# Class of 1958 Presents

**BAY SHORE HIGH SCHOOL**

**BAY SHORE, LONG ISLAND, NEW YORK**

THELMA L. PARKER

Although you no longer grace the halls of Bay Shore High School, you remain, and will always remain, our special Queen of Hearts. We thank you for greeting us as we entered seventh grade, where from the very beginning, you gave unselfishly of yourself in our behalf; for encouraging us on our way; for imparting to us your flair for dramatics—but most of all, we thank you for being you.

ELISHA DARSON

The cheers of the wildly enthusiastic basketball fans have died away, but your image is still with us. Coach "Iggy," our King of Hearts, we extend our hand in friendship and gratitude to you. Your smile and exuberant personality have made bright our pleasures and light our chores. We thank you for your enthusiasm, your tutelage, and the remembrance of your "gay savoir-faire" at the season's big games. We thank you for many things, but most of all we thank you for being friendly and fair and showing us how to play the game.

The days of youth are fleeting, and their very rareness renders them sweeter still. They are the time of gladness, of joy—the season of awakening and ever new discoveries—the period of brimming life and idle pleasures.

In later years may our thoughts return to the familiar haunts of our youth. May we remember fondly the gaiety and the seriousness of our school life. Those days we lived and loved to the fullest will be gone then, but the memories will remain, pressed within the pages of this book.

## In Memoriam

### MARC HELFGOT

We the class of 1958 shall always remember Marc, the happy little fellow with the smile that crinkled up his eyes and drew his mouth in a wide grin; Marc, with the barbs of French expression in his talk, and the humorous little signs and gadgets.

His spirits and soul were good and genuine.

### JANET SWANSON

As we the class of 1958 leave the familiar halls of Bay Shore High, the memory of Janet is with us, brighter now than ever before. The image of her sunny figure, her cheerful voice and her courageous ways lives on in our hearts. Although her stay with us was brief, we can draw comfort and inspiration from the fact that we were her friends.

The Class of 1958 also wishes to express  
our deep sense of loss at the death of

ROBERT LOUIS STEVENSON

Put a backstage frontstage and what do you have? The 1957 Variety Show, of course! Amid a hustle and bustle of dancers rehearsing, singers warming up, and crews moving scenery, student director Kent Barwick, stage manager Chet Car-

lin, script girl Sheila Abrams, and faculty advisor Lester Faggiani presented a colossal show with fun for both audience and cast. How true are the words of the finale song—"There's no business like show business" (for one night, at least).

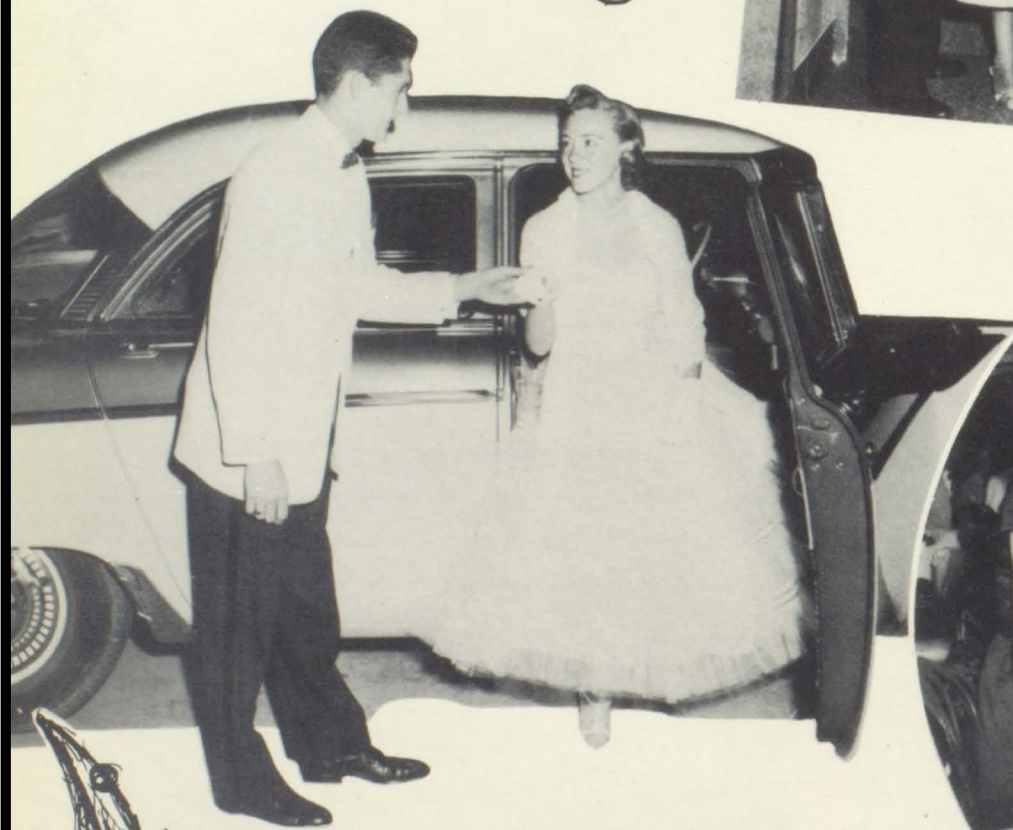

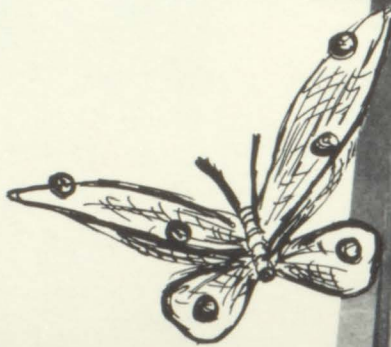

# VARIETY SHOW

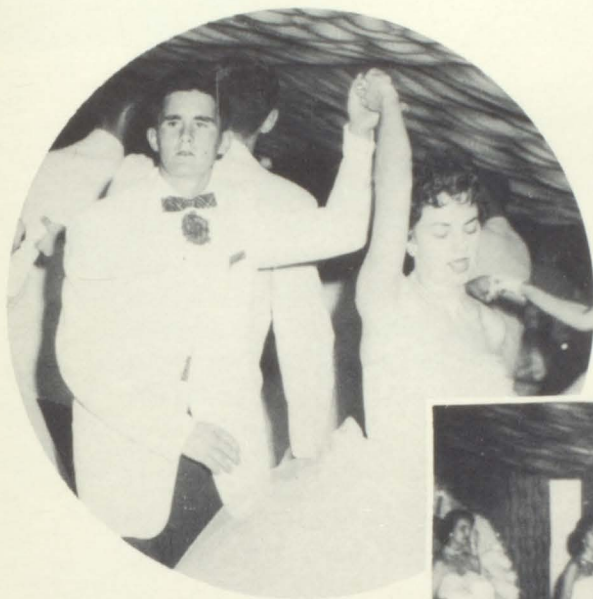

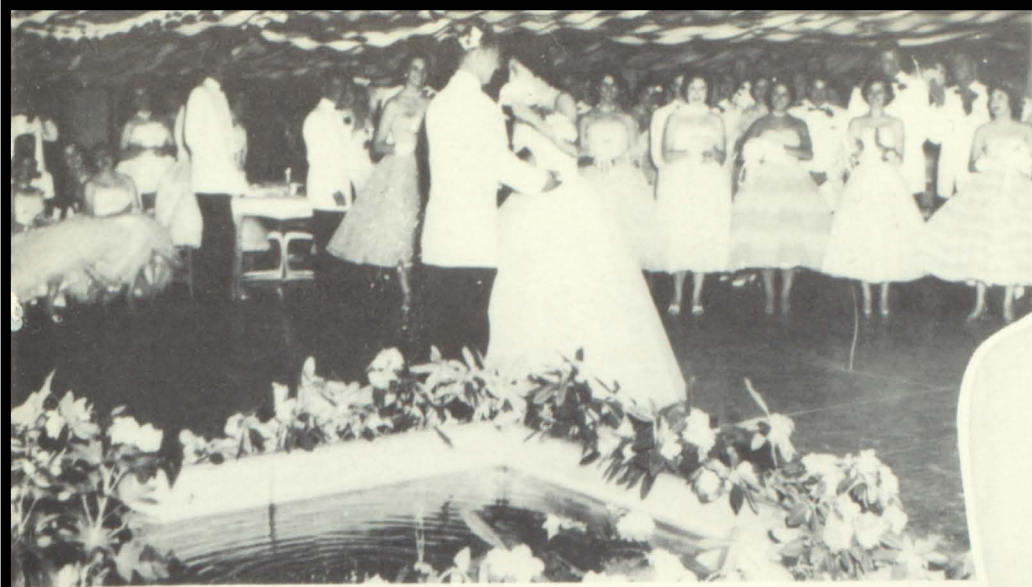

*What a myriad of memories the Class of 1958 has to look back upon! The Variety Show, the Play, the Junior Prom—all these and many more.*

# TROPICAL PARADISE

Whispering palms . . . sparkling fountains  
 . . . exotic orchids . . . towering seashells  
 . . . and how many miles of crepe paper?

The lights dim; the audience hushes; the curtain rises. The night of the Senior Play has arrived!

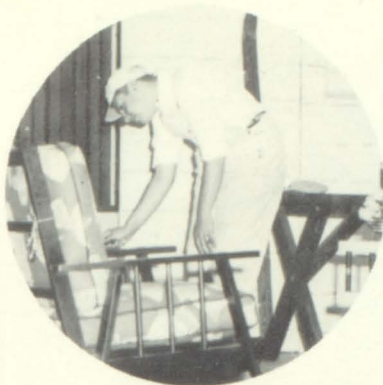

The cast was "ready," the stage crew was "willing," and the direction was "able," so when this year's presentation was "laid on the table" it was a tremendous success. *Kiss and Tell* was one of the best received plays that Bay Shore High has seen in a long while. Perhaps this was due to the fine acting of Joan Cummings and Stanley Maxwell (and all the other members of the cast)—or perhaps it was because of the expert handling of the play by Mr. Gould and the capable help of the student director Ginny Allen. Then too, the set was really a superior one. The combination of all these factors and others too numerous to mention made the Senior Play a truly marvelous one.

# KISS AND TELL

Was you ever a house painter?

I wish to heck she could outrun him.

Dexter!

Well!

I think it's dumb.

... Quite a lad.

Isn't it terrific.

Holy Cow.

## SENIOR CARD PARTY AND FASHION SHOW

With gaily colored pennants and huge chrysanthemums, the Class of '58 set the scene for a most enjoyable College Week-end. The evening was full of surprises, not only at the bridge tables, but also on

the stage, for the lovely models introduced that most controversial fashion — the CHEMISE! Our thanks go to Linda Rowland and Jean Hansen, co-chairmen, for making this night such a pleasant one.

## SPAGETTI DINNER

In the spring the boys took over, as Pete Casale and Tony Guccione assumed the positions of co-chairmen of the Annual Spaghetti Dinner. Handsome waiters and charming waitresses served heaping platters of real Italian spaghetti to hungry

patrons. The entertainment provided by Betty Christopher and Nancy Manger combined with attractively decorated surroundings to make a perfect evening for the seniors and their friends.

# MAROON AND WHITE

*Faggiani*

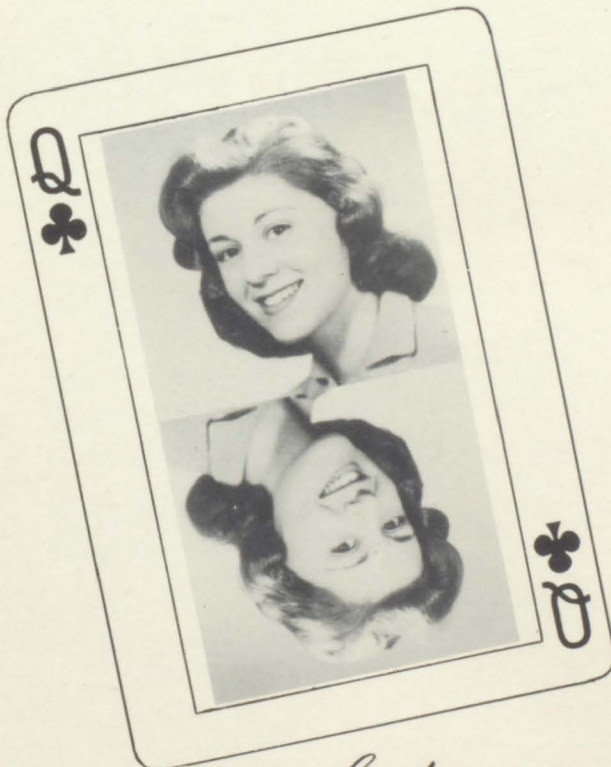

"How's the yearbook coming?"

"Fine, but it's going to be different!"

All year long this question and answer could be heard in the halls wherever we went. Now the job is finished, the hours of work are behind us, and we may hand the book to you with a question of our own—"How do you like it?"

It is true that this year our MAROON AND WHITE is "different". To begin with, it is larger than in previous years. Also, things keep popping up in pairs for we have two dedicatees and two editors. Then too, it was a year of firsts—the first year for Mr. Faggiani and the first year for off-set printing. It has been an adventure for us and for all the members of the staff. We have made many mistakes, but we have also gained experience. We have spent much time, energy, brainpower, and gas (to and from Bethpage), but we have enjoyed every minute of it. This yearbook will be your record of your days at Bay Shore High School.

We hope you like it.

UNDERCLASSEMEN

When the students of Bay Shore High returned to school last September, they found the well-known building looming up as usual on the familiar corner of Third Avenue. And yet, something was different about the old school. The frenzied activity of teenagers, buses, and autos which marked the beginning of the day began an hour earlier than usual. There were familiar faces missing from the faculty and new ones added. The homerooms seemed to be rather mixed up. It was nearly impossible to find teachers in their unaccustomed rooms. But, strangest of all, the halls were not as crowded as they once were, and the entire student body attended the first assembly program.

Bay Shore has grown at a remarkable rate during the past decade. Thanks to the far-seeing citizens of previous days our High School has been able to accommodate the youth of our town. However, last year it became necessary to take the step of turning the High into a four year school instead of the six year it had always been. Now the Third Avenue building houses only freshmen, sophomores, juniors, and seniors, while the seventh and eighth graders attend a spanking new Junior High School.

In order to facilitate the bus schedule another innovation was made at Bay Shore High. This was the early, early class and meant that school began at eight o'clock in the morning and was dismissed at two-fifteen. Surprisingly, this system worked very well, for the students were delighted with their longer afternoons. It is hoped that this practice will continue in the future.

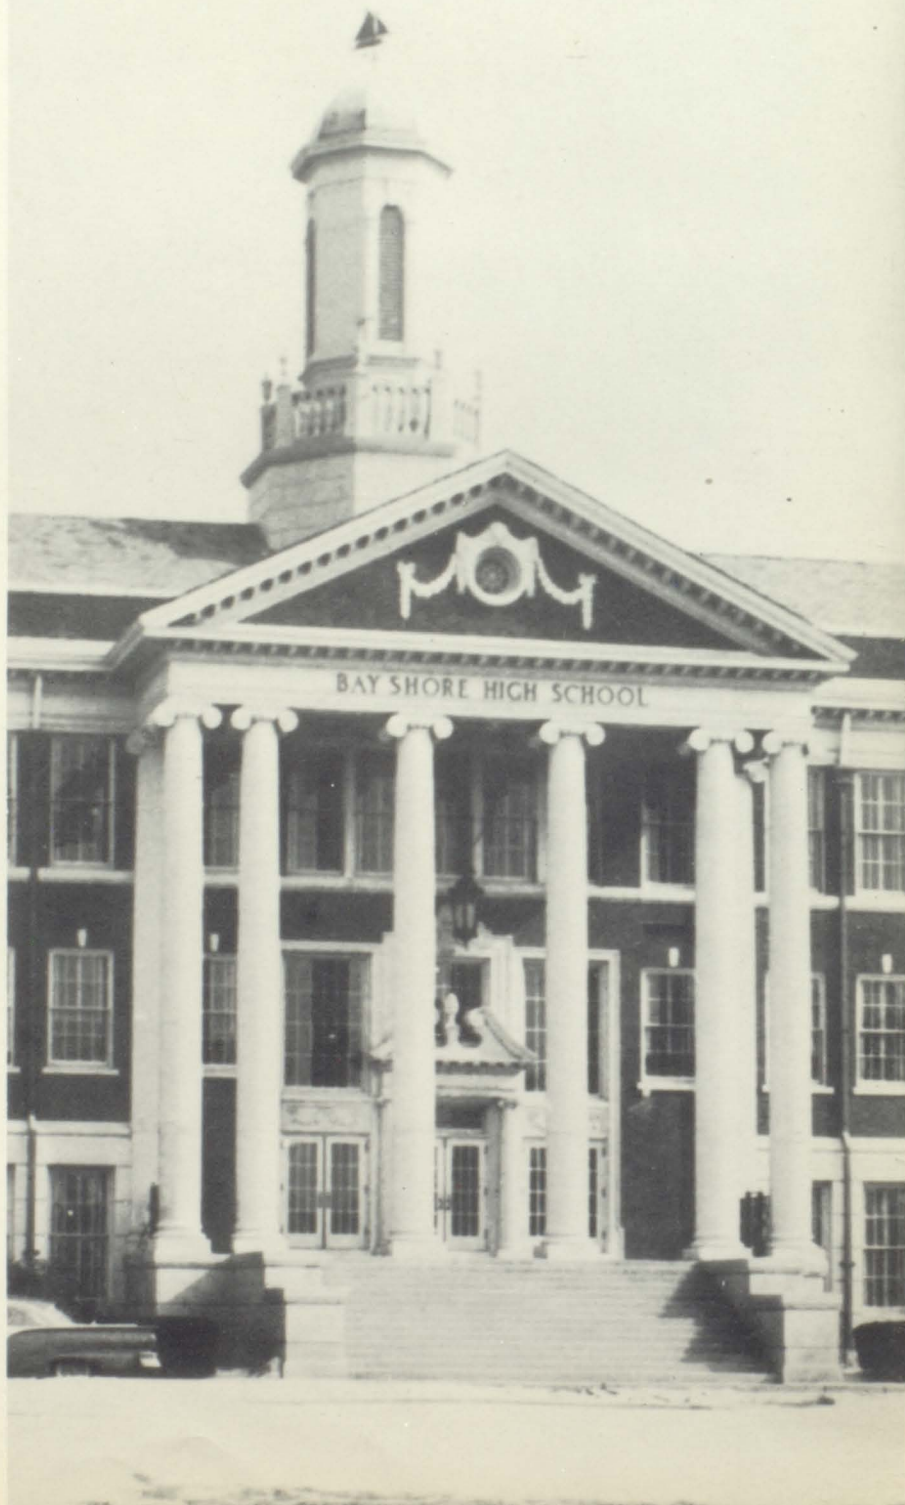

Although the school and the student body are constantly changing, one thing always remains the same. That is the spirit of the classes, for—

By careful *spade* work we pull through the problems that beset us.

Our *hearts* add the zest which makes the effort worthwhile.

The *clubs* fill the needs for social contacts with those whose interests are like ours.

And as the beauty of a *diamond* is derived from its many facets, we hope our efforts will combine to win the game.

## *The Jack of Hearts—He stole some tarts.*

*The King with the axe, the one-eyed Jacks, and the Queen with the wilted lily* can be wild cards in a poker hand, but this Sophomore Class won't need to depend on them to win their game. They hold all the winning cards. This class picked up the chips in the first hand with their Smorgasbord Dinner.

Under the direction and leadership of their faculty advisor, Miss Louise Minnis, the creative talents of these gay young sophomores will come to light and it

won't be hard for them to deal out the jobs as the game progresses.

When in 1960 the chips are down and they rake in the biggest pot of all, they will hold the highest hand.

The Senior Class of this year would like to wish the class of 1960 the best of luck. We have enjoyed every minute of the game we have played together.

## THE FRESHMAN CLASS

A new hand in the game of cards moves slowly, cautiously, and tries to pick up as many helpful tricks as possible. Such is the case with the Freshman Class of 1961.

In previous years the school had been divided into two decks: the Junior High and the Senior High. Now the Junior High has left and the freshman have joined forces with their upperclassmen.

Never before have they had class officers to guide them, and show them the ins and outs of the play. The

"Ace" (Mr. Harbeck, their faculty advisor) and his "Jokers" (freshmen) have decided to hold two elections for class officers; once in September and again in February. They feel that this will give them better planned activities.

As the cards continue to be dealt, the freshman will look back with fond memories to their Freshman Dance, and their Christmas Toy Drive for the mentally ill.

We, the "leading hand" of '58, wish you all luck, and success, in your future dealings.

# THE GENERAL ORGANIZATION

The General Organization, the ruling hand in our game of cards, holds a "full house" as under its jurisdiction are all the clubs and classes of Bay Shore High School.

This year a new and strong round was dealt. The G.O. constitution was revised to provide a more effective student government. For the first time, the G.O. has a means of enforcing its regulations, with the power to suspend any organization which violates a G.O. law.

Nor has the G. O. confined its activity to legislature. With a Pep Rally and Motorcade before the first football game and a post basketball game dance, it has done much to promote school spirit.

Under the guidance of Mrs. Dicker, its new faculty advisor, and competent and creative officers, the G.O. is taking large strides toward attaining the power and prestige it rightfully deserves.

The "girls in white" can usually be seen hurrying to and from gym classes, intramurals, playdays, or other tournaments, for they are the "Hundred Honors" in the girls' physical education program. Members of the club are chosen for their qualities of scholarship and leadership, as well as for athletic ability. There are no dummy hands for a Leader, especially in the spring, for that is Sport Night season. Each March the Leaders Club sponsors this ambitious program in which every girl in the upper classes of Bay Shore High may participate.

*You are the card of service and fair play... A trump in every hand and a leader on the field.*

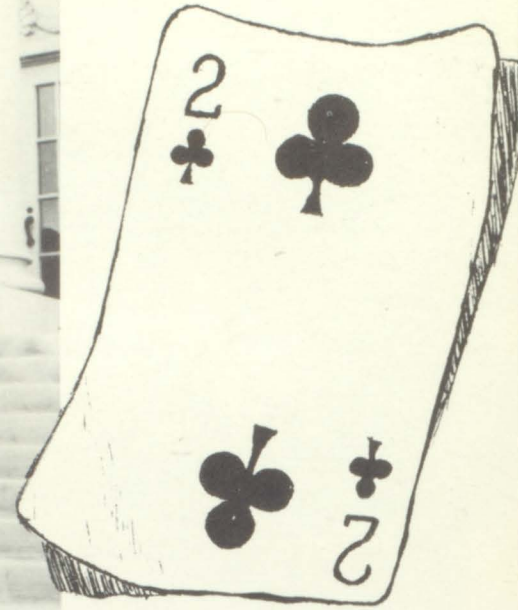

The "Easy Aces" who are members of Varsity Club are the representatives of Bay Shore High's victories on the sports fields. These boys are not only our outstanding athletes, but, as shown by the Club's policy of service, they are also most valuable school citizens. Each year the Varsity Club makes generous contributions to the Student Aid Fund and to the Athletes' Fund. Another example of their willingness to help is the indispensable Information Desk.

The creative members of the Dramatic Club delight in surprising us with unusual entertainment of the highest quality. Once a year they team up with Louise Minnis, faculty advisor, to produce a play that is unique. Each season heralds another exciting attempt at presenting superior dramatic achievement to our school.

Oscar Wilde's "The Importance of Being Earnest" was their contribution this winter. The players adopted intriguing British accents and charming period costumes to make the presentation a memorable one indeed. The setting of Victorian England provided an excellent backdrop for the talents of a fine cast.

"We are the Phi D. girls!" proudly sing these happy windblown misses! It was a most eventful year for the Phi Delta Sigma Sorority. At the initiation in October, the girls welcomed new members plus new faculty advisors. Mrs. Simpson and Mrs. Rehm have assumed the position vacated by Miss Ippolito. The entire Sorority worked on their Thanksgiving project, a food basket for a needy family. The girls added to the Yule tide festivities with the Christmas

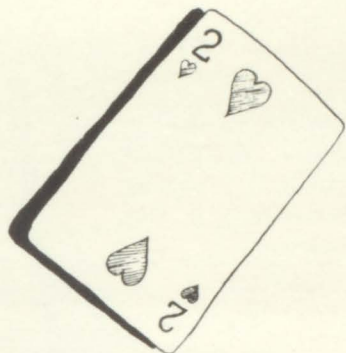

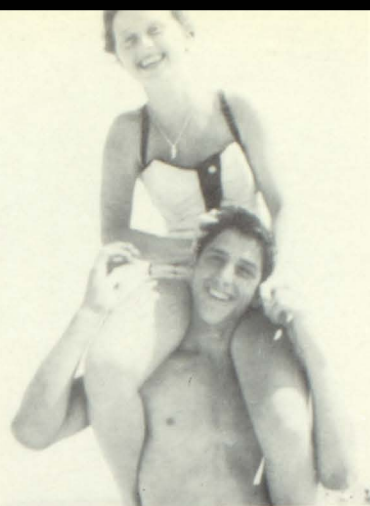

Toy Fixing at Santa's (Maria, that is!) Barn. An occasion to remember for the gals and their dates was the Moonlight Cruise on the Bay. And such excitement over the arrival of the kilts, ordered by each Phi D! Then too, the girls enjoyed the traditional round of slumber parties, picnics, and get-togethers. A wonderful finale to a wonderful year was the annual Spring Dance.

*You are the card of friendship . . . never to be discarded.*

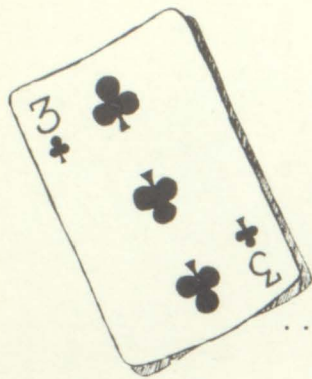

## DELTA DELTA

"Put on your old gray bonnet with the Delta Delta on it and we'll all have a barrel of fun . . ." The Delta Delta Sorority girls are experts at the game of Having Fun! They know how to play their cards right, and by mixing work with play they get a wonderful time. The D.D.'s prove this with their many cake sales, their Thanksgiving food basket, their part in the Duo-Delta Christmas Dance, Yule baskets, Easter toys, slumber parties, picnics, and those exciting initiations. Their faculty advisors, Miss Hall and Miss Franchi, guide the girls in these varied activities. The tally of this hectic schedule is shown in the smiles of the Delta Delta girls!

## MAROON ECHO

LETTER <sup>From</sup> THE EDITOR ?

I You shuffle and cut the cards and what do you get? yeah, more cards. What else? Well, I can see that we aren't going to get far along this track. Anyway, when you shuffle and cut seven or eight overly confused editors, a news staff that editorializes, a sports staff that never goes to games, a feature staff that would be better off writing obituaries, a photography staff that takes pictures in sports stadiums, develops them under the beam of a spot light, an art staff that doesn't realize that news papers are printed in black and white, a business staff that must have been born on those minutes that P.T. Barnum spoke about, an editor always mad at the advisor, and an advisor always mad at the editor, and what do you have? - Well, you guessed it again - so to cover up, we bluffed. Holding a hand with a pair of fours, Jack high, we acted as if we had a royal flush. We fabricated news, copied features out of other papers, took our sports direct from the Sentinel, made up interviews, really snowed everybody in with center sections on education and a verbose poll, as a final touch of larceny, we solicited spontaneous letters. Seriously, (I bet that you thought I was serious all along) we did manage to get out seven fairly good papers through the efforts of a great and very co-operative staff, competent and willing editors, a good-humored, though constantly nervous editor, a highly skilled and imaginative editor (I'm writing this), and a meticulous printer. More important than all the words on all the papers were the laughter, sweat, and tears that accompanied them, and all the lifelong friends made.

Each performance of our skilled choral groups—mixed choir, girls' glee club, and chorale—has the polish of a valued gem. Under the direction of Marguerite Ough, the choirs enthrall us with their lilting music. Whether we are watching the traditional nativity scene, a rousing rendition of a spiritual, or a solo by Betty Christopher, we never fail to marvel at the superb musicianship of our student vocalists.

One of Those Very Rare Hands

A trumpet call! The stirring notes of Wayne Camp's band summon us as they did the kings and queens of old. Those sparkling band numbers keep us humming throughout the day.

Apollo, the god of music, must have cut the deck in favor of the orchestra. Howard Koch has led the group to the highest ratings attainable in New York State. Bay Shore is fortunate to have the opportunity to enjoy such fine string music.

After a long summer of strenuous work, a large turnout of well conditioned men reported to the pre-school football workouts under a re-conditioned Chuck Geddes. Included in this contingent were fifteen veterans of last year's team and a sprinkling of men from the undefeated J. V. of 1956-57. With such a strong nucleus, this Maroon team was predestined to go all the way.

The gridders did not capture the A-2 championship because of overconfidence, and the old nemesis Amityville wrecked their chances for an otherwise perfect season. After winning their first three encounters, they were stunned by the Crimson Tide and from then on never fully regained their stride. Following stiff fights against Sayville and West Babylon, the Maroon entered the championship game with Riverhead in the role of an underdog and lost since they played well below their potential.

The final tally showed that the team compiled a 4-1 league record and a 5-2 overall record. Individual awards, such as Ed Hubbard's and Pete Casale's selections to the All Scholastic First Team, added to a successful season. Herb Baker and Dennis Kenney also received recognition for their fine play.

# J. V. FOOTBALL

"Joltin' Joe" Erickson led his J. V. squad to a fine 6-2 record. The offensive-minded team, limiting their opposition to 76 points, racked up an explosive total of 182 points. Outstanding performance of the year was accredited to Artie Dromerhauser. The "speedboy" broke away for seven T.D.'s in the 50-6 romp over West Babylon.

## Coach Geddes Retires

Charles "Chuck" Geddes, an able mathematician and bridge champion besides being Varsity football coach at Bay Shore, announced his retirement soon after the 1957 gridiron season ended. His sudden departure from the coaching ranks after only three years at the Varsity helm was the result of his unselfish desire to devote his fullest efforts to helping advanced math students. Chuck, who was an outstanding three letter man at Rochester University, continued his winning ways as a Maroon coach. His teams have had phenomenal records, a tribute to the masterful job he has done.

Replacing Mr. Geddes as football coach will be Joe Erikson, a Bay Shore native son, who was an outstanding fullback under Chuck Geddes and Cliff La Platney in the old days at Bay Shore High. Assisting Mr. Erikson either as a J.V. coach or assistant Varsity coach will be "Big" Bill Grady who gained fame this year with his masterful handling of the Varsity soccer team.

# SOCCER

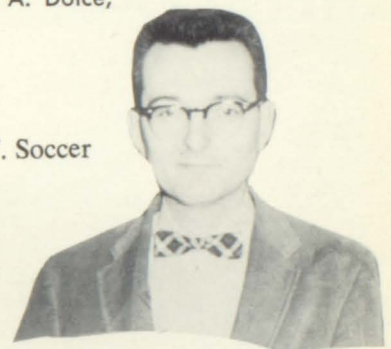

C. Hawkins, C. Winkinson, R. O'Pezio, D. Grasso, A. Lipinsky, T. Fiala, G. Weihmiller, H. Schwartzberg, H. Rooney, G. Hubbard, A. Guccione, W. Murphy, Manager, Coach Grady, T. Caccia, R. Knights, L. Aldrich, K. Kastle, W. Lycke, R. Richmond, A. Dolce, M. Weiss.

Faced with a difficult problem of rebuilding after last year's Suffolk County championship soccer team, coach Bill Grady did a masterful job. Mixing seasoned veterans with green rookies, he produced a team that threatened to recapture the league title. The booters came within one point of the title as they compiled a 4-1-2 league slate and a 7-3-2 overall record.

The 25 goals scored by the team were shared by many because the team played as a unit. Most of the forwards averaged three goals apiece—senior Craig Wilkinson being high scorer with five goals. He accomplished the "hat trick" by scoring three goals in the season's finale.

Senior newcomers Frank Higbee and Craig Wilkinson greatly aided the efforts of established veterans, Charlie Flachs and Russell Knights. Lee Aldrich and Russell Knights brought some post season glory to the squad when they were named to Newsday's First Team. Rugged Tony Guccione was chosen to the Second Team for his defensive work at half-back.

Coach Breda, of J.V. Soccer

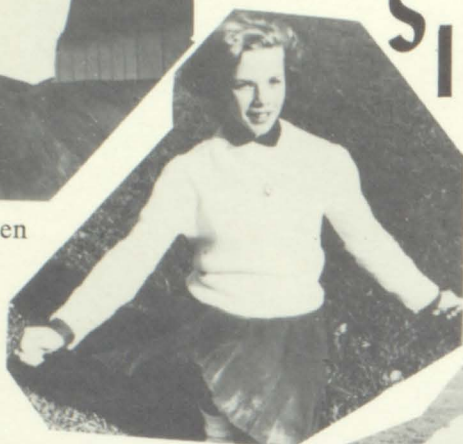

Deuces were wild as the J.V.'s, in their first year under the guidance of E. S. Breda, compiled a record of two wins, two losses, and one tie. The team is stacked with blue chip talent to plug any gaps in next year's Varsity and we are sure there are many future All-Scholastics here.

## FRESHMAN CHEERLEADERS

The winged foot boys under flying Les Gosier upped their record this year as they garnered three second places in their five triangular meets. The harriers placed seventh in a field of twelve schools in the Suffolk County Meet. Gordon Reinold, by placing fifth in the County Meets, qualified for the state meet at Bethpage. The rapid "carrot top" ended a very successful career by finishing 34th in a very strong field. Other outstanding men who will be lost through graduation are Bob Osekavage, Jimmy (The Duck) Maguire, and Kent Barwick.

Rifle shooting is fast becoming a popular sport in schools throughout Long Island. Bay Shore's rifle team, under the direction of Arthur Ronco, lost a close match to the veteran Amityville team in the initial meet of the season by a score of 824 to 773. Other matches were scheduled with Eastern Military

Academy and the newly formed teams of Port Jefferson and Brentwood.

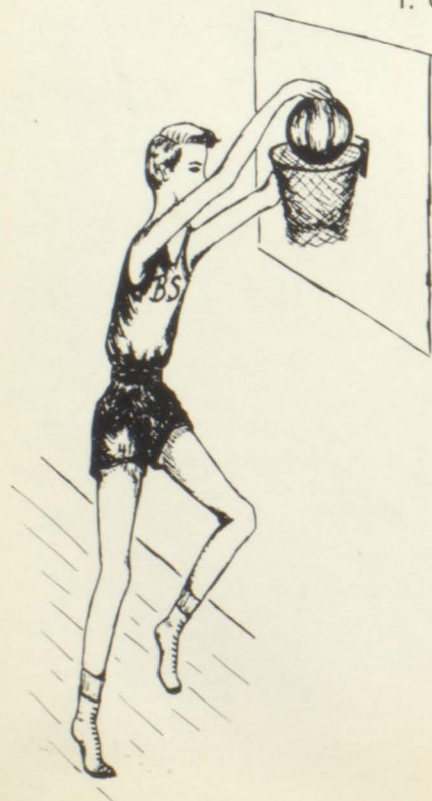

Although the team loses six seniors to graduation this year, the underclassmen are hoping for a winning season next year.

# VARSITY BASKETBALL

The 1957 hoopsters streaked to 18 straight but the '58 version started a 5-game streak of its own but with the Maroon on the short side. When big Charlie Flachs came back to the lineup after missing the first five due to an injury, the Darsonmen returned to form and ended the regular season by being crowned co-champions of the A-2 league with Babylon. In the playoff, a game that will long be remembered by many, the team dropped a 54-53 thriller to Al Olsen and his Panthers. The one fault of the team was its inability to win non-league games. League-wise, they stood 8-2, and over all 9-9, a record not indicating their determination and ability. Ig Darson played along most of the year with Ted Caccia, John Morrison Art Dromerhauser, Dennis Kenney, and Charlie Flachs. Cliff Hill played splendidly in spite of his appendectomy and so did the rest of the team.

With his grapplers having completed a 12 win, 2 loss season and Gordon Hausrath's J.V.'s posting a 11-1-1 record, Coach Cliff Clark's job appears simpler each year. However, with the rapid turnover in personnel many new men must be trained to develop future kingpins.

Jim Maguire, John Morrison, Tony Guccione, and Ed Hubbard won individual titles in the class A tournament, helping the Maroon place second. In the Suffolk Championships, Morrison and Hubbard repeated and were joined by Charlie Schroeder, the Clarkmen finishing third. John Morrison also received the outstanding wrestler award. Other men who placed well in the tournaments were Chuckie Geddes, Al Krus, George Hubbard, and Tom Ketcham.

The J.V. matmen's record appears more impressive when you check the lineups and find the number of Freshmen participating. Maybe Mepham will get the grand slam next year.

Added glory to the canvasbacks' season resulted from the team's showing in the Long Island Championships. The seven Bay Shore entrants mustered enough points to give the Maroon third place. Even more impressive were the accomplishments of seniors John Morrison and Charlie Schroeder and junior Ed Hubbard in winning three individual championships. Anthony Guccione, although injured, wrestled brilliantly only to be nosed out in the final. With three men capturing titles, Bay Shore took home one fourth of the medals, thus establishing a Maroon record that should last for some time!

## VARSITY BASEBALL 1957

The diamond-dust kids, showing improvement each year, raised their league standing two more notches to third place. Coach Leon Komoroski's sluggers, aided by the close proximity of the automatic pitching machine at the golf range, carved out a 7-7 record, including a 4-3 league slate. Pitcher Bob Kaczynski twirled to a 3-5 record while whipping 53 batsmen. Other outstanding individual performances were achieved by seniors Ray Metz, highest batting average, and Fred Kelsey, most hits; "Zeke," a versatile three letterman, culminated his high school career by signing a minor league contract with the New York Yankees.

The J.V. cards (future Cards, that is) won three and lost five of their eight hands played. Under the coaching of Dr. Grell, the team showed steady improvement, winning their final game of the season against La Salle to help gain a tie for the Brown Jug.

## TENNIS

The amazing seven brought Bay Shore its County Championship number eleven. These "master players" under Coach Carl Harbeck mowed down their opponents in pulling in a 12 and 1 record.

The 1957 season brought the end of the Dowd dynasty when John, in the tradition of brother Dennis won the Suffolk County Singles Championship for the second straight year. Bay Shore's other County Championship team was the doubles combination of Lang and Trenor who defeated the Maroon's McKean and Savage in a three set marathon for the County Doubles Championship.

The golf team "in the hands" of Coach John Sullivan took all the tricks in winning the Suffolk County Championship. They then staked their 10 win, 3 loss record in the Long Island Championships and came out a very close fourth.

Tom Roberts, once again the "ace" of the team, brought his brilliant high school career to an end by winning the individual County Championship, the Long Island Championships, and coming in third in the New York State Championships.

Suffolk Counties	Fourth place out of nine schools entered	

Gone from the '57 track scene were all the point-scoring seniors who had helped the Maroon to the Long Island title the year before. Coaches Martin and Mohr got a preview of things to come when in the interclass track meet the Juniors easily won with a record score of 108½ points. The cards fell into place as the squad came along fast. Its record of four wins and one defeat in dual meets and a second place in a triangular meet, plus a solid fourth in the Suffolk Counties proved that anything is possible until the last card is played.

If the 1957 Freshman records are any indication of Bay Shore's future success then our opponents might better take heed. Size-wise the gridders and the hoopsters were probably the largest in the school's long athletic history.

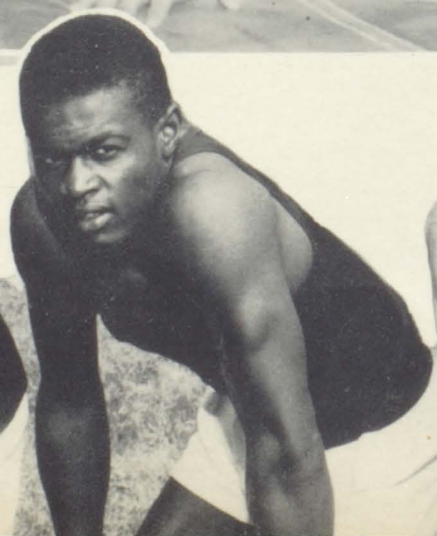

Coach Bob Boyd's booters were undefeated and were one of the few Maroon teams who held decisions over Amityville as they spanked the Crimson Tide twice. The mammoth gridmen under Kris Kartalis compiled a 2-2-1 slate. Marty Wilson had the most successful team as his power-packed boys "trumped" to a 9-3 record on the hard-court. Under the fine guidance of Bay Shore's outstanding coaches, the Maroon future looks hopeful with such an abundance of young talent.

## **VOLLEYBALL**

Volleyball is undoubtedly the most popular sport in the girls' gym program. It is a game that requires real team work and never fails to prove fast and exciting. Because the Bay Shore girls are so fond of volleyball, they were especially pleased when our team brought home the 1957 Suffolk County Championship.

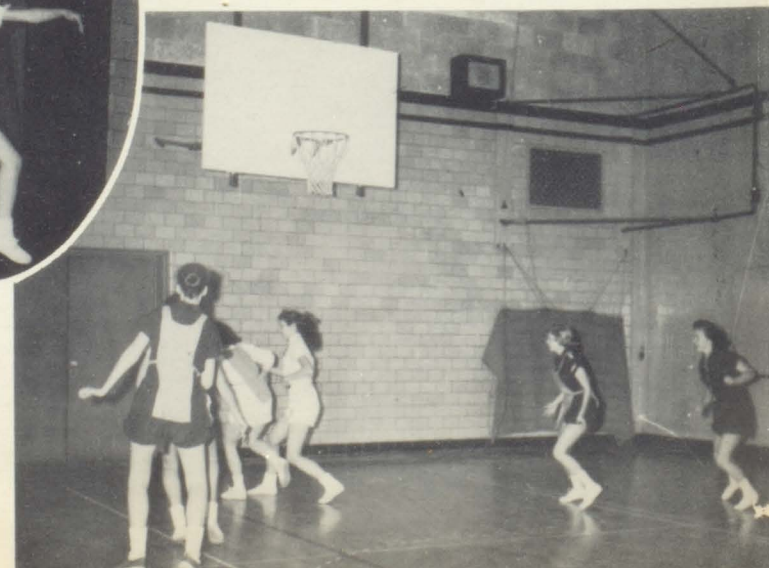

Although it is hard to convince the fellows, girls' basketball really is a wonderful sport. This year, with a most active intramural program, the competition grew stiffer and stiffer every week. The final results were thrilling games and breathless but happy girls.

## GOLD KEY

Baseball fever hits the girls too every spring. The return of sunny weather and friendlier breezes heralds the arrival of the softball season. A rousing game helps to get the kinks out of winter muscles and to remind the players that summer is just around the corner.

# SPORT NIGHT 1957

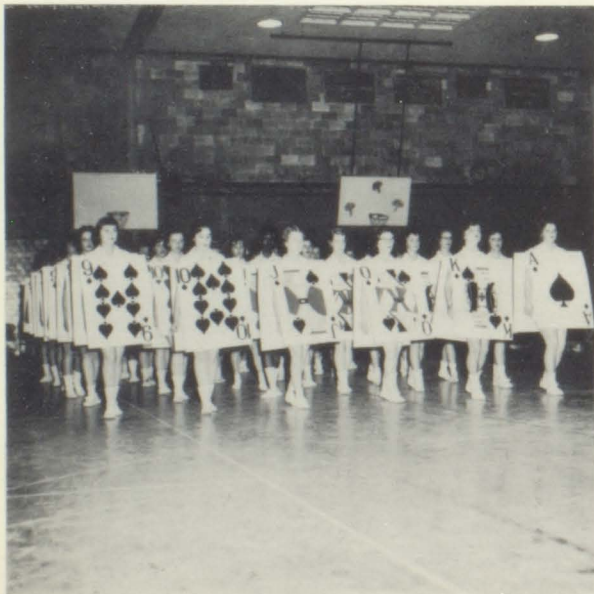

One evening in March, 1957, Alice stepped through the looking glass and came upon a most extraordinary place. It looked like the gym at Bay Shore High School, but it was inhabited by all her old friends—the blue caterpillar, the marching cards, the Duchess and her little pig baby and many others. Then too, all these strange creatures were having a marvelous time playing basketball, volleyball, and various other kinds of sports. Alice soon realized that she was in Sportland!

Our own Alyce introduced an unusually fine Sports Night program to a large and enthusiastic audience. One exciting moment followed another until the climax when the trophy was triumphantly carried off by the White Team.

### GERMNASTICS

Bacilli, bacteria, and a host of other germs took on a new meaning for the girls of Bay Shore High this spring as they prepared for *Germnastics*. When the big night finally rolled around the gym was decked out in a fantastic array of imaginative decorations. It was an appropriate setting for suspenseful basketball and volleyball games, bouncing trampoline exhibitions, musical microbes, and many, many other exciting activities.

A pert little Koltz germ named Carol Ann narrated a program jammed with thrills and a few spills, too! Both the Maroon and the White Teams worked hard and well to produce an extremely fine Sport Night. The highlight of the evening came when Mrs. Mary G. Clarkson presented the captains of the Maroon Team with the Sport Night Trophy.

## TRACK

With several of last year's outstanding men lost, and the seemingly endless rains and snows covering the track and infield, Coaches Martin and Mohr felt they were starting the season in heavy luck. For outstanding runners Reinold, Maguire, Thomas and Higbee, it was the end of their school careers, but for Joe Easley it was the start of what should be a brilliant one. Lowe, Hollander, Davies, Baker, Hawkins, Schroeder, Osekavage, Austin, Collins, et al, will long remember pleasant afternoons spent with Archie and Albie at Brook Avenue.

## BASEBALL

At the outset of the season Coaches Komoroski, Burke and Shaw not only had to overcome player inexperience, but they also had to tussle with the weather. Snow and rain canceled many of the early season workouts with the result that the team had little time to jell before the opener. As we put this book to bed just before Easter recess all the coaches were hoping for strong arms, bats loaded with base hits, and blue skies!

A total of twenty-five freshmen and sophomores headed a large but inexperienced group that turned out for Coach Harbeck's initial practice, and the netmen were faced with their sternest task in many years in their defense of the Suffolk County Championship. Veteran seniors Gordon McKean and Lee Aldrich and junior Don Trenor led the team in its attempt to win its eleventh straight championship.

Having lost very talented players from last year's team, Coach John Sullivan stood in true need of some real par-busters as the golfers once again began to patrol the fairways of Southward Ho last spring. He hoped that seniors Schork, Barrett, Keough, Wilkinson, and Pollio would form the nucleus of a fairway—blistering, eagle-putting squad that would recapture the County Championship that the team won last year.
