BAY SHORE HIGH SCHOOL

MAROON  
AND  
WHITE

Dear Lynn,

You accomplished so many things in your short life. But you always took time out to help those who needed your care and understanding. We could see you bursting with energy from the time you rushed to your first period art class to when you led your fellow cheerleaders in practice. We'll still come to you with our problems and ask you for your comfort and understanding. We know you'll be there for us as you always have been. Please remember us in your prayers. We love you and miss you!

Loving you,

Your Friends Forever

The Thrill that Comes Once in a Lifetime.  
Harold Tucker Webster

A professor can never better distinguish himself in his work than by encouraging a clever pupil, for the true discoverers are among them, as comets amongst the stars.

Carl Linnaeus

He who can, does; he who cannot, cuts.

Tom Donnelly

We love the things we love  
for what they are.

Robert Frost

Character is made by  
what you stand for;  
reputation, by what  
you fall for.

Robert Quillen

Time goes, you say? Ah  
no! Alas, Time stays, we  
go.

# APPRECIATION

Dr. Les Faggiani

It is hard to write an appreciation for Dr. Les Faggiani because he has done so much for our class it doesn't seem enough to just say "thanks." His help with the yearbook is invaluable; in fact, the yearbook wouldn't be possible without him. Doc is a super teacher and his love of teaching is evident in his enthusiasm in class. He is so patient and kind, it is truly a pleasure to know him well. So we say, "Thanks Doc." Thanks for being such a friend.

Mr. William Hofmann

To thank Mr. Hofmann for everything that he has done over our junior and senior years would make up a small book. From the students who know him well we give him the greatest thanks because we know just how much he has done for our class. For those who don't know him as well you should get to know him because he could fill your last years in school with a full sense of belonging. Mr. Bill, don't worry, everything is OK!

Mrs. Patricia Ponzi

Mrs. Ponzi has long been a part of the activities at Bay Shore High School and she can be found wherever there is a good cause. This past year she has taken an advisory position to the National Honor Society, bringing with her the energy and ideas she is known for. Her dynamic personality is always present in the classroom, after school and between classes. Mrs. Ponzi is like a mom to many of us at Bay Shore High and we will never forget her. For all that she has given us through the years the class of 1986 greatly appreciates and thanks Mrs. Ponzi.

**President — Kenny Chalifoux**  
**1st Vice President — Jeannine Mulry**  
**2nd Vice President — Erika Nolan**  
**3rd Vice President — Dan Goodman**  
**Advisor — Mr. Peter Morrison**

The Student Government Organization had another productive year. Through its meetings, the S.G.O. again provided students a chance to voice their opinions on administrative decisions. With the help of advisor Mr. Morrison, they also organized a very successful Food Drive to help the needy at Thanksgiving. In addition, they worked to rename the football field and track Clifton LaPlatney Memorial Field. Mr. LaPlatney was a teacher and football coach in our school for over 40 years and was deeply involved in the school and its organizations.

Due to the efficiency of the S.G.O. the students have again become an important voice that the administration listens to. Hopefully, it will continue to give students the chance to voice their opinions on school matters.

# S.G.O. Activities Committee

Jeannie Pak, Alison Palotta, Elsie Daidone, Erika Nolan, Jeannine Mulry, Jill Smith, Ken Chalifoux, Kathy Hutcheson, Susan Mandel, Mike Nassar

The SGO activities committee began another successful year with the annual Homecoming. They also organized the food drive for the Hospitality Center, the blood drive for the Long Island Blood Services, and many other events associated with the Student Government Organization. They would like to thank Mr. Morrison for all his help and wish the Class of '87 the continued success of the SGO activities committee.

**Treasurer — Sandi Flammer**

Students Against Driving Drunk is a student run organization whose goal is to make fellow classmates and the community aware of the dangers of drinking and driving.

We don't want to preach or demand that people stop drinking — all we ask of them is to think twice before driving while intoxicated or allowing someone they know to drive while under the influence. We try to make everyone listen and understand the dangers of mixing alcohol and driving. However, even if we only make one person realize how important it is for us and for others on the road, then our efforts were worth it.

It took numerous hours organizing and typing in the cluttered office adjoining Dr. Faggiani's room to put together the '86 Maroon and White. More importantly, it was the hard work and dedication of the staff that made the yearbook successful. People joined the staff not knowing what a "cropper" or a "quadpack" was and left proud of the results of their hard work. We thank the people who gave their time to create the 1986 Maroon and White Yearbook.

If you are looking for a paper that contains all types of information and writing and presents it in a clear manner, you need not look much further. The *Maroon Echo* gives this, and a lot more.

In some ways the paper was the same as it had been in previous years. In included articles about school news, activities, organizations, and sports. In addition, it contained Islip town news, and local, state, and national news. The *Maroon Echo* provided informative news for the community, faculty, and students. Also, there were many controversial ideas on topics that were relayed through editorials, letters to the editor, and viewpoints.

This year's paper, though, experienced many changes and additions. There was a pullout section added to the paper, called *Maroon Echo II* which was specially for feature news. The paper also printed news that was sent by the College Board. Its purpose was to inform students about picking colleges and methods to prepare for college entrance exams. Another section that was added was for entertainment. It gave the latest news on rock groups, and, in general, what was happening in music.

The *Maroon Echo* is a publication that everyone can use. It is something that everyone has a reason and a right to take pride in.

The Bay Shore Marauder Marching Band has once again reached and surpassed their past records. Through their toughest efforts and endless hours of practice the band has once again acquired the position of being the Long Island Champions for the third year. They have been in the number one spot in division 3 since 1982. This year the marching Marauders performed their show at the Atlantic Coast Championships coming in the top 10 out of 26 bands with a score of 84.1. Bay Shore is known not only for the recognition they have achieved but for the spirit they have shown. More spirit was produced this year at the Atlantic Coast than anywhere else. Parents and the other schools were amazed at the excitement generated by our band.

The Board of Education dedicated to the band the week of December 16-December 20, as Bay Shore Marauder Marching Band Recognition Week. Wherever the band goes, they will leave their mark of excellence. Congratulations to the band on another outstanding season.

# Choir

This year's choir has a new director, Nick Ambrosino, and he has brought with him new ideas which really have made this year special for the entire choir. The choir performed three concerts as usual this year but also formed a show choir of 20 people called "Miscellaneous Interlude." This show choir practiced at night and performed at the POPS and spring concerts. "Miscellaneous Interlude" also did an outstanding job at SCHEMEA this year. The choir also did something special for the less fortunate at Christmas time. They attended the Kings Park Psychiatric Center and sang Christmas carols to the patients. The choir really enjoyed this year with their new director and the underclassmen are looking forward to working with him again next year.

# Concert Band

At the end of marching band season, the Bay Shore Marauder Band becomes the concert band. The concert band rehearses for and performs three concerts during the remainder of the school year. The winter concert was held December 19 and was something new for the band. Because of fire hazard restrictions, the students were forced to perform at the Junior High School. Although the squeeze was tight the band played outstandingly. A POPS concert and spring concert are planned and the underclassmen in the band will also play at graduation. Director Ted Scalzo tries to include a wide range of literature for the performances and is very proud of the hard work and dedication of the students.

The Bay Shore High School Jazz Ensemble can easily be described as the "creme de la creme" of the musicians at the High School. This group is composed of dedicated students from the band who are the most talented in certain sections. Besides the annual "pops" concert and special shows in the shopping malls, this group performs at competitions and festivals.

In addition to devoting an incredible amount of time and energy into this program, it devotes much effort that gives this program the great reputation that it deserves. Moreover, it does not matter where they play because this group is always able to inspire an audience with its distinct style of music.

In keeping with the Bay Shore tradition they have performed beautifully in various concerts throughout the year. Each member independently has a rare talent; collectively it produces a melodious resonance which has always been synonymous with the Marauder's excellence. The orchestra continues to be an asset to the school's fine music program.

This year's National Honor Society succeeded in making it one of the best years ever. They didn't just think about things to do, but acted on them. Some of the activities they did were to participate in the school wide food drive, help out with the annual SEPTA Christmas party, and tutor those students in need. This year's Honor Society also did something that they're very proud of. They planted a tree in front of the High School in memory of their dear friend and Honor Society member, Lynn Clark. The Honor Society also held their annual tea for new inductees as well as old National Honor Society members. It is obvious that, contrary to popular belief, the Honor Society isn't just made up of book worms, but made up of students that are active in the school and community. They had a great and productive year. Thanks for all your help Mrs. Ponzi and Mrs. Orobona. We couldn't have done it without you.

# Ambulance Squad

Tom Moore, Amy Feld, Tracey Domagala, George Stockdale

Being a member of the Ambulance Squad is more than getting out of school when your beeper goes off. It takes intelligence, hard work, and most of all dedication. These members are part of the Bay Shore/Brightwaters Ambulance Corps. They qualified through work over the summer. These students take turns being "on call" during school hours and if they are called, an ambulance stops by the school to pick them up. Then they go to the scene and perform their learned saving techniques from the ambulance to the hospital. The students really enjoy this firsthand experience and are very fortunate to get this great opportunity to learn and help others.

International Club is comprised of students who are interested in learning about other countries around the world. The club spends a great deal of time studying cultures different from ours. This involves special projects such as educational field trips. The club also sponsors much of its own work through fund raisers. These activities may seem insignificant, but in fact, they provide students with the opportunity to expand their horizons.

This organization is designed especially to help those that are less fortunate. It is dedicated to community service and working with the handicapped children in our school. A new endeavor in which the "Angels" can be associated with is the establishment of a Big Brother/Big Sister program throughout the school. An annual goal of this organization is also to obtain money through selling candy and other fund raisers to donate to a worthy charity.

One set of math may be enough for the average student, but then, these "mathletes" are not your average students. They enjoy doing extra math and participating in math meets. These lovers of math consist of seniors, juniors, and sophomores. The Math Team has consistently ranked high in the county at the end of the year and hope to rank high this year also.

This year a Hunger Awareness Committee, sponsored by OXFAM America, has been started in the high school. Headed by Danny Goodman this organization is pledged to spread the awareness of hunger problems plaguing Africa, the United States and many other countries. Hunger is everywhere, in the city, in the country, in every first, second, and third world nation. Students in OXFAM help gather donations to feed the hungry in those third world countries that are hit the hardest by hunger and right here in Bay Shore. But more importantly the OXFAM Hunger Awareness Committee spreads an awareness of the great problem of hunger. Through their main event this year, the Hunger Banquet, the students in OXFAM have collected large sums of money to put a dent in the hunger problem and through their many speakers, talks and visual aids, people have begun to see how tremendous the problem of hunger really is. Hopefully, together, we can put an end to hunger.

# Mock Trial

Top row: Liz McClosky, Tom Romita, Tracey Connor, Artie Sauer, Christine Burvenich. Bottom row: Sandro Longo, Dan Goodman, Erica Padgett, Paula Rivera, Alicia Guarino, Tom Donnelly, Mr. Fuchs.

The Mock Trial Team is one of the many organizations Bay Shore can be proud of. The hard work and dedication of the students and guidance from Mr. Fuchs has proven how greatly talented and diversified our students are. Though many are involved in other sports and activities, each team member puts in many hours of practice; coming at night and on the weekends, to guarantee that each year is a successful one for the Mock Trial Team.

# Homecoming 1985

Saturday, October 19, was Homecoming '85. The Bay Shore Marauders were victorious beating Central Islip 13-7. King and Queen were Kenny Chalifoux and Stephanie Nardone. Their court consisted of Chris Burvenich, Karen Guarnieri, Erika Nolan, Susan Mandel, Jeannine Mulry, Errol Doeblar, Greg Esemplare, Reed Hendricks, Chris Nardone, and Kirk Page. Although the victory was exciting, the tragic loss of a dear friend and classmate on October 17 brought an agonizing emptiness into the weekend. Lynn Clark, a great friend to everyone as well as a wonderful person, was missed terribly, and as a tribute to her everyone wore purple and dedicated Homecoming weekend to her.

Even though many of these players are graduating this year, next season looks extremely promising with many strong juniors and sophomores.

"We're from Bay Shore and no one could be prouder . . . and if you don't believe us we'll shout a little louder" — those are the words that were heard every Saturday as the Varsity Cheerleaders cheered their football team on to victory after victory. From September in the hot sun, to late November in the icy rain — the cheerleaders were out there without fail. This year's team was closer than most other years; and the tragic death of their captain, Lynn Clark, left them torn. After much thought, they decided to continue cheering; and cheer they did. They put in the spirit and pep that Lynn would have wanted them to. As the season came to an end, there were tears as some of the seniors cheered for the last time. Anyone watching these girls could see the dedication they put into cheering and the definite feeling of camaraderie surrounding them.

Under the coaching of Karen Kauer they had several players mentioned as All-League — high-scorer Lisa Huff, Lizz Byrne, Captain Carolyn Gallagher, Jeannine Mulry, Goalie Elsie Daidone, and Captain Alison Pallotta. With the graduation of 7 seniors, they certainly hope that the tradition will remain.

# Varsity Girls Tennis

The 1985-86 Girls Tennis Team had an impressive overall record of 10 wins and 5 losses. There were only two teams throughout the league and county to whom they lost: Half Hollow Hills West, who later became county champions, and Huntington. Finishing third in its league, the team advanced to the county quarter-finals, where they ended up in the top eight in Suffolk County.

The team was composed of students ranging from grades eight to twelve. It will strive to continue its successful record, although it will sorely miss its one graduating champion.

The Varsity soccer team had another great season this year finishing with a league record of 8 wins, 3 losses, and 1 tie. Under the coaching of Mr. Cody and captains Jim O'Farrell, Paul Susskind, Vinny Torres, the team once again made it to the playoffs. Unfortunately, they lost in the first round of the playoffs but they were able to capture league champs. Hopefully next year the team will be able to take it all the way.

# Varsity Girls Soccer

Captains Sandra Roberts, Stephanie Nardone, Karen Guarnieri

"Determination" is probably the word that best describes this year's girls Varsity soccer team. After losing the first couple of games, the girls pulled off a mid-season record of 4-1-1, a first place record in the standings.

Unfortunately, they lost the next couple of games, but Bay Shore still had a chance for the playoffs. The outcome of the last game of the season would be the determining factor. Bay Shore had to win and the third place team had to lose to the first place team, Huntington. Despite the fact that B.S. pulled off an exciting victory, Huntington was defeated in an upset; thereby obliterating B.S.'s chances for the playoffs.

With each passing year the team improves their record. This year their league record was 5-5-2. Coach Romita is optimistic that next year the Bay Shore girls Varsity soccer team will have their first winning record, and a definite shot at the playoffs.

The Varsity Cheerleaders did an outstanding job cheering the basketball team onto a successful season. Despite the loss of some of the members, the squad didn't lose any spirit. The girls on the squad enjoyed cheering and it showed through their pep and enthusiasm. Game after game they were always there to support the team, cheering as loud as they could.

This year's J.V. Cheerleading squad was a very successful one. The squad was led by Miss Nancy Booker and captains Georgeanne Kowalski and Mary Boghosian. Most of the squad was made up of girls who had never cheered before. Their spirit showed throughout the season and when they went out, they always gave it their all. The squad's dedication showed under the coaching of Miss Booker. If it wasn't for her they wouldn't have come as far as they did. She put them through hard practices and pain, but when they got to a game and showed everyone what they had and heard the applause, it was worth it.

Congratulations  
Cheerleaders!

CAPTAINS LESLIE SCHLEGEL AND STEPHANIE NARDONE

The girls Varsity team is having another great season under the coaching of Mr. Powell. Led by Senior captains, Stephanie Nardone and Leslie Schlegel, the team is tied for first with an 8-2 record, and gearing for the playoffs in February. Julia Burton is someone who has proven that she can help fill the gap left by the outgoing Seniors. With the additional help of coach Powell, it should not be a problem to keep the winning tradition alive in Bay Shore.

# Varsity Wrestling

Top L-R: Coach Mr. D. Rosener, David Dahill, Sport Moran, Charles Williams, Anthony Ingargiola, Chris Morley, Vinny Torres, Greg Rabin; Bottom: Richie DeRuvo, Ray O'hara, Danny Atkins, Billy Dolan, Robert Thall, Tom Knapp

CAPTAINS VINNY TORRES AND DANNY ATKINS

The Varsity Wrestling team consists of 6 starting seniors. Co-captains Vinny Torres and Danny Atkins, 105 pounder Ray O'hara, 120 pounder Bobby Thall, 145 pounder Charlie Williams and 215 pounder Greg Rabin. The remainder of the team is made up of 5 starting juniors: 112 lb. Billy Dolan, 126 lb. Rich DeRuvo, 140 lb. Dave Dahill, 167 lb. Chris Morley. The 177 pound weight class is occupied by three wrestlers: Alex Porcelli, a junior who was wrestling 1st string but was unfortunately injured early in the season, and 2 seniors, William Moran and Anthony Ingargiola, alternates to fill that position.

Varsity Wrestling is struggling through one of the toughest seasons in Bay Shore's history. Coach Dick Rosener feels the team will do better in tournaments than in dual meets.

# J.V. Wrestling

Top L-R: Coach Mr. D. Rosener, Robert Koscic, James Padgett, Martin Curran, Ron Kane, Ray Quaglio, Steve Walker; Bottom: Jeff Padgett, Matt Olson, Bob Horton

This year's J.V. wrestling team was a very young one. The team consisting of all underclassmen has had a fine season against tough competition. The experience they have gained is sure to provide a sound basis for next year's season.

Islip, Lindenhurst, Comsewogue, Smithtown E. Longwood, Deer Park, H.H.H. East, W. Babylon, E. Islip and Smithtown W. Bay Shore lost to Northport 54-51, and N. Babylon 60-44. (12-2 record) The team is led by captains Doug Cohan and Darnell Williams. The League Championships will be Feb. 8th, with Bay Shore hoping to finish in the top 3 teams. The girls winter track team of 1985-86, will be hard pressed to continue the streak of 8 consecutive league championships and three straight county championships. Captains Gisette Day, Chris Graham, Michele Turner, and Lara Lazarus will lead the team. Other team veterans include Chris Baratta, Sherry Little, both All-County performers, Carolyn Gallagher, and Tracy Brothers. Newcomers who have been major contributors include senior Carrie Braunstein and sophomores Jennifer Given, Sabrina Talbert, and Lisa Huff. The league championships will be February 9 at Farmingdale College, with Centereach, Newfield, and Bay Shore all having a chance to win the league 3 title. Bay Shore has won every league title since girls winter track began back in 1977-78 season. Coaches Mr. Borbet, Mr. Goldin, and Mr. Estes all feel that the league championship will be determined by the athletes who can pick up points placing 4th or 5th in various events. CAPTAIN JIMMY MAGGIORE

Although this year's bowling team didn't have a banner year record wise, they did have great success in breaking in the youth of the team. Mike Cassidy, Chris Pepito, and Stacey Bauman, all junior high students, had some good experience with competition. With the help of Coach Morrison, seniors Drew Kowalewsky and James Maggiore, this young team received a lot of good training that may enable them to win in the future.

# BATTLE OF

This year's Battle of the Classes, hosted by the Juniors, was a lot of fun for everyone. It gave the high school students a chance to show off their "athletic skills" and battle it out to the finish. This year the events were a little different than the usual events. The "Izzy Dizzy" race was introduced. This consisted of the players running across the gym, spinning around 10 times, and then attempting to run back. Unfortunately, some participants weren't too lucky with their run back. The next event was the "Egg Roll" where students raced across the gym rolling an egg with their nose. The night was rounded off with an obstacle course and then, of course, tug of war. The games were close for the most part, but the seniors were victorious. Still, for the majority of the students it didn't matter who won or lost; just having fun was enough!

# THE CLASSES

# Battle of

# the Sexes

On Thursday, January 16, Senior boys and girls challenged each other in some traditional and other "different" events. The boys' coach was Senior class advisor, Mr. David Jones, and the girls' coach was Mrs. Catherine Matthews.

The first event was volleyball, which the boys won, and the second event was the balloon pop, which the girls won. The third event, the orange pass, was more controversial. Because the orange split and got pretty slimy, a quick conclusion was in order. Of course, Mr. Jones decided on the method (which was partial toward the boys because the girls were better) and the boys won that event. The girls next won the obstacle course which included the pie-eating contest. Luckily there was only one regurgitation that night. The last event was the egg toss — no, not hard boiled eggs — and the boys won that one. The night was a great success (and mess) and everyone had a really great time.!

# OXFAM HUNGER BANQUET

This year the high school hosted a very special banquet — one held in order to raise money for those in need for food. The Oxfam Hunger Banquet was put together principally by Dan Goodman; his advisor was Mrs. Drobona. The evening started off with two films, both of which stressed the poverty of third world countries and were extremely moving. Then a variety of people spoke about third world conditions including a representative from Oxfam America and Katherine Mulry, who had actually been to India and worked with Mother Theresa. After these presentations, the actual "banquet" started. Cards were picked to establish which types of meals people would eat — first, second, or third world meals — according to the percentage of the world that eats this way. Third world is the highest, so the majority of people ate simply a bowl of rice. Second world people ate rice and vegetables, and first world people had a full meal.

Most people who left the banquet did not leave fully satisfied — they had eaten a small bowl of rice only. But they left with the satisfaction that they had done something, though very trivial, to help impoverished people.

# M\*A\*S\*H

On the 15th and 16th of November, the Bay Shore High School Drama Club presented the well known and comical drama M\*A\*S\*H. Under the fine direction of Mr. Joseph D'Antoni, the show proved to draw in the largest audience for a drama production since the high school started presenting these shows.

The students, together with Mr. "D" and Mrs. Carol Richard, the scenic designer, worked on preparing this show for opening night for approximately two months. Their hard work and dedication helped add to the success of the show.

M\*A\*S\*H was a show that gave many newcomers a chance to express themselves on stage. The infamous Hawkeye Pierce was portrayed by Tom Eckrich and senior Tom Greene played his witty sidekick Trapper John. If you have seen the TV program of M\*A\*S\*H, then you probably know Captain Frank Burns as the clean cut, strict, and down to the books soldier. Joe Rosenthal did an extremely good job in his interpretation of this character. However, one must admit the highlight of the show came upon seeing Junior Lou Lesperance appear in drag as Corporal Klinger and Senior Elizabeth Albury as the blonde Major Margaret Houlihan otherwise known as HOT LIPS!!!

The production of M\*A\*S\*H has just continued Bay Shore Drama's fine tradition of excellence.

# Spring Drama

Curtain Up!!! Light the lights!!! This became a very popular saying for the spring season's musical production of "Gypsy." This show is the story of Miss Gypsy Rose Lee, the first woman to ever upgrade the profession of strip tease in Burlesque, and her dynamic and strong willed mother whose determination and push keeps the show together.

The auditions for "Gypsy" were in January and the decisions on parts were made by a panel of five directors: Mr. Joseph D'Antoni, head director; Mrs. Carol Richard, scenic director; Nicholas Ambrosino, vocal musical director; Mr. Donald Persia, orchestra conductor; and Mr. James Hopkins, head of the Cultural Arts department. Chosen by the directors were Karen Suger as Rose, Elizabeth Albury as Gypsy, and Tom Eckrich as Herbie. These three characters are the basis of the play and all feel that the senior, junior, and sophomore combination will work in its benefit to the show.

The work and effort that the students must put into the show is tremendous, and on April 18th and 19th, the high school stage will welcome the appearance of one of the largest and grand musicals ever written: "GYPSY!"

# Production: "Gypsy"

# Dating Game

Back again at Bay Shore High School, the Dating Game was a big success and a lot of fun for both players and viewers. It was run with the same procedure as the "Dating Game" seen on T.V., except played with students. A bachelor or bachelorette proceeded to ask three contestants of the opposite sex a series of questions that were at times a bit risque, and then picked the contestant who had answered them the best. The game was hosted by MCs Sue Hickey and Brian O'Farrell, and they introduced the audience to some very funny players. Senior Stephanie Nardone was found singing the National Anthem, and Art Palotta and Marvin Gardiner had to parade shirtless for the audience. The Dating Game provided Bay Shore students with a lot of fun, and because cans of food were allowed as admission, it succeeded in raising food for the food drive.

# Donkey Basketball

Donkeys in the gymnasium? It sounds crazy, but that's what Bay Shore students and teachers witnessed at the high school's Donkey Basketball night, held on November 7, 1985. Many of the braver students and teachers actually tried riding these stubborn animals while playing basketball — but soon realized that it was a whole different ball game. Even members of the high school basketball team found it hard to score. For the majority of the time, it was less a battle between two opposing teams, and more a battle between donkey and rider!

There was a series of games with different teams consisting of teachers, seniors, juniors, sophomores, and one team of Bay Shore firemen. Although most participants found it hard to walk afterwards, it was a lot of fun for everyone.

# Senior Class

# Fashion Show

Evening gowns, casual dresses, beach shorts, and even ski suits were seen modeled at this year's Senior Class Fashion Show held on Dec. 8, 1985. Both teachers and students displayed the latest styles of clothing which were donated by local shops or designed by the students themselves.

The highlight of the fashion show is traditionally the bridal party, and this year the class was fortunate enough to have two bridal parties. Brides and Grooms were Daphne Hand and Eric Jackson, and Christine Burvenich and Jimmy Maggiore. Each couple was accompanied by ushers and bridesmaids.

Following the modeling, the annual raffle and Chinese auction were held, which were both successes. The Senior Class really worked together to produce a great show this year. It was lots of fun for participants and viewers!

### Purple. Purple Where Have You Gone?

Purple, Purple where have you gone?  
our hearts are broken, our souls undone.  
you left so quickly, no time to tell  
why you were leaving, where you would dwell.

You were a meteor streaking across the sky,  
illuminating our lives as you passed by.  
A life force so strong, spare moments so few,  
alas, the frantic pace and boundless energy was  
our clue,  
to a Destiny already known to you.

You left us with questions that burn in our brains,  
drain our emotions and cause us great pain,  
we mourn not for you, but for ourselves,  
you've gone to a better place, an eternity to dwell.

Lynn, give us the strength to see us through,  
to weather this storm, to carry us on  
and fill in the void now that you're gone.

God, it hurts so much nevermore to see  
that smiling face or cheery pose on bended knee,  
Alas, I have but one question for Thee,  
Did you really need her more than me?

Purple, Purple where have you gone?  
all parents sob, all sisters weep,  
cradle her, O Lord, in your Loving Arms,  
her soul to hold for an eternity's sleep.

Then Lynn appeared in the sky!  
caressed by a familiar and comforting light!  
Wardrobe! Wardrobe! she exclaims!  
this gowns too big!, the halo too tight!

Now we know why you had to leave,  
rushing off, leaving all to grieve,  
this poem is too sad, too melancholy a refrain,  
for Lynn has not died in vain,  
it's a cosmic production! it's about to start  
and Lynn has the Lead — a celestial part!

We began to unite and work together. Our memories and friendships have helped us through good and bad times. We realized by joining together that we will be able to look back upon these years as some of the happiest and memorable we have known!

For all those who were never personally recognized for all their help, we thank-you. In years to come you will realize that it was all worthwhile.

If you believe in yourself, you will be all that you want to be.

**Best of luck,**
