# THE BOARD SPACES

## PROPERTIES

There are three types of properties: streets, which come in color sets, railroads, and utilities.

## Unowned Properties

When you land on an unowned street, railroad, or utility, you must buy it or auction it.

### Want to buy it?

Pay the price on the board space, and take the Title Deed card from the Bank.

### Don't want to buy it? Auction it!

The Banker must auction it. Bidding starts at  $\$10$ , and anyone can increase the bid by as little as  $\$1$ . You don't need to follow turn order, and the Banker ends the auction when no player is willing to increase the bid. The highest bidder pays the Bank. If no one wants to bid on the property, that's fine. No one pays anything, and the Title Deed stays with the Bank.

## Collect color sets!

When you own each street in a color set:

- You can double the rent for those streets!
  - You may build Houses and Hotels and charge even more rent!
- See BUILDINGS.

## Owned Properties

When you land on a property that someone else owns, the owner must ask you for rent. If they do, you must pay. If they don't ask before the next player rolls the dice, you don't have to pay!

## ACTION SPACES

**GO**

When you pass or land on the GO space, collect **\$200** from the Bank.

### Chance and Community Chest

Take the top card from the matching deck, and immediately do what it says. Return it to the bottom of the deck when done.

### Income Tax and Luxury Tax

Pay the Bank the amount shown on the space.

### Free Parking

Relax! Nothing happens.

### Just Visiting

Don't worry. If you land here, put your token in the Just Visiting section.

### Go to Jail

Move your token to the In Jail space immediately! Do not collect **\$200** for passing GO. Your turn is then over. You can still collect rent, bid during auctions, buy Houses and Hotels, mortgage, and trade while you are in Jail.

### How do I get out of Jail?

You have 3 options:

1. Pay **\$50** at the start of your next turn, then roll and move as normal.
2. Use a **Get Out of Jail Free** card at the start of your next turn if you have one (or buy one from another player). Put the card at the bottom of the appropriate deck, then roll and move.
3. Roll doubles on your next turn. If you do, you're free! Use the roll to move, and that's the end of your turn.

You can use up to 3 turns to try for doubles. If you don't roll doubles by your third turn in Jail, pay **\$50**, and use your last roll to move.

# BUILDINGS

## Building Houses

As soon as you get a color set, you can start buying Houses (you don't have to wait for your turn).

Pay the Bank the cost on the Title Deed card, and place a House on the street.

You must build evenly. You cannot build a second House on a street until you've built one on each street in the set. You can only have 4 Houses on a street.

## Building Hotels

Once you have 4 Houses on all streets in a color set, you can pay to upgrade to a Hotel.

Pay the Hotel cost on the Title Deed card, return all 4 Houses to the Bank, and put a Hotel on the street.

You can only have 1 Hotel per street.  
You can't add any more Houses.

You cannot build on a street if any street in its color set is mortgaged.

## Not enough buildings?

If multiple players want to buy the last House or Hotel, the Banker must auction it. Bids start at  $\$10$  and anyone can increase the bid by as little as  $\$1$ . You don't need to follow turn order. Payment goes to the Bank.

## No buildings left?

You can't buy any until someone sells theirs back.

# DEALS & TRADES

You can buy, sell, or swap property with other players at any time.

You must sell all buildings on a color set to the Bank before you can sell or trade a street. You cannot sell or trade buildings to another player.

Property can be traded for cash, other property, and/or Get Out of Jail Free cards. The amount is decided by the players making the deal.

Mortgaged property can be traded at any agreed-upon price.

The new owner must immediately:

**Repay the mortgage** (pay the Bank the unmortgage cost).

**Or keep the mortgage** (just pay the Bank 10% of the mortgage value now).

# HELP! I CAN'T PAY!

## 1 Try to raise money.

If you owe money and can't pay, try to raise money by selling buildings back to the Bank and/or mortgaging properties.

### Selling Buildings

**Sell Hotels** to the Bank for half the cost, and exchange them immediately for 4 Houses.

**Sell Houses** to the Bank for half their cost. Houses must be sold evenly across the color set.

### Mortgaging Property

To mortgage a property, you must first sell all buildings in its color set to the Bank at half their cost price.

**To mortgage**, turn the Title Deed card facedown, and collect the mortgage value on the back from the Bank.

**To repay a mortgage**, pay the unmortgage cost to the Bank (mortgage value +10%), then turn the card faceup.

Rent cannot be collected on properties that are mortgaged. However, the increased rent level can be collected on the unmortgaged streets in a color set.

The increased rent on unmortgaged railroads and utilities may be collected in the same way.

## 2 If you're still in debt, you are bankrupt and out of the game!

### Do you owe another player?

Give them all your mortgaged properties and any Get Out of Jail Free cards.

The new owner must immediately:

**Repay the mortgage** (pay the Bank the unmortgage cost).

**Or keep the mortgage** (just pay the Bank 10% of the mortgage value now.)

### Do you owe the Bank?

Return all your properties to the Bank. Any mortgages are canceled.

All your properties must immediately be put up for auction.

Return any Get Out of Jail Free cards to the bottom of the appropriate deck.

The remaining players keep playing until there is only one person left in the game.

**That player is the winner!**

## TOP TIPS

**To keep your game short and sweet, don't use house rules!**

**Always auction when someone doesn't want to buy the property they've landed on.**

**Never loan money to other players or make deals not to charge each other rent.**

**Never put cash in the center of the board; you don't get a bonus for landing on Free Parking!**
