Through achievements, as well as struggles, we have learned lessons here that cannot be attained anywhere else. We value these achievements and accomplishments all the more so as we embark on a whole new journey. Wherever your path takes you, do not forget where you started. Bay Shore is our blueprint. "The most memorable part of the season, I would say, was watching the younger girls, and the team as a whole, grow and get the experience of competing. We were slowly coming together in the winter and now that's cool to watch. This was a very frustrating season coming off a very successful junior year and having high expectations. However, this motivated me more than ever and I'm ready to hopefully have the best season of my life this final spring season."

Casey Mattfeld

"The most memorable part of the season to me was the league championships. Although we did not win, it was amazing to see everyone supporting each other during each race. We really came together as a team and gave it our all. My personal goals for the season were to beat my times from last season and to place at league championships. It felt great to accomplish both of these and I can't wait to improve even more in the spring."

RETIREES

Timothy Cox

"It would be impossible to pick a single favorite memory from Bay Shore. My 30 plus years here are best defined by the saying 'if you find a job you love, you'll never work a day in your life.' I started teaching in 1983 in Kings Park. I have been teaching in Bay Shore since September 1985."

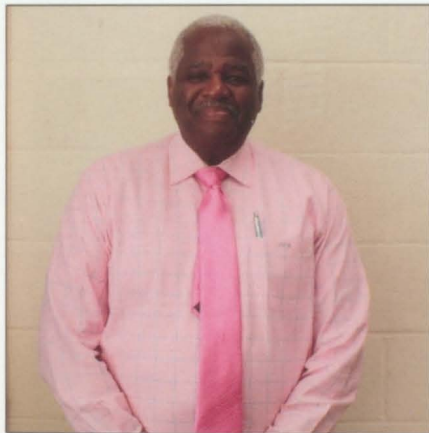

Donna Doyle

"I have a treasure box full of moments spent with students and with colleagues, all memorable, some fun and some sad. There are some memories in which I laughed out loud, and others where I held back tears. Most of my favorite memories, however, lie in the Humanities 11 program where I taught for 27 years. My times with Mr. Palumbo and the English men and woman I have worked with: Ms. Aday, Mr. Cumiskey, Mr. Sullivan, and Mr. Elliot are all memorable. The moments in this class with the kids and my Stallions (as I call the guys I work with) were numerous and always full of laughter. It was like a family working with these guys. We would interrupt teaching moments with jokes, trivial information, and/or pertinent insight on a daily basis. All the time the kids were learning and laughing. Like a family, we worked with each other and learned from each other. We learned from the kids, as well. I'll miss that class the most and my current teams even more. I have been teaching in the Bay Shore School District for 31 years."

June Fandale

"I have too many favorite memories at Bay Shore to really single anything out. Maybe it was when I saw my own daughter graduate from the same high school that I did - Bay Shore High School. I have always tried to enjoy as many Bay Shore moments as possible. I have been in the Bay Shore School District for the total of my teaching career, with some substituting in other districts, for thirty years. I have not worked full time during those thirty years. I started as a substitute and worked my way up from part to full time."

Perry McLean

"My favorite memory from Bay Shore was the Senior Awards Night when I (as advisor to the BSOSS club) gave out multiple scholarships to some very deserving senior BSOSS club members. I was so nervous I forgot to put on my glasses and couldn't figure out why I couldn't read my cue cards. Upon remembering, I had to confess to the audience my dilemma and they laughed. A very memorable evening indeed. My entire teaching career has been in Bay Shore and that span is twenty one years."

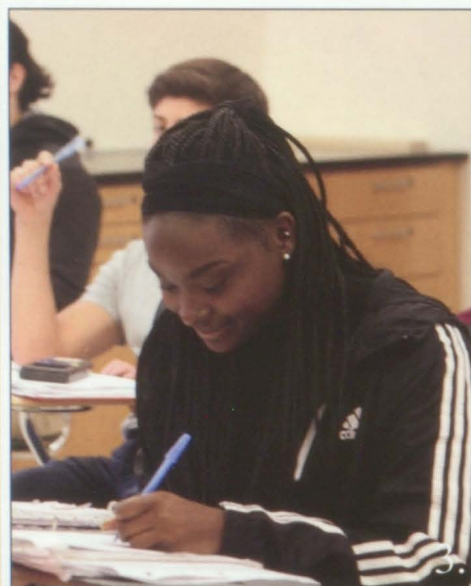

Denise Riquelme

"My favorite memory will be working with all the wonderful colleagues throughout the years. Also, teaching Spanish, which is such a great advantage for my students. I cannot single out one favorite memory, because Bay Shore has left me with so many. It has been such a rewarding experience. I started teaching in 1989 in Freeport, NY. This is the end of my twelfth year in Bay Shore School District."

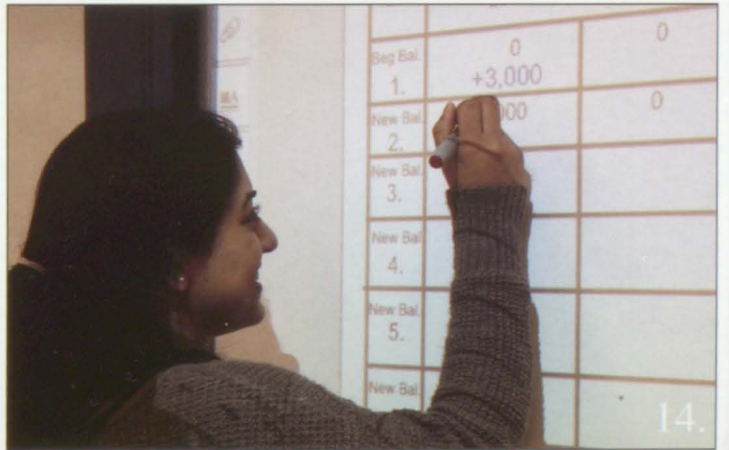

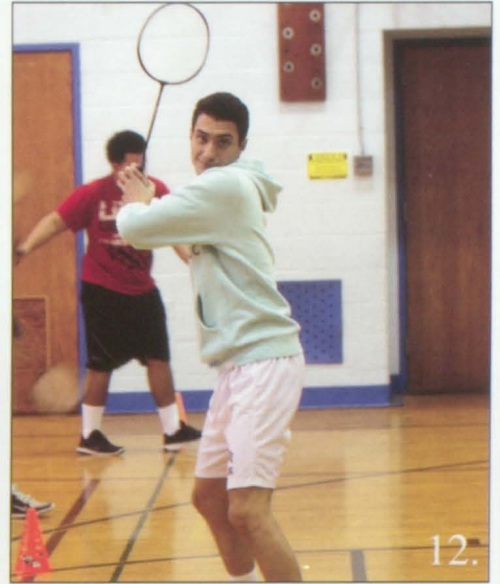

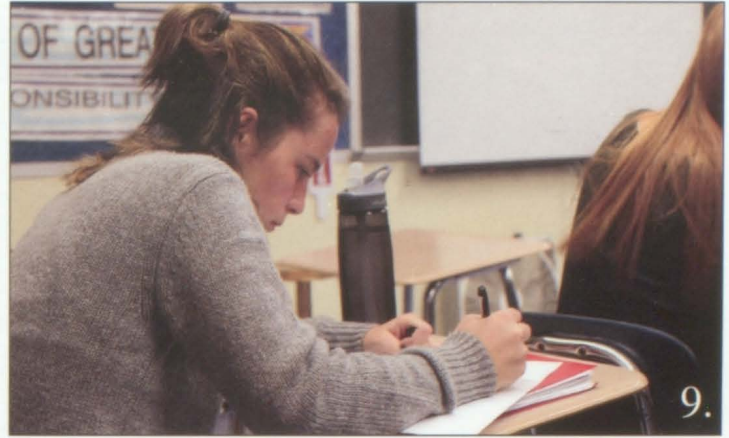

Ed Schaefer

"I've been fortunate to spend my entire professional teaching career (33 years) in Bay Shore. During that time, I've taught in almost every school in the district, and have accrued so many good memories. In particular, I'll always remember the first concert I conducted with the band at the South Country Elementary School. As Assistant Director, it was thrilling to watch the High School Marching Band win the Long Island Championship - 5 years in a row! Of course, I will never forget the Middle School Jazz Band that numbered 86 students! Although I'll be retiring from teaching at the end of this school year, I will always remember my years spent in Bay Shore."

Michael, we are so proud of you.

Your courage and determination make you a true super hero.

We love you Mom, Dad & Charley

Casey Cusack

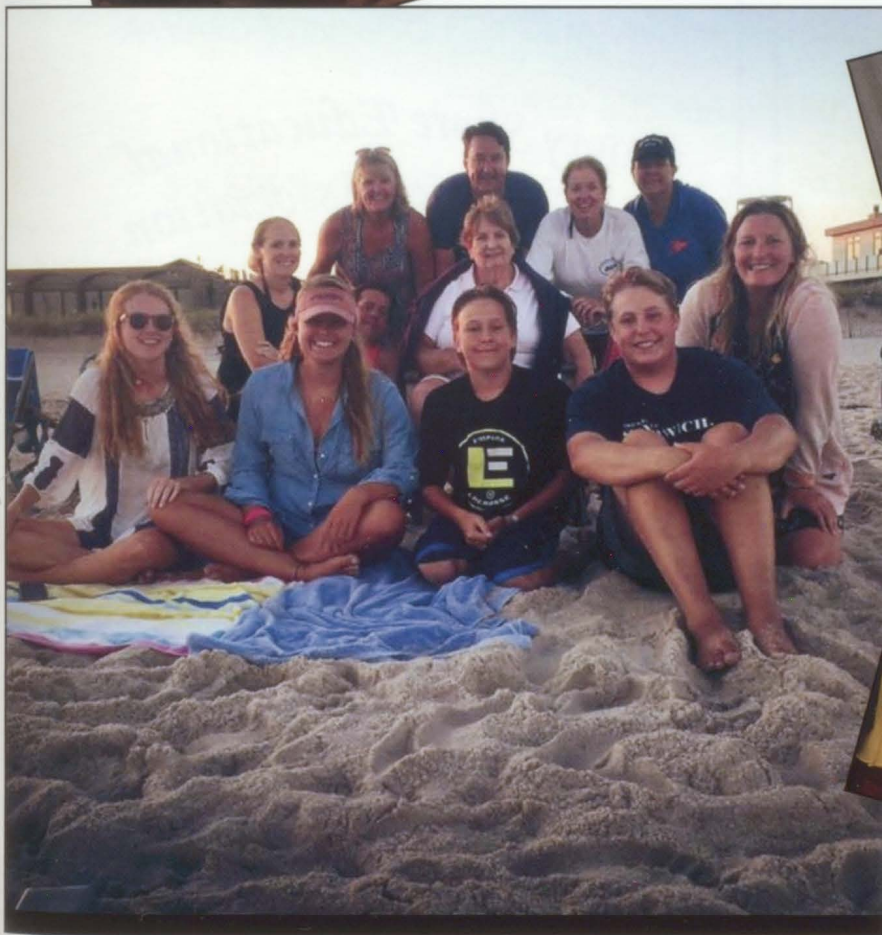

You were given the gift of attending Bay Shore High School and you have taken away with you life changing experiences. Going forward you understand that diversity and compromise is essential for embracing family and friends. Your family and The Bay Shore family has helped shape your path for college and thereafter.

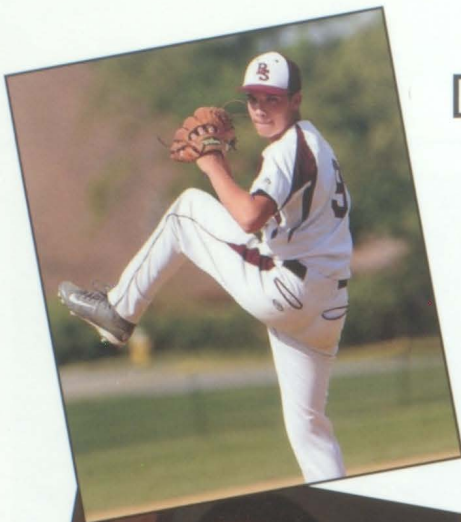

Although Daddy is not here to see you graduate, he is watching from afar cheering on his "pigeon."

"Daughter in life you're gonna go far, if you do it right you'll love where you are. Just know that wherever you go, you can always come home."

You've already made us proud, now go forth and make a difference.

We love you, Mom, Joan, Brian, Bella & Bandit

Damian Joseph Fanduiz

Our precious "golden" child.... We are so proud of you today and always. Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is, his good, pleasing and perfect will. Don't be afraid of being different my love, be afraid of being the same as everyone else. We may encounter many defeats but we must not be defeated in this world. Remember to be open to new experiences but more important have goals. We love you beyond words and can not wait to see what this journey called life has in store for you. The world is waiting, go out and conquer it. The song of the day is "My wish" - Rascal Flatts

Bay Shore has provided us with an expansive array of possibilities and experiences that serve as the foundation of our futures. Although we may now go our separate ways and attend to newfound opportunities, we will never forget our beginning. Yet, ensuing the simultaneous fling of our caps, following our final goodbyes, we'll look back on the memories we built together by hand with reminiscent appreciation and respect. Although our spheres of connectivity will surely change, and branch off to form new ties, our foundation will remain, forever, Bay Shore.

COLOPHON

The 2017 Marauder Yearbook was published by Jostens and produced entirely by a staff of 15 students, led by Co-Editors-in-Chief Haille Griswold, Hannah LaForce, and Casey Mattfeld, and under the supervision of Mr. Michael Hochman. 375 printed copies of the 94th volume of the Marauder were planned. This edition is comprised of 208 full-color, 100# matte pages, with a planned distribution of May, 2017. A "Spring Supplement" is planned for distribution in July of 2017.

Computers: The staff used Apple iMac computers, exclusively.

Photography: All candid photos, club photos, and special section photos were taken by the Marauder staff using Canon Rebel cameras. All student portraits, teacher portraits, and sports photos were taken by Island Photography and are used with their permission.

Software: The Marauder is produced entirely on Yearbook Avenue, the Jostens on-line design website.

Fonts: Captions are 'Egyptienne Light' size 10; Headlines are 'Delano Outline' size 40; quotations are 'Centrum Light' size 10.

Then and Now: We are pleased to feature as many Bay Shore alumni as possible in this section. However, we could only include portraits of ancestors when the dates were accurately provided and/or the portrait exists in the old yearbook.

Senior Superlatives: Ballot sheets were distributed to all seniors. Only sheets that were turned in were counted, and we received over 200 of the superlative forms.

The 2017 Marauder staff wishes to extend the following thank yous:

-The Jostens staff, especially Mr. Matt Stuchio and Ms. Crystal Gault. You were both there with us in July when we started this book, and you have been with us every step of the way into the final submission. Your ongoing support is invaluable to us throughout the entire process. THANK YOU.

-Island Photography

-The high school and district administrators; thank you for your continued support in helping us achieve our vision.

-To the secretaries: Thanks to Laura Giordano and Laura Stiles from the Main Office for the help with communicating to students, parents, etc.; to Mary Anne Bisogno and Theresa Polina, from the Principal's office, for the help answering questions, mailing stuff, etc.; to Annemarie Curcio for her assistance with our photography days, and Barbara Picariello for her assistance with our staffing. Thanks to Christina Nardone for all her help with class lists. You are all incredible people. And to all of the other secretaries from various departments and offices: thank you for any help you provided throughout the year.

-Thank you to the IT staff for always providing help when we needed it.

-To the custodians, thank you for lugging cartons large and small, and everything else you have done for us. You guys are the best.

-Thank you to all teachers and parents for any pictures you helped provide.

-Thank you to all students who submitted photos through replayit.com.

-Thanks to Bob Sorenson for his awesome basketball photo on page 44.

Casey Mattfeld, Hannah LaForce, and Haille Griswold, co-Editors-in-Chief, gather for a rare, quiet moment.

Mr. Hochman's note to the Editors:

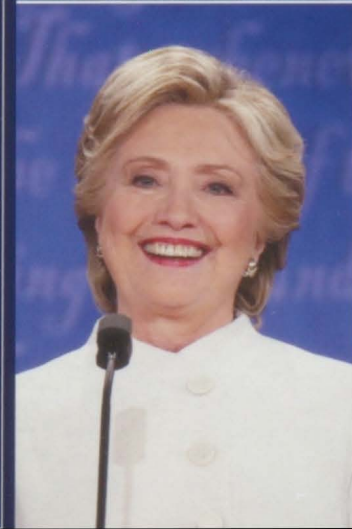

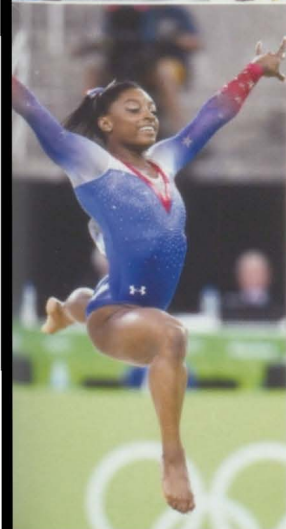

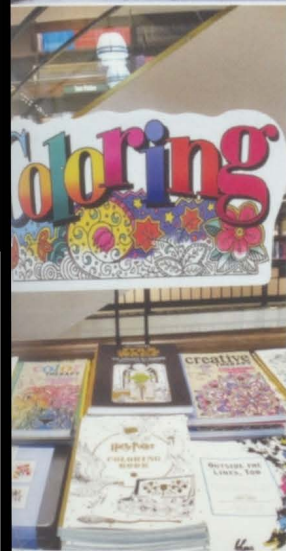

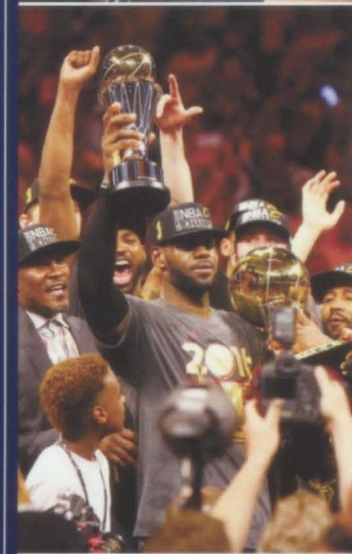

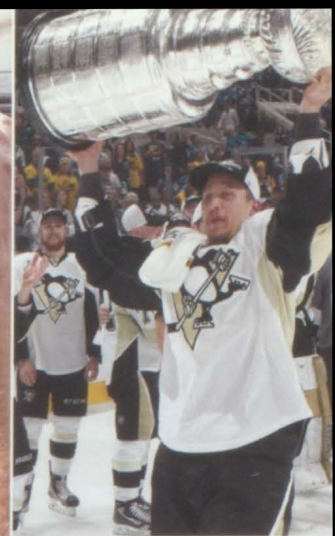

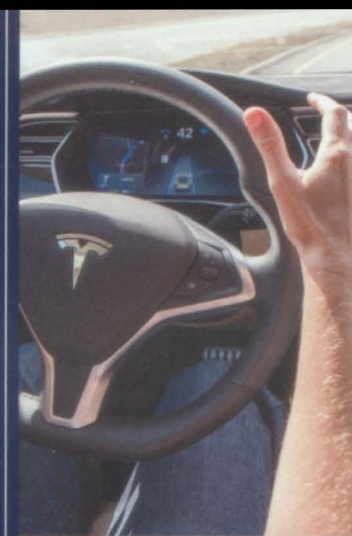

Haille, Hannah, and Haille,

Most students don't realize how much time and work goes into the publication of this book. Very few realize that we started this yearbook back in May of last year, met over the summer, and that you all stayed late throughout the year, worked from home at night, and worked during free periods. This is a labor of love, as they say, and I am so proud of the work you have done. You should be so proud of this amazing yearbook; it truly is one of the best we've ever done.
