# DEDICATION

Mr. Murray directing the construction of the Chinese Pavilion at the World's Fair.

THOMAS E. MURRAY

He usually arrives breathless from an undignified dash to the third floor in time for the morning announcements. He leaves late too, as late as the chess team, the **Echo**, faculty committees, or anyone seeking his advice or opinions may keep him.

His colleagues know him as a man of considerable intelligence, wit, and charm. Students

value his sincerity, his faith in them, and his ability to project humor into history classroom routine. They have discovered during his four years at Bay Shore that his courses should be called History Plus. For all this, for his patient guidance, and most of all for his friendship, we the Class of '65 dedicate the **Maroon and White** to Thomas Murray.

# BOARD OF EDUCATION

**Seated:** John E. Morrison, Jr., Laurence E. Hoyt, **president**, Ernest J. Christie, **vice-president**.  
**Standing:** James F. Murphy, Jules P. Wegner.

The members of the Board of Education, as the duly elected representatives of the people of the Bay Shore-Brightwaters school district, determine all policy for the Bay Shore public schools.

The Board is made up of leading citizens of the Bay Shore area. These men are guided by a single, simple goal: to make our schools the best schools in our area. To gain that goal they willingly cooperate with all school personnel and all local people who are concerned with the welfare of Bay Shore public education.

Board of Education, 1896-1898

DR. E. LLOYD MORELAND

Superintendent

MR. RALPH J. ELLIOTT

Assistant Superintendent

## SUPERINTENDENTS

MR. MANUS H. O'DONNELL Administrative Assistant

MR. RAYMOND R. HOWARD Assistant Superintendent

Dr. E. Lloyd Moreland, as chief school administrator, is the direct agent of the Board of Education. It is his chief responsibility to suggest and implement all school policy. In addition, Dr. Moreland writes articles in community publications, and contributes regularly to **Our Schools**, the Bay Shore school district's official news organ.

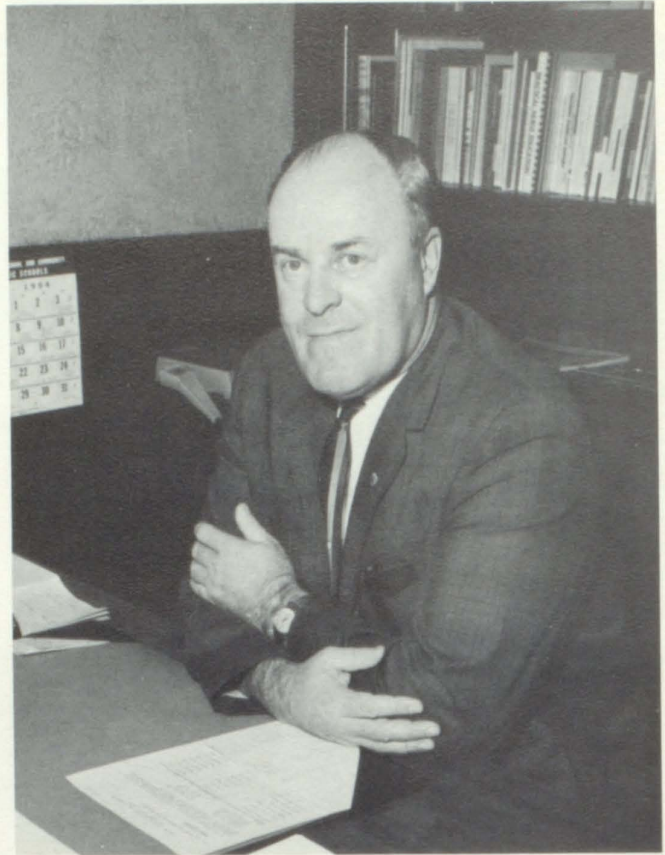

Ralph Elliott is Assistant Superintendent in charge of Personnel, with Raymond R. Howard the Assistant Superintendent for Business. Manus O'Donnell is the district's new Administrative Assistant.

# PRINCIPALS

The principal's office—it is really two offices—institutes all policy and directs all activities as they relate to both students and teachers in Bay Shore High School. Mr. John Douglas, our genial principal, is the central figure in this expanding universe.

The Castor and Pollux of this universe are Messrs. Albert Martin and William Thieben. The duties of Mr. Martin, of the loquacious wit, are concerned primarily with teaching personnel and curriculum, while those of Mr. Thieben, our own true blue giant, center on student activities.

MR. JOHN A. DOUGLAS

Principal

MR. WILLIAM B. THIEBEN

Assistant Principal

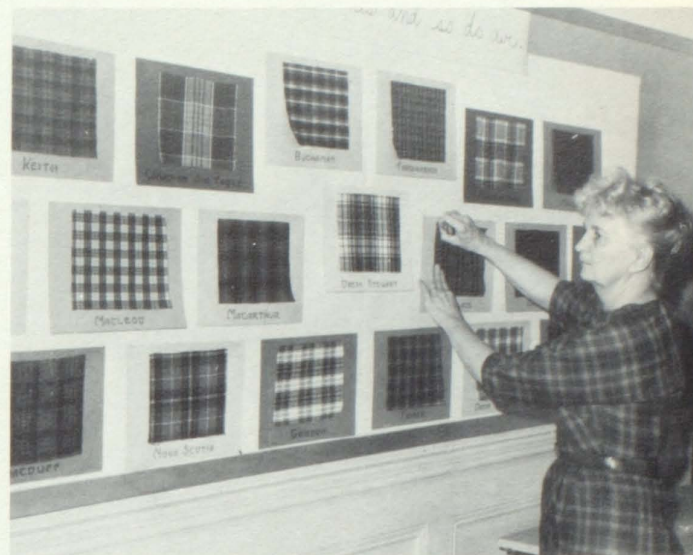

MR. ALBERT R. MARTIN

Assistant Principal

MRS. DORIS SIMPSON

## RETIREMENT

For eight years Doris Simpson has been our touch of home away from home. She has repaired our split seams, sewn buttons on our shirts, made cakes for our parties, designed dresses for our dances, and given us counsel in our troubles.

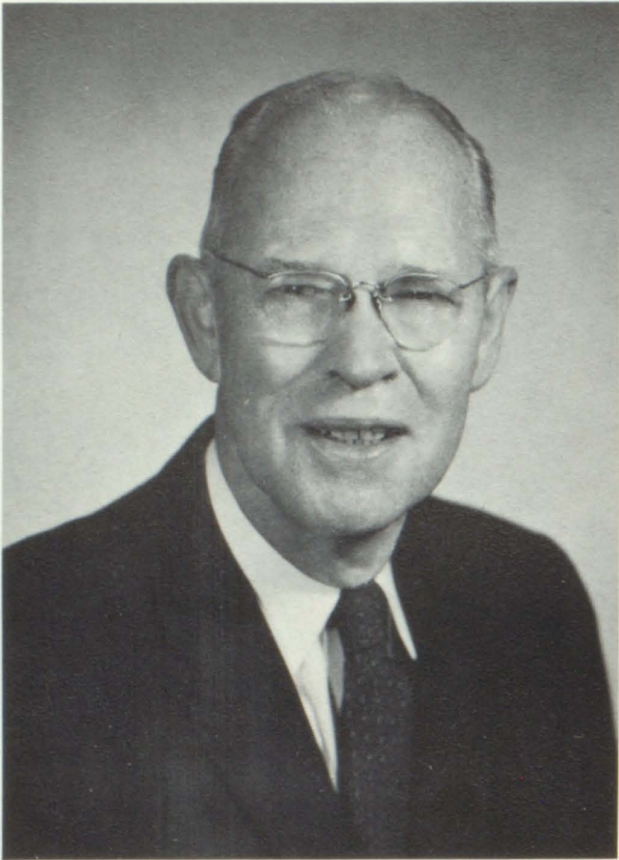

As Junior Class Advisor for the past five years she has endured our follies without complaint, and with unlimited patience and understanding helped every Prom chairman make the Junior Prom the most memorable social event of the year.

Now she is leaving us, and looking forward to many wonderful plans, including a world tour beginning this August, before she and her husband return to their lovely white house on the shore of beautiful Lake Willoughby in Vermont. The homemaking suite, which she designed, will never be quite the same without her, for she was always the best of all things to us, a true friend.

# IN MEMORIAM

WARDE G. MC LAUGHLIN

It takes years to fathom a complex man's mind. The students who gained their diplomas under Warde G. McLaughlin's careful supervision and the administration and faculty who worked with him continually found expanses of his intellect that they hadn't known existed. Although we, the Class of '65, have been only a brief part of his life, we have felt his warmth and concern for us, which could have come only from the depths of this generous man's heart.

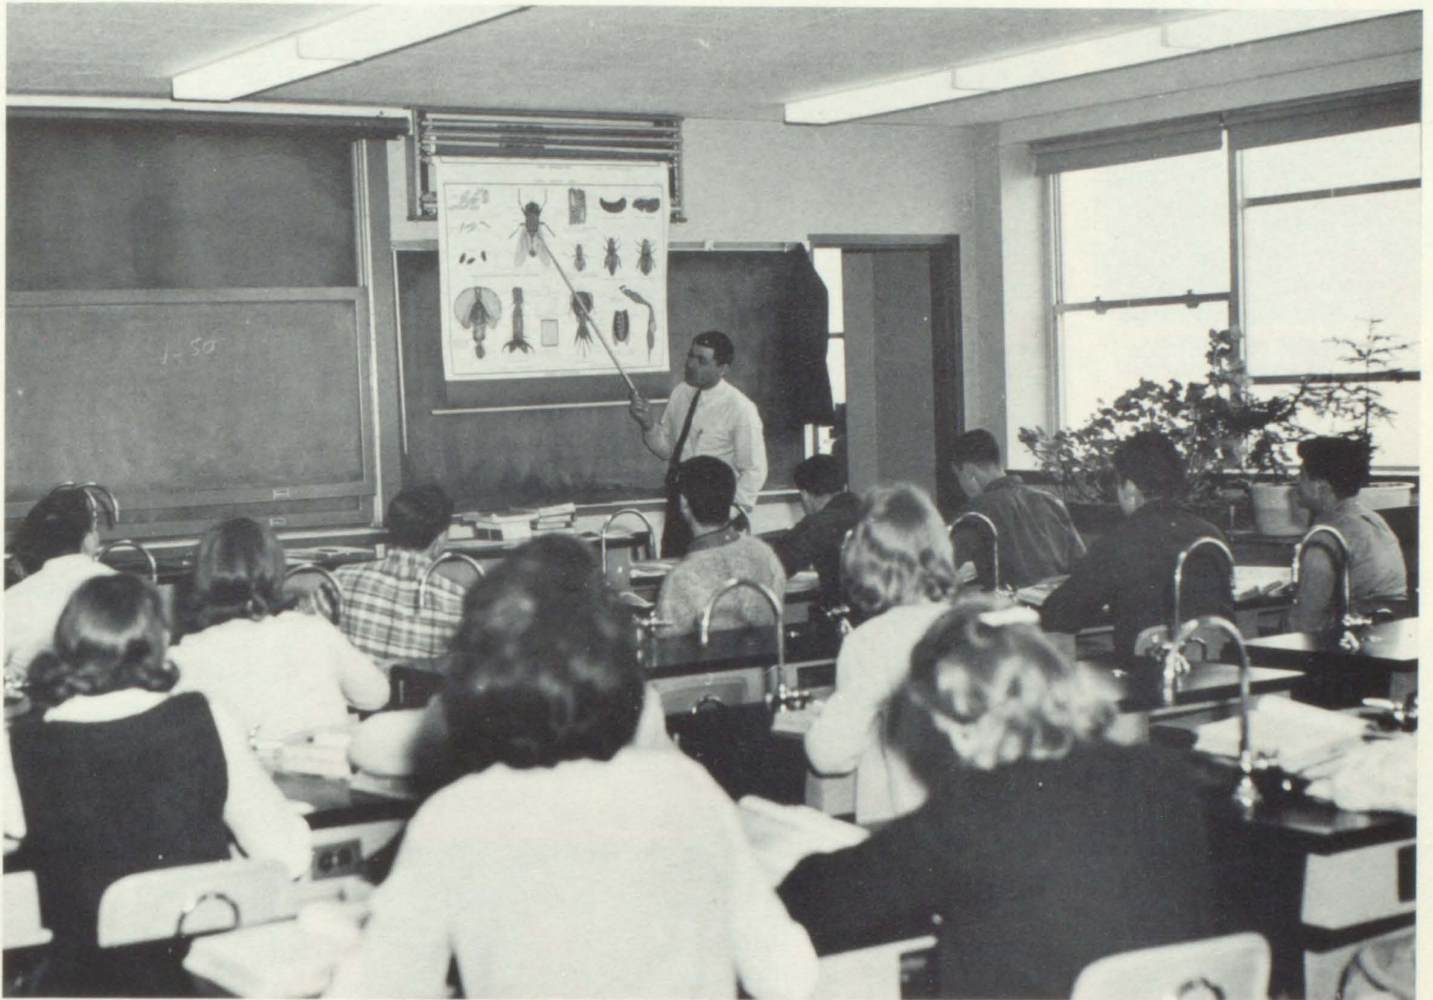

Mr. and Mrs. McLaughlin at the '64 Prom

"A teacher affects eternity; he never can tell where his influence stops."

## GENERAL ORGANIZATION

This year the G.O. set itself many goals, including one hundred percent membership, more representative exchange of views at Board of Control meetings, and sponsorship of at least one activity a month.

The plans of the Activities Committee included pep rallies, a Rockin' Nanny, High School Bowls whose main purpose was to build spirit within the individual classes, dances with various themes, an intra-school postal system, and a G.O. Board of Control dinner at the end of the year.

The Advisory Council, which handles all G.O. matters which cannot be taken care of efficiently during one Board of Control meeting, reached most of its goals despite the difficulty it experienced in getting enough publicity to gain support of the entire student body. The council worked on drafting a suitable dress code, updating the G.O. Constitution, and publishing a Club Handbook which is to be the forerunner of a school handbook.

## HONOR SOCIETY

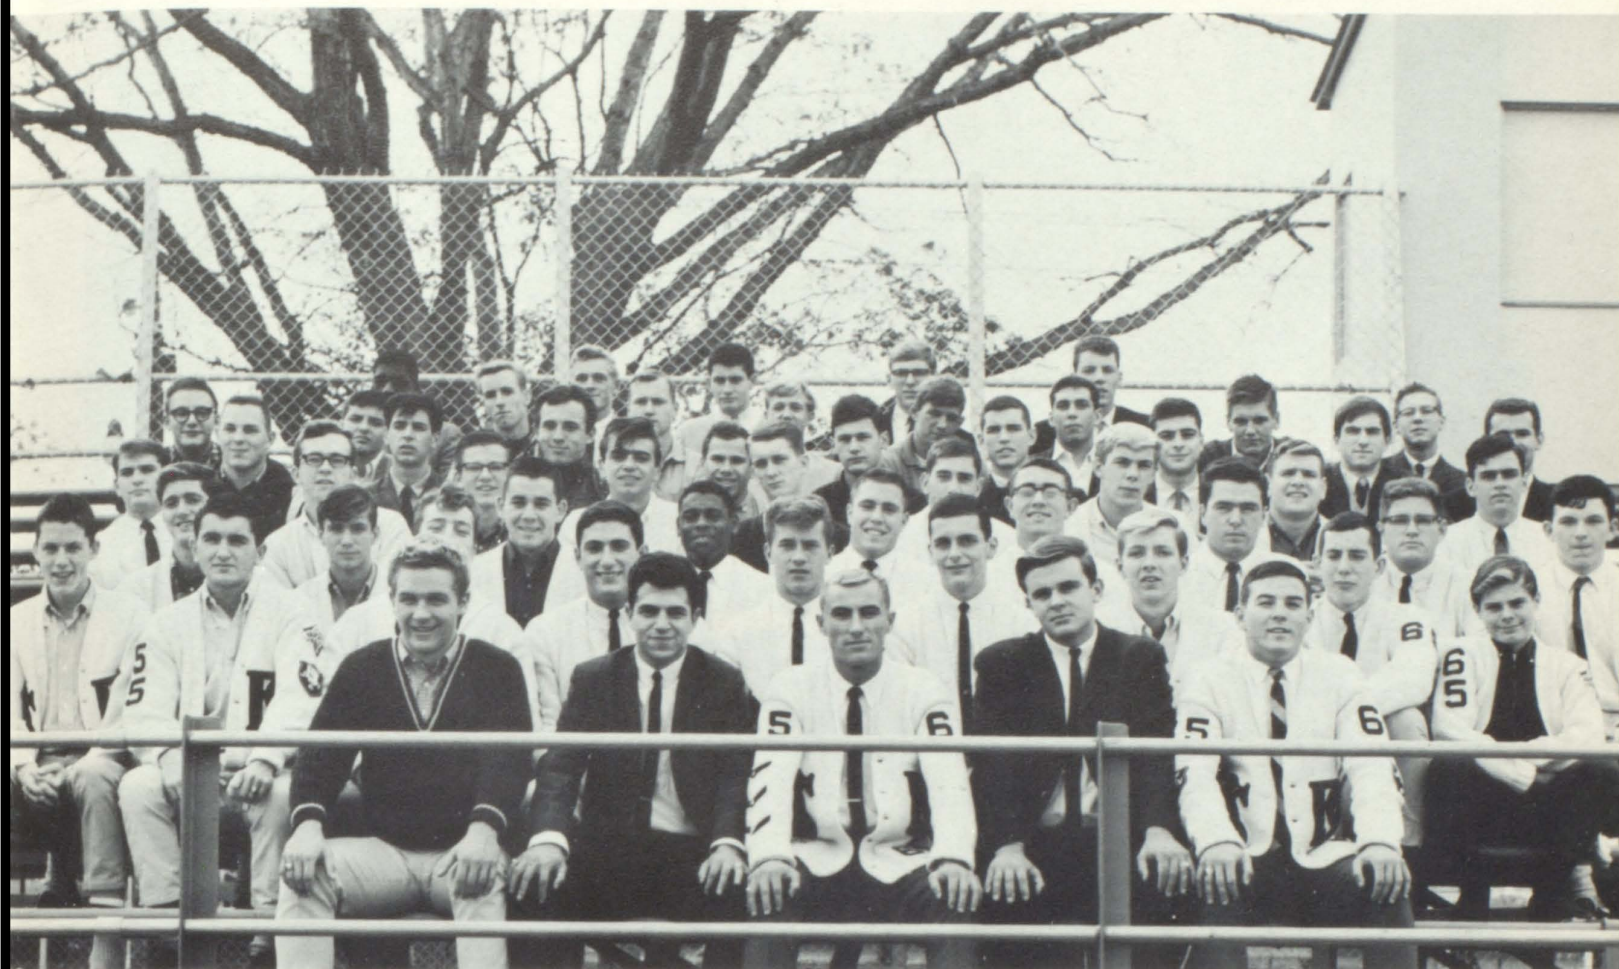

Bay Shore High's chapter of the National Honor Society selects its members from the senior and junior classes. A student must demonstrate outstanding scholarship, service, character and leadership in order to be considered for membership, and once elected, he must continue to show these qualities.

The Honor Society serves the school with its new tutoring service and its small but distinctive publication, "Reflections." At its annual Christmas tea alumni and prospective college students gather to discuss adjustment to college life. A simple, dignified induction ceremony emphasizes the rewards of scholarship and reminds us all of the goals of the National Honor Society.

The Varsity Club is a boys' organization for G.O. members who have been awarded a varsity letter in any sport. The purposes of the club are to instill school spirit, supervise school functions, promote better scholarship among athletes, further school citizenship, and assist in our entire athletic program.

During the past year the club has provided officials and scorekeepers for our intramural program, promoted showings of professional sports films, conducted bi-weekly athletic nights, sponsored the Varsity Ball, and provided services such as ushers and maintenance of concession stands at interscholastic sporting events.

The three career clubs offered Bay Shore High School students afford an opportunity to learn about the qualifications needed to enter these professions, while at the same time they serve the school and community in a variety of ways.

Among their yearly activities are field trips, parties for the aged and disabled, and donations of materials and services to the needy. At meetings, members of these clubs hear speakers who demonstrate or lecture about branches of each profession.

All benefit from practical experience available to interested club members. The F.T.A. are able to partake in student teaching at local schools, while many F.N.A. members volunteer their services as Junior Nurses' aides at local hospitals. The F.H.A. benefit from instruction by qualified professionals. Each club specializes in preparing its members for their futures, and each provides personal guidance for every member.

## ROMANI HODIERNI

### Saturnalia

Romani Hodierni, or Romans of Today, is an especially fitting name for the Latin club of Bay Shore High School. Advised by Mrs. Harmon, and with membership limited to those taking third and fourth year Latin, the club combines the academic and social aspects of school life in the unique setting of one of the world's great classical tongues.

The yearly Saturnalia, an ancient Roman feast, is held near Christmas time and is the main social event which the club sponsors. Members wear togas and imitate the Roman style of eating, which is quite different from ours. In March all members are eligible for a national test in Latin for which prizes are offered. Finally, at the end of the school year it is traditional to hold a dinner for the departing seniors.

Romani Hodierni is more than recognition of satisfactory accomplishment in Latin, for it provides enjoyment and culture to those with a common background of Latin study.

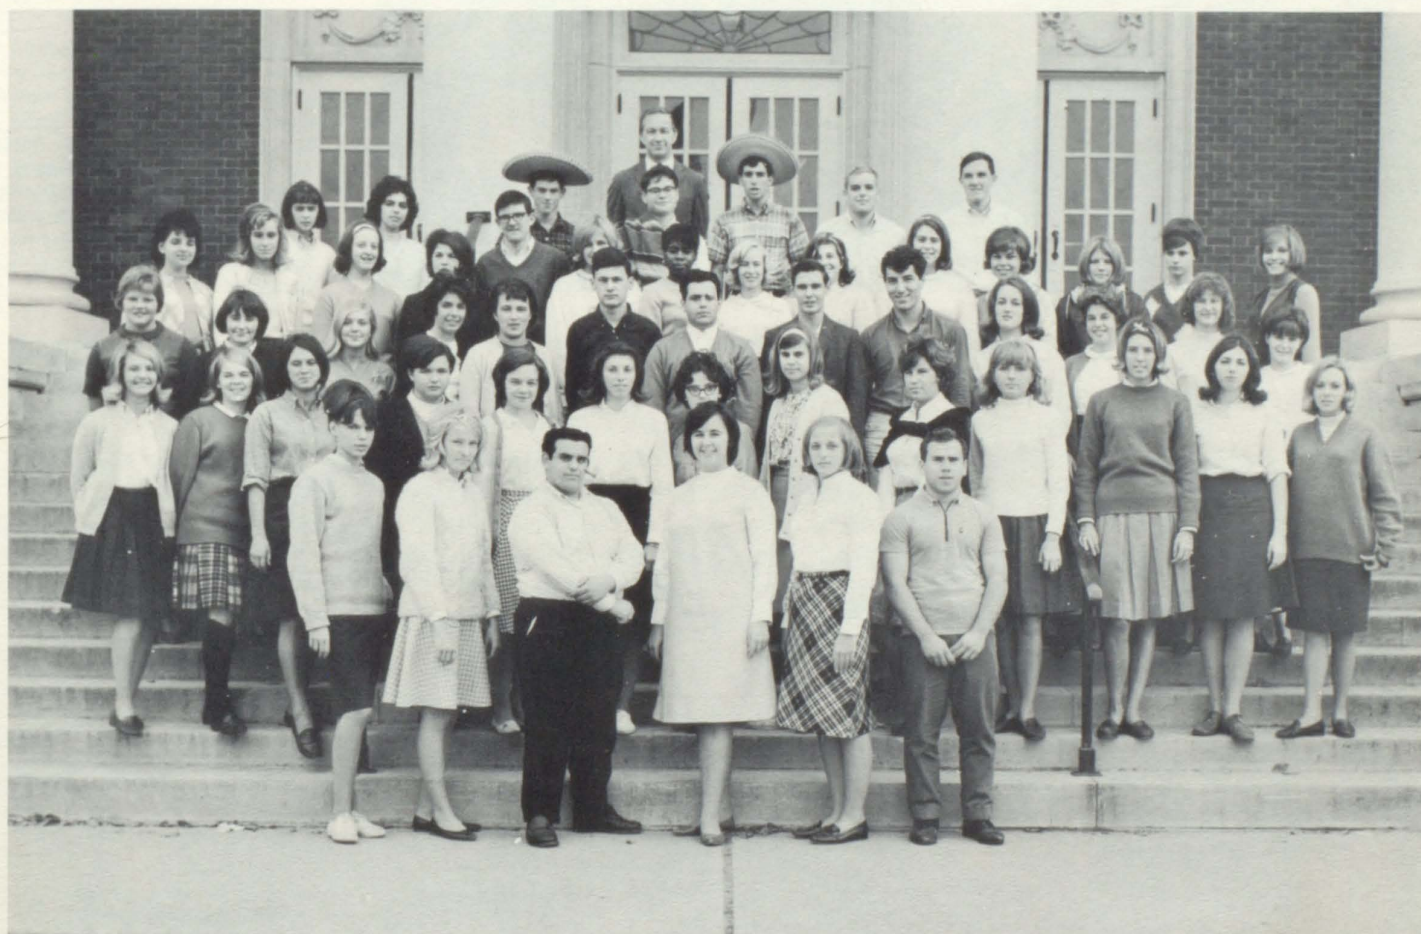

Translated, the motto of the Spanish Club, "Saber es poder," means "To know is to be able." As one of the language clubs, this one too has its individual projects and specialties. Among these are a trip to New York City and the World's Fair.

During the club's regular monthly meetings, interesting speeches and discussions are presented. Carlos Avena, our foreign student, has spoken about his home in Argentina, and Mark Wellens has talked about his trip to Mexico.

At their annual dinner in the spring the members will gather to celebrate what is sure to have been a prosperous year for the Spanish Club.

The French Club provides French students with a better understanding of the people of France, their language, culture, and way of life. In addition to regular monthly meetings conducted entirely in French, active participation is maintained by an interesting program of

lectures and field trips.

The holiday season this year was celebrated by the "Reveillon," or Christmas dinner, during which an original and very successful interpretation of a modern French comedy was given by the club at the Gardiner Manor School.

**Seated:** N. Willrich, L. Milo, W. Askinas, E. Bondy, B. Groll, M. Fox, D. LeCurto, M. Singer, M. Karp. **Standing:** B. Wassung, L. Randolph, T. Beckett, L. Clark, L. Cilio, C. Connelly, J. Cornigans, J. Steel, L. Goldman, P. Barry, S. Loganzo, **pres.**

# LINGUISTICS CLUB

Under its advisor, Mr. Lane, the new Linguistics Club differs from many in that its activities, being concerned with the study of various languages and their influences on English, are more academic than social in nature.

Its most ambitious project has been a seminar whose members study both the language and civilization of Russia. Another committee corresponds with pen-pals in other nations, and all its activities spring from its motto: "Language is the basis of understanding."

Bay Shore High has been whirled into an island atmosphere by the creation of Club Polynesia. Through this club, President Lew Johnson "would like to reproduce here as much of the islands as possible." Ken Johnson, Cliff Fortunato, and Mr. Bellamore helped guide Club Polynesia into the General Organization last December. It is hoped that through the activities of this new club, such as hula dancing and luaus, students will become interested in the Pacific islands.

**Seated:** P. Lenehan, v.p., S. Jackson, G. VanDyke. **Standing:** J. Steel, L. Calvacca, G.O. rep., D. Baranec, treas., J. Koltz, pres., B. Day, Mr. Lane, advisor. **Missing from picture:** M. Hill, sec.

# CHESS CLUB

In interschool competition chess is much like a seasonal sport. In the fall the club members learn, practice, and sharpen their games. In the spring a team selected from the club matches wits with other schools in a five school Suffolk League. This year the club advisor, Mr. Murray, is hoping that Ed Fury and Warren McMahon will again bring home the trophy that last year's team won in the Deer Park Invitational Tournament.

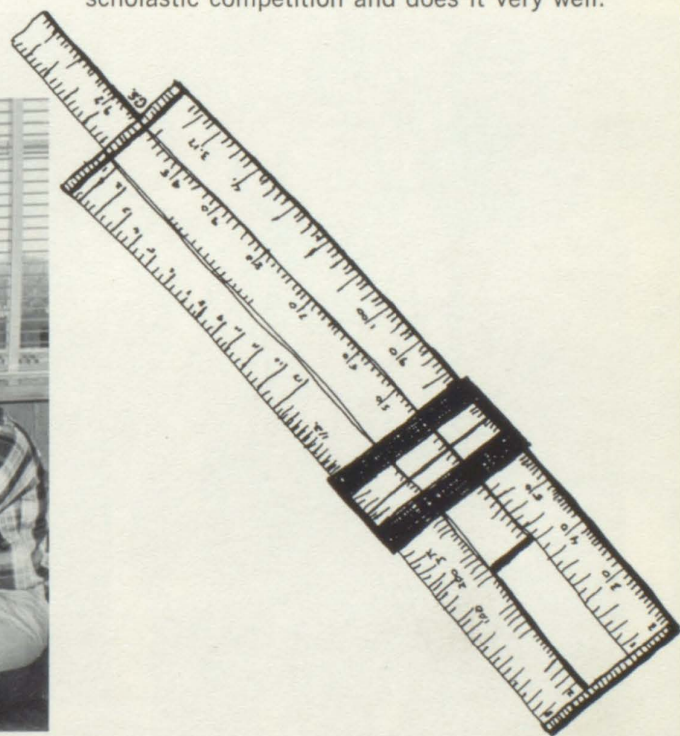

**First Row:** W. McMahon, C. Rose, E. Furey. **Second Row:** R. Wyatt, Mr. Murray, Advisor, K. Lawrence.

# MATH TEAM

Although athletic teams get most of the publicity, one other inter-scholastic competitor will not let itself be forgotten—the Math Team. Under the direction of Mr. Coscia this unusual team trains at a blackboard, and with no cheerleaders or breathless crowds attending its meets, uses its mathematical insight and mental agility to represent Bay Shore High School in inter-scholastic competition and does it very well.

**Seated:** F. Softye, D. Ploeser, J. Steel, A. Christiansen. **Standing:** J. Douglas, K. Lawrence, R. Muckle, T. Beckett. **Missing from picture:** S. Dattner.

# DRAMATICS

The Bay Shore Dramatics Club provides both aspiring actors and interested students a more intimate knowledge of the theater plus actual experience. The members stage at least one play per year for the enjoyment of the student body, and at least one field trip a year to New York City to see a Broadway production.

An event of special importance this year was the dramatization of Shirley Jackson's compelling short story, "The Lottery." The play's eight performances for English classes and guests marked the first use of the new Little Theater for a full scale production, and the powerful impact of this gripping drama gave actors and audience alike new insight into the depths of the human personality.

## INTERNATIONAL RELATIONS CLUB

In three short years, the International Relations Club has done a great deal to benefit Bay Shore High School. And with its increase in male membership this year, former charges that the club was really a new sorority are now, happily, completely unfounded.

Associated with the American Field Service, the club works toward obtaining foreign students and planning the exchange program. In addition, it sponsors the International Weekend, during which ten foreign students visit our school. Occasionally members listen to tapes from "Harry Baby," Mr. Holzman's brother, a Peace Corps worker in Liberia.

In short, the IRC is a spirited organization for all interested students.

# BUSINESS CLUB

The Business Club, an organization designed especially for students taking business courses, attempts to help students better their skills through self-improvement sessions. There are also guest speakers and projects formed by the members themselves, all of which prove valuable to the club as a whole. In addition, there are social outings and an annual club trip.

## C.W.G.

The Cooperative Work Group is composed entirely of working students. These students, in addition to earning their regular school diplomas, work from fifteen to thirty-three hours a week at jobs of their choice. In order to maintain membership in the C.W.G. they must receive satisfactory work reports from their employers and passing grades from their teachers.

Under the Direction of Mrs. Olson the library is trying to become a center of school activity. The efficient performance of the many clerical duties is the responsibility of Mrs. Haus-rath. The complications of the business details are handled by Mrs. Koltz.

This year we pay special tribute to the li-brary aides, who have taken over a variety of du-ties in all areas. Their unstinting—and largely unpublicized—efforts have lightened the load for all.

Phyllis Pieper, Editor-in-Chief, Fred Softye, Associate Editor, and Mr. Murray, Advisor, at the Sentinel office.

1964-65 was a year of many changes for the **Maroon Echo** as well as for the school. To heighten the **Echo's** appearance as a newspaper, the editorial board decided to abandon the slick finish of glossy paper and adopt the regular "newspaper" kind. The **Echo** also broke all records for number of issues, their goal this year set at twelve.

The paper's success can be attributed to a hard-working editorial board and an enthusiastic staff, especially the underclassmen. The only real problems occurred in the business department where successive managers quit. Articles ranged from backing of the Junior High School addition bond issue to polls contrasting the town's knowledge of world events to that of the students. The **Echo's** "new look," encouraged by Phyllis Pieper, Fred Softye, and Mr. Murray, has made for a much livelier, updated paper of current news.

# UNDERCLASSMEN

# JUNIOR

Walter Schaefer—President

Bill McCarthy—Vice-President

Rose DeLuca—Secretary

The "jolly juniors" of the class of '66 arrived at the halfway mark in their high school careers proud to be one of the biggest and wealthiest classes at Bay Shore. Not content with past achievements, they energetically tackled the business of being upper classmen. From football through basketball, doughnuts and programs were junior class trademarks.

After a successful stationery sale the arrival of spring found all energies centered on the special project of making the Prom the most memorable event of the year.

# SOPHOMORE CLASS

Suzanne Hart—Secretary

John Pfoh—Vice-President

Bob Dancik—President

This year's money-maker for the Class of '67 was candy. Most of the profits were brought in during the big candy sale which lasted for two months in the fall. With the completion of the new athletic field, the sophomores were also able to sell candy bars at home football games, and later, they sold more candy at home basketball games. At present, there is some feeling in the school that the Sophomore Class is re-

sponsible for a number of new diets in the Bay Shore area.

Even though the sophomores were new to the school, they quickly made themselves at home. Their big moment came at the G. O. High School Bowl, where they whipped the seniors soundly. The success of their earlier endeavors was carried over to the spring dance, which was the sophomore social event of the year.

# FRESHMAN CLASS

Ronnie Ovetsky—President

Richard Kertzner—Vice President

Carolyn Bunch—Secretary

At first many freshmen were fearful of the huge high school and the huge upperclassmen, but soon there were members of the school's largest class in all kinds of activities. With the aid of Mr. Harbeck the class got off to a good start with the election of officers, membership drive, and the sale of place settings (even though they were \$1.00 cheaper at John's Bargain Store). Mr. Windorf helped them publish their own paper, **The '68 Journal**.

Undoubtedly, everyone has benefited from knowing the charming frosh. A more deserving group couldn't have been found to reap the benefits of the new addition and facilities.

This article has been written by an unbiased, open-minded, impartial, unprejudiced, humble freshman.

Low scorer wins

Although the Cross Country team didn't have one of their best seasons, they built up their potential tremendously. The Varsity team will be losing only two seniors, Charlie Modica and Gary Stanton, while the teams they will be competing against next year will have lost many of their varsity runners. This seems like solid evidence that Bay Shore's team has already begun to reach some of the potential that is being built up in a number of their new runners.

Under the spirited leadership of co-captains Ben Mahler and Jim Dietz, the varsity soccer team had a very successful season, compiling a 9-3 won-lost record in League II and finishing a strong second to Sachem. That others also recognized the team's strength is attested by the fact that two boys made the league all-star team, Ben Mahler being chosen as a forward

while Jerry Engel won a berth at fullback. Ben also proved to be the best scorer in Suffolk County by piling up 22 goals and leaving all competition far behind.

Altogether, the team won ten letters, twelve chevrons, and one double chevron. With a strong nucleus of returning juniors, Coach Boyd is already looking forward to next year.

After playing the first four games without a victory, this year's football team went on to win its last four games, and finish tied for third in league AA-2 with a league record of four wins, one loss, and two ties. With co-captains Courtney, Lowe, and Farmer in command, Bay Shore gained its most important victory against Smithtown, while holding the county's second leading pointmaker scoreless for the first and only time. Ken Courtney earned a half-back position on the all-league first team. Dan Wilkens, at quarterback, Steve Kenny, at center, and Ray Plate at guard were placed on the all-league second team. Coach Erickson stressed the fact that Bay Shore missed a championship by only two ties in league play.

In the regular League AA-II schedule, our varsity basketball team had a strong 12-2 record and placed a close second to Smithtown. The highlight of the league play was a thrilling defeat inflicted upon Smithtown, which put the Maroon in a tie for first. Playing the last few games in a deadlock, Bay Shore was upset by Deer Park and had to settle for second place.

Fornd Farmer was high scorer with 398 points, and recovered the most rebounds, 232. Danny Wilkins had the best foul shoot-

ing percentage with 78.3%, and Bob Ehrle won the play maker trophy. There were two three-year varsity men, co-captains Benny Mahler and Fornd Farmer.

Defeating Sag Harbor and North Babylon in the Suffolk County Tournament, the team advanced to the semifinals but lost a well fought game to Central Islip by six points. They copped third place from Half Hollow Hills in the consolation game, ending a very successful season.

Reversal

In spite of the matmen's many fine wrestlers, there was not enough balance between the lower, middle, and upper weights to achieve a winning season. Glenn Doan was the only consistent winner in the first seven weight classes, and the lead built up by the opposing team was usually too great to overcome.

From 147 pounds and up, however, Bay Shore could hold its own against almost any other team in the county. Co-captains Glenn Doan and Tom Richards had the best individual records, with Doan losing two bouts and Richards only one. Other regular winners were seniors Lee Mitchell, Clif LaPlatney, Dick Rosener, Les VonLosberg, and Alan Greenhalgh, and juniors Mike Hillier and Duke Durgin. The two new coaches, Mr. Gobetz (Varsity) and Mr. Bateman (J.V.), expect to bring back the winning tradition to Bay Shore soon.

The Bay Shore track team has high hopes of winning the League AA-II championship this year. After the first league meet with a 117½ to 18½ score over Sachem, there was little doubt in anyone's mind that Bay Shore has one of the strongest teams in the section. Their strength lies in the relays, 440, 220, and, in general, the running events, but important progress is being made in the field events. Coaches Agardi and Campbell are working for more improvement with strict rules and hard practices throughout the season.

## J.V. TENNIS

Although there are only three returning lettermen from last year's squad, the Bay Shore tennis team should again be one of the best in the county. Players with varsity experience are Steve Glass, Brian Beardslee, and Dick Rosener. Other players are recruited from last year's once-beaten junior varsity.

This is the lineup as we go to press: Glass and Beardslee alternating at first and second singles, Goldsmith or Flett at third singles, Flynn and Rosener, and Verdone and Nadelson at first and second doubles.

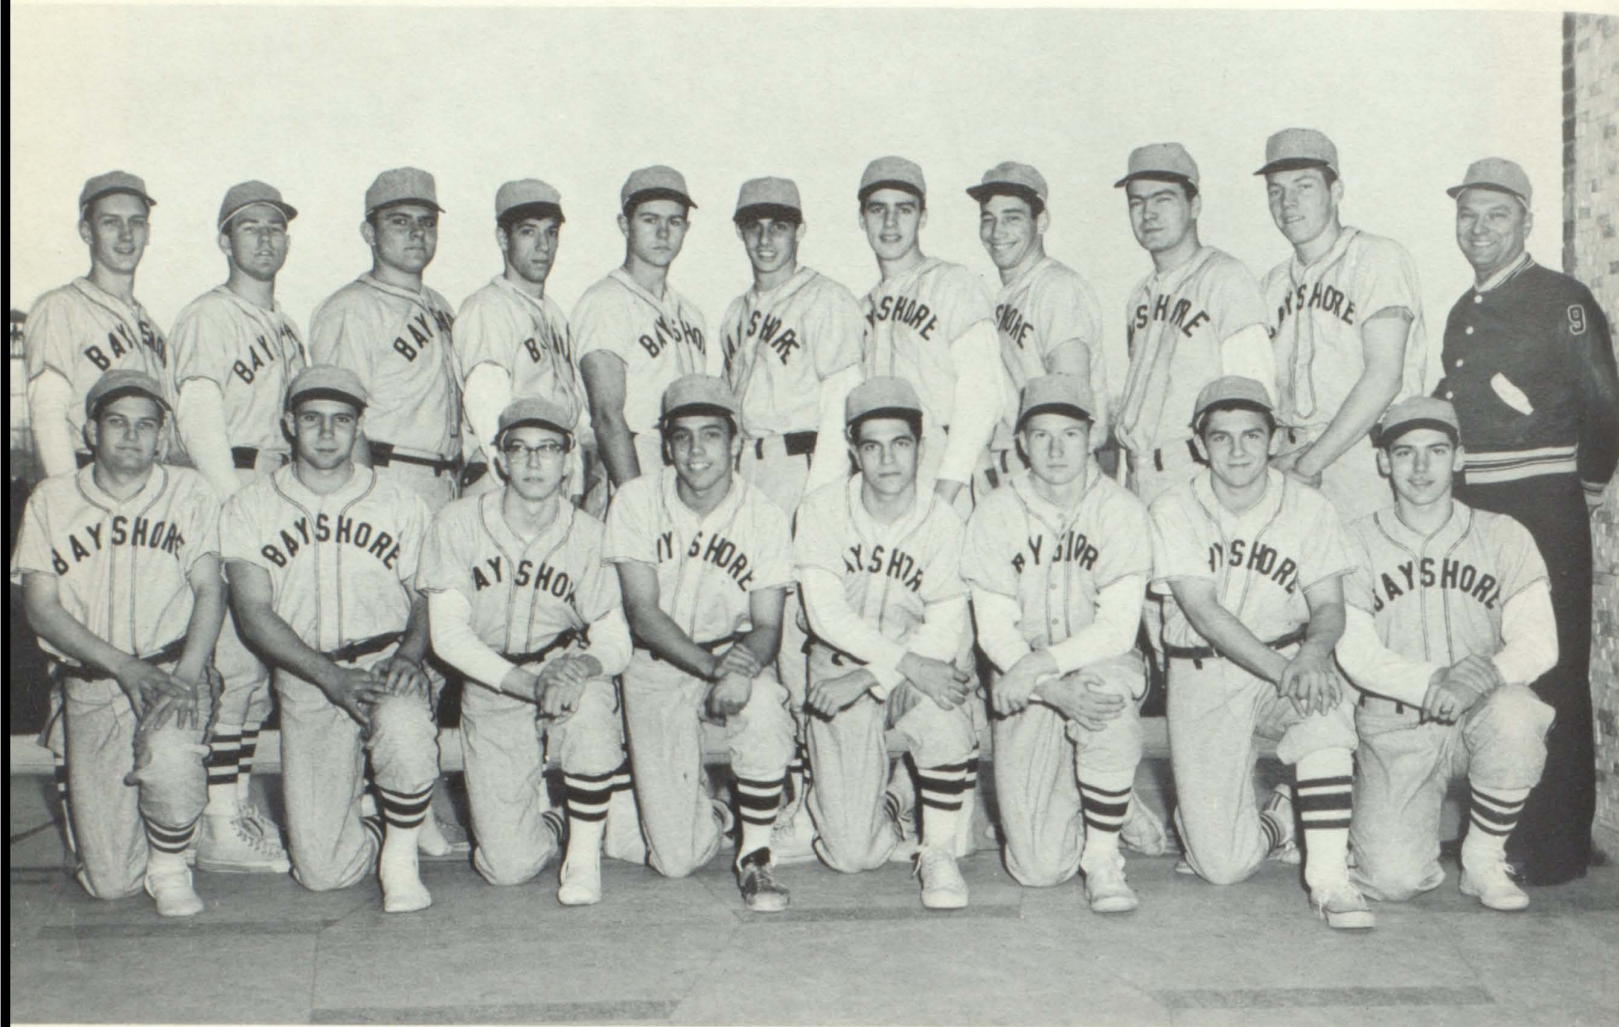

Patchogue (7-0) will again be the toughest league competitor, but in spite of strong opposition, Coach Allen VanNostrand hopes the team will repeat last year's league victory.

With the return of seven lettermen plus the promise of several fine jayvee graduates, the Varsity Baseball team anticipates a good season under the direction of coach Leon Komoroski. The squad is solid in nearly every position, and with a tough league schedule calling for three games a week, the coach is building a strong pitching staff around returning lettermen Dan Wilkins and Joe Douglas. Captain John Baden hopes to

spark the team to a higher standing than last year's fourth, and despite a fourth place ranking in pre-season polls, all team members are enthusiastic about having an outstanding season.

Early non-league games show the team to have a fine defense, but little hitting power. Knowing the potential of the team, however, Coach Komoroski feels sure that the hitting will rally as the season progresses.

## LEADERS' CLUB

The Leaders Club is an organization for girls who are interested in sports, who show good character, citizenship, and a reasonable amount of skill in athletics. To become a member a girl must pass the New York State Physical Fitness Test, a written test, two skill tests, and a test of poise before a group.

Among the club's activities are a Mother-Daughter night, when mothers, too, participate in sports, the Varsity Club night, and an annual picnic at the end of the school year.

The members of the Leaders Club aid the girls Phys. Ed. classes by leading calisthenics, by officiating, and by offering further assistance in intramurals.

# GOLD KEY WINNERS

Sue Hill and JoAnn Schabowsky.

Suffolk County's highest award and honor attainable in girls' athletics is the Gold Key. Few girls earn the cherished Key, attesting to the fact that recipients must possess outstanding athletic ability and must devote four years to the intramural and interscholastic sports programs. This year's winners, Sue Hill and JoAnn Schabowsky, have evidenced leadership, loyalty, and school spirit, and have records of full and diversified participation in the extra-curricular athletic program.

This year's senior class, numbering about 440, embarked on an uphill struggle to raise money for the yearbook. The first fund-raising project was the Card Party and Fashion Show which was a huge success. A new activity, a Valentine Dance, was also profitable. The Senior Spaghetti Dinner, the Senior Play under the direction of Mr. Harbeck, and Senior Slave Day bolstered the treasury, too, as did the selling of soda at all the games and dances.

This year, because of the size of our graduating class, the traditional "Day for the Seniors"—Class Day—will be different. As the yearbook goes to press, tentative plans indicate that this year's Class Day will be new, exciting, and we hope, most memorable.

It is generally agreed by the Class of '65 that this year's senior class is the best in Bay Shore High School's history.

# MAROON AND WHITE

DON FLETT CO-EDITOR

The one hundredth anniversary of the Bay Shore School District and the completion of the addition to the high school have suggested to us as a theme the natural process of growth and the development of our educational system. We have portrayed these two ideas together in an effort to show our school as part of a long and proud heritage.

The school house of 1870 is the great-grandfather of our present expansive high-school building, and we have drawn the line of ancestry between them on page one. On the divider pages we have contrasted the old with the new by comparing activities of years ago to similar ones of today. As we follow the changes over the past one hundred years, we realize how constant has been our progress and how fortunate we are to be a part of it.

SUSAN BREWER

## IN MEMORIAM

Her empty locker is a poignant reminder of the throbbing hollow Susan Brewer left in the lives of her friends here. Someone so sensitive, so full of emotion that it spilled over the barriers of her quiet personality into sculpture and poetry that delighted her classmates; someone whose gaily performed gymnastic feats left her audiences gasping—is it a wonder that Sue will always remain close to the hearts of the Class of '65, which prays God will grant her eternal peace.
