We were young,

We were very,  
very wise . . .

I know that each of us is all alone in the end . . .

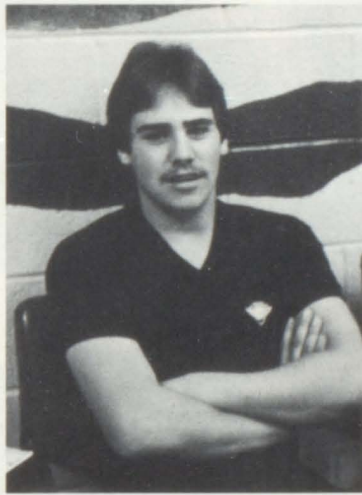

But the trip still feels less dangerous  
when you've got a friend.  
— Carly Simon

People come into our lives,  
and walk with us a mile;  
And then because of circumstances  
they only stay awhile.  
They serve a need within the days  
that move so quickly by,  
And then are gone beyond our reach,  
We often wonder why.  
God only knows the reasons why  
we meet and share a smile;  
Why people come into our lives,  
and walk  
with us  
awhile.

# BATTLE OF MALE VS.

Heave, men, heave!!

# THE SEXES

## FEMALE

The Senior Class Battle of the Sexes held on November 22, 1983 was a grueling event that tested the endurance, strength, and agility of each competitor. The Battle consisted of five events — cageball, volleyball, scooter attack, scooter races, and tug-of-war. Each team fought with admirable determination, and some students even endangered their own personal safety for the efforts of the team. Patty Chessman was one such student, who in the heat of the cageball competition injured her ankle.

After the night reached its climax, it was evident that the male team had arisen victorious. The women accepted their defeat gracefully, but vowed that they would prove to be the better sex before the year was over.

The exhausting night proved successful because the senior class collected many cans of food for the Hospitality Center at St. Patrick's Church while having a good time.

A black and white photograph of a football game. The image is dominated by a large, bold, black diagonal banner that reads "SPORTS" in white, sans-serif capital letters. The banner runs from the bottom left towards the top right. In the background, several football players are visible on a grassy field. They are wearing helmets and jerseys. One player in the center is wearing a dark jersey with the number "25" visible. Another player in the foreground is wearing a light-colored jersey and is in a three-point stance, ready for the play to start. The background shows trees and a clear sky, suggesting an outdoor setting.

The Varsity Football Team finished its season with a record of ten wins and no losses. With superb coaching from Tom Howard and assistant coach Lenny Matterra, the team was mentally and physically ready for each game. Aside from being second in the county for total offensive points and fifth for least points given up, the team was the proud winner of the Rutgers Trophy! With fine performances brought in by all of the players, nine of them were honored with league and county recognition; Lou Llovet, Ricky Phillips and Vic Cerebino for All-County, and Mike Keleher, Phil Horn, Tom Auletti, Mike Phillips, Mike Woytusik and Littleton McPherson for All-League. The team was League IV and Division II champions. Needless to say, this was an incredibly outstanding season for our Marauders.

Captain Terri Romito

Of course, part of the reason for their fabulous cheerleading season was our outstanding football team. However, more goes into a successful cheerleading squad than just a great football team. It takes a lot of commitment and dedication.

Although not everyone knew each other before the season, as it progressed . . . friendships grew . . . and by the end all of us knew we had formed a bond that could not be broken.

## Junior Varsity

S-P-I-R-I-T!! Spirit! Let's hear it! And what better way to hear it than from our cheerleaders.

Cheerleading was a great way to express our enthusiasm and support our school. Sure, it was a lot of hard work. Practices, which were every day over the summer and after school, as well as Saturdays before each game, took a lot of time. Not only were the practices demanding, but sometimes the girls had to cheer in the rain and cold weather with nothing on but their uniforms.

Yet all of this was easily overlooked, since many new friendships were established, great times were had, and most importantly — cheered our team to victory!

JV CHEERLEADING — *Top row* — Donna Sconzo, Beth Kimmel, Tesser Brown, Cynthia Mills.

*1st row* — Brian Knoth, Keith Buehler, Tom Donnely, Rich Daly, Freddy Favors.  
*Bottom row* — Rudy Fitzgibbons, Mike Moore, Jim Daly, Eric Klingel, Paul Powell.

The J.V. Football team finished their season with an admirable record of 6-2. The team had many fine players such as sophomores Chris Nardone, Rich Daly, juniors Eric Klingel and Kenny Michitsch. Since the Rutgers Cup winning varsity team consisted mostly of seniors, most of the JV players will be playing on Varsity next year. They will have a difficult task to live up to. If these JV players play as well as they did this year, the future of Bay Shore looks bright. Fine performances were also brought in by Charlie Vogt, Marvin Gardiner, and Steve Becht.

CAPTAINS — Kirk Page, John Clark, Eric Klingel, Chris Nardone

# Boys JV Soccer

Although it wasn't outstanding, the J.V. Soccer team did have a successful season. Coached by Mike Cioffi, the team consisted mainly of sophomores which ended the year with a 5-9-3 record. The highlight of the season was a 3-2 win over West Babylon. They went into overtime with a 2-2 tie ending three minutes later with the winning score by junior Larry Natalie.

Plagued by numerous injuries stemming from sprained ankles to a broken leg, the team was held together by outstanding leadership from captains Trevor Williams, Ray Roberts, and Marc Weisberger.

# Field Hockey

## Varsity

### *Girls' Varsity Field Hockey*

This year's Varsity Field Hockey team had a semi-successful season under the supervision of coach Karen Kauer. Many players agreed that their record of 2 wins, 7 ties and 4 losses does not fully reflect the team's dedication. Surprisingly a majority of the team consisted of underclassmen, including three freshmen and one eighth grader. Captains Patti Chessman and Kris Buetti both feel that with such a large number of young players, the team had to work extra hard.

The team would not have practiced so strenuously if it weren't for Miss Kauer's constant drive and dedication to make the team strive for victory.

The team wishes to acknowledge Patti Chessman as a most valuable player and themselves as a team with spunk.

Captains Patricia Chessman, Kris Buetti

*Top row* — Randi Jefferson, Allison Pallotta, Linda Wohning, Elsie Daidone, Barbara Rigney, Jeannine Mulry, coach Karen Kauer.  
*Middle row* — Joyce Witherspoon, Kris Buetti, Patty Chessman, Lisa Huff.

*Bottom row* — Jackie Lebohner, Jeanne Cavagnaro, Crista Carbone, Lisa Fink, Laura Krowl.  
*Missing* — Colleen McMahon.

The team this year was full of spirit. The players went out onto the field without much experience, but tried their hardest, and had a good time.

Coach Laura Conroy was a great help and acted just like one of the players! The team's outstanding players, according to the coach, were Denise Beigarten, Linda Santiago, Ann-Marie McMahon, sophomores Eileen Bronchick and Chris Graham, freshman Leigh Ross and eighth grader, Jen Concu.

The final team record was 2-5-5, only two goals were by freshman Diane Druckenbroad and sophomore Eileen Bronchick.

# Cross-Country

## Boys

Under the exceptional coaching of Mr. Steve Borbet, Bay Shore's boys' cross country team finished the regular season without a loss, which earned them a League IV title.

Captains Wayne Brunjes and Larry Leggio agreed that the team's finest asset was not in its individual strength, but in the "Starting Seven's" consistency and respectability.

The Cross Country team placed first in the highly respected St. Pius X Anno Domini Invitational, which was held at the 5k Course at Sunken Meadow.

Socio-Economics teacher Anthony LiBrizzi was a welcomed new addition to the team as he shared his vast experiences during his training runs.

County recognition was earned by Wayne Brunjes, Wayne Olivera, Algebra Jones, Tom Boulliane, Jamie James, and Greg Moran.

Captains — Larry Leggio, Wayne Brunjes

*Top row* — Coach Steve Borbet, Tom Boulliane, Jerry Snover, Wayne Brunjes, Glenn Hancock, Larry Festa, Greg Moran, Charlie Maltman, Ross Goldin.

*Middle row* — Larry Leggio, Jamie James, Reggie Jones, Dyschel Shelton, Wayne Olivera.

## Girls

*Middle row* — Samantha Kirschner, Amanda Vesey, Heidi Beckman, Julie Knapp.

*Bottom row* — Chris Barratta, Sandra Whoning, Christine Hong.

*Missing* — Shakira Hassan.

The Girls' Cross Country team, coached by Mr. Ross Goldin, enjoyed another successful season, holding up Bay Shore's winning tradition.

The varsity team placed fourth in the county and the junior varsity placed second in the county.

Impressive performances were turned in by junior Kathy Pitcher, who placed sixth, and senior, team captain — Michele Vuolo came in sixteenth in the county. Kathy was also named MVP and made the all-county first team.

Although they lost some of their top runners last year, and outstanding freshman, Chris Barratta, who was injured most of the season, the team still proved that they are a force to contend with.

Captain Michelle Vuolo

Middle row — Beth Sauer, Pam Voltz, Karen Suger, Denise Gibson.  
Bottom row — Kimm Schumacher, Patricia Davis, Susan Benkovsky, Lisa Thompson, Lori Sacco.*

The 1983-84 Girls' Tennis team had a fine season with a record of nine wins and 4 losses. Their only losses were to Commack North which were both close matches, and also to the tough, defending league champs, Huntington. The team finished third in the league and continued in the Conferences. Out of 12 players, 10 made individual conferences, and the team as a whole played.

The team was composed of four seniors, five juniors and surprisingly, five freshmen. The team is only losing three seniors, which is a fairly significant loss, but 75% of the team will be back next year. Hopes are high for the team due to the younger players who can carry the team in future years.

Captains: Pam Voltz and Kimm Schumacher

Bottom row — Sue DiLegge, Karen Wahlberg, Alison Held, Stephanie Kutin.  
Missing — Mary Senatore, Marni Cassuto, Mary Claire Kearney.*

This year's girls' JV tennis team did very well. Though they didn't finish with a winning season, the team fostered new young players with the potential for excellence.

With the ages ranging from 11 to 16, the team often managed to pull together and win. They finished the season with a record of 3 wins, 6 losses.

# Girls Soccer

## Varsity

*Top row* — Coach Art Romita, Stephanie Nardone, Denise Salmieri, Kelly Goodwin, Laurie Matheson, Anne Curran, Jean Tierney, manager Julie Michalski.  
*Middle row* — Beth Powers, Sue Avallone, Karen Campbell, Vicki DiGiovanna, Mary Jockel.  
*Bottom row* — Julie Boklak, Jenny Jockel, Lara Lazarus, Grace Braniff, Stephanie Jason, Sandy Roberts.  
*Missing* — Karen Guarneri.

CAPTAINS — Anne Curran, Grace Braniff, Sue Avallone

The Girls' Varsity Soccer Team, under the coaching of Mr. Art Romita, did not live up to their expectations this season. Unfortunately, the team moved up to a higher league causing them to face some very strong and respectable teams, thus disguising their talent. The team ended with an overall record of 3 wins, 15 losses, and a league record of 2 wins and 12 losses.

This year's captains, Grace Braniff, Sue Avallone, and Anne Curran managed to keep the spirits of the team up when they were losing. The high scorer for the season was Vicki DiGiovanni, who also received an award from a local newspaper. Coach Romita feels that with some fresh talent coming up from the JV and the junior high, we can expect to see a very skilled team next year.

# Junior Varsity

## Girls' JV Soccer

The girls' JV Soccer Team record didn't accurately show their ability. Most games were decided by one goal and they all learned something more than about soccer — sportsmanship.

By the middle of the season, their improved playing on the field became more and more evident.

Fights and arguments broke out between players and teammates. It was only because of the no-nonsense attitude of the coach, Vincent Agoglia, that they all pulled together. By the end of the season, their attitudes and playing improved, thus ending their season on an upbeat.

CAPTAINS — Caroline Mandala, Nicole Jones, Dawn Flowers

Top row — Coach Vincent Agoglia, Charlotte Brown, Sandy Schneider, Debbie Martino, Annette Romita, Barbara Goodman, Sue Mandel, Karen Kelly, managers — Fran Ullrich, Linda Paez.

Middle row — Amy Feld, Merrie Schmidt, Colleen Thompson, Michele Whitlock, Pauline Mandala, Darlene Murray, Annalisa Concu.

Bottom row — Maureen Melton, Caroline Mandala, Nicole Jones, Dawn Flower, Kathy Van Dyke, Erika Nolan.

# Gymnastic Boys

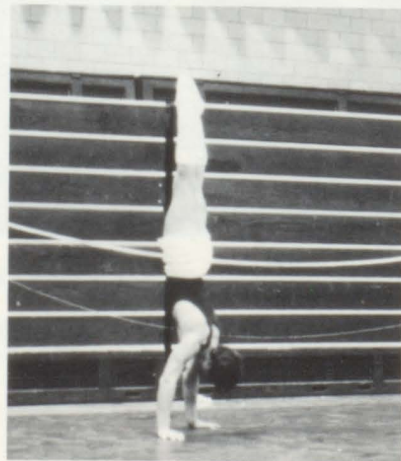

Top row — Pam Katz, David Hitt, Kenny Chalifoux, Julius Berry, Joe Rosenfeld, Ginny Vaughn, Coach John Pfeffer.  
 Middle row — Carlos Carresquello, Tony Montalvo, Reed Hendricks, Mike Glynn, Paul McKeller.  
 Bottom row — Richie Castranova, Rich Ortiz, Chris Hitt, Mike Sullivan. Missing — Matt Clancey.

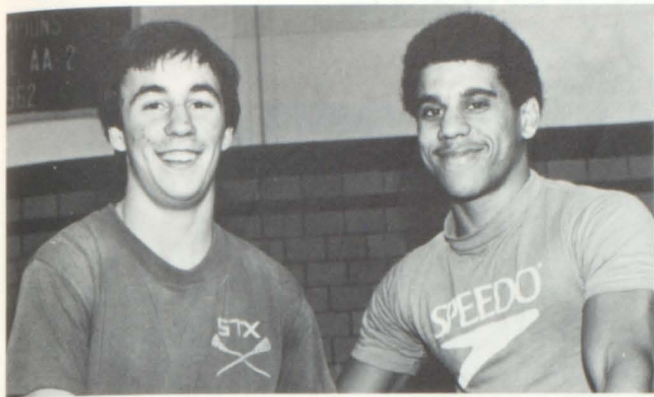

This season was a disappointment to the gymnasts, since they felt they had an impressive legacy to perpetuate. With a final season record of 8-1, the gymnasts feel they could have done better.

Captains Mike Glynn and David Hitt gave their absolute best to the team. Tony Montalvo, a freshman, was the coach's utility man, being able to work any event the coach asked him to. Reed Hendricks was also an outstanding performer who performed excellent routines on three events. Reed, a sophomore, suffered a painful muscle pull near the end of the season, and unfortunately had to sit out the closing part of the season.

Michael Sullivan, Ken Chalifoux, Matthew Clancy, Paul "Mary" McKeller, Richie Castranova and Richard Ortiz all gave their very best during excellent routines.

The four seniors, in their last year at Bay Shore, performed with a degree of excellence that will be a definite loss. But Coach Pfeffer summed up the season best, "Yes, these seniors will be missed . . . yet with all the young talent around, we can bring a county title back to Bay Shore . . . '83 will be a good lesson for all of us."

Captains — Mike Glynn — David Hitt

## Girls

The Girls' Varsity Gymnastics Team completed a semi-successful season for 1983. Under the once again, excellent coaching of Miss Kim Jamison, the girls completed the season with a record of three wins and 6 losses. A valuable addition to the team this year was assistant coach, Russell Wallace.

This year there were many unfortunate mishaps which deterred the girls from having a perfect season. The team started at a high of fifteen competitors and by the last meet there were five. The main cause of the decline was because of injuries suffered by the team members. Co-captains Denise Laskay and Carolyn Hutcheson held the team together right until the end.

The team will be graduating three seniors this year: Denise Laskay, Karen Stevens and Carolyn Hutcheson. This will be a great loss to the team.

Girls Captains:  
Denise Laskay and  
Carolyn Hutcheson

Top row — Coach Kim Jamison, Debbie Nikas, Karen Stevens, Susan Gee, Carolyn Hutcheson, Manager Nancy Hall, Assistant Coach Russell Wallace.

Bottom row — Sharon Froude, Laura Hendricks, Amy Knapp.

Captains — Drew Mills and Tom Auletti

The boys varsity basketball team for the 1983-1984 season was one of the youngest teams Bay Shore has ever had. This year's lineup consisted of one freshman, three sophomores, five juniors and one senior. This year's season was a learning experience for the team's players, and with learning comes a few mistakes. Hopefully by learning from their mistakes they will be considered one of the county's better teams next year.

# Junior Varsity

Captains — Matt Swinson and Martin King

The boys J.V. basketball team started off their 1983-1984 season by defeating Amityville, Port Jefferson, Comsewogue, as well as Riverhead in non-league games. Overall Bay Shore finished 4-3 in non-league games by losing to West Islip, Copaigue, and Wyndanch. In league games the J.V. team began with three losses to Kings Park, Commack North, and Huntington. Coach Mr. Russell Witherspoon, a graduate from Bay Shore High School, is an immense help in terms of confidence and performance.

# Girls Basketball

## Varsity

The girls varsity basketball team demonstrated tremendous ability during their 1984 season. Although consisting of just seven members, the team earnestly strived for big accomplishments and eagerly set its sight on the county championship. The current county champions, Wyandanch, will certainly have a tough time defeating the 3-0 Mauraders this season. Regina Miller the guard and forward, was very important to the team's success, and is sure to receive an all league nomination. With Norma Wilson and Leslie Schlegel, very tall girls, the team is certain to get rebounds and high scores. Gwen Roland, playing underneath forward, is known on the team as the "garbage person" due to all the drop balls and missed rebounds she has picked up. Deanna Burton playing guard, is in her first year playing varsity and is doing a great job. Chrissy Rowland, forward, plays an important role by substituting for everyone on the team. With a great coach, Mr. Paul Powell the team has really gotten it together.

Captains — Norma Wilson, Regina Miller

Top, l-r — Coach — Mr. Powell, Gwen Rowland, Norma Wilson, Crystal Rowland.  
Bottom, l-r — Stephanie Nardone, Regina Miller, Deanna Burton.  
Missing — Leslie Schlegel.

## Junior Varsity

Captain — Carolyn King, Coach Mr. Agoglia

Girls J.V. tryouts started on Nov. 16th and ended on Nov. 20th. They were tough and there were not many girls who tried out. This led to many problems for the team, which started off with five girls and ended up with seven.

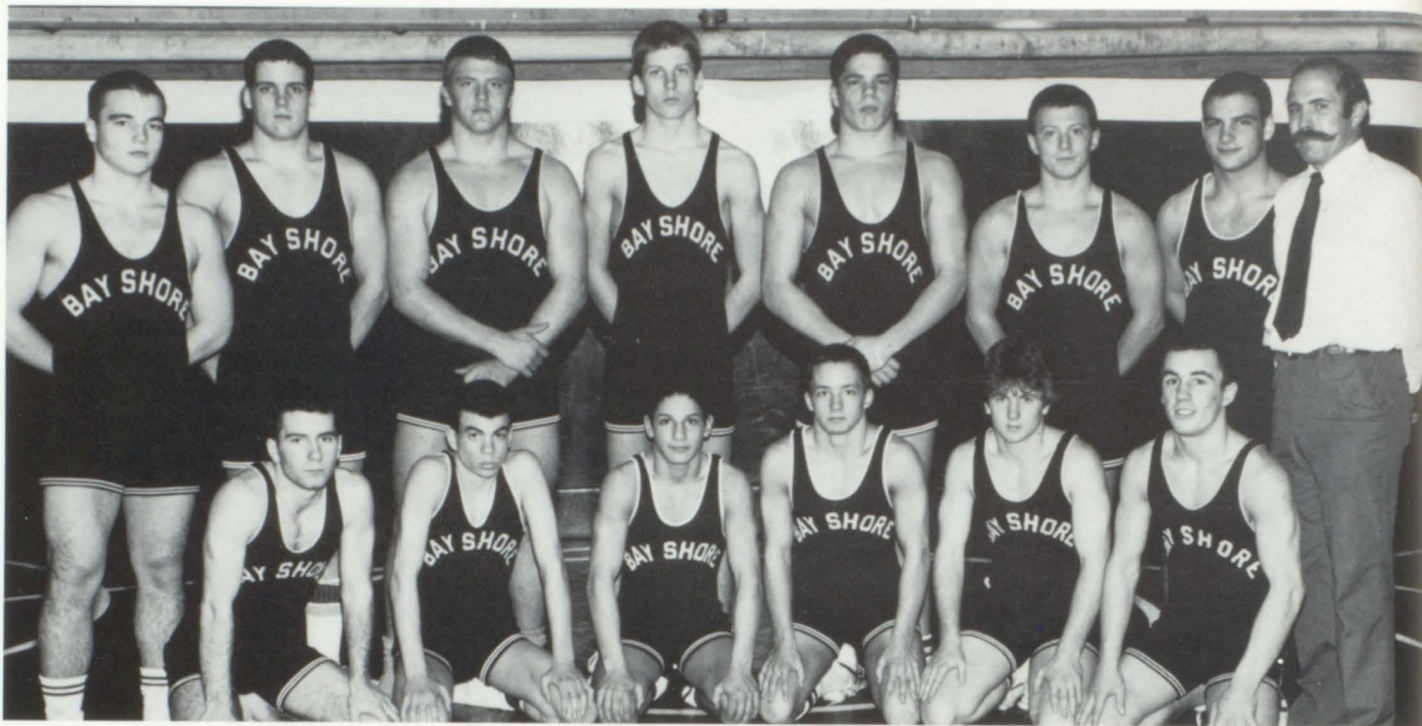

They practiced very hard at Mary G. Clarkson every day, under the excellent coaching of Mr. Vince Agoglia. The team really doesn't have much height, therefore, it is hard for them to catch rebounds. The three forwards and the center have to be aggressive under the boards to maintain their rebounds. The guards, also have to be precise and quick with their passes, so the inner players can score. The team's record stands at 0-3. The team hopes for two things, first, that Mr. Agoglia keeps up with his patience and well skilled coaching, and also that the team ends the season with a successful record.

Top, l-r — Alisa Foster, Sherry Little, Debbie Martino, Randie Jefferson, MaryAnn Welton, Helen Bivians, Coach — Mr. Agoglia.

*Missing* — Don Dahill, James Gibb, Alex Porcelli.

The Bay Shore wrestling team has been traditionally known as a powerhouse in Suffolk County as well as the state. This year, however, the team was not regarded as a county leader. Yet as the season progressed the team surprised many people with a number of upsets. At the Orange County wrestling tournament, the Bay Shore wrestlers finished 2nd out of 16 of the top teams on the East coast. Coaches Dick Rosner and Jumper Leggio as well as all team members feel they have accomplished more than what was expected and thank the fans for their continued support.

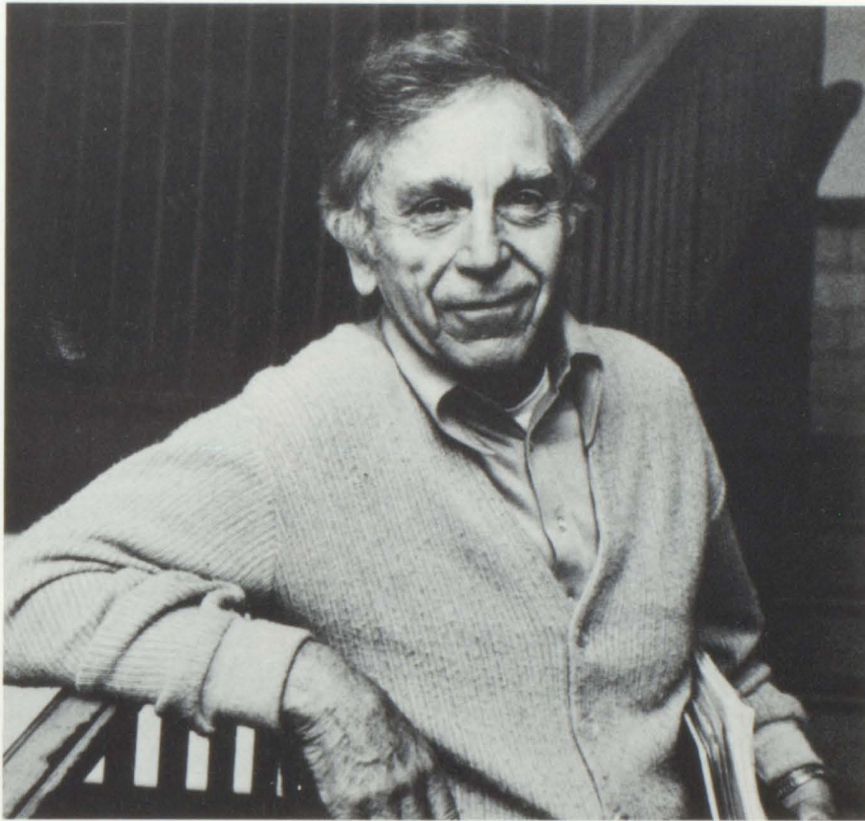

Captains Ron Lasorsa and Mike Glynn

We interrupt this sports section to bring you the following:

The *Maroon and White* is published to try to capture the entire school year on paper, but this indeed is a great task. We have tried to show many of the efforts and accomplishments of the students of Bay Shore High School in this book. But, we are also aware that without the help of the faculty the students would be lost. We would like to extend thanks to the following teachers for their continuous help and support for our efforts throughout our years in Bay Shore High School.

To Dr. Lester Faggiani, we give our greatest appreciation. And to Mr. William Hoffman and Peter Morrison we give the highest honor we can . . . our yearbook dedication.

## APPRECIATION

The efforts of the Advisor of the *Maroon and White*, we feel, are never thoroughly recognized or appreciated. "Doc" has been advisor of this publication for over twenty years now, and the staff knows just how much time, energy, and above all, patience, he has given us. Through all the confusion, setbacks in deadlines, or any other obstacles we have come across, Doc's sense of humor and warm smiles have restored our confidence in getting the job done. We are extremely grateful and deeply appreciate the time, patience and dedication Doc has given the *Maroon and White*, for yet another year.

# DEDICATIONS:

## William Hofmann

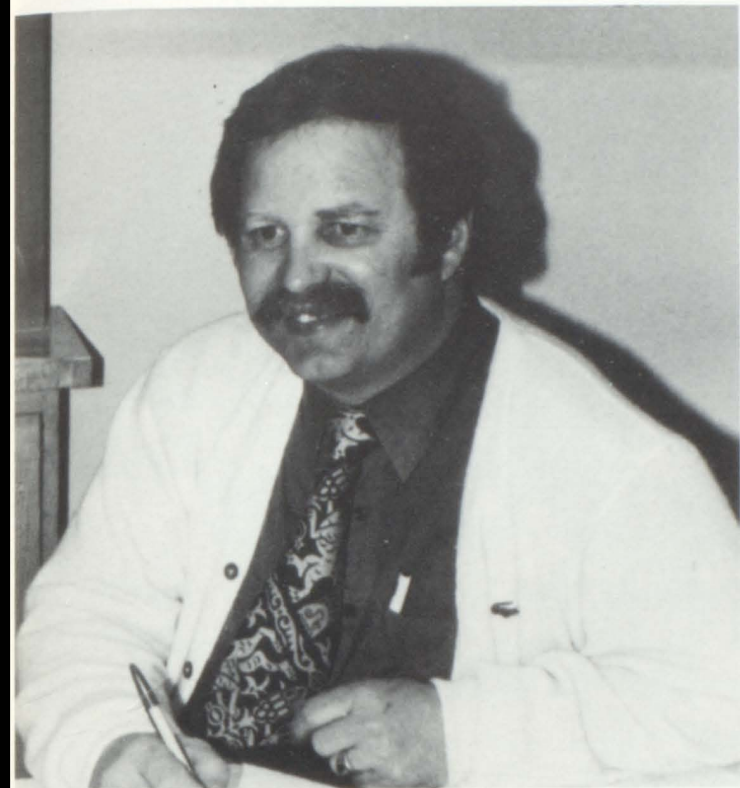

When we, the Class of 1984, came to the high school in 1981, we arrived with an undesirable reputation. We were labeled as "non-conformists," and "do-nothings." However, by our junior year, we began to be recognized by our spirit, enthusiasm, and youthful zest. Moreover, we became recognized as a class with a lot to offer.

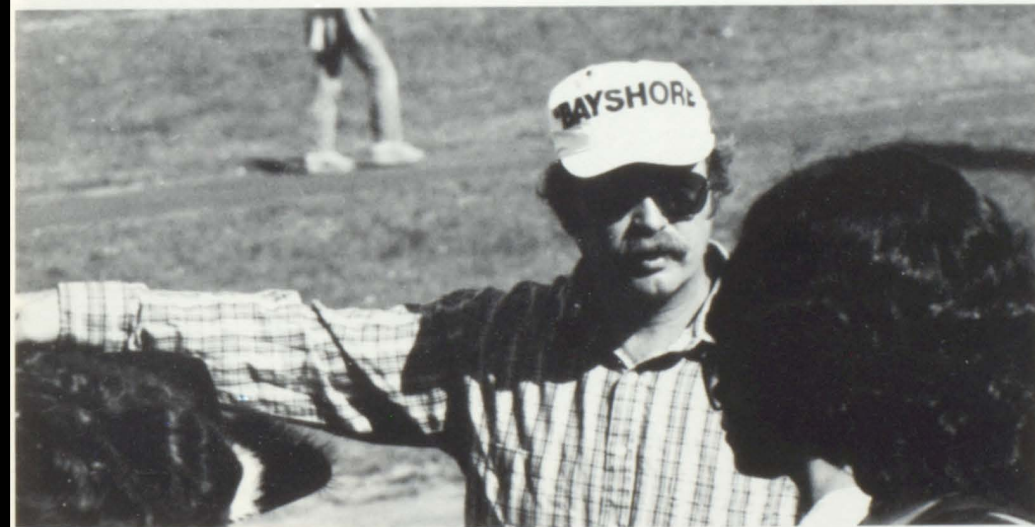

As junior class advisor, Mr. William Hofmann was our mentor, and he gave selflessly to us. He always supported our efforts and welcomed our fresh ideas. Even today, though we are well into our senior year, we are aware of that special unity that Mr. Hofmann helped us form as juniors. We thank him for his faith, trust, and over-all confidence he has had in us. Such a special person deserves our greatest thanks.

# Peter Morrison

For three years, Mr. Peter Morrison has been advisor to the Student Government Organization. During this time the S.G.O. was still a new organization laying down its foundation, and Mr. Morrison was always helpful in trying to organize the many events we, the students, tried to hold. He also dealt with the "red tape" that occasionally obstructed our efforts, and helped us to see the administration's point of view when it seemed as if they were against us. Mr. Morrison clearly supports the students, and we thank him for his dedication to the student body.

The team got back into it again by defeating Hampton Bays, Kings Park and West Babylon. The biggest loss of the season came against Huntington. Both Varsity and JV worked 3 hours a day for 6 days including Sunday in preparation for this match which they were to lose. Starters for JV were Ray O'Hara, Bob Thall, Dan Atkins, Rob McDermott, Spencer Nardone, Vinny Torres, Bill Moran, and Rich Daly. ## Junior Varsity

"V-I-C-T-O-R-Y! victory, victory, that's our cry!" That was the cry of the cheerleaders as they cheered their way through the J.V. basketball season. The cheerleaders were like a little family, and the gym became like a second home to them. Practices were after school almost every day and gradually went down to twice a week. Even though they had sore throats from yelling, and aching muscles; they kept at it consistently. Games were during the week, and usually lasted pretty late; but the cheerleaders were always there whether the team won or lost, they cheered right down to the last second. Cheerleading is a great way to make new friends and most important; to get involved and show support and SPIRIT for your high school.

The boys winter track team was back in shape this year, being undefeated in all of its dual meets. Captains Wayne Brunjes, Bruce Smith, and Keith Butler led the team to numerous individual victories at invationals such as the Dutchman Relays in Schenectady, N.Y.

The team kept up a competitive and winning attitude during the harsh weather, while many meets had to be postponed due to ice on the track. The team held out and met great success, largely due to the effort put in by Long Island's greatest coach, Mr. Steve Borbet. School records were set during the season by Wayne Brunjes (600m) and by Jerry Snover (1600 walk).

Captains: Wayne Brunjes, Keith Butler, Bruce Smith

# Girls

Captains: Michele Vuolo, Michele Billings, Bertha Deming

Aside from completing another undefeated season, the girl's winter track team went on to win the county championships. The team has won the county championships 4 out of the last 7 times it was held. Although the team was champions, there were many individual champs on the team. Senior Michele Billings broke many school and league records as well as being county champion for the 600 meter. Junior Kathy Pitcher finished off a successful season by winning the 1500 and 3000 meter races in the county championships. The team also won the 2 mile relay in the counties with a team of Michele Billings, Kathy Pitcher, Chris Baratta and Debra Johnson, who replaced the injured Michele Vuolo. Much credit is also due to the fine coaching of Mr. Steven Borbet, who pushed the girls to their limits.

Captain Craig Giglio, Mr. Morrison

The Bay Shore bowling team, one of much talent in the high schools athletic department, encountered tough competition this season. Because of the lack of recognition the outstanding achievements of the athletes go unnoticed. For example, Paul Ferraro has an accumulative average of 162, Craig Giglio obtained an average of 195 and Steve Sutton a 170. Other noteworthy contributions came from Michael Souhadra and James Maggiore. Hopefully, next year, new athletes will add spirit and enthusiasm to the already strong bowling team.

# Boys Volleyball

Bottom — (l to r) Jeremy Straughn, Jonathan Bloom, Kenny Schwartz, Captains: Matt Patron, Paul McKeller.  
Missing — Ray Roberts, Scott Einbeinder, Coach Miss Eckman.

Although many students were unaware of boys volleyball, the school did sponsor this year's team. In the team's second semi-official year, their success has been greatly due to the patience and coaching from Miss Eckman. The team's overall record was 5 wins and 1 loss. They placed second in their first tournament play. Leading the team were captains Paul McKeller and Matt "Spike" Patron. The team's practices were irregular because there was much conflict over attaining gym space. In the beginning of the season they could have the gym for only one hour after school, which greatly limited the potential the team had. With boys volleyball now officially on the roster, it is very likely that in the future we will see more champions in Bay Shore athletics. Fine performances were brought in by Seniors Jeremy Straughn, Jonathan Bloom and Kenny Schwartz.

# ORGANIZATIONS

# Student Government Organization

<i>OFFICERS:</i>	President	David Kang
	1st Vice President	John Frazier
	2nd Vice President	James Chalifoux
	3rd Vice President	George Dewey

As usual, the Student Government Organization completed another year full of activities, under the super direction of Mr. Peter Morrison, and the leadership of David Kang, John Frazier, Jimmy Chalifoux, and George Dewey.

The S.G.O. started off an active year beginning with Homecoming in early October. With the help of the Activities Committee, they made sure the Bay Shore community as well as BS schools were a part of this day. They were very successful in helping to make this a fun, spirited event.

The Annual Food Drive, held one month later, proved to be just as successful. As a result, the needy of the community were provided with food for Thanksgiving. This is yet another example of the care and concern the students of Bay Shore High feel towards their neighbors. The Blood Drive to be held this spring is still another example; students donated blood to the Long Island Blood Services.

Many students felt a need to take part in the movement to reopen the Fire Island Lighthouse, so therefore, the S.G.O. helped the Fire Island Lighthouse Preservation Society in distributing propaganda, such as bumper stickers, to support this purpose.

The S.G.O. is a vital, integral part of Bay Shore High. It's an organization for all students to be involved with. The S.G.O. makes things happen. Let's all look forward to future years filled with activity, and excitement, sponsored by the S.G.O.

Heaven's Angels is a unique organization which performs many vital services for the school and community. The Angel members are involved in a wide range of activities. They contribute much time and effort in helping senior citizens in Bay Shore. They also work with handicapped students by organizing playdays and a Special Olympics.

In the year '80-81, this dedicated group was largely responsible in our winning Newsday High School of the Year Award, and since then, it has continued its excellent work by donating money to charity, helping patients at the Burwood Home for the Blind every month, and running Bingo games for charitable enterprises.

The math club is an organization comprised of students who have a special interest in math and would like to improve their abilities in problem solving. Contrary to what most people believe, the math club is not just for the math "experts" of the school. Your level of proficiency in the subject does not restrict you from becoming a member of the team or prevent you from doing well on it.

The math club, under the direction of Mr. Cohen, competes in four leagues: the Suffolk County Math League, the New York State Math League, the Atlantic-Pacific League, and the Continental or A.P. Calculus Math League. The Suffolk County Math League provides students with an opportunity to compare themselves with students in other schools while under a pressure-producing time limit. The Continental League is only for those enrolled in the A.P. Calculus course.

Each of the associations in which the club competes holds contests every month. In addition, the group meets regularly after school to discuss difficult questions from previous competitions. This activity is important because it provides the members with a better understanding of the questions and their solutions and helps them build their problem-solving skills so that they can improve their performance in the meets.

Although the math club will lose several valuable seniors next year, the outlook for the team is still promising with the possible recruitment of new members and continued efforts of strong juniors and sophomores from this year's team.

# STUDENT GOVERNMENT ORGANIZATION ACTIVITIES COMMITTEE

Members: Karin Berger, Moira Brophy, Lisa Domingo, Monica Eckrich, Denise Gibson, Carolyn Hutcheson, Joseph Jerome, Vicky Mahoney, Darlene Murray, SooMee Pak, Beth Powers, Barbara Rigney, Karen Wahlberg.

Co-Chairpersons: Monica Eckrich and Soo Mee Pak

The Student Government Organization Activities Committee consists of students from all grades who help organize events for the entire student body. One of their most successful activities is Homecoming, which consists of Spirit Week, the Homecoming Dance, the Homecoming Parade, a Hot Chocolate Hour, and the Half-time Activities.

The Committee prides itself on not just serving the school, but also the community. They hold the Annual Food Drive for the Hospitality Center at St. Patrick's Church and a Blood Drive for the Long Island Blood Services.

This year the Committee was headed by two chairpersons, Monica Eckrich and Soo Mee Pak. They received a great deal of help from Mr. Peter Morrison, advisor of the SGO, and Mr. Michael Mahoney, Director of Student Activities.

The efforts of the committee members often end in very successful, worthwhile activities that involve the whole school and often the whole community. The committee hopes that by holding such events, they can create more pride, spirit, and unity among the students of Bay Shore High School.

# NATIONAL HONOR SOCIETY

## FALL INDUCTEES

The Bay Shore chapter of the National Honor Society had an active 1983-1984 schedule under the direction of Mr. Michael Friedman. Consisting of approximately forty to fifty members, the society held informative meetings concerning the completion of college applications, filing for financial aid, and planning an out-of-state society function.

Society members were kept busy in a number of ways, one of which was to visit with mentally handicapped children. Most members felt it to be a self-rewarding experience, to say the least. As a fund-raiser, members had fun selling 25¢ Charms lollipops to anyone who would look their way.

The society held its annual tea the day before Christmas vacation began, with invitations being sent to every 1982-1983 Honor Society member. Current members, as a result, learned much of college life that cannot be found in brochures while enjoying the company of past members. Current members can only wait until they're invited back next year.

B.S.O.S.S. — Brothers and Sisters Organization for School Scholarships, had quite an active year. It seemed wherever one turned this year, B.S.O.S.S. had something stirring. One could see it's dedicated members selling items such as bagels and popcorn at every football and basketball game, with all the proceeds going to their highly praised scholarship fund.

At or around the time of Thanksgiving, B.S.O.S.S. selflessly collects toys, clothes, and food from the community to give to a needy family in the Bay Shore area. No money is made from this as it is simply an act of giving with the needy in mind.

B.S.O.S.S. is an organization that gives at least one thousand dollars in scholarships from its treasury to the most worthy senior class member for college expenses. This honorable award is usually given to one of this organization's officers, although this need not be.

One trouble B.S.O.S.S. will continue to overcome in future years is its stereotype of being an all-black organization, which is a completely false idea. Though a larger portion of this year's group was black, B.S.O.S.S. had a considerable number of non-black members, a number hoped to increase next year, and therefore diminish the stereotype once and for all.

The high school orchestra is an important element of the Bay Shore Music Program and contributes tremendously to its phenomenal success. Under the direction of Mr. Reynard Burns this talented group of musicians has given excellent performances throughout the year in the winter, spring, and pops concerts. In addition, its members have represented our community by participating in invitational festivals in other areas. This past May the orchestra ventured to Rhode Island to attend one such adjudication. The group skillfully presented a diverse and difficult repertoire of pieces to a panel of evaluative judges. The variety of the musical selections and the talent with which they were executed made for an interesting and enjoyable listening experience. The event was important not only because it marked a special achievement for the orchestra members but also for the reason that it illustrated how a successful product could be created through hard work and dedication.

Industriousness was a trait exhibited by these students throughout the year. Whether they were preparing for a concert or mastering a selection for another activity the group worked with tremendous diligence and devotion.

# JAZZ BAND

The Bay Shore High School Jazz Ensemble is composed of a talented group of musicians who enjoy expressing the distinct American art form known as jazz. Under the direction of Mr. Ted Scalzo, the Ensemble presented a number of highly successful and exciting shows throughout the year. There were several public appearances made, including one at the Gardiner Manor Mall and another at the South Shore Mall. The Ensemble also gave a fantastic shows at the Annual Pops Concert and the Music Sponsor's Dinner at LaGrange Inn on March 1. In addition, several touring ventures were an important part of the student musicians' activities including a trip to Rhode Island.

The one event which perhaps best demonstrated the talents of the Jazz Ensemble was the Annual Jazz Concert given at the junior high on March 10. The group was joined by the renowned "International Art of Jazz."

The polished productions of this group result from much hard work. It is only through the combination of talent, diligence, and dedication, that the members can maintain their status as top musicians.

This past fall a small group of students formed a Bay Shore Chapter of the nation-wide organization S.A.D.D. (Students Against Driving Drunk). This group of concerned students have set out to take action in the prevention of driving while intoxicated. The organization's objection is to bring awareness to the students of Bay Shore High School.

These efforts have resulted in an attitude of concern among the students as well as the community. This first endeavor was the S.A.D.D. rally at which various speakers shared their experiences dealing with the deadly mixture of driving and drinking.

The Safe-Ride was also developed to provide safe rides home from the 1983 Prom for students who were unable to drive themselves.

This is directed by Mr. Peter Morrison and has begun in a fight against D.W.I.

# AMBULANCE SQUAD

The members of the Bay Shore-Brightwaters Rescue Ambulance Student program comprise a group of dedicated individuals who provide an invaluable service to the communities of Bay Shore and Brightwaters. The students are fully trained and capable of handling all emergency situations, from sprained ankles to cardiac arrests. The student program is the only one of its kind in the country to rely on high school students to provide emergency medical care to the people of their communities. This group of individuals was a major factor in helping Bay Shore become Newsday's High School of the Year in 1981.

The high school's Marauder Marching Band is comprised of fine musicians and a highly skilled color guard unit including rifles and flags. These two groups combine their talents to produce a spectacular and exciting marching and music exhibition which is performed during halftime of the home football games and in a series of competitions held on Long Island, in other parts of the state, and in New Jersey and Connecticut. In addition, the band contributes to the Homecoming festivities and other community activities such as the Memorial Day parade.

During this past marching season the marching Marauders not only maintained its status as one of the best bands in the area, but also managed to surpass its previous outstanding accomplishments. Under the leadership of directors Mr. Donald Persia and Mr. George Brenhan, drum instructor Mr. Dave Long, and color guard instructors Mr. John Guzas and Ms. Rose Catana, the group competed with a high level of proficiency and skill. As a result, they captured top honors in various categories at every contest attended.

In the L.I. Championships at Mineola the band was granted the one wish that every member had made when the hard work began at summer band camp. The group won best band in their division and also earned the title of Long Island's best band by obtaining the highest score. The marching Marauders' victory was a crucial one since it qualified them to compete with other Division III bands in the T.O.B. East Coast Championships at Langhorne, Pa. Although the group did not do as well as they had hoped to, their spirit could not be discouraged. There would be one more shot at the top in E.M.B.A. Championships. On that special night the band reached its peak. Everything came together as it never had before. In the end all the hard work and practice paid off as the marching Marauders placed second on the East Coast and earned an all time high score of 85.6. It was undeniably a fantastic finish for a fantastic season!

Under the fine direction of Dr. F. former staff members of the *Maroon and White* have always produced yearbooks of high quality. Naturally, we wanted to continue in that tradition. Even before we began, we knew we wanted to create a book that would have something in it for everyone. Moreover, we felt that we should attempt to produce a book that was unique, innovative, and memorable for all.

Therefore, we decided the best way to support that belief was to ask seniors to submit a few lines about anything they wished. We thought the responses would be fun for all to read, and a nice way to say "Goodbye" to BSHS. We hope you'll agree with our staff that the extra scurrying was worth it! We followed a similar idea for the faculty section. We are very grateful to those seniors and faculty members who responded.

Finally, we would like to extend our warmest and sincerest thanks to "Doc" and our dedicated staff members. Producing this yearbook demanded countless hours of work from every individual involved, and our staff, working together, made this book possible. Again, many thanks!

We would also like to wish the entire Class of '84 the best of luck in their future endeavors, and to all, a happy reading of this book!

# maroon echo

Editors-in-Chief Kim Hancock, Melanie Sheptin, Karin Berger.

The *Maroon Echo*, Bay Shore High's top-notch newspaper, has consistently served as an informative news source for students, faculty, as well as the rest of our community. In addition to reporting exciting school happenings, the Echo covers political events, popular nationwide concerns, as well as the latest fads in entertainment.

In recent years, the *Maroon Echo* has acquired special recognition for its distinguished achievements. This year, as always, the hard-working Echo staff continued the tradition of excellence by giving us high quality news reporting. From information on over 85% attendance policy, to the ideas of S.A.D.D., the relighting of the Fire Island Lighthouse, Bay Shore students have had the pleasure of getting all the facts from an all around quality publication.

Yet, news wasn't all our paper consisted of. Anyone interested in movies found reviews for such films as "Terms of Endearment" and "Uncommon Valor" very informative. Interested in music? Our paper had reviews on every kind of music from The Fixx to Waysted, satisfying everyone's musical taste.

The *Maroon Echo* is clearly a first rate paper we can all be proud of.

SENIOR CLASS  
FASHION SHOW  
CHINESE AUCTION

# FASHION SHOW

The Class of '84 put on the annual Senior Fashion Show and Chinese Auction on Dec. 15. The event was successfully organized by Fashion Show Chairpersons Jennifer DePasquale, Soo Mee Pak, and Matt Patron, and Auction Chairpersons Patty Chessman, Lisa Domingo, and Kathy Dopsovic. Valuable efforts were also put in by Class Advisor Mr. David Jones and the senior class officers. The cooperation of the largest number of seniors to ever take part in the show was even more important, however.

The evening began with The Chinese Auction, allowing those who wished to buy chances for gifts which were donated by local merchants. The gifts included a bottle of wine, records, free ice cream, dinner certificates, and many similar items.

Fashion Show announcer and Senior Class President Joe Jerome then took the stage and the show began. The first half produced some unexpected surprises, the first of these being the "Baby Boom" skit. It featured some of Bay Shore's younger crowd accompanied by "Santa" and "his elves." In the skit, the children walked the stage, modeling Baby Boom's best.

In another skit, Seniors Soo Mee Pak and Monica Eckrich did a well performed routine to the tune of "Tea For Two," while modeling some R.S.V.P. Men's Formal Wear.

The finale of the first half was called the "Prom Showcase." Though similar to the "Bridal Party" skit, it was original in its own way, for it featured five senior couples modeling gowns and tuxedos.

The second half of the show also had its share of pleasant surprises. It began with a skit called "Fashion Through the Century," planned and entirely produced by Carmela Corvato. In it were fashions modeled from the Roaring '20s to the 80s.

The grand finale, "The Bridal Party," featured fashions from the Bridal Suite in Bay Shore, with Stephan Kamrass and Dawn Wernick as bride and groom.

The exciting atmosphere of the night was culminated by a curtain call. All of the seniors entered the stage to the tune of "We Go Together." Reaction to the show was enthusiastic, as the seniors worked as a team, becoming a family for the first time in a long time. The success of the night proved it.

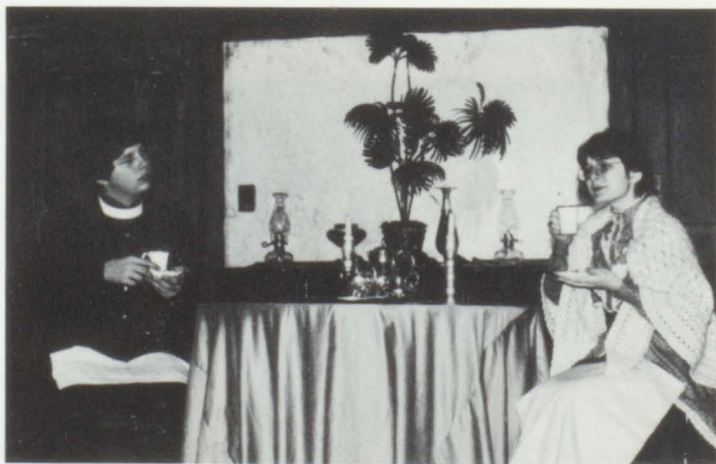

# ARSENIC AND OLD LACE

For their performance of the school year, the high school's Drama Club presented an excellent production of the comedy "Arsenic and Old Lace." The hilarious plot centers around a very unconventional family, the Brewsters, living in Brooklyn during the late forties. Abby and Martha Brewster (played by Lynn Clark and Natalie Steinhauer respectively) are a pair of seemingly harmless old ladies who engage themselves in the rather unusual activity of poisoning gentlemen boarders and burying them in their basement. These two members of the clan proceed to cause much mayhem and mishap with the practice of this morbid hobby. The Brewster family also includes other unique characters whose eccentricities further enhance the humorous tone of the story.

There was a tremendous display of talent in the production as every cast member portrayed his character with a great deal of true-to-life emotion. These outstanding performances when combined with the fantastic work done by the backstage and lighting crews, and the expert coaching of director Mr. D'Antoni effected a great success for the Drama Club.

# BATTLE OF THE CLASSES

Battle of the Classes, as always, is designed to bring the 9th through 12th grade classes together on a fun night. A positive attitude not only strengthened ties within and between the classes, but provided an atmosphere of excitement for the spectators as well.

The events were chosen by the Junior Class Student Council. Opening the evening was an action-packed game of volleyball, one which the juniors took as their own. Yet although the juniors were able to defeat competing student teams, they proved to be no match for the faculty team.

Next up was the obstacle course and the sophomore class cheerfully won this event. The third event was the superman clothes change, this event won by the freshmen. The participants were required to run down to a refrigerator box, put on clothes, run to the back to take them off to allow their teammate to dress.

Following this event was an original, titled the "flipper race," won by the sophomores. Leap frog and tug of war followed, won by the freshmen and seniors, respectively. The money raised from this fun-filled, spirited night went into the Junior Class Treasury, and will help pay for our Spring Prom.

The Bay Shore High School Mock Trial Team, run through the law seminar class, by Mr. Fuch's, has become comparable to an athletic sport. In order to reach success, the team members need the same dedication and hard working attitude as athletes. Each member must work each day after school to prepare for competition at trial meets against various schools across Long Island.

In past years, this team has been very successful and has shown continuous ability and professionalism in competition. This year's team has followed in it's great reputation as a result of team-work and great talent.

# THANKSGIVING FOOD DRIVE 1983

Seniors Donald Dahill, David Baxter, and Brendan Mattimore with a trunkful of food they collected.

This year, as it has been customary, students at Bay Shore High demonstrated true holiday spirit by running a food drive to help the needy families of the community. Students brought in non-perishable items such as canned goods. The food collected was donated to the St. Patrick's Hospitality Center.

This special activity was conducted for one week prior to Thanksgiving and was organized in the form of a contest. The three classes competed against each other to see which one could bring the most amount of food. The winner would be awarded a free volleyball night.

This campaign to aid the less fortunate residents of our town was highly successful. When it was over hundreds of items had been collected. As for the results of the contest — the seniors merged victorious, largely due to the special efforts exerted by Brendan Mattimore, Donald Dahill, and Dave Baxter.

SGO officers Dave Kang and Jim Chalifoux congratulating the seniors on their most worthwhile efforts.

# SENIOR CLASS OF 1984

We were young and wild.  
The Authority grew accustomed to our young antics  
But we grew and matured as they watched and guided us.  
We began to unite and work together.  
Things got accomplished — Good Things!  
Successful activities and community service projects resulted.

The glory that is ours, the success, the  
joy and the closeness that resulted from  
these activities is attributed  
to each class member that participated  
in and supported our activities.
