You have also contributed greatly to the extra-curricular life of our school.

Those who know you, Miss Owen, know a woman of great dignity yet one with a wonderful sense of humor, a woman who possesses a world of knowledge and understanding yet a woman who is modest.

When people meet you for the first time, the first thing they notice is your vivid blue eyes that show depth, and that sparkle when you smile. Your meticulousness has set an example for students to have a respect for school property.

In the years we have known you, we have developed an admiration and deep affection for you. Thus, we, the members of the class of '56, have dedicated our yearbook to you, Miss Owen, and with this dedication goes our sincere appreciation.

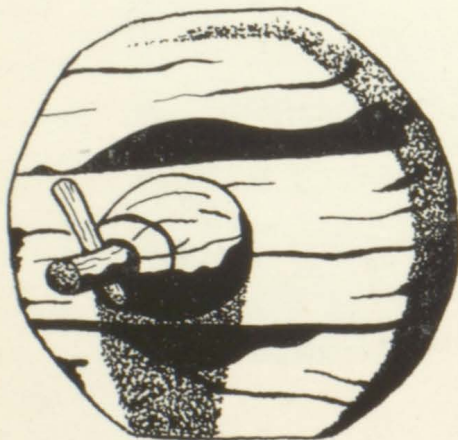

The first wheel maker saw a wheel, carried in his head a wheel, and one day found his hands shaping a wheel, the first wheel.

The first wagon makers saw a wagon, joined their hands and out of air, out of what had lived in their minds, made the first wagon.

One by one man alone and man joined has made things with his hands beginning in the fog wisp of a dim imagining resulting in a tool, a plan, a working model, bones joined to breath being alive in wheels within wheels, ignition power, transmission, reciprocals, beyond man alone, alive only with man joined.

*I*n December 1954, Mr. Lloyd Moreland, prominent guidance director of the high school, was named acting-superintendent of schools. On July 1, 1955 he officially became superintendent. Mr. Ralph Elliott, well known biology teacher and basketball coach, assumed also at that time, the post of assistant superintendent. Both Mr. Moreland and Mr. Elliott have already done much for our school, and we know that their interest in us will continue unceasingly in making our life in the Bay Shore Schools the very best.

SOPHOMORE OFFICERS—Penny Blanchard, *Secretary*; Dennis Kenny, *Vice-President*; Jean Kaddick, *Treasurer*; Herbert Baker, *President*; Jean Hansen, *G. O. Representative*.

The World is their Oyster

Today is wonderful! Tomorrow is better! How well the sophomores realize the amazing happenings of the world to come.

With spirits elevating to the sky these sophomores work and play together with an enthusiasm and shimmer that makes them genuinely "Priceless Pearls."

Under the able leadership of Miss Minnis, their new faculty advisor, they are making quite a stir. Miss Minnis has been a good friend and counselor to many sophomores for years but this is the first year she has used her creative talents as the official class advisor.

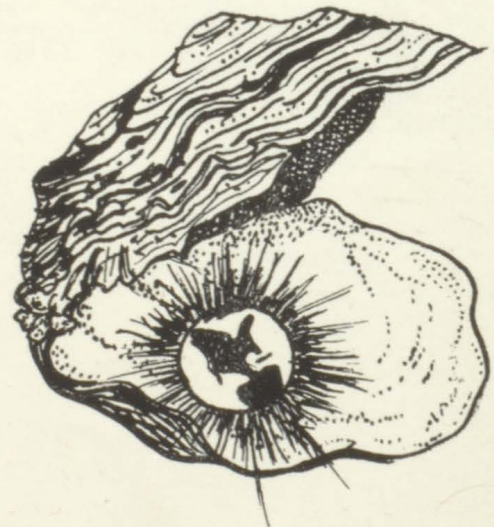

Already, signs of the class of '58 zooming to the top are evident. At the beginning of the year they introduced a new money-making project about which the whole school was raving. Of course, it's the toy dogs they sold in school colors, to everyone who was completely convinced that they could not exist without this cute addition to their home.

These gems displayed their culinary abilities at their annual Smorgasbord Dinner. The sopho-

mores are off to a good start in preparing a nest egg for their future project, the yearbook.

Take some sweet smiling students and add to that ambition for the finer, as well as the funnier things of life — add enthusiasm and zeal and you have — a sophomore!

Surely, the world is their oyster!

Junior Jets

JUNIOR OFFICERS—Maureen Jordan, *Secretary*; David Wilcox, *Treasurer*; Barbara Treat, *Class Advisor*; Ralph Leggio, *President*; Marian Piccolo, *Vice-President*; Caroline Terry, *G. O. Representative*.

The "Whirl" Goes Round and Round

With spirits as high as their ideals, these "Junior Jets" whirled their way to the top.

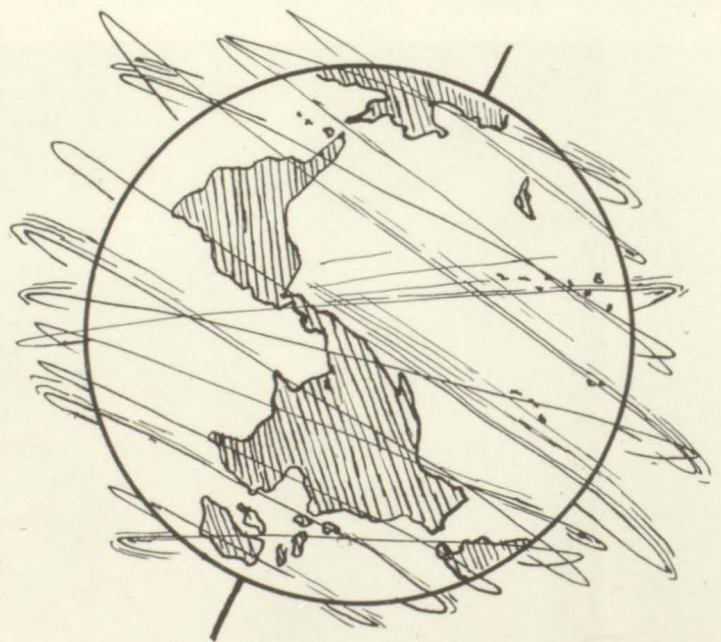

Spinning their clever ideas and imagination with the guidance of Miss Barbara Treat, the juniors have been very successful in raising money that will be used for their senior year-book.

Miss Treat's cheerful smile and laughing eyes have been well displayed during the years she guided the sophomore class. She replaced Miss Irmgard Wentzel, well loved for unlimitless zest and enthusiasm, with which she built a firm foundation for future junior classes. The warmth and talent which was typical of Miss Wentzel's aid in creating a prosperous junior class is now being used to lead the senior class.

Characterized by their natural spontaneity, the juniors were successful in all of their projects. Their supersalesmen were reported to have sold stationery to nine out of ten persons approached. It was through the efforts of the jolly, corpulent Santa Claus, and his helpers, that gifts were distributed through our school's halls.

In February, the Junior Play, "The Man in the Bowler Hat," exhibited the talents and abilities of the cast and its capable director Mr. Faggiani.

Before anyone realized the time, the months flew by, the birds started to swing to spring, and the juniors presented their gala prom where a queen was elected, and the seniors were feted. Now . . . all the world waits to see the success of the juniors . . . as the seniors of tomorrow.

GENERAL

THERE IS NO LIMIT TO DIMENSIONS

When a student at Bay Shore High School pays his dues to receive a membership card, he in turn also receives many, many benefits. He is entitled to all copies of the Maroon Echo, our school paper; he can enter all football and basketball games with a discount on the price of admission; he can belong to clubs; most of all, he benefits from the decisions, suggestions, and plans of the Board of Control and its faculty advisor, Mr. Howard who has so ably replaced our good friend Mr. Elliott. Who knows but that in the future, the student belonging to the General Organization will not receive free transportation between the extension of our school on the moon and the building here on earth?

Today there are many planes flying the skies; tomorrow we may see people flying the skies with mechanical wings. Yet, we have a feeling that our General Organization will survive and live on to aid the student in receiving an all-round education.

The past has held much in store for our

school, but who can predict the future? Certainly with our General Organization behind us, backing all our activities, the future can only bring more success.

Bay Shore is getting larger and larger, and it is all the more necessary to have an efficient student government like our General Organization. It is the "backbone" of our school activities, and one can be almost sure the backbone will not become a vestigial organ in the future.

The General Organization has grown with the town and school, not only in size, but also in character. When it was decided that the annual magazine campaign wasn't the proper fund-raising plan for our General Organization, everyone cooperated to find new methods of raising the necessary money.

The future will show how well we have acquitted ourselves. Today however we must constantly work and cooperate to preserve and improve that which has served us so well, our General Organization.

A beam of light peeks through the window on the world. The National Honor Society members are striving to capture this beam by encouraging scholarship, leadership, character, and service.

The group feels that the panel discussion, which featured college students speaking on college life, was valuable to their future academic success.

PARNASSUS CLUB

Just landed a rocket ship! Let's relax in Bay Shore High School's library with students who are gathered around tables discussing books. This group, the Parnassus Club, helps to make our library a better place for studying. The members help us find material when we need it. When we wrote that 1,000 word term paper on "The Moon" it was with the aid of one of these members that we completed it minutes before the deadline.

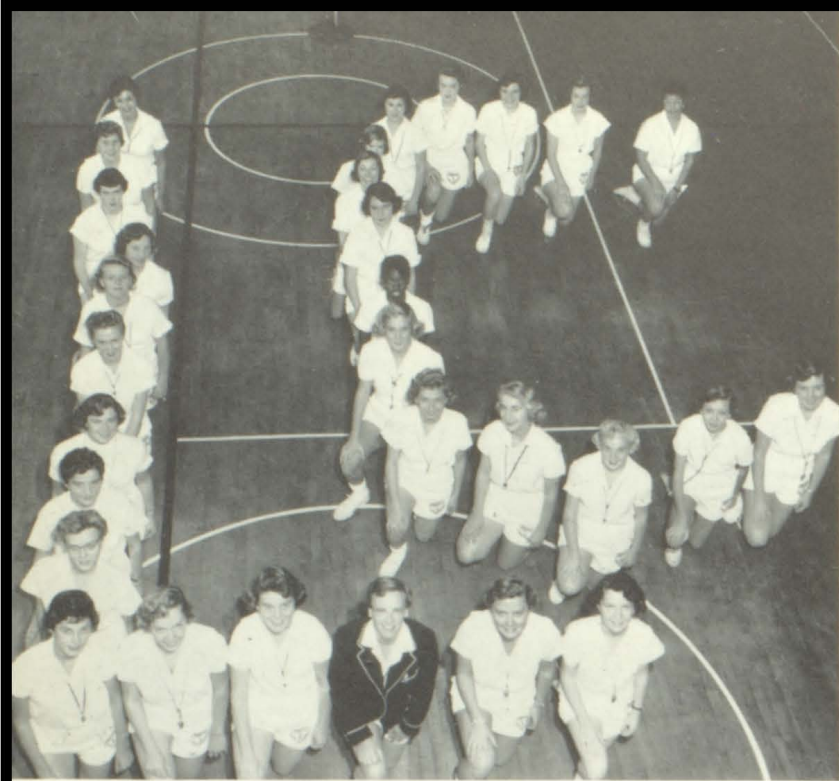

SCRIBBLERS' UNION

Onward, upward, ever striving toward perfection, the "Scribblers" with the aid of Miss Ippolito, try to write new and unusual themes. They have already published a magazine, "The Intelligentsia Writes" which they plan to make an annual publication. Truly creative, they try to express ideas more clearly through the use of poetry and prose. At their meetings these promising authors discuss literary events and originate styles that may set a trend in the future.

LEADERS CLUB

The Senior Leaders Club is comprised of girls who are interested in athletics, and who fulfill the qualifications. Dependability, sincerity, and good school citizenship are the basis for membership. The Leaders Club assists with organization and administration of the girls' physical education program. Membership develops qualities of leadership, responsibility and initiative, and promotes school spirit and good sportsmanship.

RIFLE CLUB

The Rifle Club is under the auspices of the athletic department. Because it is a new club, the bulk of time is spent acquainting the student with safety precautions and drills. The objectives include not only sponsoring a beneficial leisure time activity but also encouraging the correct handling of firearms.

In today's world this experience helps tomorrow's men to use firearms intelligently whether while hunting for game or shooting for defense.

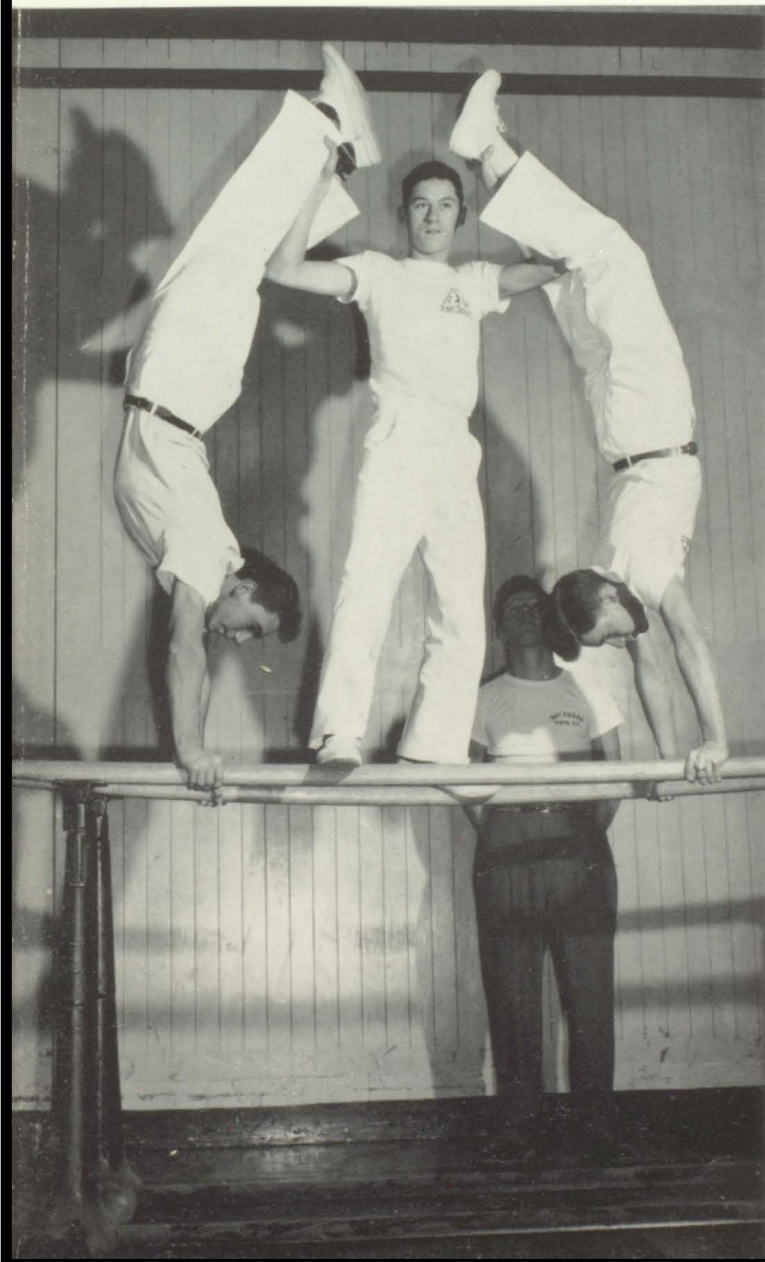

GYM CLUB

Unlike other social clubs the Gym Club has neither officers nor dues. Its members consist of students interested in performing on the different apparatus at school functions.

Membership is made by competitive tryouts judged by the present members. The best performers are chosen to become members and are therefore eligible to perform at school events. The club also helps with sports equipment at school events such as Girls' Sport Night.

Friendship

"Friendship, friendship, just a perfect blend-ship . . ."

This tune is sung by the Delta Delta, the Phi Delta Sigma, and the Psi Lambda Phi sororities and fraternity.

September found our friends in search of future brothers and sisters which they welcomed into the fold at a formal initiation.

After the hectic month of "Yes, Miss Messenger," (president of the most hallowed sisterhood of the Phi D's); "Hello, Miss DiPaola, (leader of the atomic DD's) or "I hear and obey, Mr. Guccione" (glorious chieftain of the Psi Lambda Phi), the groups started to work.

Then the boys planned their successful fraternity dance while the girls were busy packing Thanksgiving baskets for needy families.

At Christmastime, they got together for some toy-fixin' in the Santa Maria's barn. The toys were later wrapped and distributed to children. The Duo-Delta dance arrived sponsored by the two sisterhoods.

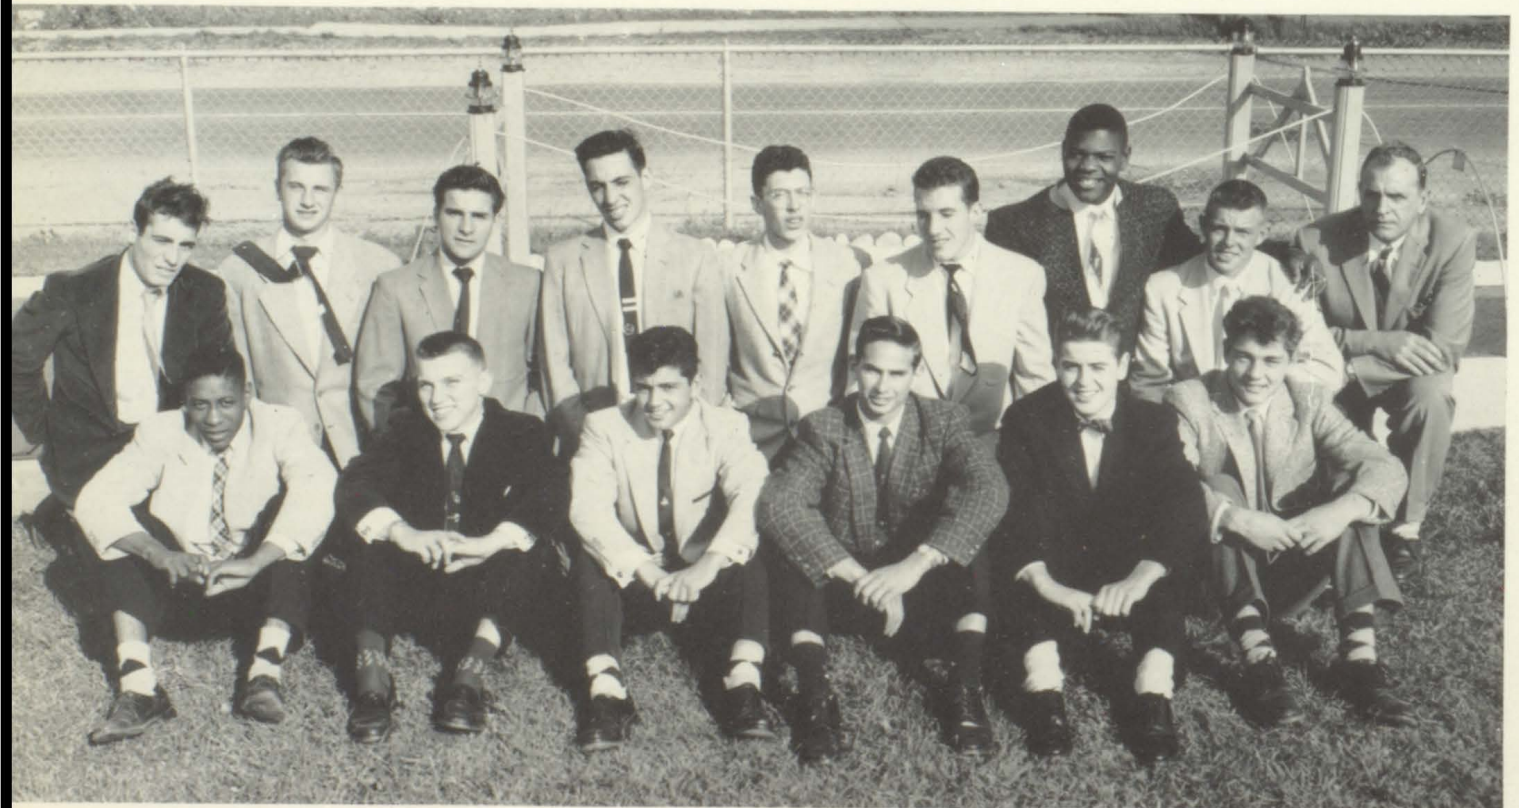

Goofin' and Golfin'

We remember the yawns of sleepless sisters who talked the night away at their pajama party.

Oh, yes, the DD's entertained the Phi D's this year. Where did they go? Oh, there they are singing; ". . . When other friendships have been forgot, ours will still be hot!"

FAMS

Although the future may show a completely automatic home where cooking and housework will be done by pushing buttons, members of the Future Homemakers of America are prepared for the "New Horizons."

The main goal of this group is to learn to live better today in order that they will benefit in the future.

The members work, under the direction of Miss Mumau, on projects which contribute to better family and community living. Awards are presented to members after they achieve certain skills.

This organization is very proud that Helen Durand has served one year as treasurer of all the New York State Chapters of the Future Homemakers of America.

COOPERATIVE WORK GROUP

The Cooperative Work Group is an organization of pupils who are training for employment. At their weekly meetings, programs are presented featuring representatives of the business world. The members learn exactly what an employer wants.

Programs are planned by a pupil committee with the advice of both Mr. Ploeser, who is coordinator of the work experience program and school placement counselor, and businessmen. These men sponsor an annual employer-employee dinner. This year the group sponsored an assembly program about "Guided Missiles."

By fostering school spirit, citizenship, and the knowledge of employment, the members are ready for future success.

The whole world is waiting to see Utopia 1976! Do you want to be among the first to get a peek at the future? Come with me to Mr. Grell's room. There you will see the shapers of the future, members of the Science Club, busy working on their individual projects.

I heard that one member is perfecting the first radar driven automobile. Another is planning a video school so students can study at home. One ambitious lad is getting ready to spend a day in Spain; see a bullfight and then come home for dinner. Who knows what scientific phenomena they will discover!

PHOTOGRAPHY CLUB

It's a snap! Stop, look and listen for a click of the shutter. These candid camera fans will capture you with their telescopic lens.

The producer of the Bay Shore High School Film Company is Mr. Howard. Don (Juan) Olma is their director. The members serve as the cast as well as the technicians. Herman Ooms, Lucille Laubenheimer, and Frances Mauro have been awarded "Oscars" for their outstanding photographic talents.

In the spring the climax of the film was reached when the company took an excursion to Belmont.

BACKSTAGE CLUB

Bang! Bang! Bang! The sound of hammering rings through the school. Screams of, "Don't drop that paint!" fill the air. The Backstage Club is in action. Directed by Mr. Weber, this group of painters, technicians, builders, and make-up artists are in charge of every important event that goes on in our school. They paint flats and create a city or a landscape on canvas. Each minute detail is arranged by those of the group in charge of props. The special lighting effects are created by a group of teen-age technicians. Does one of the characters in this play have to look like a witch? . . . Easily done by the make-up staff. When the curtain opens on the big night and a gasp of delight comes from the audience, this group knows it has done a fine job.

The Pilot

As one plans for the future, he must always have a guide. Since 1945, Bay Shore students have been fortunate in having the student handbook to help them through their school years.

Do you have any questions about what activities in which you would like to participate? Would you like to learn the traditions of Bay Shore High School, or the name of the teacher whom you will have when you take English IV, or chemistry? Are you a newcomer to our school? Why, the best thing for you is *The Pilot*. This pocket-size book contains all the information, from the aims and aspirations of the school to the organization, administration, extra-curricular activities and the academic work.

Financed by the General Organization and edited by a staff chosen from the various classes, *The Pilot* has an additional purpose, to establish proper attitudes and habits in school.

The editorial staff, who works under the supervision of a faculty advisor, is chosen at the beginning of the school year. The editor-in-chief is selected from the junior class, while the remainder of the staff includes two associate editors from each of the junior and sophomore classes, typists, and a staff artist.

Music and Rhythm

Rhythm and music, now and forever. This is especially true in Bay Shore because the whole community can enjoy the fine music of our high school band. Directed by Wayne H. Camp, the band has shown incomparable progress in the short time he has been here.

Today we have not only a concert band, which meets daily to rehearse for their many performances, but also a marching band, which meets every morning to practice marching skills and formations to be performed at home football games and town parades. The new dance band, "The Stardusters," has flourished to unexpected standards and plays terrific dance music after basketball games and at other school functions. The twirlers, too, always supply an excellent show. Their precision, grace, and abilities have led them to rate Long Island Champions.

Through the year these groups are always on hand to give excellent performances. In November, members of the band attended the All-State Sectionals on Long Island. On December 4, representatives from Bay Shore were fortunate enough to attend the All-State Music Festival which was held in Albany.

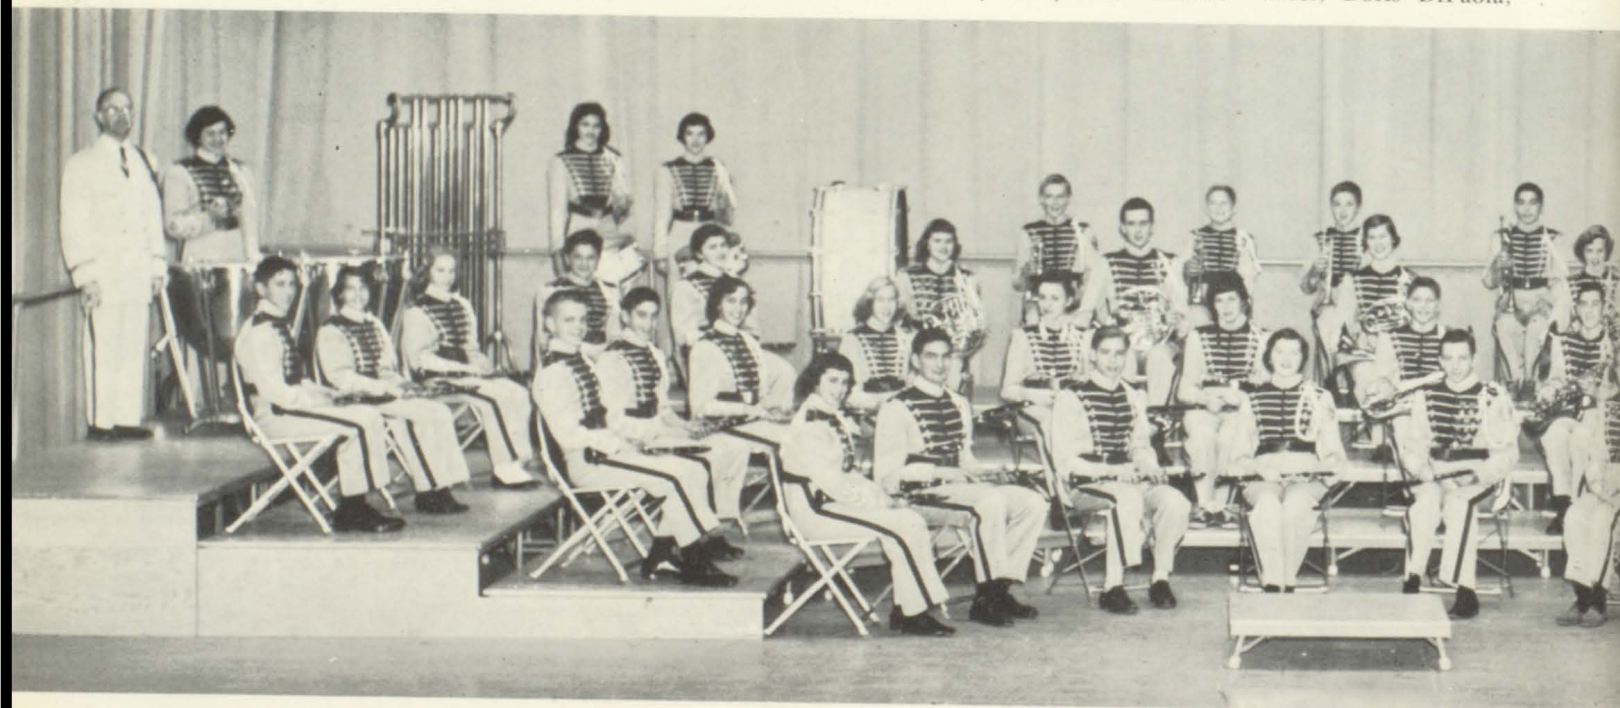

Musical profiles

After last year's spring concert, the band entered the competitive Spring Festival at which they received the highest rating attainable, 6-A.

On the football field, on the dance floor, on parade and in assemblies, our band is ever present and ever ready to set the pace and rhythm of the school.

Music finds its way . . .

As we returned to our planet, we heard strains of music. It was the Bay Shore High School Mixed Choir.

It seemed to us, on the rocket ship, that there were little stars shining on earth. As we moved nearer we found them to be the flame of the candlelight procession of the choir's Christmas program. We hurried to hear them sing "The Song of Christmas."

On our next trip we heard the choir at the Music Festival working for an *A* rating.

At the Spring Festival, we noticed the new choir, also led by the vivacious Marguerite Ough.

As they sang we thought, "Tis true, music has no bounds." It vibrates through the universe and into our hearts.

Football

"Chuck" Geddes finished his first year as varsity coach. He succeeded the dynamic Cliff LaPlatney who led our grid machine for 28 seasons. The team rolled up a record of 4 wins, 2 ties, and 1 loss. The loss went to Amityville after a tough game and it dropped the team from a three way championship.

Mr. LaPlatney entrusts his team to Mr. Geddes, who in turn entrusts the Jayvee to Mr. Erickson.

At the end of the season Amityville's Key Club awarded a sportsmanship trophy to Bay Shore. This trophy goes to the school whose team and spectators have shown the best sportsmanship.

The squad was spurred on by Coach Geddes, Captain Larry Hoyt, and their main backfield men, Guy Guccione and Bob Kaczynski, to an exciting season of football. Congratulations are at hand for Don Venezia and Norman Wood who were picked for the All-Scholastic football team.

The Jayvee football team wound up their season with a record of 6 wins, 1 loss, and 1 tie. This team suffered their only trouble with Amityville. This loss kept the squad from having an undefeated season. At the season's finish, the squad totaled 106 points in their favor to

only 31 points scored against them. Joe Erickson took over the helm to replace "Chuck" Geddes and certainly did a fine job.

The boys have a good start and everyone's looking forward to seeing a sensational team next year as they move up to the varsity squad.

Cross Country

With the start of the 1955 cross-country season, Bay Shore started to rebuild its cross country team. What the team was lacking in numbers, it made up for in fighting spirit. The Maroon harriers were able to get several second places in their triangular meets and to do fairly well in the County and Sectional Meets. The next goal will be to place at last one runner in the State Meet held annually in Schenectady at the end of cross-country season. One interesting statistic for the past season is the total number of miles the boys have run. If all practice sessions, outside practices and competitive meets were included the result would be over 200 miles. Today cross country teams are receiving more and more emphasis. Boys should seriously consider cross country as one of its sport interests.

Soccer

The end of Coach Shaut's last soccer season left the Maroon bootmen with a 6 win, 3 loss, 3 tie record. They shut out Amityville in their last game by a score of 2-0. An exciting non-league game was played with LaSalle where the game resulted in a 1-1 tie with Bay Shore winning the tie breaker by score of 2-1. They had a good over-all season. There is a promising freshman squad to take over the reigns next year.

Basketball

The varsity basketball team ended their season with a record of 5 wins and 11 losses. This year was not too profitable, but it was an excellent opportunity for Bay Shore to show its good sportsmanship. Many awards were given to the individual squad members. Sam Powell won the Foul Shooting Trophy with an average of 66 per cent. Jimmy Quayle, for the second consecutive year, won the Play Maker Trophy,

Gary Smith won it for the J. V. team. Bob Kaczynski was voted the most valuable player of the team. High scorer of the squad was Fred Kelsey with a total of 196 points.

The Jayvee Basketball team had a very successful season with an excellent record of 16 wins and 1 loss. Steve Raynor was the high foul shooter for the season.

Wrestling

Under the magnificent coaching of Clifford Clark the wrestling squad has again completed a victorious year.

The most electrifying meet was with Mepham when Bay Shore trounced the team for the first time in twenty years.

Guy Guccione capped his brilliant scholastic wrestling career when he won his fourth Suffolk title and his third Long Island championship after winning 59 consecutive matches out of the 87 times. In the past four years Guy has wrestled, he has lost only twice and both to the same boy.

In the Long Island meet in which Bay Shore placed fourth the only person, other than Guy,

who placed was Leif Unger, placing third in the 168 pound class.

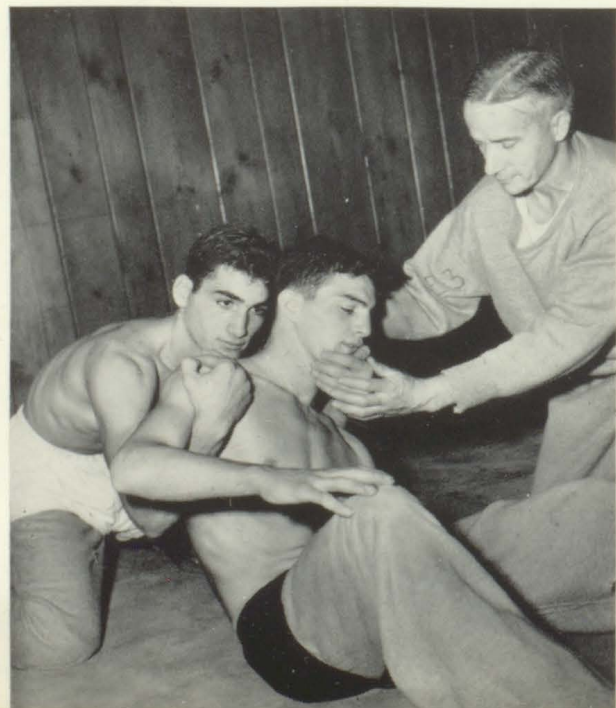

Dave Locascio and Herb Baker also deserve an ovation for being awarded the Dowling trophies presented by Bill Knapp and Gene Costello. The award goes to the most deserving member on both the varsity and jayvee team.

The excellent record of twelve victories to two defeats should be an incentive and inspiration to next year's squad.

Baseball

The varsity baseball team taken over by Leon Komoroski ended its season with an overall record of 7 wins and 8 losses. The team's non-league record was 5 wins and no losses while in league play the record stood as 2 wins and 8 losses. Pitcher and Captain Dick Tennien and Bud Seimann were considered the outstanding players of the season.

The jayvee team's record stood at 9 victories and 9 defeats. John Douglas completed his last year as a fine jayvee coach. The squad owes a lot not only to him but also to Bob Kaczynski, a fine pitcher, who should have a successful 1956 season with Einar Grell, the new coach.

Tennis

Under the great enthusiasm and excellent coaching of Carl Harbeck, the tennis team lost only one match to Riverhead which made their season's record stand at 11 victories and 1 defeat. Except for this 1 loss, the team would have experienced its fourth undefeated season, but we all are still proud of their present standing. Outstanding player of the squad was Dennis Dowd, who won the County Championship for singles, and was runner-up in both Section 8 and the State Championship for singles. John Dowd, who was second man last year, is expected to fill the place left by Dennis. Bob Royce, Joe Lang, Gordon McKeen, and George Hugler complete the core of the 1956 team.

TENNIS TEAM
 Stuart Treby, Joe Lang, Gordon McKeen, Paul Freedman, Coach Harbeck, Dennis Dowd, John Dowd, Bob Royce, David Pleasure.

The Champion of Coaches congratulates the Champion of Players.

Golf

John Sullivan's golf team had another successful season, having won all but one of its matches. The meet in which they did not win was the Long Island in which they placed second. The team won 45 straight matches, the most outstanding of which was against Glen Cove. Speaking of golf, one should remember that as a slim youth of seventeen or as a portly gent of forty, the fun of following the ball continues for the young and old alike.

Track

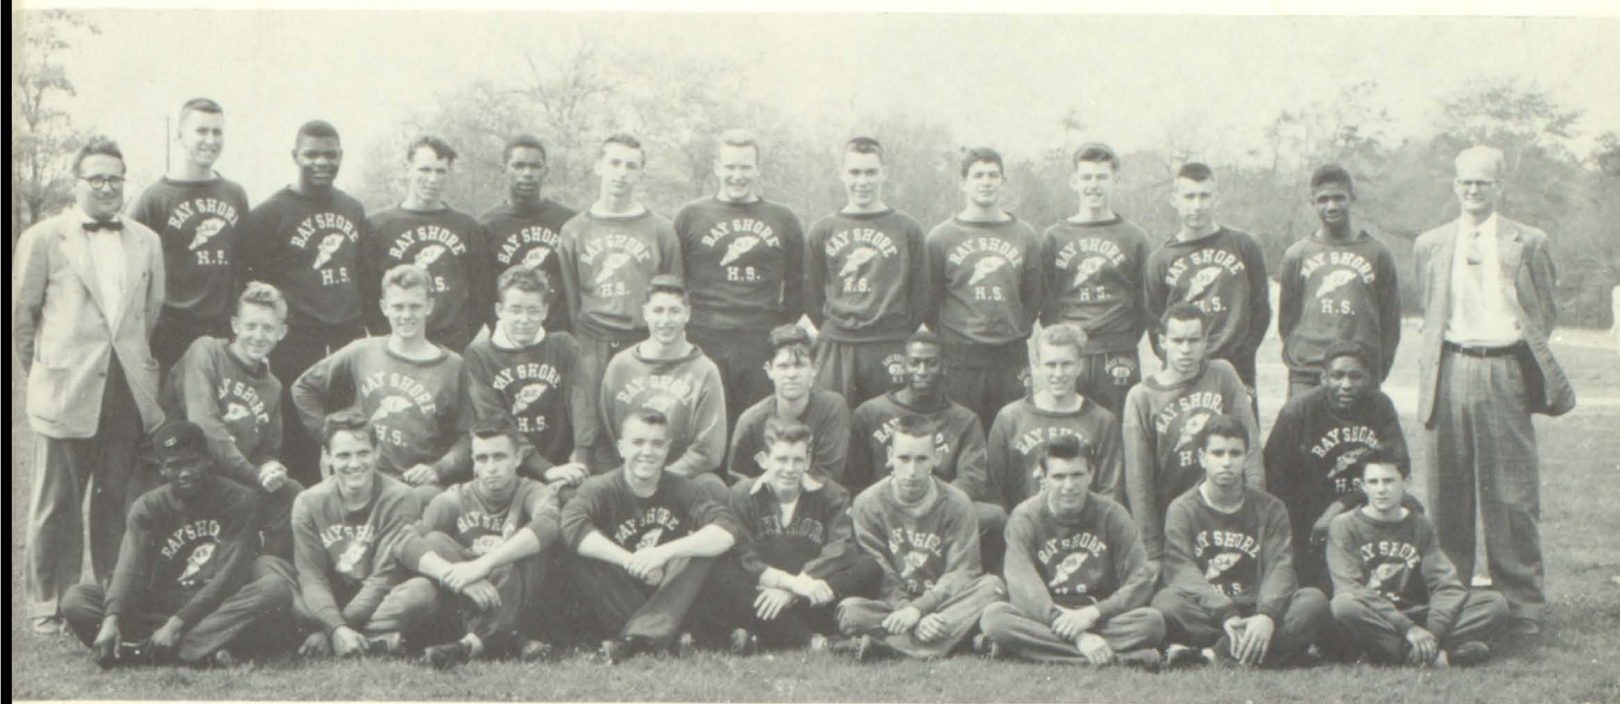

Plagued by injuries to key performers, Al Elliott and Sam Powell, the team despite a double victory by Clarence Joseph in the 100 yd. dash (a record tying 10 sec. flat) and the broad jump, finished third behind Port Jefferson and Riverhead in the County Meet at Amityville. The season in general was a success with 5 victories in 7 meets and a record shattering victory by the quarter mile relay team of Al Elliott, Sam Powell, Norman Wood, and Clarence Joseph in 46.1 sec. In addition to our $\frac{1}{4}$ -mile relay, the mile relay (Darmiento, Farmer, Riney, and Hansen) finished third and our 2-mile relay (Hugler, Holmberg, Moye, Pfeiffer) finished fourth. The ubiquitous Mr. Joseph also won the century at the Island meet and placed second in the State. Since most of the team were juniors, Mr. Hotaling and Mr. Martin hope that next year's record will be equally good.

Sport Fun

"Olympics," the theme of Sport Night, consists of individual and team sports of international interest. It is a world event in which contestants from many countries compete for honors in athletic contests. Race, nationality, and language are not barriers to friendly competition and understanding. This is one step in the direction of a united world.

In our "Olympics," we depicted as many sports as possible. Here at school we participate in many of them. Activities offered in the intramural program include archery, table tennis, riding, and badminton. Our main sports are hockey, volleyball, basketball and softball. In these activities we have intramural teams within our school and honor teams which represent Bay Shore in interschool games.

The World Is Theirs

"This is not the end, nor the beginning of the end. Rather it is the end of the beginning."
— Winston Churchill.

Some might say this is clever but lacking in substance; but upon looking deeper one will find Churchill has spoken not only wit but also truth.

Commencement is not the end of education but the beginning; for upon reaching the maturity of a senior one reaches responsibilities of developing oneself. Bay Shore High has tried to fulfill the basic meaning of education — "to lead out." It is up to the individual, however, to remember: when education ceases, life ceases.

Although no one person can be credited with accomplishing all this, Julie Franchi, is symbolic of the achievements of those who have worked with our students. It isn't necessary to say that for over a quarter of a century as senior class faculty advisor, Mademoiselle has represented the finest relationship between student and teacher. Although, it is not necessary to applaud a modest lady, it is both a pleasure and an honor. This year Miss Franchi relinquished her throne of honor to her good friend, Irmgard Wentzel, who continued in the fine tradition.

Acting and Starring

The curtain rises . . . The houselights dim . . . We are lost in the impact of the Junior Play, "The Valiant!" Our emotions react to the tenderness and confusion portrayed by Carole Bartholomew, the strength of the accused, Chet Bedell and the acting ability of Rory Foran, Jim Hopkins, George Huggler, and Frank Amodeo. The excellent reaction of the audience proved the strength of the play.

This year we'll win! This was the cry of each class as the Interclass Games drew near. The whole school held its breath while the sophomores rocketed to success!

One Enchanted Evening

When you wish upon a star . . .
 Just a swish of the magic wand
 you are Cinderella and
 you, the Prince Charming.
 This dream came true to
 Judy Kirkconnell and John Hansen
 who reigned on that enchanted evening.
 The little lady with the magic wand
 who sprinkled the miraculous moonbeans
 was Irvina aided by her nimble sprights.
 . . . Incidentally, did anyone find a
