It's been real

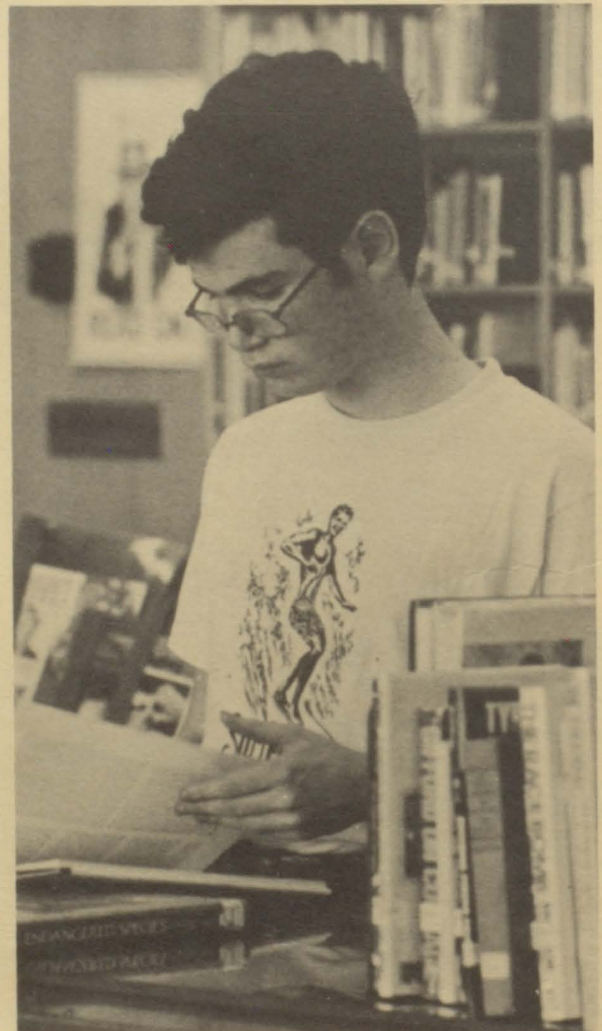

*All of the
smiles
and fears
we've
shared*

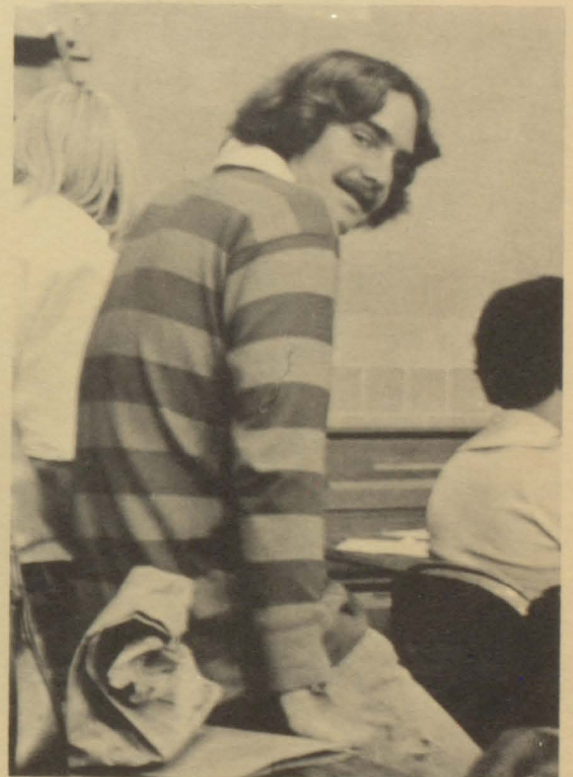

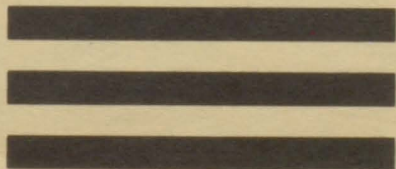

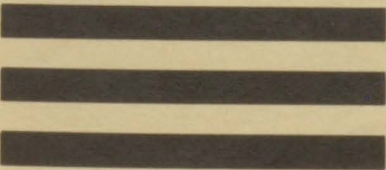

All of the love and hate

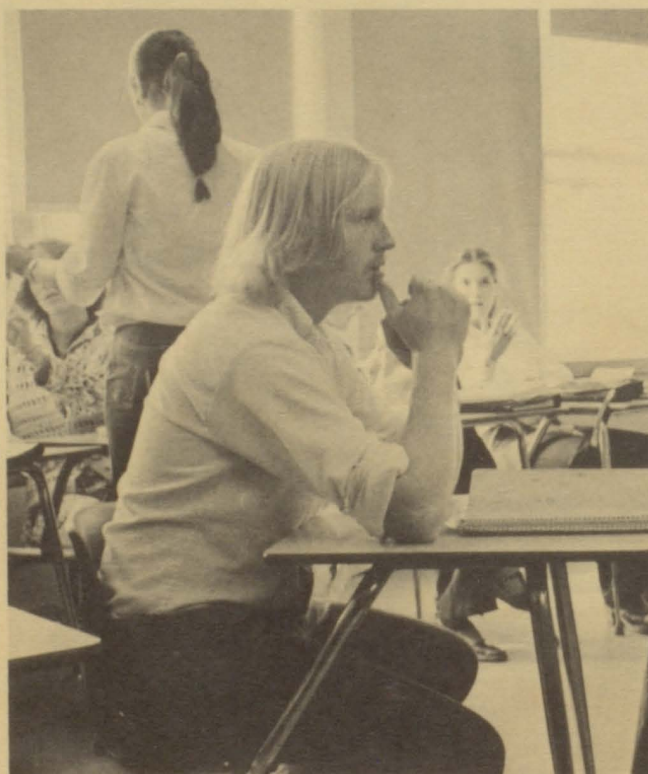

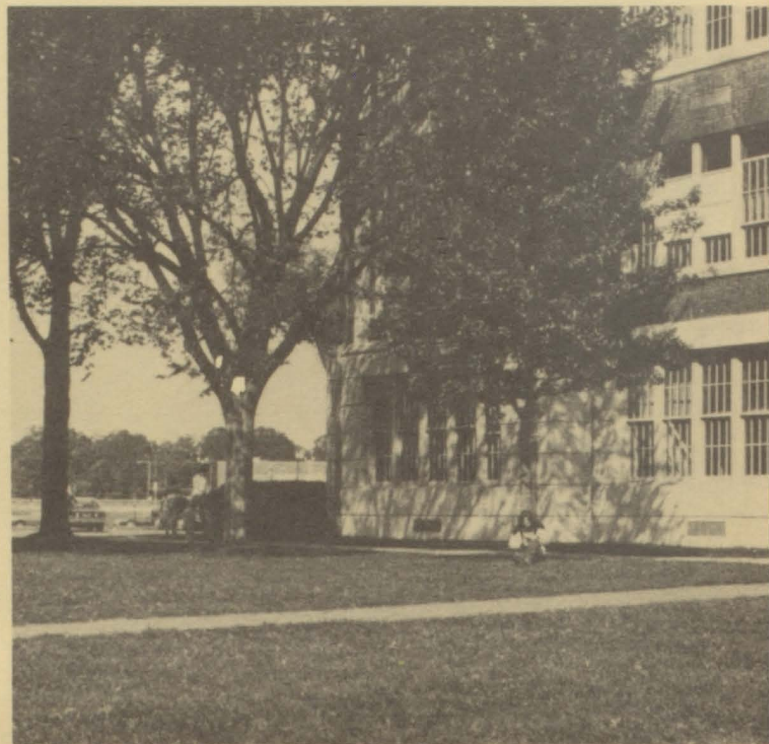

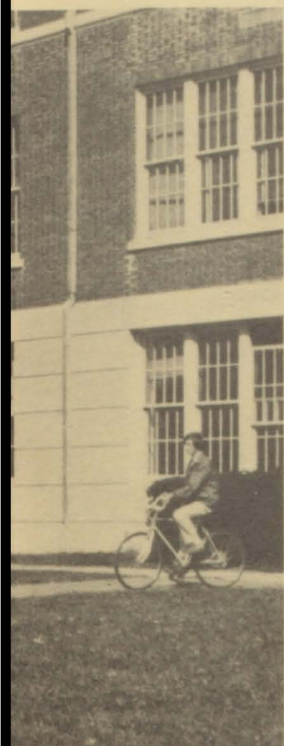

All of the winning

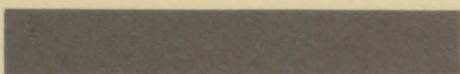

and losing

*Now it's coming
to an end*

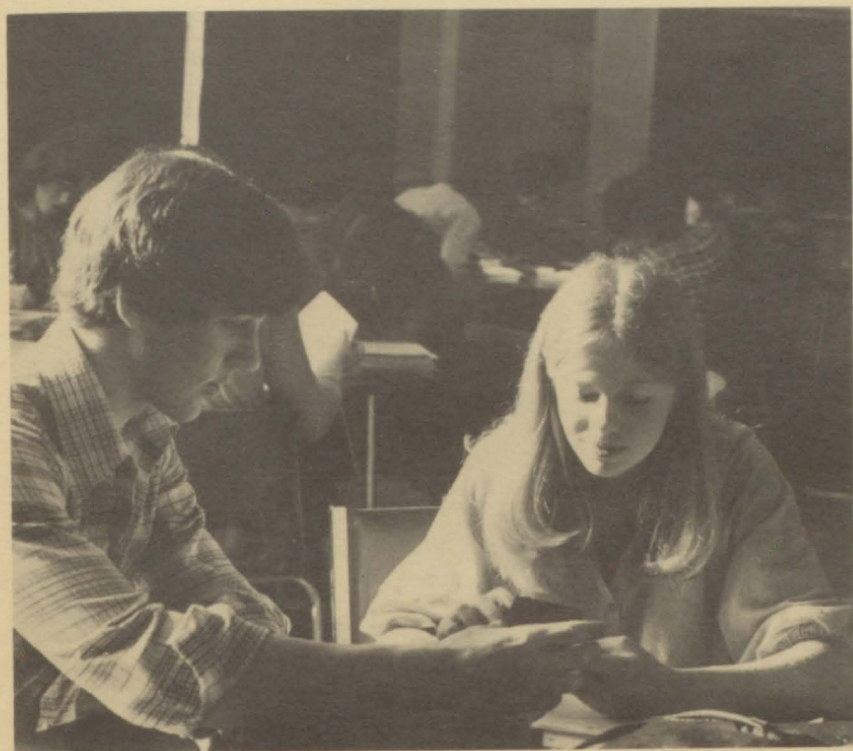

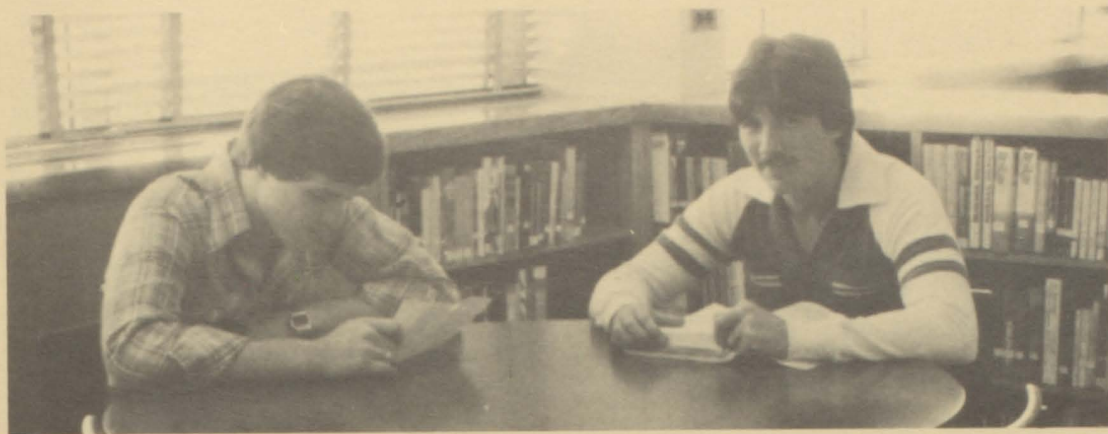

*An end to our fantasy years
The days of old are just
memories*

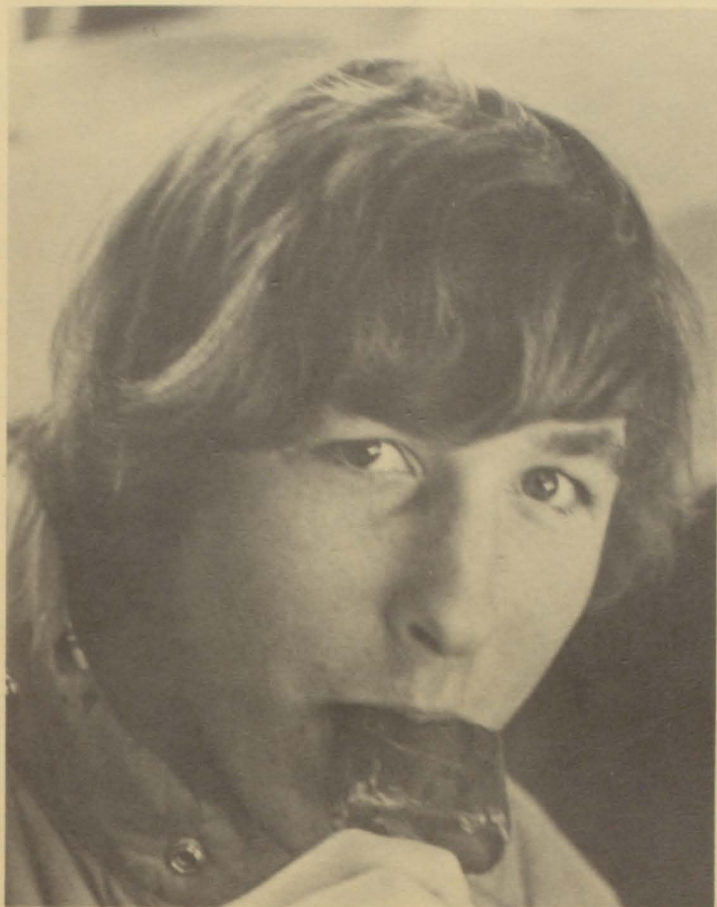

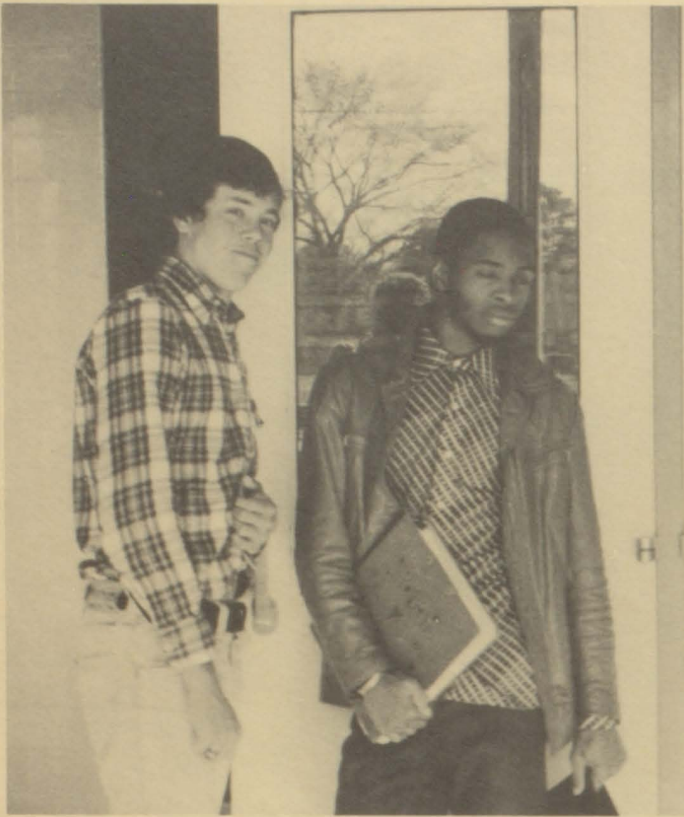

*Some of the faces
will always be around*

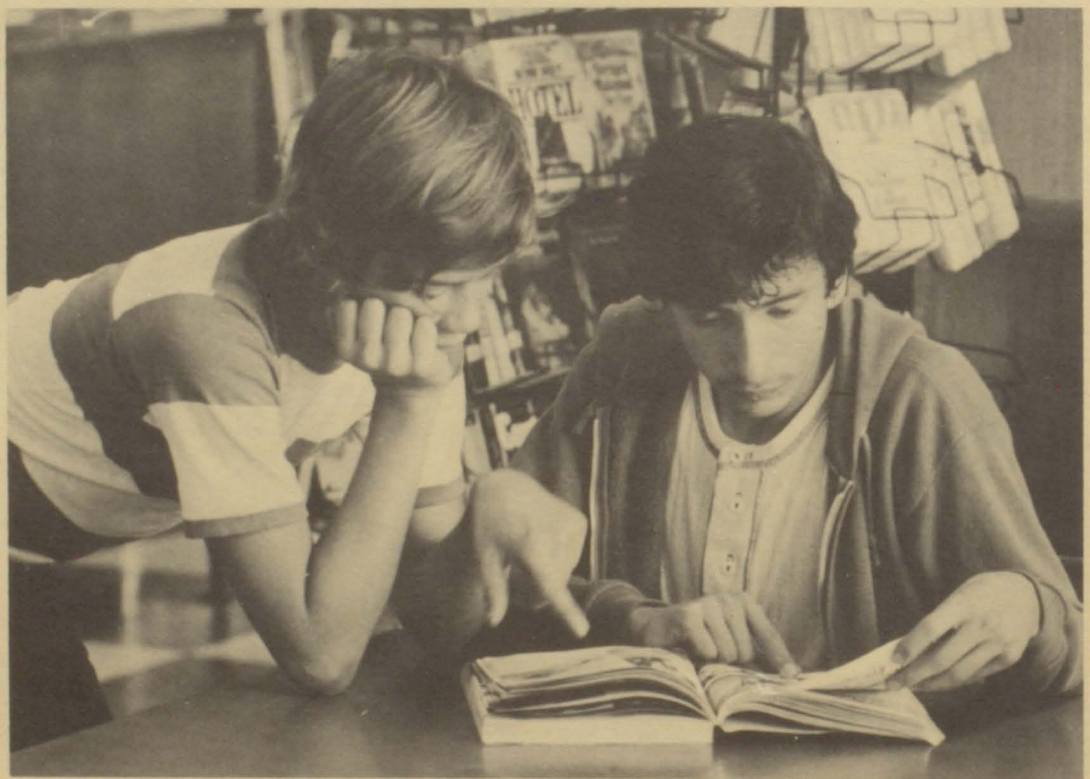

*Some are just part
of the changing tides*

*Reminisce on these good
old days*

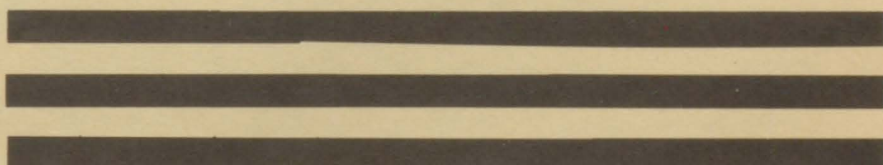

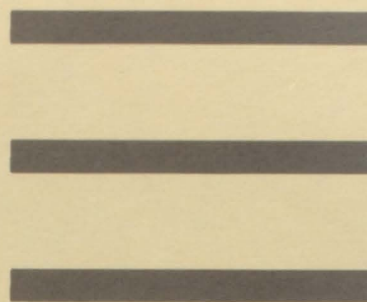

*Recall
"The
Gang"*

*Think of how
much we've
grown together*

Dedication

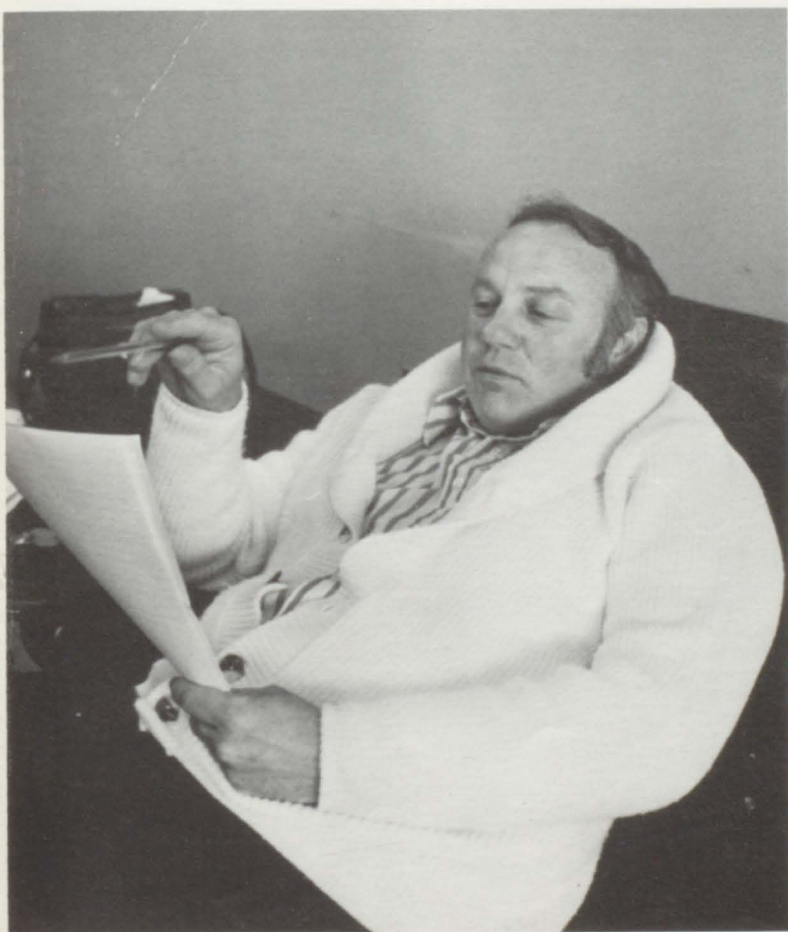

The class of '79 proudly dedicates the 1979 Maroon and White to our Senior Class advisor, Mr. David Jones.

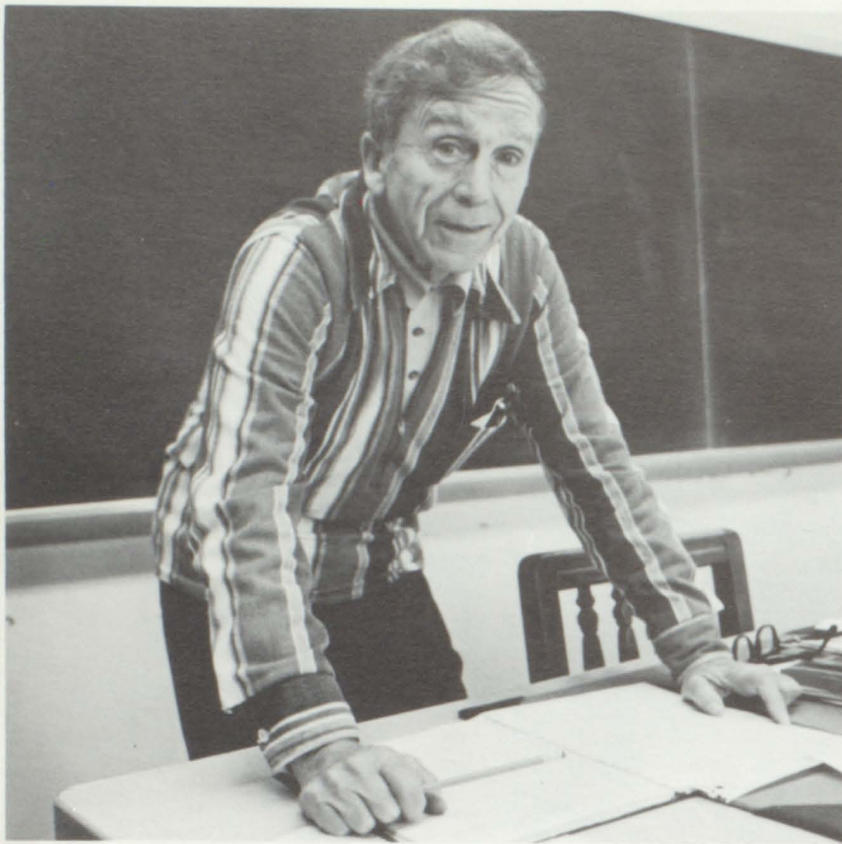

We would like to thank Mr. Jones for his hard work, time, and support. He came to all class meetings, "worked like a dog" at our events, encouraged us when things were looking down, and helped us have a very successful year.

All of us who came into close contact with Mr. Jones saw what kind of person he is. He's hard working, but never loses his sense of humor. He is a great guy to work with.

To you, Mr. Jones, thank you for giving yourself to us.

Senior Class of 1979

The staff of the 1979 Maroon and White
would like to show their appreciation to

... Dr. Lester Faggiani our faithful
advisor. Thanks, Doc, for your
"prescriptions" for making things great.

... Mr. Hal Epstein our professional
photographer. Thank you, Mr. Epstein, for
making us look presentable in our senior
portraits, and for helping us in a big mess by
developing our negatives.

There's no such thing as good-bye
 There's only a look, there's only a sigh
 The inevitable June and the lonely July
 Your desperate eyes that demand to know why
 Believe me, there's no such thing as good-bye

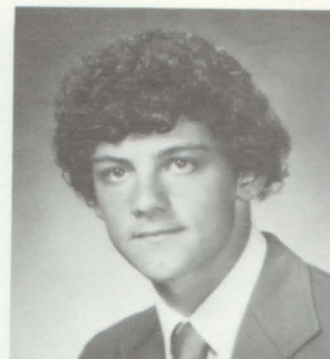

There's no such thing as the end
 Perhaps there's a phone call or the letters we'd send
 It's the best we can do without hours to spend

There's feeling — the meaning of the little word "friend"
 Trust me, there's no such thing as the end

Departure

Friends are forever,
often you'll hear,
but times must change,
year after year.

I hate to admit,
but know it's true,
the time has come
to start anew.

Yes, soon we will have to
pack up and go,
but at least when I do,
it will be very slow.

I dread to have to
face tomorrow,
and so I drown
my fears in sorrow.

To alleviate my fears,
they tell me to smile,
and so I do,
at least for a while.

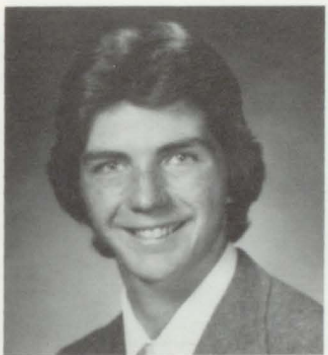

But when I go up
to receive my scroll,
I go very slow,
in almost a stroll.

After graduation
there are parties galore,
and together we stand
and cry for more.

Times when we
all can be
together again,
happy and free.

Here Together

Life's always here no matter what we do,
We're all here together so let's carry it through
We'll all have our good times and bad ones too
So let's do it together — Just me and you.

Some I've known forever, some just a year,
Still I hold you all so very dear
Times come and go and so does fear,
It all seems so much better when you are here.

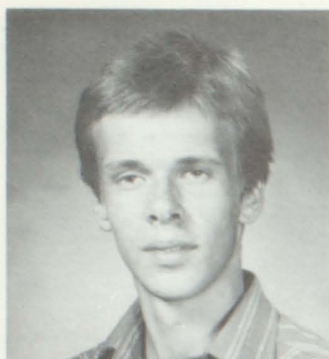

God gave us life it's just begun,
To us he gave this day with the rising sun,
Today we'll be together and be as one,
Remember it always when the day is done.

Today and tomorrow you'll be on my mind.
To me, all of you are just one of a kind.
Friends like you are hard to find,
And when you're around you always shine.

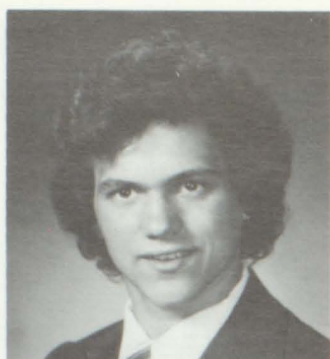

As we go through life on this merry-go-round
None of us know where we are bound.
Someday when we're together we'll have found
A perfect way and a perfect sound.

Life's always here no matter what we do,
We're all here together so let's carry it through
We'll all have our good times and bad ones too
So let's do it together — just me and you.

To the Class of '79

There comes a time when it's time
to say goodbye,
and hello to an uncertain future
And when that time comes to leave
these years behind,
gather memories . . .

The spirit was there
the cheer was from the stands
Bay Shore was winning
the clamour came from the bands.

And so it is always
the cheer goes on and on
But win or lose, they keep it up,
that great, class of '79.

The Tides

The tides slowly wash in, carrying along little creatures,
Bringing a new multitude of life to a new environment, a new local
Some will survive and some will go on to new challenges,
Others just merely exist.

The tides slowly glide out,
collecting their treasures,
Bringing them along the stream of life
and it's happening

In Memoriam
Richard Smith

We, the class of 1979, will always cherish our many fond memories of Rich. His kindness and courage will live in our hearts forever.

Even though we no longer see him, he will always be here — in our hearts and in our thoughts. He was the kind of person who was there if you needed him. He brought a little happiness wherever he went and always found a way to make you smile.

Although we shall miss him and we feel a deep sense of loss, we have gained a new insight toward life because of the wonderful person he was.

Lee and Jeanne Stelzenmuller

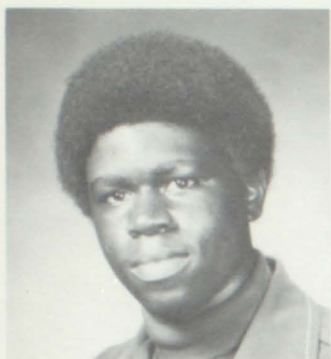

Since the sudden and unexpected event which brought Richard Smith's life to an end last July, there is not a day that goes by that his friends don't think of him and talk about old times.

Rich was a wonderful person. He was one of the few people in life with that certain charm and charisma that always lifted your day. But death is another part of living, and all of Rich's friends will always hold a place in their hearts for him. We can't linger in the past and be sad for Rich; we must let him live through us, his friends.

"This is God's dwelling among men. He shall dwell with them and they shall be his people and he shall be their God who is always with them. He shall wipe every tear from their eyes, and there shall be no more death or mourning, crying out or pain, for the former world has passed away."

Revelations 21:3-4.

CLUBS

SENIOR COUNCIL

Led by Senior Class President Dawn Malcolm, the senior class had a productive year. It started off with the homecoming parade and dance which came off as a success. Other activities sponsored by the senior class were the all popular Otter Creek concert, Valentines Day dance, Valentines sale, annual Spaghetti dinner, and Fashion Show. Through a lot of meetings, hard work, and dedication all were successful.

The class also worked many hard hours preparing for class day. The class of 79 is going to sail out of the Bay Shore High School on the S.S. Marauder with many happy memories.

This year's Student-Faculty Senate has accomplished many things to help out the school. They installed the school store, proposal for study halls, purchased the Christmas tree, snack-bar proposal, extra-curricular activities proposal, music assembly at Christmas time, and a suggestion box.

They are presently working on re-instituting drivers-education, getting a score board for the football field, Newsday contest, orientation for up-coming ninth graders, taking a poll of students for different views on matters, and putting together a student handbook.

The Student-Faculty Senate has begun getting students interested in their school, and doing their part to bring back school spirit.

The Maroon Echo newspaper, finishing up its fifty-first year, has again proven its firmly implanted existence in the High School. A virgual cornerstone of the building, the paper will always strive to provide proper coverage of all news, feature, and sports events.

The chores of publication are considerably lessened when a large staff contributes freely. This year was no exception as the Echo overflowed with a whopping 100 staff members and an exceptionally sound editorial board. The greatest task always concerned locating enough room for all the members' names in the staff box.

A certain devotion abounds in all Echoites. The advancement of the paper is the first topic of conversation among the devotees and new ideas seem to roll around constantly. The challenge of writing, laying out, and publishing a paper seems to captivate all members. To attack a layout or headline on a Saturday afternoon doesn't interest all students. But the certain few, who relish the thought of spending endless hours working on the paper, provide a strong backbone for the Echo.

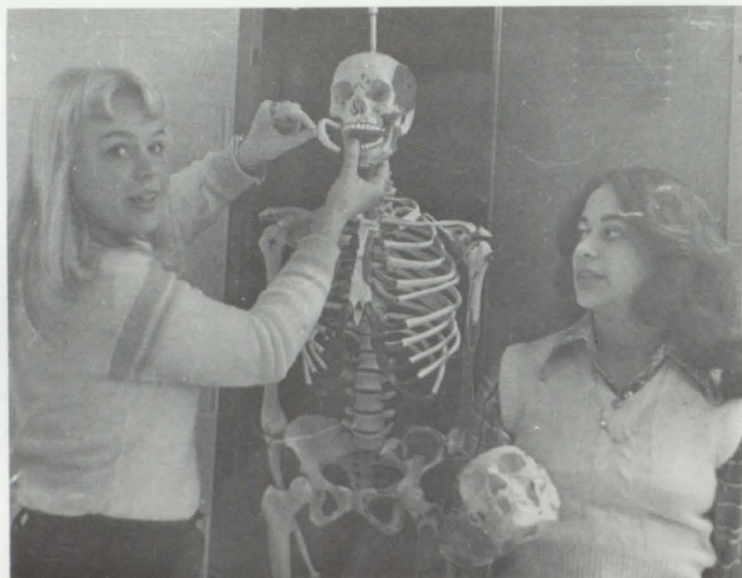

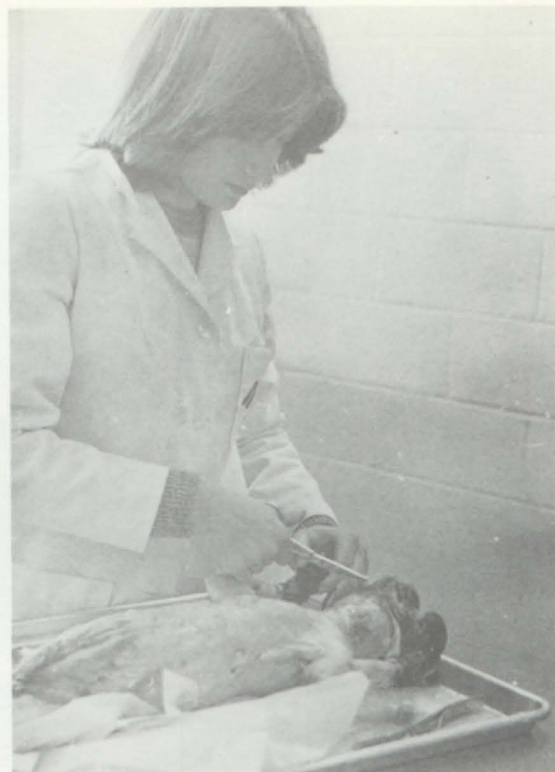

Work often became the second topic of business at layout sessions. The legacy set by previous editors of cracking perverse jokes was always the most interesting part of the day. Lunch was also placed high up on the list of major priorities (Should I do this layout? Nah, I'll wait till after lunch).

The past year has accorded the paper its fair share of accolades from the journalism community. Newsday gave the Echo a first place ranking and the Empire State Press Association awarded the Echo an All New York rating. The paper also received awards for outstanding feature writing, public service, and cartooning.

Under the leadership of its Advisors Vera Meyerson and Eileen Mulcahy, and quite a few ambitious underclassmen, the Echo will continue its varied and diverse coverage with the same zest it has always exerted.

BOCES

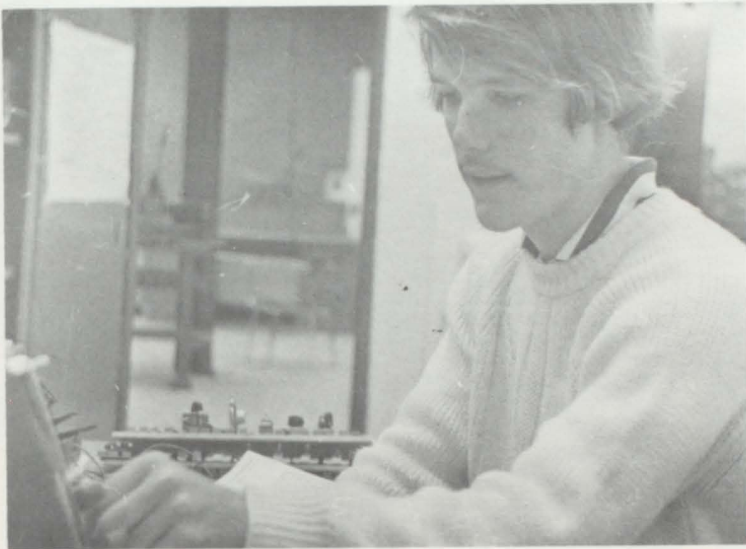

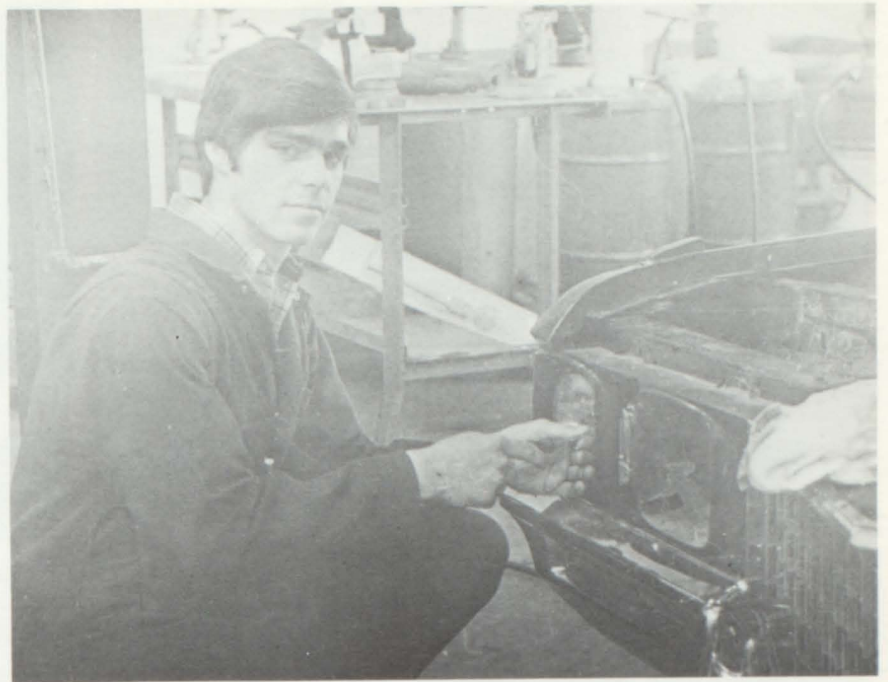

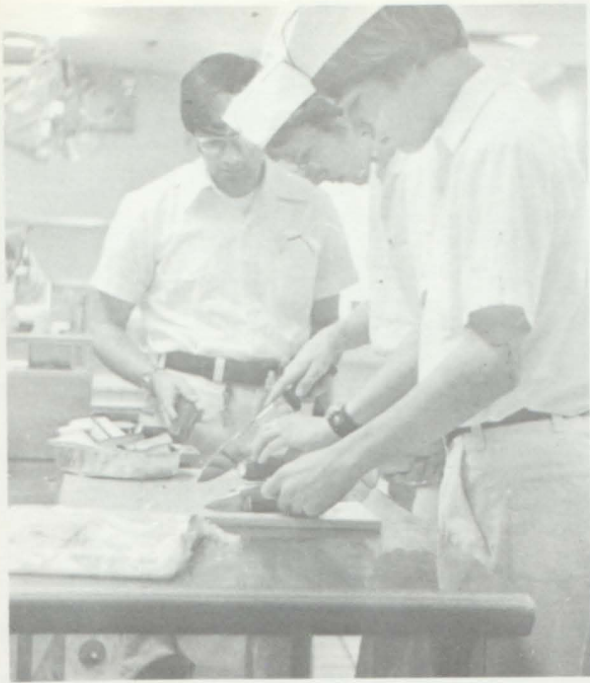

BOCES is a wonderful experience for students who are interested in a particular skill. It provides an opportunity to learn a trade.

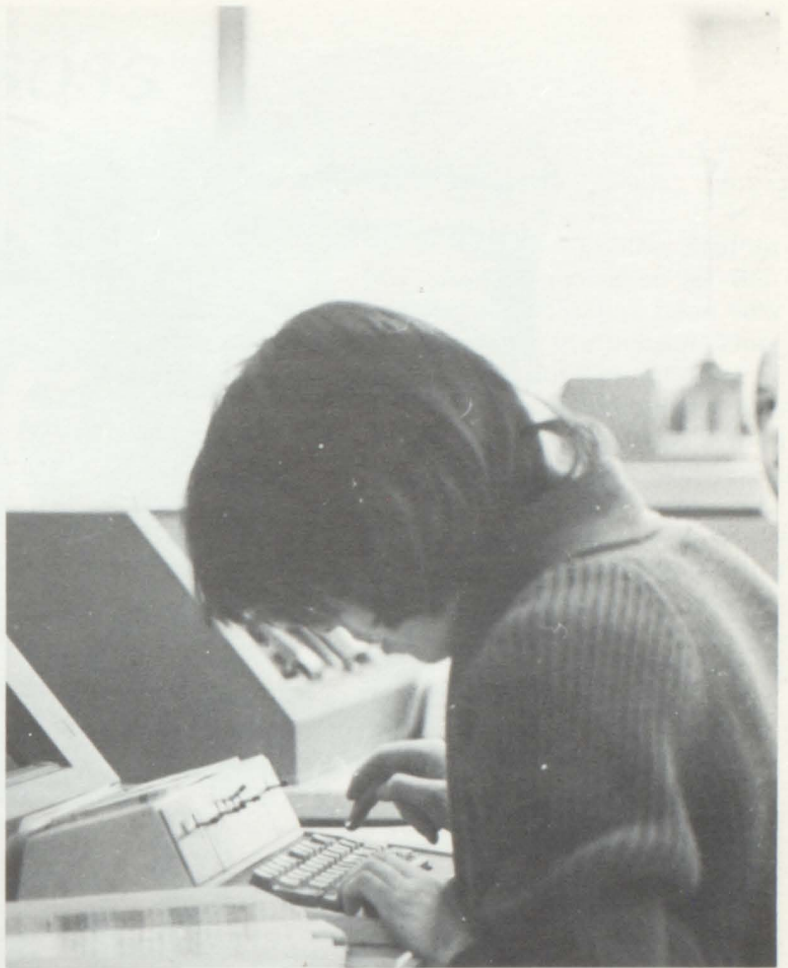

The schools are large and are attended by students from many towns. All of the classrooms are set up with equipment that the students will be taught to use in order to master the particular skill he or she is learning.

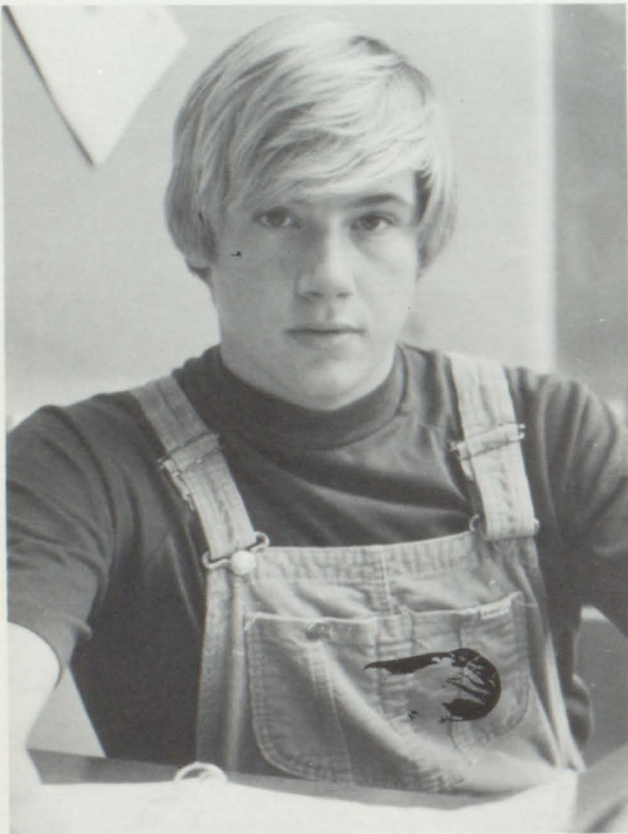

Most students who attend vocational schools are those who have a definite interest in a skill, and who want to learn more about it. The students choose to be there and that makes the atmosphere very pleasant. Inside the classrooms there is always something going on which interests them, and that makes them want to stay.

The atmosphere in a classroom of a trade is so real, it almost feels unreal. The students all work together because they have a purpose. The initials VICA stand for Vocational Industrial Clubs of America. Their motto is "Tomorrow's Professionals are in VICA today," and it's true because BOCES is a good place to be part of and proud of.

BSOSS

This year B.S.O.S.S., Brother and Sister Organization for Student Scholarship, has been very involved with the school. They sponsored four school dances, sold popcorn at football and basketball games, held a soul food buffet, were invited to Westchester to dance for Art Week. They went to New York City to see a play, and during Black Culture Week they invited guest speakers to come in. At the end of the year, they held a tribute dinner for the B.S.O.S.S. members.

Chess Team

The chess team, advised by Mr. Titus, was undefeated by midseason, having defeated such teams as Lindenhurst, Half Hollow Hills, and Bayport. With a realignment of their league which eliminated St. Johns, their traditional nemesis, Bay Shore was well on the way toward a league title.

A chess match consists of players competing on five boards, with a victory on first board worth eight points, a victory on second board with seven points, etc. Bay Shore rarely swept five boards, but always managed to find three or four winners, enough to win the match. The team was strong all over; when first board Steve Holtje or second board Charles Coulverson ever faltered, Norman Oder, Steve DellaRocca, Glenn Kramer, and Joe Robinson were there to pick up the pieces.

Before the season began in December, the players met on Tuesday afternoons to practice. Once the season started, the players would check in with Mr. Titus the morning of a match and then after school proceed to vanquish the opposition. Mr. Titus occasionally gave pep talks or warnings about overconfidence (especially when a player would proudly proclaim that he had not practiced all week), and though the matches were usually tense, Bay Shore was always confident of victory.

Charles Coulverson, Steve DellaRocca, Steve Holtje, Glenn Kramer, Norman Oder, Joe Robinson.

Tresa Ingargiola, Loui-seellavia, Tara McHugh, Nancy Tuomey, Lia Karjalainen, Valerie Harth, Carol Eldora, Nan Sees, Maria Bordash, Kim Ous-tecky, sa Calea, Majonka Herlikofer, Lisa Mowbray, Charlotte Watters, Janine Perrotto, Chris Lamb, Rolf Esters, Helene Roth, Teri McMahon, Sandra Zeiher, Marc Ancell, Christine Foley, Mrs. Skirbe

The International Club kept itself very busy this year with the guidance of Mrs. Gomez and Mrs. Skirbe. They had a field trip to the Metropolitan Museum of Art in New York City. Their fund raisers included selling candy, a car wash, and the International Dinner.

President of the club is Sondra Zeiher and the Public Relations representatives are Chris Foley, Lisa Calia, and Helene Roth.

Literary Magazine

This year the Literary magazine, Reflections, had a very large staff. Last year's publication was the first in four years, and won second place in the state by the Columbia Scholastic Press Association. Debbie Judge is Editor-in-Chief and, Mag Hurley is Associate Editor. This year's staff expects to do as well, if not better than last year.

Math Team

This year the Math Team coached by Mr. Reginald McLaughlin, had its best season in years. Though hopes for first place in the county were unfulfilled, the "A" team, which consists of the top five "mathletes" was tied for third out of over 80 teams in the county after three out of five matches in the season. The "B" team, which serves to give the future "A" team members experience, was not ranked so high but did very well in comparison to other "B" teams in the county.

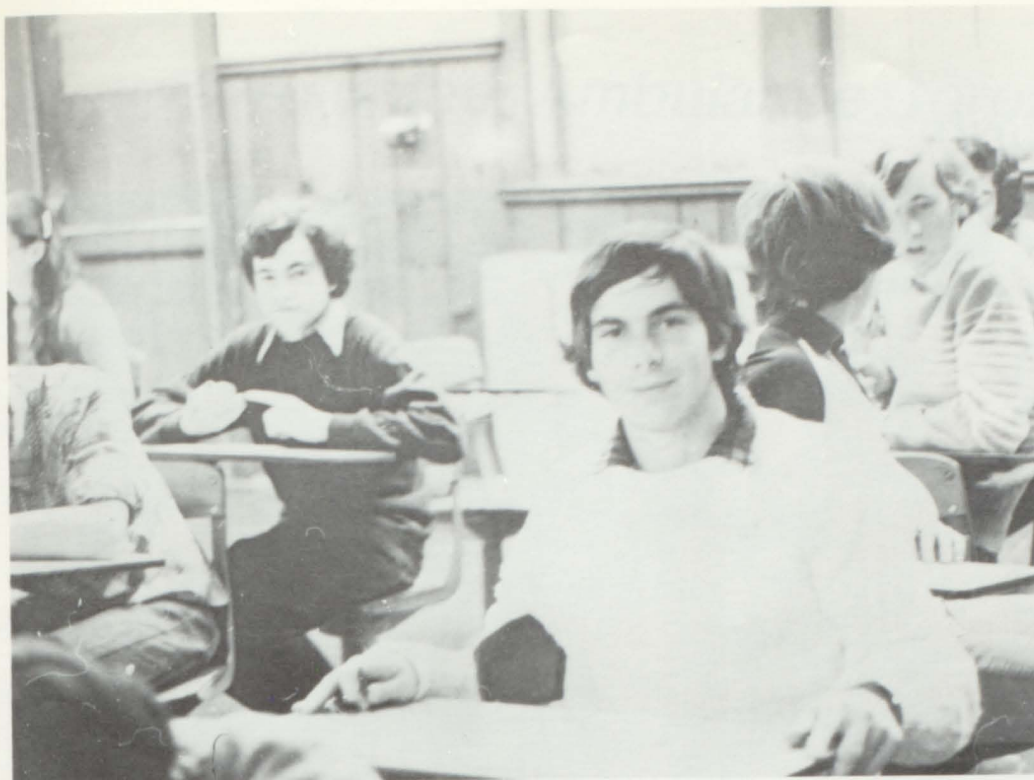

Out of a possible 30 points (six questions X five players) per meet, the "A" team consistently scored between 14 and 20 in defeating their league opponents, Hauppauge and East Islip. Team members were sometimes frustrated by foolish errors, but they always did well enough to see their opponents' hopes dashed repeatedly. Unlike some other coaches, Mr. McLaughlin rarely criticized his team; he merely offered help and encouragement when needed.

Leading scorers for the year were, Norman Oder and Marci Segal, who were both ranked in the top 15 in the county, but the contribution of other "A" team players, Glenn Kramer, Bruce Yirinec, Brian Yirinec and Jon Shuter — were also valuable.

Jeff Bloom, Stacy Kaplan, Glenn Kramer, Margeurite Kramer, Norman Oder, Joe Powers, Alex Rapisarda, Marci Segal, Jon Shuter, Mark Weinberg, Brian Yirinec, Bruce Yirinec.

Get This?

Suppose in a set of three elements $[a, b, c]$, the values assigned to its elements a, b, c are respectively $1/2, 1/3$, and $1/6$. Consider the set D , consisting of all subsets of $[a, b, c]$, and assign to each of these subsets the sum of the values assigned to its elements.

Consider the 2 disjoint sets $[a]$ and $[b]$:

$$f([a]) + f([b]) = 1/2 + 1/3 = 5/6$$

But

$$[a] \cup [b] = [a, b]$$

and

$$f([a, b]) = 5/6$$

also. Hence

$$f([a]) + f([b]) = f([a] \cup [b])$$

Similarly $[a]$ and $[b, c]$ are disjoint and their union is $[a, b, c]$:

$$f([a]) + f([b, c]) = f([a] \cup [b, c])$$

If we select two overlapping sets such as $[a]$ and $[a, c]$:

$$[a] \cap [a, c] = [a]$$

and

$$[a] \cup [a, c] = [a, c]$$

Now we have:

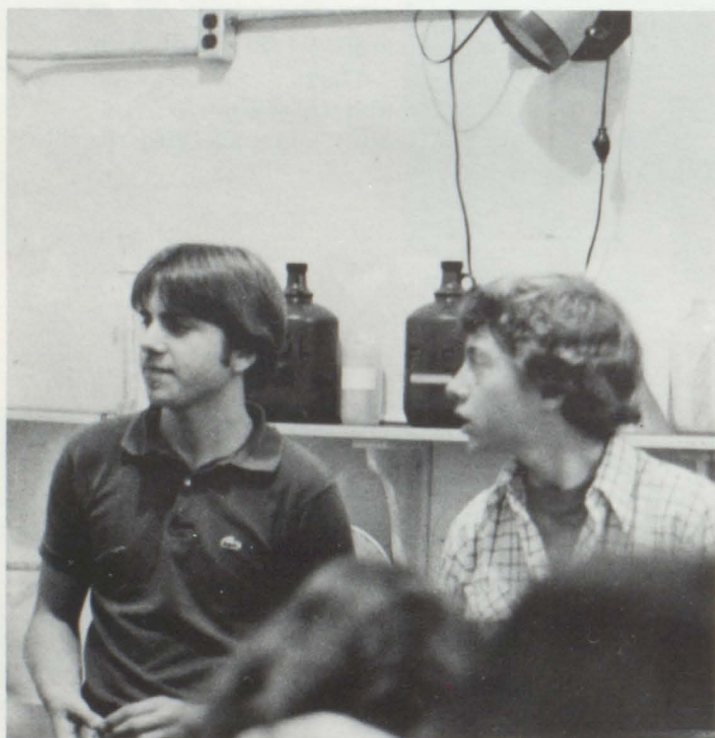

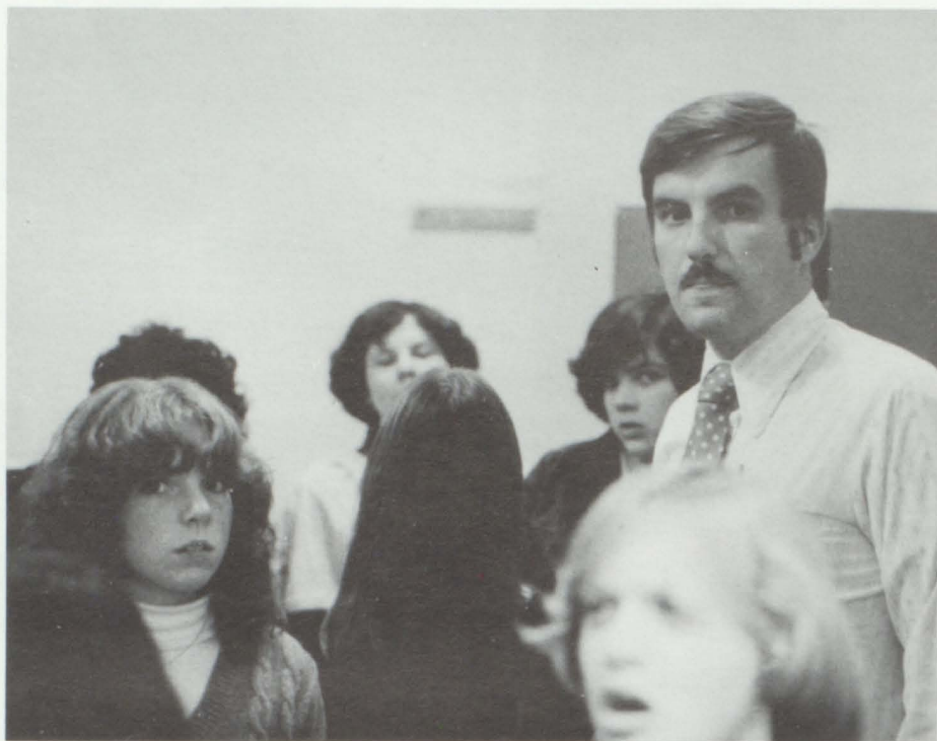

$$f([a]) = 1/2, f([a, c]) = 2/3$$

Thus:

$$f([a] \cup [a, c]) =$$

$$f([a]) + f([a, c]) - f([a] \cap [a, c]).$$

Photography Club

Theresa Ingargiola, Sue Attisani, Chris Walker, Laurette Beggins, Kelly O'Shea, Jeanellen Connelly, Marc Ancell, Peter Koncelik, David Goldberg

Under the direction of Mr. Lachat, the photography club started in October. Mr. Lachat set up a darkroom program in which he taught the students developing and printing, while the photography club worked for the Maroon Echo and the Maroon and White. In spring he held a contest for general photography. Their ambitions for next year are a bigger turnout and more contests in an effort to get more people involved.

Volunteer Ambulance Corps

Excuse the Interruption . . .

Excuse the interruption, but we have an ambulance call for _____. A familiar phrase that is heard in the school building almost every day will finally be unveiled.

For ten or so years now, the Bay Shore Brightwaters Rescue Ambulance Corps has instituted a program of student members to assist on calls during the day. This program has proved very effective since most of the corps volunteer members work during the day.

This year, under the direction of Chief Douglas Pearsall and Assistant-Chief William Vice, ten students learned the techniques of first-aid by enrolling in Emergency Medical Technician classes (E.M.T.) and certifying in C.P.R. (Cardio-Pulmonary-Resuscitation). The E.M.T. course teaches everything from treating a scrape to emergency childbirth.

The Bay Shore-Brightwaters Rescue Ambulance Corps is definitely a stepping-stone for the students. True, it helps those who want to further their medical careers by giving them a foundation on which to build. For some, though, the experience builds confidence and leadership training. And to all of us, helping people in our community is the most rewarding experience there is. That is what the Bay Shore-Brightwaters Rescue Ambulance Corps is all about.

Marching Band

From their annual band camp in the last week in August to graduation in June, the marching/concert band is one of our school's busiest activities.

The band began their year, after tough, long weeks of practice, by playing for the opening of the local football little league, and next the parade held for the second annual Bay Shore Marathon. Following these came the halftime shows for the home varsity football games, plus some additional cheering for the gridiron Marauders. As the highlight of their marching band season, the band put on a fine performance on a cold autumn night at the annual *Newsday* Marching Band Festival.

The band then put away their marching music and started to practice indoors for the Winter Concert in December. As this is written they are rehearsing enthusiastically for the February Pops Concert. After that they will look forward to the April Spring Concert, then the outdoor Memorial Day Parade, and finally, Graduation for the class of 1979. And the last week in August will only be two months away.

Yearbook

At long last the yearbook is finished! Six "memorable" months have gone by and now upon completion, we are proud to say, "Its been real . . ."

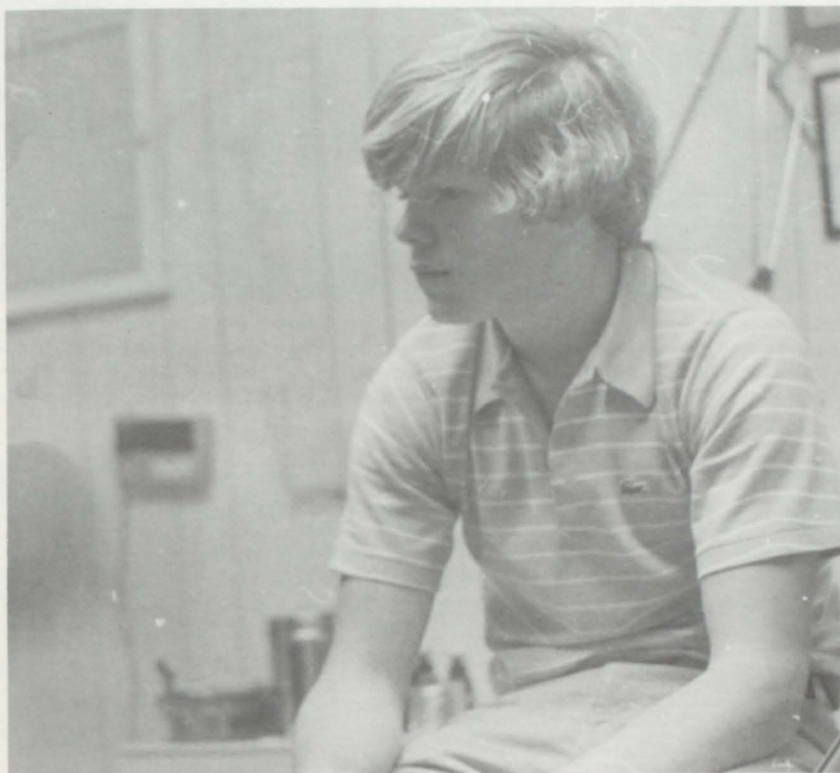

Long hours of picture taking, laying out, typing, copy editing, yelling, crying, missing and just making deadlines have all gone into the making of this year's Maroon and White.

The faults of camera, film, and people have all been combined to produce the outcome of a successful and memorable yearbook.

Good Luck to the "crew" next year; may yours not be the same as ours!

National Honor Society

This year the National Society kept itself busy. Thanksgiving time they sponsored a food-drive for needy families of Bay Shore. During the Christmas season they sponsored a toy drive for the children in Southside Hospital. Throughout the year they have been tutoring other students during their free sets. They've also written a set of National Honor Society by-laws.

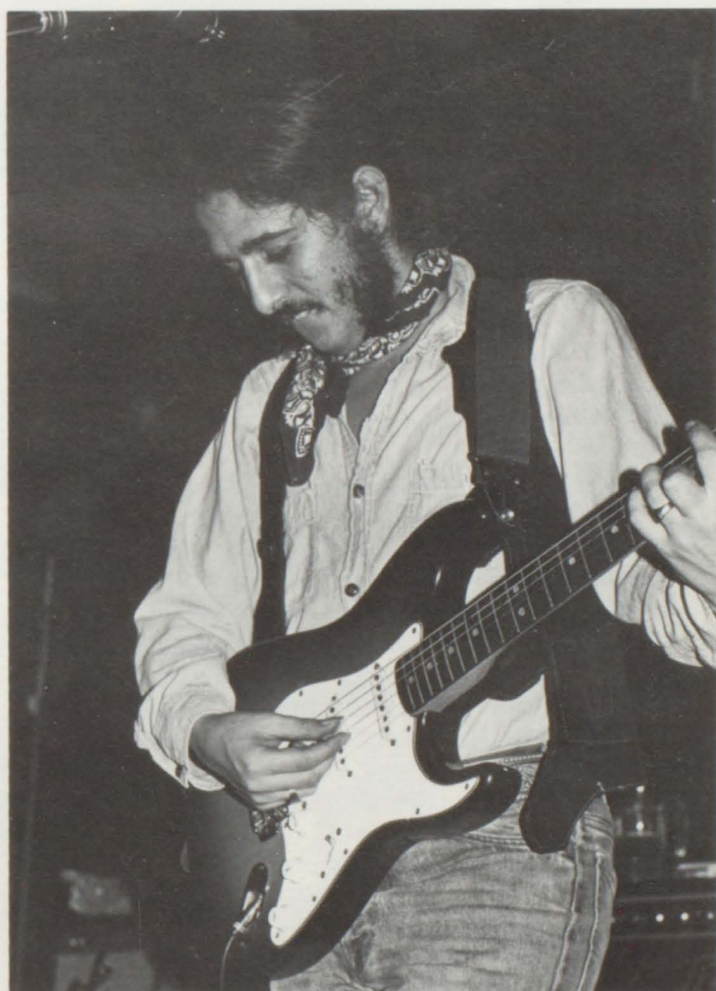

The National Honor Society is also trying to find ways to specifically help the school. With Middle States Evaluation coming they are evaluating the system from students point of view before the state itself completes its evaluation. They are also trying to come up with ways to improve the conditions for the handicapped people.

Marauders Sail Away To Victory

Homecoming '78 was a big success. Our football team beat Centereach 6-3, one of the toughest teams in the conference.

Each of the three classes got involved by entering a float in the Homecoming Parade. The seniors won first place with their float, the S. S. Marauder. The junior theme was "Can Centereach," and the sophomore float achieved much popularity with the famous "Ziggy."

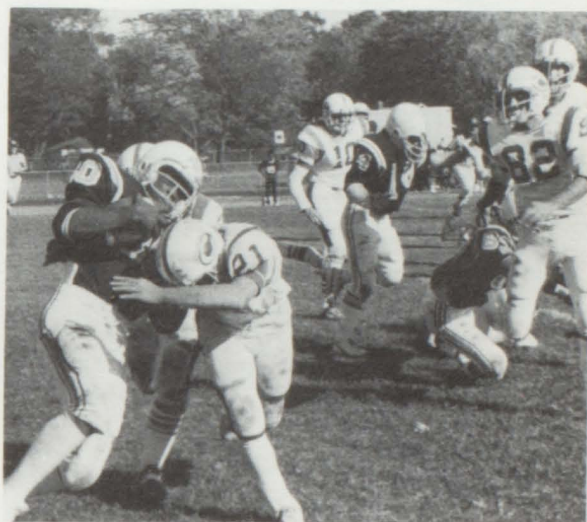

This year we not only had a Homecoming Queen, but also a Court. Lynn Moderno received the honor of being named Queen, Nancy Major was runner-up, and the court consisted of Dawn Malcolm, Sondra Zeiher, Arlette Ashton, and Michelle Robinson.

The feelings of the crowd seemed to be "R-O-W-D-I-E! That's the way we spell ROWDIE — ROWDIE — LET'S GET ROWDIE!" Everyone seemed to bring their school spirit.

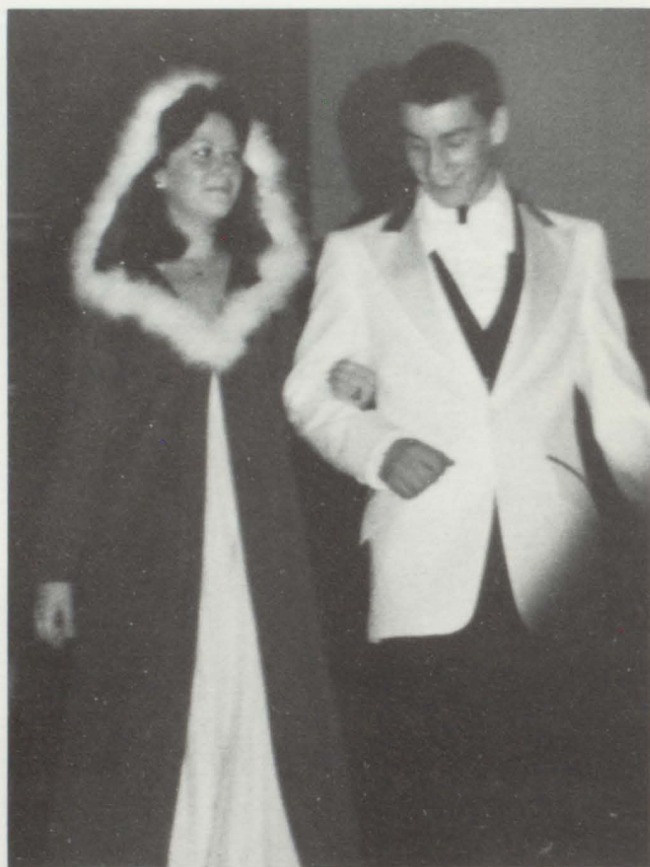

During half-time the marching band performed once again with their usual precision.

It was a fun day for all. Bay Shore is certainly ON THE MOVE!

3rd Avenue Struts Its Stuff . . .

3rd Ave. Struts Its Stuff

Decorating, setting-up tables, fixing the lighting, fixing the music, hemming skirts and pants-then-finally-the show must go on! The 1979 Senior Class Fashion Show and Chinese Auction was a great success. With fashion ranging from wet suits to Santa Claus, from sportswear to casual wear, from 1950's formal wear to 1979 formal wear. The hard work and effort put forth by many senior class members paid off. The atmosphere was light and everyone's spirits were high. It was a fun night for all.

Flute Choir

This year was the first year Bay Shore had a flute choir. It is a group of talented flutists from the band. Through grammar school lessons to summer lessons to high school lessons (some even private lessons) and band, these girls have achieved a high degree of performance. The flute is a woodwind instrument which doesn't get much acknowledgement, but with the formation of the Flute Choir, the flute and flutists will now begin to be recognized.

SPORTS

Boys' J.V. Basketball

The junior varsity Basketball team is a group of solid ball players who put out "very hard" during the long hours of practice. These young men have the determination it takes to win ball games, as evidenced by their successful record in league competition. There have been a couple of games where the Bay Shore J.V. team came down to the wire with their opponents and pulled out victorious. Coach Ray Charlton expects a lot from these young men, and he is dedicated to bringing out the talent in each of them. Coach Charlton emphasizes running and building up the legs which lead to the success in the big aspect of the game, "DEFENSE." The team members are Thorny Powell, Greg Johnson, Robbie Dromerhauser, Dwayne Holoman, Brian Melton, Charlie Carle, Anthony Aughenblick, Mark Frisby, Edward Brown, and Adam Goldston.

Girl's J.V. Basketball

The Junior Varsity girls Basketball team had a very successful season. One reason for their long-running record is team co-operation. The team survived because they all worked equally hard and put forth their best effort. One of the high scorers for the team was freshman, Kelly Watts.

Boys' Varsity Basketball

John Schwartz, George Johnson, Mark Carter, Houston Powell, Stanley Lewis, Harry Boney, Mike Schlegel, Dered Easley, Jim Burley, Reggie Jackson, David Foster, Coach Mr. Mahier

Despite many team problems, the Varsity Basketball team is having a successful season. Their record so far is 8 wins — 3 losses. The key players are the starting line: Jon Schwartz, Jim Burley, Houston Powell, Stanley Lewis, and David Foster. The team has had many problems, but they are being worked out, and the team is working well together.

Girls' Varsity Basketball

The girls' varsity basketball team is looking forward to a good season. The team has 7 returning players: co-captains Gina Day and Jomari Jefferson, Patty McCaffery, Maureen McClendon, Kim Pacheco, Edith Polvay, and Lee Anne Tireney, along with new members Lisa Holoman and Lisa Lewis.

Overall, there isn't much height, but the team makes up for it with good outside shooting. The team is relatively young, but determined and they look forward to finishing in the top three in their league.

nore, James Jackson, Jimmy Albanise, Jeff Bloom, Tim Gench, Mr. Morrison

Stripped by graduation of its top bowlers from the previous year and competing in the most demanding league in Suffolk County, the Varsity Bowling Team finished with a respectable 822 average, good enough for fifth place. Tom Dinsmore, a sophomore, led the team with a 170 average and received substantial support from veterans Ed Sconzo, Larry and Linden Hock, Jim Gensch, Wayne Goldberg, and Jim Albanese, each of whom will return next year, providing support and promise for the future.

This years J.V. Field Hockey team had a very good season. The captains of the team were Joanne Doeblor and Dana Byrne, who was also the leading scorer. The team was made up of relatively young girls and skillfully did very well in their new league. They switched to a tougher league and finished in third place. Through much team work and hard practice, the team improved their skills and had a successful year.

Varsity Field Hockey

Through hard practices and teamwork the field hockey team members improved their skills until they finished their season with seven wins, three losses, and two ties, gaining second place in League 4.

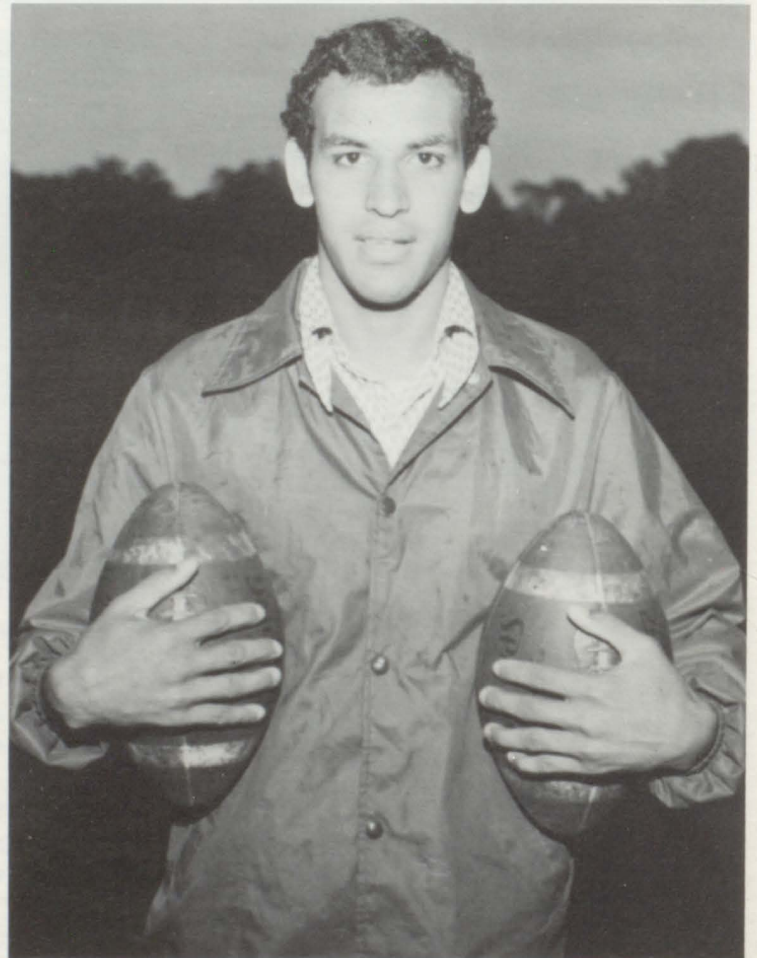

High scorers for the season were Edith Polvay with thirteen points and Donna Cronin with five points. Key defensive players were Lisa Pappas and goalie Lorraine Vecchio, with fifty-five saves.

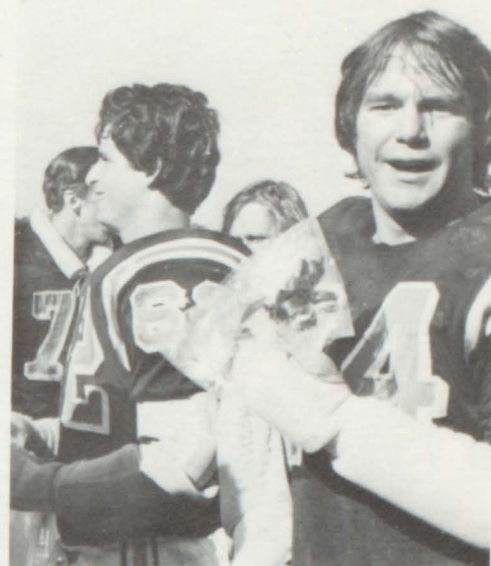

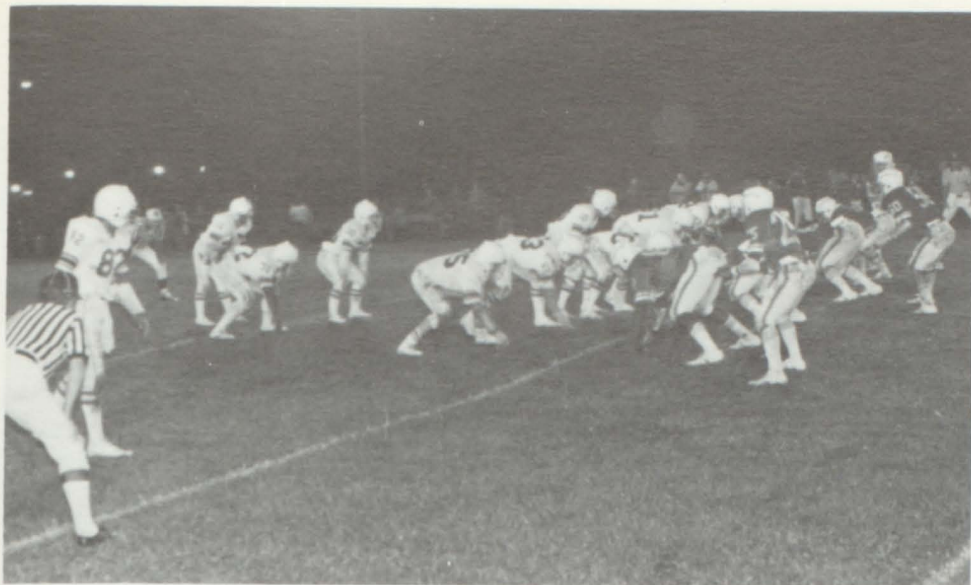

All-league players were Donna Cronin, Lisa Pappas, Jomari Jefferson, and Edith Polvay, who was also picked for the all-county team.

This year's Varsity Football team completed their season with a record of two wins and seven losses. However, the disappointing record does not show the enthusiasm and dedicated work that these thirty young men put out.

The team had many disadvantages to overcome: their lack of height, weight, and inexperience playing on the varsity level. Despite these, the team proved to be very respectable, because of their desire to win, and their overall toughness.

Their toughness can be shown by noting that Bay Shore's wins happened to come against two of the best teams in their conference. They slaughtered first place Newfeild by a score of 24-6, and knocked Centereach down to second place by beating them 6-3 on our Homecoming Day. Bay Shore was always in the contest during their other games, except for one.

Much thanks is due to Coach Jones, Twyman and Babenzien for their efforts. Bay Shore was not the biggest team on the outside, but on the inside they were the biggest and best team in the country.

Coaches: Pitman Schultz; not shown John Cifelli

The 1978 J.V. Football Team started its season with a very impressive 42-0 victory over C.I. For the next three games the young Marauders stomped over their opponents with almost equal ease. They suffered their first loss on a rainy field against a strong Huntington team. The young team then went on to win its next three games. The team suffered its second and final loss of the season against Hauppauge by the close score of 6-0.

The boys had to overcome many obstacles to complete their successful season. Team members were lost to the varsity squad, and a number of players were injured, including four from the starting lineup. Despite these obstacles coach John Cifelli was quoted as saying, "We had quite a successful season." Coach Pitman Schultz felt it was a successful season also. Working with a limited number of players he and Coach Cifelli turned out a good, competitive team that was made up, as Coach Schultz put it, "of a bunch of wild and crazy guys."

Boys Gymnastics

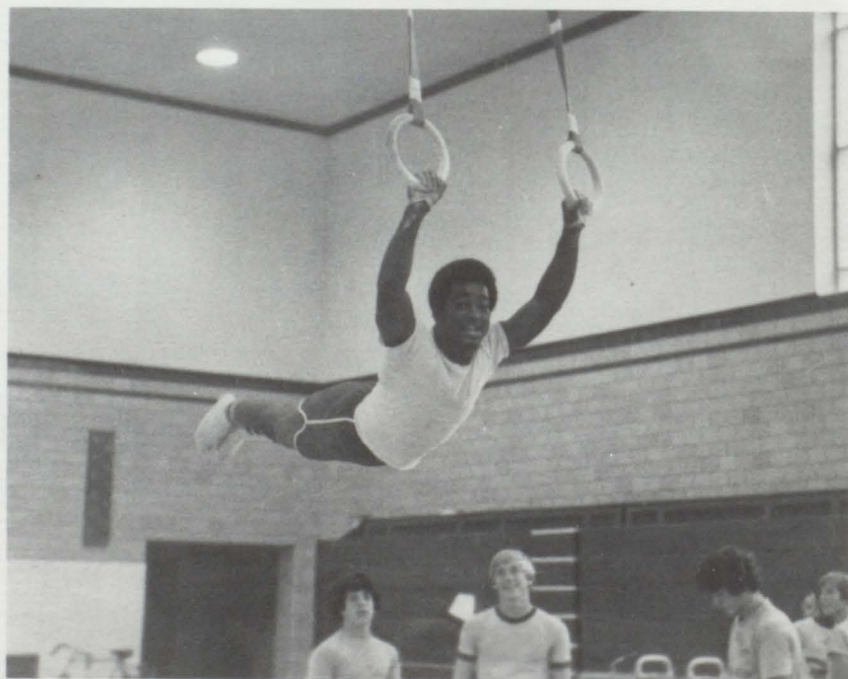

This year's boys gymnastics team had an outstanding season. With a 12-0 dual meet record, they had one of the best seasons that any Bay Shore team has had in years, and perhaps one of the best that Bay Shore has ever had.

Coached by John Pfeffer and led by captains John Limperopolis and Kevin Glynn, the boys not only had an unbeaten dual meet record but they swung, vaulted, and tumbled their way to the Conference B championship. With unusual depth as their greatest asset, they then went on to become the County Teams Champions.

Outstanding performers in this memorable season were Kevin Glynn, John Limperopolis, and junior Jeffery Reid.

Congratulations, gymnasts!

With a 9-3 record in Conference II the girls' gymnastic team finished high in their league. The team's dedication resulted in a number of records and high scores, including the achievement of scoring over 100 points three times.

Karen Jao, Charlene Dewey, Elise Cassuto, Rosemary Brown, and Karen Sammis all qualified for the Conference II meet. In addition, outstanding gymnasts Debbie Bonilla, Ann Sharkey, and Debbie Peters not only qualified for the Conference II meet, but placed high enough to go on to the Counties.

The whole team, but especially the four seniors, Jackie Hodgson, Mara Horowitz, Julie Howell, and Karen Sammis are grateful for Mrs. Reedy's efforts, and they regret that she will not be able to continue as their coach next year.

The final league record of the J.V. soccer team was 5-5-2. They started the first half of the season with many problems which caused them to drop several games. But as the season progressed the team started working together and managed to break even. It was an exciting season with many close losses and a few "goal-fest" victories.

Varsity Soccer

Although this year's varsity soccer team finished in third place in league IV, with a record of 7-71, Coach John Cody felt that it was one of the most talented teams he has coached in a number of years. Throughout the season the players perfected their techniques and broadened their knowledge of the game situations. By the end of the season the team had developed a number of very talented players, enough to make the outlook for next year very hopeful.

The talent of the squad by the end of the season was attested to by the selection of three of its members to the All-League Team: Tony Gallagher, Gerard Maratea, and Bill O'Farrell. Even more impressive was the selection of Mike Fitzgerald and Jimmy Skala to the All-County squad.

Girls Varsity Tennis

Girl's Varsity Tennis

This year's varsity tennis team had a very successful year. With a 13-1 overall record, they were League 4 champions and number two in Suffolk County.

When asked who the key players were, Coach Eckman stated, "All the players. Every point counts and every player counts."

Individual awards went to Jane Van Nostrand, who was number one in conference singles and number four in Suffolk. Molly Van Nostrand placed number two in conference singles and number one in the county; she also placed number one in the consolation round of the state singles tournament. Allison Ettinger and Adrienne Tilbor were number one doubles in the conference, number three doubles in Suffolk County, and number one doubles in the state doubles consolation round.

The fine coaching of Mr. Gallagher led the girls to a fine record with only one loss. Top singles players were Dottie Gilman, Felicia Staub, and Nancy Simon.

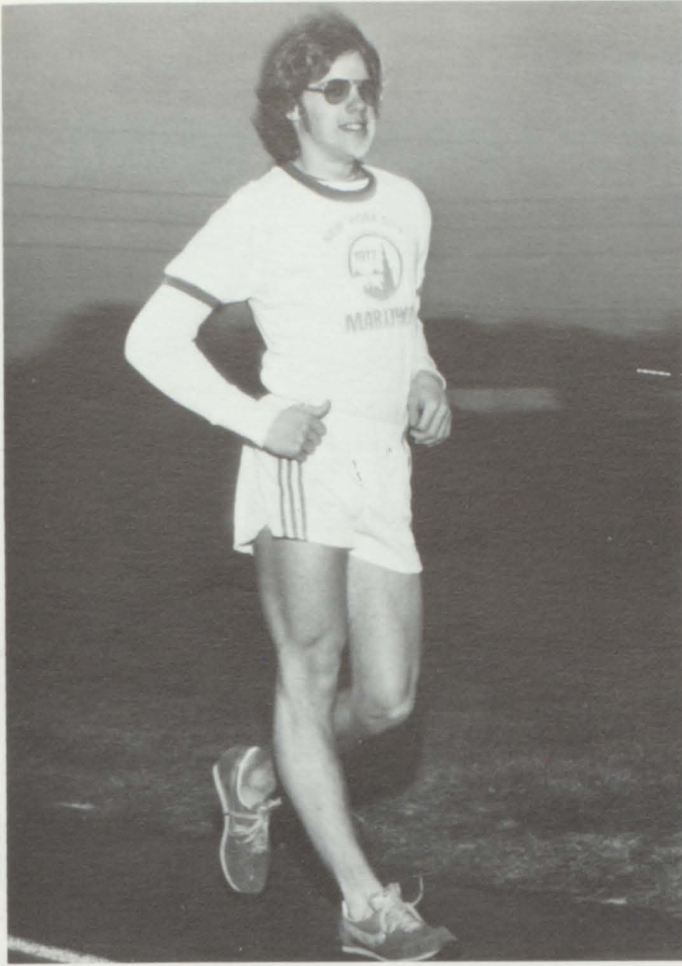

Throughout the season, the J.V. squad would occasionally travel with the varsity members. Most of their matches were set up with other J.V. teams and private schools.

With the largest turnout ever, the Winter Track team led by coaches Mr. Borbet and Mr. Brunetti was a heavy contender for the league title.

Because of biting cold and freezing temperatures the team was forced to do much of their practicing indoors on the second floor of the school. Some key runners were Mike Barata, Eddie McClendon, Mike Fitzgerald, and Jimmy Skala.

Everyday after school you could find the track team jogging around the halls. Compared to last year, there was a big turnout. The girls came in first in their league, and beat Harporfields, who hasn't been beaten in three years. The Captains are seniors Judy Gibson and Lisa Schaefer, and they were coached by Mr. Borbet, Mr. Burns, and Mr. Brunteei. Mr. Goldin also ran along with the team. According to Captain Judy Gibson, "There are outstanding performances, but the success of the team is based upon team effort."
