

The Library thanks all essential employees

"You are community heroes"

Hope all is well with you

BAY SHORE-BRIGHTWATERS PUBLIC LIBRARY

Dear Bay Shore-Brightwaters Community,

We hope you are well and remain safe and healthy as we all continue to adjust to life with the COVID 19 pandemic. The Library staff and Board of Trustees would like to express their support and sympathy for all community members that have been personally impacted by the pandemic through illness or the loss of a loved one. We would also like to express our gratitude to the residents of Bay Shore and Brightwaters that are essential workers especially doctors, nurses, healthcare workers, teachers, school district staff, firefighters, police officers, EMTs, first responders, clergy, National Guard, grocery store workers and delivery persons.

During the past year the COVID-19 pandemic has presented unprecedented challenges for the Library. The library staff's dedication to providing the community with outstanding service was exemplified by their perseverance and flexibility during this difficult time. While in lockdown the staff actively worked together remotely to ensure that the community was informed of and had access to library services online. Library staff researched, compiled and posted resources provided by various sources to keep you informed, entertained and healthy. The Library staff also provided programs to the community via pre-recorded video and live streamed events through our website and social media. The Library's Maintenance and IT departments monitored the Library building to ensure that it was secure and systems were functioning properly so that the building was ready for you to visit when we were authorized to reopen.

When the building reopened to the public in July we added the option of curbside pickup and modified the building and our policies in accordance with social distancing and health and safety guidelines. The Library continues to explore additional opportunities to address the impact of the pandemic on the community especially in the areas of personal finance, employment, education, mental and physical health.

The Library has also continued to look for cost effective ways to improve the existing facility to make your visits more enjoyable. This past Fall the Library utilized a NYS Library Construction Grant to upgrade our safety and security system. In the coming year the Library plans to repair and resurface the existing parking lot.

The Library is asking that you continue to support our mission to provide you with the excellent library service you expect and deserve. The Library Board and staff have worked together to create a proposed budget that will continue to offer you the highest level of service possible at a reasonable cost. We are pleased to report that the proposed budget increase is well below this year's tax cap and reflects a decrease from last year's budget. Please vote on Tuesday, April 6, from 10:00 AM to 9:00 PM.

If you have any questions about the proposed budget or any other aspect of the Library's operations, please contact the Library Director, Michael Squillante, at (631) 665-4350, or by email at director@bsbwlibrary.org.

Your support is essential and greatly appreciated. Thank you!

Come visit the Library or call us at (631) 665-4350 to see what will be displayed for these months.

JUNE

Inside Showcase:

During the month of June, Richard Kramer will be displaying his abstract art called zen art. Zen is derived from the Buddhist religion meaning peace and tranquility.

While looking at the pictures, people forget about the stresses of life and get into focusing on the pictures themselves.

Outside Showcase:

Linda McAvey is a wife, mother and grandmother to eight amazing and talented grandchildren. After retiring from the IRS she spent her time creating gifts for loved ones. Linda has always had a passion for the beach and seashells. After seeing artwork that was made with resin, she was inspired to create her own beach designs.

Gallery:

Flora Allen is a proud member of many local art clubs. She is known for her excellence in landscape art and her vibrant use of colors.

Do you have an exhibit you would like to share with the community? We would love to hear from you. Please call 631-665-4350 and ask for Margot.
