

Arts & Leisure Day of the Trip:

- Park your car on the far side (eastern parking area) of the Library parking lot. This is where the bus will discharge passengers at the conclusion of the day. Carpooling is encouraged due to the limited number of parking spaces at the Library.
- **Check in with a Library representative** in the Library building before boarding the bus. Library doors will open 30 minutes prior to the scheduled departure time.
- Please note that there are no assigned or reserved seats on Library trips. Our custom is to take the **same seat** for the entire day.
- Smoking is prohibited on all buses. We ask that you be considerate to us all in disposing of any debris you may have properly.
- **Please be on time for the trips.** The bus cannot wait for latecomers as we leave from the library or return from an outing.
- Because Arts & Leisure members have always been such very nice people, we have experienced very few difficulties over the years.
- We urge you all to be patient and calm and to give and expect simple courtesy. This will ensure a pleasant day and will contribute to the comfort of all.
