Class of 1982

Bottom (L to R): Stephanie Patron, Terry McLoughlin, Thom Pak, Sonia Genthner, 2nd Row: Sal Fandale, Delores Dromerhauser, Jeannine Nardone, Patti Graziani, Krista Vogelsberg, Terry Duffy, Helen Witchert, Lisa Davidoff, Kim Todhunter, Kathy O'Farrel, Clarissa Fuentes, Ray Mitchell, 3rd: Mr. Dave Jones, Matt Hickey, John Powers, Cathy Sauer, John Muckstadt, Peter Charles, Jeff Turner, John Cerabino, Dean Plender.

The Senior Class, led by President Matt Hickey, had quite a successful and interesting year. The class started the year off with Homecoming which was clearly a great success.

The class of '82 went on to produce a sensational Fashion Show and Chinese Auction considered to be the best show in years. Volleyball Night was a great time for all even though the teachers captured 1st place. Despite this, everyone had fun. The class of 82 also followed tradition and sponsored a Dating Game, one of the funniest events all year. Other elements which were just as important included the Spaghetti Dinner, the Junior-Senior Prom, the Senior Class Picnic, and especially Class Day.

The Class of '82 surely proved that "Seniors Rule," especially when one looks at the combination of Senior Class activities and the original ideas produced by the class.

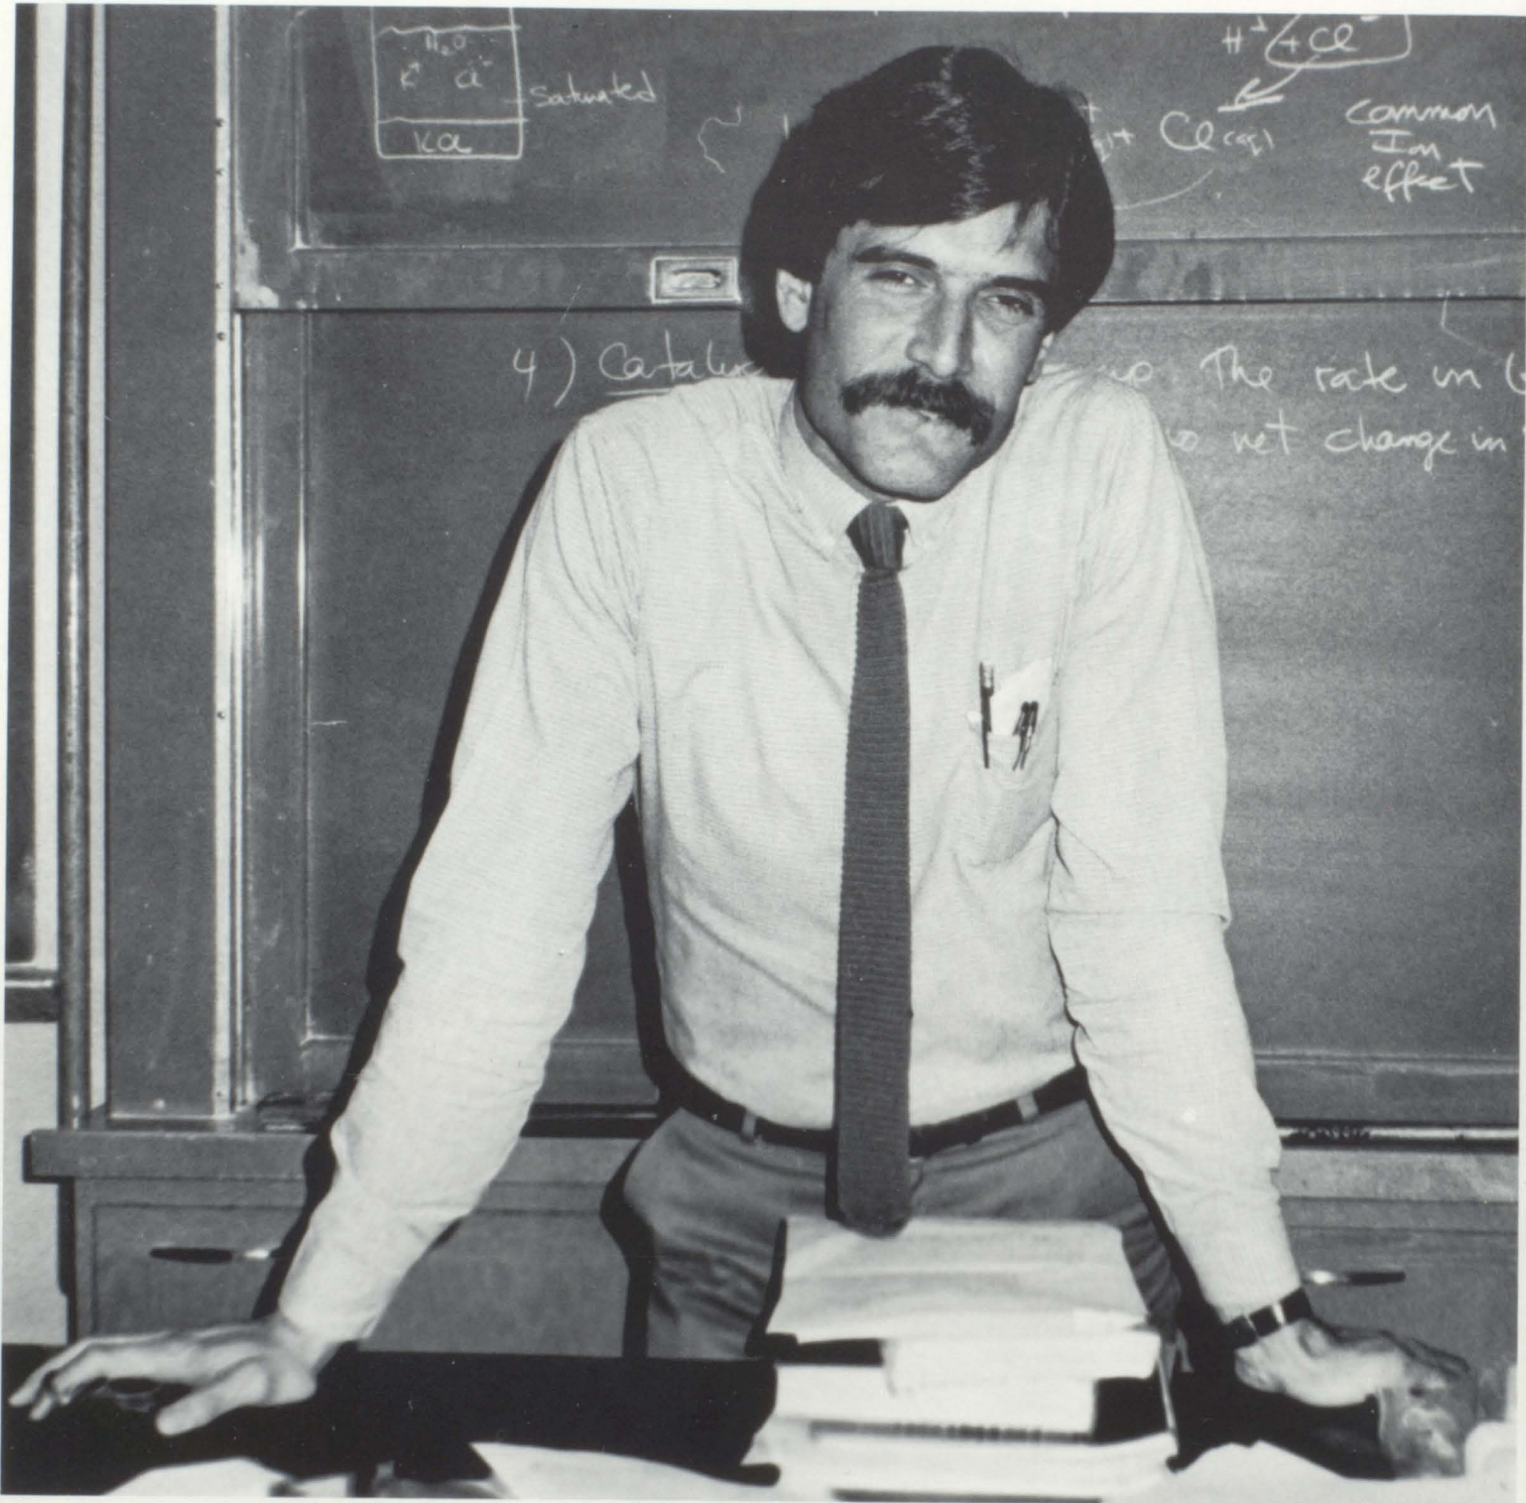

Jenny Snover — Vice President, Matt Hickey — President, Delores Dromerhauser — Secretary, Sonia Genthner — Historian, Patti Graziani — Treasurer.

Appreciation

What would Bay Shore High School be without Mrs. Swital? If one would ever walk into the clamoring hoard of people that is usually in the main office, you would see Mrs. Swital caught right in the hub of this whirlwind. She is the heart that pumps the blood of life through the veins of the high school. Mrs. Swital is as kind and caring, as she is dedicated and efficient. We at Bay Shore High School truly owe a lot to Carolyn Swital. We appreciate her always being there to help us.

Dedication

There is one teacher in our school who spends more of his time in school rather than at home. This special teacher is Mr. Ross Goldin. After teaching hours, he can be found coaching girls track or chaperoning a school function. Mr. Goldin is always willing to devote his time and efforts towards the senior class. He is a teacher for the students and will always be appreciated. The Senior Class proudly dedicates this year's Maroon and White to Mr. Ross Goldin.

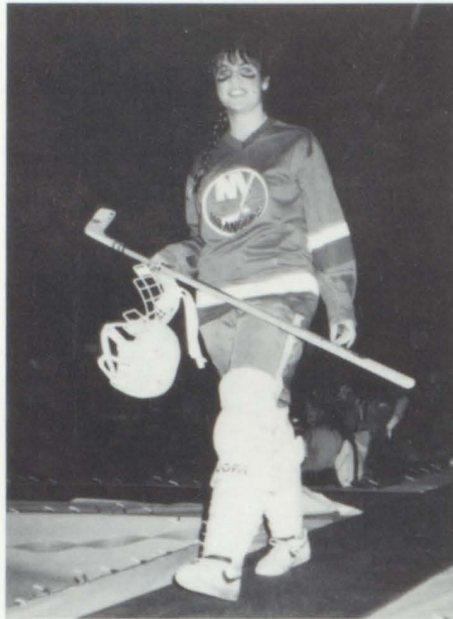

Does anyone know why Dave Jones has a continuously receding hairline? It's probably due to all the half-organized, half-frenzied Senior Class functions that he has had to advise. Honestly, a man who puts up with so many last minute preparations and other obstacles as he does, deserves such a dedication. Mr. Jones teaches like a caring parent and advises the Senior Class like a close friend looking to have as much fun as his students. Always willing to go along with and support even the most absurd suggestions, Mr. Jones adds to the excitement and frivolity of a Senior year. Mr. Jones is very worthy of this year's Maroon and White dedication.

ACTIVITIES

Senior Class

Fashion Show

This year's Senior Class Fashion Show was presented by the Senior Class on January 21, 1982. The show and auction were both a complete success, due to the efforts of the fashion show chairpeople, Clarissa Fuentes, Robin Hill and Terry McLoughlin, and the Chinese Auction chairpersons Delores Dromerhauser and Sonia Genthner.

Many do not realize how much work really does go into the show and auction, from getting sponsors for the clothes to receiving donations from merchants in the vicinity of Bay Shore. It seems that it was one of the finest shows the Senior Class has ever presented, with over fifty of the most glamorous Seniors and teachers, modeling the latest fashions for the gala event.

The audience roared as Stephanie Patron strutted down the runway to the theme song from the movie "Stripes" — Manfred Mann's "Do Wa Diddy Diddy." She was followed down the runway by five overly anxious Army privates and this indeed was the highlight of the show.

Another feature of the show was the modeling of "Beach and Surf" wear, generously donated by Ocean Rythms of Babylon. Models wore the latest styles Ocean Rythms had to offer, carrying surfboards and sunglasses to make the atmosphere unique.

Finally, the long awaited presentation of the bridal party appeared. Bernette Bailey and Russel Frisby, Robin Hill and Mike Weisberger were the brides and grooms for the double wedding ceremony.

Overall, the 1982 Senior Class Fashion Show and Auction will be a very memorable event.

Valentine's Day

On February 12, 1982 the SGO Activities Committee once again organized the selling and delivering of carnations. The day's activity ran smoothly under the direction of Laura DeRuvo, Activities Committee Chairperson.

The Senior Class organized a Post Valentine's Day dance. Even though the turnout wasn't what we expected, the opinion of most who came was that it was a success. Even though it was after Valentine's Day, love was in the air!

Homecoming 1981

For the first time in years the Homecoming Dance was held a week before the homecoming football game. The dance, on October 24, featured music by DJ Dennis. All who attended agreed that chairwoman, Karen Donovan and her helpers did an excellent job.

The Bay Shore community spirit was evident a week later on October 31. Main Street was lined with people who had come to cheer the classes. The Senior, Junior and Sophomore class floats were proudly displayed, in a parade which was led by the Marching Marauders Band. The floats were judged at halftime with the Seniors winning, "Best Float" with the theme of, "The Devils Made Us Do It." The Junior Class won "Most Original" with the theme, "Trick or Treat, Huntington's Defeat." The Sophomores Float, "Huntington Begg For Mercy" won "Most Effort."

Following the float judging, everyone anxiously awaited the announcing of the Homecoming King, Queen and Courts. The King's court consisted of John Cerabino, Randall "Bubba" Julious, Jeff Novins and Bryan Williams. The Queen's Court included Kathy Conzone, Delores Dromerhauser, Patti Graziani, and Jenny Snover. Sonia Genthner and Matthew Hickey were announced Queen and King. The Bay Shore Marauders triumphed over the Huntington Blue Devils with a score of 22-6. Winning the football game highlighted the end of a wonderful day on the field.

Senior Volleyball Night

Once again, the Senior Class came through with a fantastic event: The Senior Class Volleyball Night. Many Seniors came out to play a tough game of volleyball. This year some juniors and sophomores were able to try their skills against the fantastic seniors. The teachers also came out for this event.

Bay Shore High

Bay Shore High School students were involved in a beach erosion study for Stony Brook University, this past year. The project, advised by science teachers Agardi and Romansky, involved measuring Ocean Beach monthly. The results will determine how much beach is washing away. This will give the Ocean Beach residents an idea of how long before some ocean front houses may be destroyed. The students had a great time helping out the beach community.

Newsday's High School

"High School of the Year" has been fastened to the Bay Shore High School ever since we won the award for community service in June 1981. This goes to show that Bay Shore is a school of excellence as well as of pride. Receiving the award was one aspect of the happiness, but another aspect which made up the main part of the award was the work, that went into qualifying for the title, "High School of the Year."

In all fairness, Bay Shore has made its mark, by winning and receiving the award, and all hope that we continue in this corridor of excellence.

ORGANIZATIONS

1982 Maroon and White

No one ever realizes how much time and effort goes into putting a yearbook together. Due to the lack of experience, student interest, money and materials it was a difficult task making this book a reality. It was hard budgeting our time for school work, social events, home life, and then the yearbook. We had only a few dedicated students helping us throughout the year, who with us worked hundreds of hours. Quitting had crossed our minds numerous times, but we thought of the future. What would it be like not to have a record of supposedly the best years of our lives?

We deem it necessary to explain the changes of this year's Maroon and White. Starting off, the cover breaks a long tradition. It is a standard pictorial cover by our publisher, Taylor (Dallas, Texas). This had to be done due to financial difficulties. Custom covers are more expensive and would add to the Maroon and White's large monetary deficit. The endsheets of the book do not have a picture as in the past few years, for it would have clashed with the cover and the space for writing was necessary. Also the majority of the staff liked the new cover more than the traditional. We hope you'll agree.

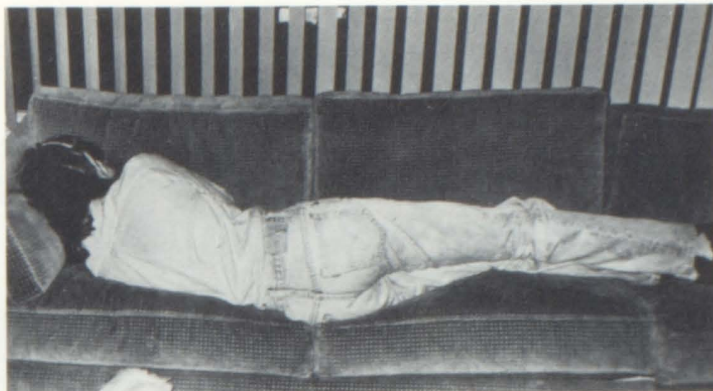

Two sections we expanded this year are the activities section and the ads. The activities section features improved coverage on the Fashion Show, Homecoming, and others. The advertising section had to be increased due to a huge financial deficit. Thanks to many generous parents and business owners for alleviating this deficit.

The Senior, underclassmen and club sections are pretty much the same. The faculty section is slightly smaller because we felt it was necessary to cover other more important student activities.

This is your yearbook. Ten months of work has gone into it. We truly hope that you like it and will enjoy looking through it in years to come.

The Ambulance Squad is a unique program. It is one of the few volunteer programs in the country, to include and rely upon high school seniors. Since the Ambulance building is less than 2 minutes away from the school, students are quickly picked up for calls. They are fully trained and qualified to handle all situations. We are very proud to have such a program in existence at our school.

In only its third year of competition, The Marauder Marching Band has established itself as one of the more poised and professional high school bands on L.I. In this short period of time, directors Donald Persia, assisted by George Brennan, Dave Long, John Guzas, and Barbara Kjeldsen have begun a long standing tradition of excellence.

Led by drum majorettes Kathy Conzone and Dawn Wernick, the Marauder Marching Band and Color Guard competed in several competitions. Included among these were the West Babylon and Mineola Long Island Invitionals. The band also traveled to Ridgewood, NJ and made its first appearance at Eastern Regional Chapter Championships in Elizabeth, NJ. The band had an impressive competitive record after clashing with some of the best bands in the east.

This year's band also sponsored the 1st Annual Bay Shore High School Invitational Marching Band Competition. With the help of many enthusiastic parents the competition was a great success and represented a milestone for Bay Shore High.

The Marching Band not only had great success on the field but also developed into a close-knit, fun-loving group off the field.

He is presently the Junior High Drama club director, and is a great one at that. The Drama Club is not a large club here in the high school, but with more effort, it hopefully will be expanding.

This year the Bay Shore High School always had an activity going on. Thanks to the dedication of Activities Chairperson, Laura DeRuvo and her committee who made all of this possible. Being a sub committee of the Student Government Organization, the committee's job was to organize all SGO events.

The committee's first project was the planning of Homecoming. This included planning the traditional parade, the hot chocolate hour and the Half Time details. In December the TMR students along with the committee decorated the Christmas tree. On Red and Green Day for the first time, Santa, Mrs. Claus and elves delivered candy canes throughout the day to good boys and girls. Some committee members worked at school until 12:30 AM the night before to get the delivery prepared. These events helped to get everyone in the holiday mood. The annual carnation delivery in February proved to be a success. It was a great way of showing that special someone you cared. In April, the committee organized the 2nd annual blood drive. Many students, teachers and members of the community donated to the Long Island Blood Services.

The Activities Committee is responsible for helping us have a terrific time this year, by carrying out tradition and producing new ideas. Many students never realize how much work it takes to plan and produce a successful event, but the committee worked together and hard. Thanks, for a great year!

A UNIVERSAL PICTURE PG

Our high school years are precious
Good memories are not few
But when I think of Bay Shore High

I'll always think of you.
Because, my friend, you were the best

Through all the good and bad
And I know in years I will think back

On all the fun we had.
The dances and the football games
The math no one could do
All the good and bad times
I shared them all with you.

The pride we felt as seniors
With our shirts maroon and white

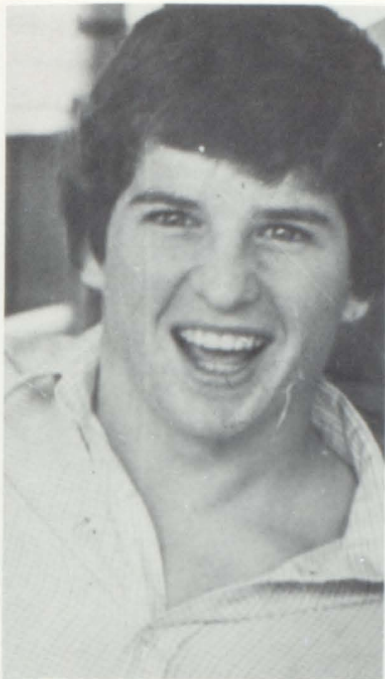

These things I will remember
Even when they fade from sight.

And now that we are moving on
May all your dreams come true.
My high school years were something else!

And all because of you.

Homecoming '81

Unlike other years in Bay Shore history, this year's season can be described as nothing less than successful. Under the direction of new head coach Tom Howard, and assistants Lenny Matera, and Tom "Tulane" Cheviot, the '81 Marrauders compiled a record of 7 wins and 2 losses. Despite the lack of championship, the Marrauders scored an unpredicted 268 points. Captains Dennis Maloney, Brian Williams, and Joe McMahon filled out the all league team as did senior fullback Lorne Stuck. All involved feel that the combination of promising under-classmen and Tom Howard's ability to harvest hidden talent, the '82 Marrauders will go no where but UP!!!

Brentwood—Winning nine bouts, including a major 11-0 decision by Bob Hubbard at 177 pounds and a 12-0 superior decision by Pete Fusco at 91, Bay Shore defeated Brentwood, 30-12, yesterday in wrestling. There were no pins in the match, which featured two of the top teams in the state. Unbeaten Bay Shore scored its fifth victory, and the loss was Brentwood's first in five matches.

Captains Bob Panariello and Mike Attisani

The Varsity Wrestling team coached by Dick Rosener, once again proved to be one of the finest teams in New York state. On March 5th and 6th the team won the Section 11 (county) tournament defending their title. Other tournament victories were the Sachem Holiday Tournament, the G. K. Doherty Memorial Tournament, and the League IV tournament.

Bay Shore dual meet record was 14-1, losing their only match in the finals of the New York State Cup at West Point. County standouts were Peter Fusco — 2nd, Bob "The Animal" Panariello — 1st, Mike Glynn — 2nd, Mike Attisani — 3rd, Tom Tierney — 1st, Jim Johnson — 2nd, Bob Hubbard — 3rd, and Frank Bifulco — 1st.

The Junior Varsity, coached by Jumper Leggio, also had an outstanding year having 5-1 league record. Unfortunately the team lacked quantity and had to forfeit a few weight classes every match. However, there was much quality and most of the team did very well individually. The Varsity's success is also due to the J.V. Wrestlers, for they filled in many times when a weight or sickness problem arose on Varsity.

To Our Children,

It seems that it was only just a few years ago that you were starting school for the first time. Every morning was a rush of lunch pails and leftovers, school books and school buses. Later, there was the 3:00 AM phone call, "Dad, the homecoming float broke, can you rebuild it for us?" That was all just yesterday . . . yesterday you were young: today we seem old.

None of us will ever live these years again. We hope you enjoyed them. As your parents we did the best we could for you. We only hope we were compassionate when it was needed, understanding when it was required, and demanding enough when that was called for. If, on occasion we were too tough, it was only to try to insure that the years ahead will be easy for you. You may not understand that concept now, but by the year 2,000 you'll probably be saying the same thing to your kids.

To all our children, to the class of '82, the greatest thing we can say about you is — you are no longer children, you are adults.
